

TH_{TARGET}RSBY TARGET

Fundraising Dollars In Action

From Barry Rasch

On Tuesday, Thorsby CIB took another huge step on advancing the Thorsby Network Of Trails to the next level in our community by brushing 90% of them. This took over 11 hrs with a hired contractor to complete the specialized work.

The reasons behind this were:

- to make the trails more multi-use friendly and accessible to all ages
- to make the trails a 6' to 8' width along with the bridges going forward
- it will allow work to be done on the trails with equipment and hauling hand tools to where they are needed
- to allow access in the event of an injury on the trails
- to cut back overgrown trees and bushes that began to block trail access
- to allow adequate spacing to users of the trails
- to relocate some walking paths away from eroding creek banks for safety

In most areas minor brushing was required, while in others it took more work to remove trees where needed because they were either in the way or dead. Mulching tree debris is very visible in some areas, so users need to take their time when walking in certain areas and be careful. This is not the finished result but the first in a series of steps that is needed to make them truly multi purpose trails. Continued trail levelling, settling and compacting will happen. If users happen to see chunks of tree debris on the trail we ask that you provide a helping hand to put it off to the side as it's all of our responsibility to maintain them if you use them. Overgrown grasses have been drastically cut back to allow for a more enjoyable walk, which turned out great. The trails have had a huge transformation so please be patient while we continue to work to improve them. By brushing them we lost

some grass bases and now have a lot of dirt displayed. It will compact down and the grasses will return. We also were able to remove surface roots in many areas and create a more level walking surface in areas that were rough.

Next Steps:

- replacing a broken bridge at the Ruff Country Trail with a new 6' wide by 30' bridge
- improvements to a trail section at the Ruff Country Trails
- addressing stinging nettle growth challenges for users

Lastly some trail areas have had a few additional entry points put in which we leave for you to discover. Enjoy and stay tuned for updates.

The

CLASIFIEDS

WANTED

Wanted to Buy - Will buy your old lead batteries for recycling. Also **Free removal** of scrap vehicles. We pay cash for both! 1.403.396.8629 (5-8)

GARBAGE COLLECTION DATE WILL REMAIN AS FRIDAYS AND BLUE BAG RECYCLE AS PER EXISTING ALTERNATING MONDAY SCHEDULE.

RIMER, Waldemar (“Wally”)

Wally Rimer of Leduc (formerly of Warburg) passed away peacefully on September 7, 2020 (age 87) at the Leduc Hospital with his loving wife and son by his side.

He is survived by his wife of 54 years, Eileen (nee Sader), son Russell (Christine), sisters Lilly Rimer and Olinda Glasspoole, sisters-in-law Joan and Ellie, numerous nieces, nephews, family members and friends.

He was predeceased by his parents Albert and Maria and his older brothers Arthur and Bert.

Cremation has taken place, and due to the COVID-19 health guidelines, a Celebration of Life is being planned and will be announced and held at a later date.

In lieu of flowers, donations in honour of our dearly loved husband and father may be sent to charity of choice, or Alzheimer's Society of Alberta & Northwest Territories, #306, 10430 – 61 Avenue NW, Edmonton, AB T6H 2J3, or Leduc Hospital Foundation, 4210 – 48 Street, Leduc, AB T9E 5Z3.

The family wishes to express its sincere gratitude to the wonderful and caring doctors, nurses, and receptionists at the Leduc Hospital (and in particular the Emergency Department and Unit 21) who treated Wally and his family members with the greatest degree of respect and dignity during Wally's final days.

Condolences: www.serenity.ca
Serenity Funeral Service, Leduc (780) 980-3688

Support Workers - FT Nights

The George Spady Society presently has openings for full time Night Support Workers to fill a 12 month and 6 month temporary position, with our Cloverleaf Manor Intensive Supports Program located in Warburg, AB. The role will involve ensuring the safety and the well-being of the residents, while also following the policies and procedures of the George Spady Society.

Responsibilities

The successful candidate will possess a caring non-judgmental attitude, some experience in working with complex life circumstances associated with substance-related disorders, mental health issues. They will sensitively and appropriately support the residents in an inclusive engaging environment.

Hours of Work

FT Nights 6:00 pm - 6:00 am 12 hour shifts, 4on/4off rotation schedule

Required Education, Skills and Qualifications

The successful candidates should ideally have a degree or diploma in a Human Services field with a minimum of 1 year of direct experience in working in a residential setting.

