## Thorsby RCMP Seek Assistance in Stolen Hot Tub Incident

Thorsby, Alta. – The RCMP are investigating the theft of seven Arctic Spas Hot tubs from a manufacturing site in Thorsby. Public assistance is being sought from anyone who has information, either about the stolen spas or the truck involved.

On Sept. 2 at 9:00 a.m., a transport truck with a false name loaded the seven spas without legal authority. The truck was identified by the driver as: 10036218 Canada Inc. Transport Pascal Charland out of Chateaugay, QC.

The truck is described as a white Volvo semi truck

with no company markings, equipped with a bunk/sleeper. The trailer was a flat deck, newer looking. The driver is described as:

- Caucasian male
- 30-40 years of age
- Approximately 5'6" tall / heavy build
- Short brown hair and unshaven

The Arctic Spas stolen were models: Ocean, Totem, Yukon, Aurora, Tundra (x2) and Fox.

If you have any information about these spas, or you see this truck please contact Thorsby RCMP at 780-789-3613. If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at [www.P3Tips.com](http://www.P3Tips.com) or by using the "P3 Tips" app available through the Apple App or Google Play Store.

## LETTERS TO THE EDITOR

Dear Editor:

The citizens of Brazeau County appear to have been duped. Consider the following:

Our Council in their infinite wisdom have voted (4-3) to spend several million dollars on an aquatic centre. Not too long ago, it was policy to have any expenditure over \$2 million go to plebiscite. That policy has since been rescinded—Example One of removal of public concern, interest, and input.

About 10 years ago, the pool project was determined NOT to be a good idea. The public had some input at that time.

This time, public input was not offered. The big question is why was a “special meeting” called to pass a motion to contribute to the pool project (after a 40-minute unnecessary in camera session) when a meeting with the Town to join the project was the very next day. This does not seem to be a coincidence—Example Two of removal of public concern, input, and interest.

Who is responsible for council agendas? Why were these meetings scheduled in such a way that the public couldn't have any input before decisions were made?

Does not the whole of Council have the responsibility in determining the timing and content of agendas? Why was the public not informed if there were any meetings prior to the one on August 24 that passed the motion?

Who calls “special meetings” and who sets the agenda? Is this not normally the job of the Reeve? Should not the content of these “special meetings” be made known to the public in a timely fashion?

Dealing with the Town is also problematic. The County made a contribution to the construction of

the Omniplex. The County also makes a \$1.3 million contribution to the operation of recreational facilities in Drayton Valley (presumably for one-half of operation costs). Do the residents of the County want the Town to run this new facility? Example Three of removal of public concern, interest, and input.

So much for looking after the needs, interest and/or concerns of the citizens who pay Council's way. What happened to the stated objective of Council transparency (September 1 agenda, p.2).

As of this writing, a special meeting is ongoing with only “invitees” allowed to attend. Why are the rest of us cut out? Whose interests are being looked after when a meeting is for select invitees and not the public?

So much for transparency and accountability.

L. Oberle

**Counselling Subsidies** – Starting in September. Breton and Area FCSS is pleased to offer Counselling Subsidies.

A subsidy is available for individuals, couples and/or families who are struggling with common, everyday issues to access short-term preventative counselling services. The goal is to:

- o Improve relationships with better communication and conflict resolution skills;
- o Improve mood with anger management and emotional support;
- o Enhance personal growth with creativity, spirituality, self-esteem, self-awareness, goal setting;
- o Improve parenting skills by focusing on attachment;
- o Reduce stress with life balance; and/or
- o Learn new skills and behaviors

The cost of counselling can be a barrier for many individuals and families. This subsidy is available to those who do not have access to coverage through health benefits or employee benefits, such as an Employee Assistance Plan (EAP), and whose family income is less than \$75,000 per year. Fees are determined according to a sliding scale based on income and family size. Fees range from \$15 per session to \$55 per session. The maximum number of sessions available is seven for individuals and nine for couples or families. Counselling services are provided through a partnership with Karunia Counselling from Leduc.

We know that in this current environment many may have additional stress and anxiety. We also know that transportation may be an added barrier. These sessions can be arranged to be in person in the Karunia offices in Leduc, over the phone in your own safe environment or virtually on your computer.

To apply for the subsidy services, application forms are available through the Breton FCSS

Office at 4916 50th Avenue or by contacting them at [fcss@breton.ca](mailto:fcss@breton.ca) or calling 780-696-3636. ALL APPLICATIONS ARE STRICTLY CONFIDENTIAL Breton and Area FCSS will be doing the intake of the applications. ## Covenant Corner

from Pastor Jeff Gooderham

In 2 Timothy 4:7 Paul said that death was like finishing the race. Like crossing the finish line. That everything in life is really about one thing – finishing well. Accomplishing the plans and purposes that God has for your life.

I ran cross country in high school. We'd go out to these rather desolate places and run miles of varied terrain, across fields, creeks, and through wooded areas. If the course was not well marked and if you found yourself ahead or behind the other runners, there was a chance of getting off the course and never really getting to the finish line.

Some people get distracted running the race of life. They start off following the plans and purposes that God has for them but something leads them astray.

Others seem to give up the race too soon. They throw in the towel when the race isn't over yet. I want to encourage each of you to keep running the race. God has each of you here for a reason. You're in your job for a reason. You're in your school for a reason. You're in your family for a reason. God put you here and He's given you a race to run.

"Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles, and let us run with perseverance the race marked out for us. Let us fix our eyes on Jesus, the author and perfecter of our faith, who for the joy set before him endured the cross, scorning its shame, and sat down at the right hand of the throne of God." Hebrews 12:1-2

Death is like a finish line and the lesson is: Run your race well to the very end. Keep your eyes fixed on Jesus and you will hear the words; "Well done, good and faithful servant!"

