

THE BRETON BOOSTER

Are You Struggling? Do you need someone to listen to you without judging?

A subsidy is available for individuals, couples and/or families who are struggling with common, everyday issues to access short-term preventative counselling services. The goal is to:

- Improve relationships with better communication and conflict resolution skills;
- Improve mood with anger management and emotional support;
- Enhance personal growth with creativity, spirituality, self-esteem, self-awareness, goal setting;
- Improve parenting skills by focusing on attachment;
- Reduce stress with life balance; and/or
- Learn new skills and behaviors

The cost of counselling can be a barrier for many individuals and families. This subsidy is available to those who do not have access to coverage through health benefits or employee benefits, such as an Employee Assistance Plan (EAP), and whose family income is less than \$75,000 per year. Fees are determined according to a sliding scale based on income and family size. Fees range from \$15 per session to \$55 per session. The maximum number of sessions available is seven for individuals and nine for couples or families. Counselling services are provided through a partnership with Karunia Counselling from Leduc.

We know that in this current environment many may have additional stress and anxiety. We also know that transportation may be an added barrier. These sessions can be arranged to be in person in the Karunia offices in Leduc, over the phone in your own safe environment or virtually on your computer.

To apply for the subsidy services, application forms are available through the Breton FCSS Office at 4916 50th Avenue or by contacting them at fcss@breton.ca or calling 780-696-3636. ALL APPLICATIONS ARE STRICTLY CONFIDENTIAL. Breton and Area FCSS will be doing the intake of the applications. Counselling services are provided by Karunia Counselling by Registered Psychologists, Registered Provisional Psychologists, Canadian Certified Counsellors and Masters or PhD level student interns under the supervision of a qualified psychologist. All applications will be kept in strict confidence.

This program is being made available through funding from the Government of Canada's Emergency Support Fund, the Drayton Valley Community Foundation and Breton and Area FCSS.

Additional Supports Through Breton & Area FCSS

Levers, Shirley Fern

Born in Mirror, Alberta on January 25, 1928, a daughter of the late Cleve and Belle Carson, Fern passed away peacefully in the presence of loving family at the Breton Long Term Care Facility on Friday, September 18, 2020 in her 92nd year.

Fern (affectionately known as Fernie to many) is remembered as the loved mother of Jim Levers and his wife Claudette of Parksville, BC, Bonnie Barnett and her husband Bob of Cochrane, AB, Barry Levers and his wife Karyn of Breton, AB, and Heather Barrett and her husband Rod of Breton, AB.

Fern was the matriarch of a large family and created a legacy of which to be proud. She will be the sadly missed "Gram" and great "Gram" to Jackie (Brent), Taylor & Emma, Merry-Jo & Jacob, Vanessa (Kim), Lauren, Isaac & Naomi, Ken (D'ette), Cade, Zane & Jess, Ian (Tasha), Jasey & Emmett, Bobbi-Lynn (Chad), MacKenna & Carson, Brennan, Breanna (Ryan), Jaxon, Emerson, Kamryn, McKenna & Ethan, Dallas (Mel), Sadie & Teagan, Shayanne (Lorne), Dalyce & Dylan.

She was predeceased by her beloved grandson Brandt, as well as her 5 brothers – Evans, Floyd, Reg, Wayne & Myles. She will be fondly remembered by her sister in laws, Myrtle, Norma and Marilyn, as well as being a dear Aunt to several nieces and nephews and their families, extended family and dear friends.

Fern was "one of a kind" – she was a talented crafter whose artwork adorns many homes, she was passionate about her golf game and never had idle hands, to which her beautiful flowers and gardens were a testament to. She was so very proud of all her grandchildren and great- grandchildren – singing their praises whenever she was able to...and they in return gave her a hard time about how often she "warshed" clothes and how she never left the house without her hair done and looking fashionable. The opportunities she had to travel stayed with her as warm memories throughout her life and she often spoke of those times with family and friends. Her love of dessert was known to all – and over these last few years her children made sure she had dessert first quite often.

Cremation has taken place, at which time her hair was curled and her outfit was beautiful. Due to Covid restrictions, a gathering will take place at a later date to celebrate her life with extended friends and family. At this time Fern's family will cry, eat, drink and celebrate every aspect of her personality and life.

Ferns' family wishes to express sincere thanks to the doctors, staff and volunteers at the Breton Long Term Care Facility for the care, compassion and love they have shown Fern over the last few years. It has not been an easy journey and the care and concern for family during this time was truly appreciated.

We would also like to extend our gratitude to the Piecemakers Quilt Club of Alder Flats for the donation of the comfort quilt.