- A Police Information and Vulnerable Sector Check is required
- Have a basic understanding of harm reduction principles based on dignity, hope and healing as individuals move forward towards improved health and well-being.
- Demonstrates understanding of the addictions field, and trauma informed care.
- A combination of education and experience will be considered.

To Apply

Please email your cover letter and resume to JohnN@gspady.ab.ca

This competition will remain open until a suitable candidate is found.

George Spady Society thanks all applicants for their interest; however, only candidates selected for an interview will be contacted.

MESSAGE FROM THE MAYOR

From Mayor Rod Raymond

It has been a few weeks since my last article, in the Target. Summer is coming to an end; school is back in session and the virus is still out there and I thought it was time to provide a few updates to residents.

I have, since the spring as you all know, been a proponent for wearing a mask to help reduce the spread of the virus. Council does not propose to introduce a mask wearing bylaw. The Town will continue to follow the recommendations of the Chief Medical Officer on how we operate our facilities/ events etc, and we will leave any requirement for mandatory masks and enforcement to the Province.

Council understands everyone is eager to return as many things as possible to "the norm". So we are happy to advise that there will be a phased re-opening of the Arctic Spas Recreation Complex, hopefully starting this weekend for hockey only. While this may continue to frustrate users that everything is not available, the safety of your families and the staff is paramount. With the expected second wave in the fall, we don't know what that may mean for the complex once again. We will have to be flexible, make changes as short notice possibly, revamp and adjust, but safety will be paramount.

Staff have been working hard on the relaunch strategy, incorporating the various guidelines from the province. There will be no drop in sessions for the foreseeable future, only organized sports:-

Sept - Phase 1 Arena & Hockey

Oct - Phase 2 Field House - Daytime Pickle Ball (inside) and exercise classes

No timeline yet:

Phase 3 - Bowling & Racquet Ball

Phase 4 - Gym

Phase 5 - Programming

The ice is in, and the first practices will take place if all goes to plan, this weekend. Kudo's to the minor hockey volunteers who will step up to ensure our children can play hockey this winter. These are trying times and planning anything means the flexibility to change direction at a moment's notice.

Parents and teams will have to sign in for tracking purposes, and a one way system will be in place. Wearing of masks for those who wish to watch from the stands will be required, as will social distancing at all times. With your help, we will work through the processes together.

The town has bylaws in place so everyone has guidance and structure to live in the same community. I do not necessarily agree with all of them but understand why they are in place and the Town is obligated to enforce them. Public access to laneways that have been blocked off, either temporarily or permanently, is a concern that has recently been brought to focus. We understand some residents may have concerns regarding security issues or misuse of the laneways behind their property by others, and in a perfect world, this would not happen. We cannot allow back lanes to be blocked, they must be accessible to allow for emergency service access or line servicing etc. and also other residents who need to access the rear of their properties, even if only occasionally. Please help do your part and store your property within your property lines and leave the laneways clear. Bylaw will be enforcing the matter as we head into fall.

Our infrastructure issues still remain. We held back on this year's capital projects due to the uncertainties of Covid, however, we continue to plan long term for the various projects, adjusting and making changes as situations and new information to help prioritize comes along. Inverted speed bumps (potholes) are everywhere and we do not have the equipment to deal with them properly. We struggle to keep up with them, and we can fill them every week, but the problem will not go away until we are in a situation to be able to repave.

Lastly, we hope to plan a fall outdoor market in Taylor Park for the Saturday of Thanksgiving weekend. Outdoor events are somewhat easier to arrange and respect guidelines. Great job by Lone Wolf, CIB and the Hotel on the fundraising events that have happened in recent weeks. For the market, priority will be given to local merchants and space will be limited. There will be no charge for space, but you need to bring your own 10x10 tent and table, watch the Target and our website for more information. At the same time we will be asking for public consultation on what Taylor Park can be.

Again, enjoy what is left of summer and stay safe.

MP REPORT

from The Office of MP Gerald Soroka,
Member of Parliament for Yellowhead

Healthy Communities Initiative Open Call for Applications

From MP Gerald Soroka

September 11, 2020

OTTAWA: Gerald Soroka Member of Parliament for Yellowhead wishes to advise that Infrastructure Canada has launched an open call to non-governmental not-for-profit organizations who will work directly with municipalities, local governments, Indigenous communities and not-for-profit community partners to identify and fund local projects through the Canada Healthy Communities Initiative.