## The Bible Truth Page

### What is God's Will Concerning Healing Part 2

One page is not nearly enough room to communicate all that the Bible has to say about God's will concerning healing. This week I would like to share more proof from scripture that God wants us all to be free from sickness and disease, and to live in good health.

Like I said in part one, we can know God's will by looking at what Jesus did while here on earth. Hebrews 1:1-3 **"God, who at sundry times and in divers manners spake in time past unto the fathers by the prophets, hath in these last days spoken unto us by his Son, whom he hath appointed heir of all things, by whom also he made the worlds; Who being the brightness of his glory, and the EXPRESS IMAGE of his person, and upholding all things by the word of his power, when he had by himself purged our sins, sat down on the right hand of the Majesty on high;"** EXPRESS IMAGE MEANS AN EXACT COPY OR REPRESENTATION. We are told in Hebrews 1:1-3 that Jesus is an exact copy or representation of the person of God. Jesus said in John 5:30 **"I can of mine own self do nothing: as I hear, I judge: and my judgment is just; because I SEEK NOT MINE OWN WILL, BUT THE WILL OF THE FATHER WHICH HATH SENT ME."** See also John 5:19-30. So it is pretty clear he was doing the will of God while he was here on earth, he was doing the will of God when he healed the multitudes in Matthew 4:23,24, Matthew 8:16-17, and Matthew 12:14-22. Jesus was doing the will of God when he taught and commanded his disciples to go preach and heal the sick. Jesus sent out the twelve and said: Matthew 10:7-8 **"And as ye go, preach, saying The Kingdom of heaven is at hand. Heal the sick, cleanse the lepers, raise the dead, cast out devils; freely ye have received, freely give."** Later he sent out the seventy: Luke 10:1-20. Luke 10:1 **"After these things the Lord appointed other seventy also, And sent them two and two before his face into every city and place, whither he himself would come."** Luke 10:9 **"And heal the sick that are therein, and say unto them, The kingdom of God is come nigh unto you."** Luke 10:17-19 **"And the seventy returned again with joy, saying, Lord, even the devils are subject unto us through thy name. And he said unto them, I beheld Satan as lightning fall from heaven. Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you."** After Jesus was risen from the dead he instructed the disciples in Matthew 28:18-20 **"All power is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: TEACHING THEM TO OBSERVE ALL THINGS WHATSOEVER I HAVE COMMANDED YOU: and, lo, I am with you alway, even unto the end of the world. Amen."** As we can see Jesus demonstrated healing, he taught his disciples healing and he commanded them to teach others also. That is exactly what the disciples did as recorded in Acts 5:16 **"There came also a multitude out of the cities round about unto Jerusalem, bringing sick folks, and them which were vexed with unclean spirits: AND THEY WERE HEALED EVERY ONE."**

God's will back then was for all people to be healed and in good health and it still is today. Malachi 3:6 **"For I am the Lord, I change not;"** Hebrews 13:8 **"Jesus Christ the same yesterday, and to day, and for ever."** Romans 2:11 **"For there is no respect of persons with God."**

All scriptures are taken from a King James Bible with no copy rights. If you have any questions or would like prayer, please email Tyler at 4pearofapples5@gmail.com

## MLA REPORT

from The Office of MLA Mark Smith,  
Member of the Legislative Assembly  
for Drayton Valley - Devon

With children back to school life is starting to gain a sense of normalcy again. Despite the year looking very different than most, kids are happy to have rejoined their peers and parents are readjusting to once again maybe having a moment of time to themselves. Our government has been working hard to protect children and their families while also ensuring that we maintain education standards and keep kids on track. Children have been provided with personal PPE and schools are taking incredible measures to sanitize and disinfect routinely throughout the day. We are also working towards safely and successfully reopening our economy and getting Albertans back to work during this difficult time.

One of the key ways that we are going to kick-start our province is by diversifying our economy and investing in core infrastructure like building roads and schools, this will not only directly benefit our communities, but create thousands of jobs for people across the province. As a government we are also focusing our efforts on creating and attracting international investment opportunities by making Alberta a more competitive tax environment. We will achieve this by accelerating the Job Creation Tax Cut to 8 per cent, this tax cut went into effect July 1, 2020, a year and a half sooner than promised. On top of this, the Alberta government is adding \$1.5 billion in committed dollars towards the Keystone XL pipeline, this will make the government's total contributions to infrastructure in 2020-21 close to \$10 billion. We can anticipate infrastructure funding going toward facilities such as NAIT, Red Deer College, University of Lethbridge, Olds College and several more, ensuring Alberta's post-

education students that we believe investment in their education is always paramount. Infrastructure spending will also occur at the local level across the Drayton Valley-Devon constituency receiving significant funding for local projects including several water projects an aquatics center, ice hockey arena and road improvements.

Albertans can also look forward to more than \$1 million going towards trail enhancement and infrastructure at some of Alberta's recreational facilities and parks, providing jobs throughout the design and construction phases. As Albertans have stayed closer to home this summer, many have been able to get out and enjoy our local outdoor spaces, reaffirming the importance of maintaining our backcountry.

Our government has also been changing internally to meet the ongoing needs of Albertans during this pandemic through the creation of a new government portfolio called Jobs, the Economy and Innovation. Led by Minister Doug Schweitzer, this new Ministry will be responsible for the implementation of Alberta's Recovery Plan, and its specific strategies and growth data. There will be a direct focus on small business priorities and creating economic growth within communities. Together, as a province, we will make it through these challenging times, one adjustment at a time.