If so desired and as your expression of sympathy, donations can be made to the Breton Long Term Care Facility, the Breton Cemetery or the Team Naomi - Get Well Now Foundation (<http://www.terryfox.ca/teamnaomi>)

LETTERS TO THE EDITOR

Dear Editor:

As there is a movement towards publishing “sunshine lists,” the following information is provided as a basis for public discourse.

The numbers are taken from honoraria claims of Brazeau County Council from January to December of 2019. Any errors are entirely those of the writer.

Bart Guyon:	\$103,435.53
Heidi Swann	\$ 61,774.47
Donna Wiltse	\$ 60,979.43
Anthony Heinrich	\$ 55,482.16
Marc Gressler	\$ 49,552.81
Kara Westerlund	\$ 39,000 (plus RMA)
Sara Wheale	\$ 47,578.24

These numbers raise some interesting ideas/questions:

- These people are paid “portal to portal” (time + mileage); who else in society is? Plumbers? Lawyers? Store clerks? If there has been a change in the portal to portal, it is very recent.
- Jobillico (stats collector) numbers are \$52,600 for full-time average for working people in Canada in 2019;
- NO qualifications or training required to be a councillor; only parenthood matches this;
- Per diems--\$296 per day (portal to portal); this equals \$37 per hour (national average Stats Can for 2018 is \$26.83 per hour (overtime rates go berserk?));
- Up until this year, 1/3 of their honorarium was tax free;
- Resident concerns are an additional \$1595 per month—who decides what value this is to the taxpayer? Where is the data to support this amount?
- Telephone allowance is \$275 per month—this writer’s phone with 5Gig of data and unlimited cross-Canada calling is \$87 per month, including the cost of buying the phone;
- Who decides the per diem amounts and who

approves the claims each month? Councillors do! Should there not be an arm’s-length oversight for this?

- What role does the Rural Municipalities Association (RMA) play in all of this? Taxpayers pay for its existence as well.

- Take in a council meeting sometime and see for yourself if there is value for the money or you may also like to talk to someone who has taken in a meeting or two;

- What other corporate entities place people in charge of a \$40 Million budget and an entire government document, the Municipal Government Act (MGA), to administer without appropriate credentials?

- Why is there no oversight regarding the following policy; i.e., reports from out-of-province conferences?

Compare the above to your own work situation.

Ask your councillor how he or she justifies these numbers. More on all of this later.

L. Oberle

Covenant Corner

from Pastor Jeff Gooderham

This bomb was tested above the Arctic Circle on October 30, 1961. The explosion was so intense that the flash was visible over 600 miles away. People felt the air move over 160 miles away. Everything in a radius of 15.25 miles was completely destroyed. Very severe damage extended to a distance of 21.5 miles & the heat was so intense that people over 60 miles away would have experienced third degree burns if anyone had been there. All this came from a bomb that was a little over 26 feet long & with a diameter of a little over 6 feet. It was large to be sure, but it was tiny when you look at the power it packed. The point was that a small package can deliver an absolutely incredible punch. The same is true of sin, many people view it as, "no big deal," but God sees sin as a monster that brings incredible harm to those who are involved in it.

"If we say we have no sin, we deceive ourselves, and the truth is not in us. But....if we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness." 1st John 1:8-9

The Bible Truth Page #4

WHY DOESN'T EVERYONE GET HEALED?

I have written the first three articles on The Bible Truth Page detailing the Biblical proof that it is God's will for all to be healed and live in health. So if it is the will of God for all to be healed why are some people not experiencing healing in their physical bodies? Fortunately for us the Bible has a lot to say about how we can experience the blessings and provisions freely given to us by THE LORD GOD ALMIGHTY. It seems to me that the entire Bible is written to us in an effort to get this very message across to us. I will attempt to expose the tip of the iceberg in one short page. In order to get the maximum benefit, please read in your own Bible, the whole chapter from which each verse provided, is taken from.

The answer is actually very short and simple, if we or anyone else, asked God for something he wants us to have and we didn't get it, then the person who prayed, didn't actually believe when they prayed. Mark 11:22-25 **'And Jesus answering saith unto them, Have faith in God. For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith. Therefore I say unto you, what things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them. And when ye stand praying, forgive, if ye have ought against any: that your Father also which is in heaven may forgive you your trespasses.'** Our faith brings to pass what God has already given. Hebrews 11:1-3 **'Now faith is the substance of things hoped for, the evidence of things not seen. For by it the elders obtained a good report. Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.'** 2 Corinthians 5:7 **'(For we walk by faith, not by sight).'** Hebrews 11:6 **'But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him.'** James 1:6-7 **'But let him ask in faith, nothing wavering. For he that wavereth is like a wave of the sea driven with the wind and tossed. For let not that man think that he shall receive any thing of the Lord.'** Faith in God is simply obeying his word, and believing that He will do, what He has said in His Word that he would do.