Organizations with existing capacity and reach can participate in this open call for applications. Eligibility requirements include having national reach, experience with the delivery of programs and/or community grants, a mandate that aligns with advancing, strengthening and supporting communities, and established networks and expertise working at the community level in Canada.

Potential projects could include: supporting main street business associations to adapt seating arrangements, modifying recreational facilities to accommodate for physical distancing, building pop-up passage ways for bikes, scooters, and personal mobility devices to allow citizens to move around their communities safely, or developing apps or other digital tools to allow residents to access services remotely.

Intake for local projects will begin only after the organization(s) is/are selected and their Canada Healthy Communities Initiative funding program is established.

Organizations will have until October 16, 2020 to submit their applications.

A call for proposals for specific projects under the Healthy Communities Initiative will come at a later date.

Organizations are encouraged to review the open Call for Applications and consult the Applicant Guide for full details on eligibility and how to apply at: <https://www.infrastructure.gc.ca/chci-iccs/index-eng.html>

Goodbye Purple Martins

From John Hawtin

Our Purple Martins have flown the nest
They think to go is clearly best.

"When will you be back we cried?"

"Next year again" they soon replied,

"While COVID still is in the air

Purple Martins will not despair"

So winter well dear Purple Birds,

Your happy song will soon be heard.

Join us for a virtual Q & A Session

Share your input and ask us about our proposed
Genesee Repowering Project for Units 1 and 2.

Tuesday, September 22 3:30pm to 6:30pm MDT
Dial in to 1-800-319-4610 (Canada/USA Toll-free)*

**Due to restrictions associated with the COVID-19 pandemic, we are not holding in-person public open houses or town hall meetings at this time. Instead, we are hosting a virtual question & answer session where stakeholders can call-in to ask questions to the project team and provide comments and feedback.*

The project

Capital Power is seeking regulatory approval to repower Genesee Units 1 and 2 to natural gas as a longer-term option for baseload power generation. The repowered assets will use some existing equipment combined with new best-in-class natural gas combined cycle (NGCC) technology. The repowering projects will be located entirely within the boundaries of the existing Genesee Generating Station.

Regulatory process and timeline

Stakeholder input is an important part of the process and we are seeking your feedback into this project through this Q&A session. There are details to the right with other ways you can provide input.

As part of the approval process for power plant projects in Alberta, Capital Power must submit two separate regulatory applications for project review to the Alberta Utilities Commission and Alberta Environment and Parks. Pending regulatory approval and prior to construction, we will apply to Leduc County for building and other development permits. Our high-level milestones are:

Submit regulatory applications	Late 2020
Anticipated construction (pending regulatory approval)	August 2021
In service date Genesee Unit 1	Late 2023
In service date Genesee Unit 2	2024

For more information

Additional information is available at
www.capitalpower.com/GeneseeRepowering.

Interested stakeholders can also request to receive project information directly by contacting us at the methods below.

How you can provide input

If you are unable to participate in this question & answer session, contact us anytime with questions or comments about the project:

Telephone: **1-855-703-5005**

Email: **canadadevelopment@capitalpower.com**

Mail: **Genesee Repowering Project
C/O Stakeholder Engagement
Capital Power
10th Floor EPCOR Tower
10423 101 Street NW
Edmonton, AB T5H 0E9**

For more information about how to participate in the AUC's independent review process, visit **www.auc.ab.ca**.

The Bible Truth Page #3

IS GOD A LIAR?

I have detailed in the first two The Bible Truth Page articles how it is God's will that people should be healthy and free from sickness and disease. God declares himself to be our healer in **Exodus 15:26 "I am the Lord that healeth thee."** God himself said in **Malachi 3:6 "For I am the Lord, I change not;"** God spoke through his prophet Isaiah in reference to Jesus and said in **Isaiah 53:5 "But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed."** The apostle Peter also in reference to Jesus and Isaiah 53 wrote **1 Peter 2:24 "Who his own self bare our sins in his own body on the tree, that we, being dead to sins, should live unto righteousness: by whose stripes ye were healed."** Jesus said of himself in **Luke 19:10 "For the Son of man is come to seek and to SAVE that which was lost."** As I have mentioned before, the word SAVED in this verse is translated from the Greek word (Strong's # G4982) sozo which means to save, deliver, protect, heal, make whole. Jesus also used that same word sozo in **John 3:17 "For God sent not his Son into the world to condemn the world; but that the world through him might be SAVED."** As we can clearly see here, Jesus said that he came to save and heal people in the world.

Healing is GOOD!! **Acts 10:38 "How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing GOOD, and HEALING all that were oppressed of the devil; for God was with him."** God is GOOD!! **Psalm 34:8 "O taste and see that the Lord is good: blessed is the man that trusteth in Him."** **Psalm 107:1 "O give thanks unto the Lord, for He is Good: for his mercy endureth for ever."** The apostle John wrote: **1John 1:5 "This then is the message which we have heard of him, and declare unto you, that God is light, and in him is no darkness at all."**

Healing is GOOD, and God is GOOD, sickness is bad. Sickness steals a person's health, wealth, joy, freedom, time and often takes their life. It also steals from the loved ones of the sick person. This is also bad. Jesus said: **John 10:9-11 "I am the door: by me if any man enter in, he shall be saved, (sozo) and shall go in and out, and find pasture. The THIEF cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly. I am the good shepherd: the good shepherd giveth his life for the sheep."** The apostle Peter wrote **1Peter 5:8 Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:"** According to these Bible verses the DEVIL is the thief and he seeks to devour the people of God.

God said that he is our healer. Look at **Numbers 23:19 "God is not a man, that he should lie; neither the son of man, that he should repent: hath he said, and shall he not do it? Or hath he spoken, and shall he not make it good?"** While Jesus was on earth did he make anyone sick to teach them a lesson? NO!! He healed them ALL!!!

So how can anyone say that God is making a person sick? DID GOD LIE? Or is that statement COMPLETELY out of touch with God's WORD, nature, and character?

All scriptures are taken from a King James Version Bible with no copy rights. If you have any questions or would like prayer please contact Tyler Untinen by email at: 4pearofapples5@gmail.com

MP REPORT

from The Office of MP Gerald Soroka,
Member of Parliament for Yellowhead

September 10, 2020

Second World War Tribute Program

OTTAWA: Gerald Soroka Member of Parliament for Yellowhead wishes to advise that Veterans Affairs Canada's Second World War Tribute program, a symbol of our country's enduring pride and gratitude to all those who served, will receive a commemorative lapel pin and certificate of recognition to any living Canadian or Newfoundland Second World War Veteran.

The Second World War Tribute program concludes at the end of 2020, roughly coinciding with the 75th anniversary of the end of the war. The goal is to have as many Second World War Veterans as possible receive the tribute.

I encourage all Veterans organizations in the Yellowhead riding to identify living Canadian Second World War Veterans who have not already received the tribute.

Veterans that qualify for the Second World War Tribute can submit their application (individuals can also submit applications on behalf of a Veteran). Misplaced Second World War Tributes can be replaced by submitting another application.

The design of the commemorative lapel pin is based on the original "Victory Nickel", a coin that was circulated from 1943 until 1945 and re-issued in 2005 to commemorate the 60th anniversary of V-E Day. The coin featured a flaming torch and large "V", which stood for both victory and the coin's value in Roman numerals.

Once the Veteran's Second World War tributes from Veterans Affairs is received, I will be honoured to personally present the commemorative lapel pin and certificate of recognition to each of our Veterans. Please contact my office at: 780-723-6068 or email: Gerald.soroka.c1@parl.gc.ca

For more information regarding the Second World War Tribute, please visit: <https://www.veterans.gc.ca/>

Call for Proposals for Community-based Projects that Support Seniors

OTTAWA: Gerald Soroka Member of Parliament for Yellowhead wishes to advise the launching of the 2020–21 New Horizons for Seniors Program (NHSP) Call for Proposals for community-based projects.

This year, organizations will be able to apply for funding to support seniors dealing with the pandemic by submitting project proposals that offer specific COVID-19 relief and recovery activities for seniors.

Organizations are invited to apply for funding that supports the NHSP national priorities for this cycle:

- Supporting healthy ageing
- Preventing elder abuse and fraud
- Combatting ageism, celebrating diversity and promoting inclusion
- Improving seniors' access to government services and benefits
- Adapting community-based organizations to a more virtual environment

Organizations are still welcome to submit proposals for more traditional NHSP projects that they plan to deliver in 2021–22.

The 2020–21 NHSP community-based Call for Proposals is open until October 20, 2020.

Details on how to apply, please go to: <https://www.canada.ca/en/employment-social-development/programs/new-horizons-seniors.html>