One thing we must do is renew our mind to think, speak, and act like Jesus if we want the same results he had. Joshua 1:8 **'This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.'** The main point here is to meditate on, speak, and do God's word. The more we do that the more our minds are renewed to the truth of the gospel. Here is another one: Romans 12:2 **'And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.'** Romans 10:17 **'So then faith cometh by hearing, and hearing by the word of God.'** We must know what his will is and what he has given us in order to believe that we have it. Ephesians 4:22-24 **'That ye put off concerning the former conversation the old man, which is corrupt according to the deceitful lusts; AND BE RENEWED IN THE SPIRIT OF YOUR MIND; And that ye put on the new man, which after God is created in righteousness and true holiness.'**

All scriptures are taken from a King James Version Bible with no copy rights. If you have any questions or would like prayer please contact Tyler Untinen by email at 4pearofapples5@gmail.com

MP REPORT

from The Office of MP Gerald Soroka,
Member of Parliament for Yellowhead

Improved Process to Notify Air Travellers Potentially Exposed to COVID-19 on Domestic Flights

OTTAWA: Gerald Soroka Member of Parliament for Yellowhead wishes to advise that Transport Canada, provincial and territorial governments, public health authorities, and Canada's largest air carriers have established a consistent approach for air carriers to collect and share passenger information necessary to alert Canadians of possible COVID-19 exposure while travelling by air, in compliance with applicable privacy legislation. This would facilitate timely contact tracing and exposure notification for passengers on domestic flights.

The national enhanced notification allows contact tracing to be done in a more consistent manner across all jurisdictions. If a public health authority deems it necessary to conduct contact tracing by notifying passengers directly of possible COVID-19 exposure, complete and accurate passenger contact information will be readily available from Canada's largest air carriers.

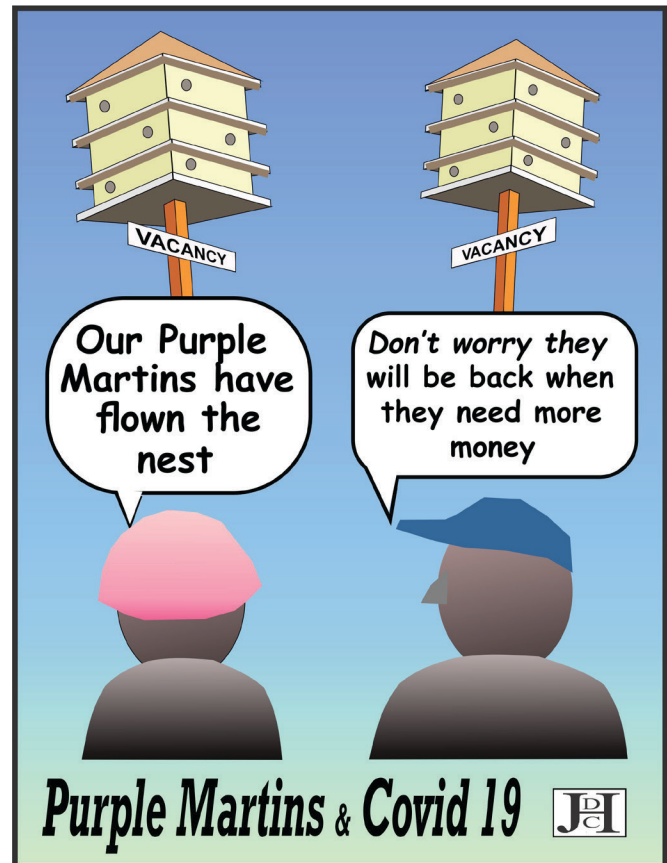

Provincial and territorial public health authorities maintain authority and decision-making over contact tracing while the Public Health Agency of Canada provides guidance.

As part of the improved process, passengers will be asked to provide contact information when they check-in for their flight with large Canadian air carriers.

For the latest travel health advice please go to: <https://www.canada.ca/en/public-health/services/diseases/2019-novel-coronavirus-infection/latest-travel-health-advice/exposure-flights-cruise-ships-mass-gatherings.html>

Goodbye Purple Martins

From John Hawtin

Our Purple Martins have flown the nest
They think to go is clearly best.
"When will you be back we cried?"
"Next year again" they soon replied,
"While COVID still is in the air
Purple Martins will not despair"
So winter well dear Purple Birds,
Your happy song will soon be heard.
