RIMER, Waldemar ("Wally")

Wally Rimer of Leduc (formerly of Warburg) passed away peacefully on September 7, 2020 (age 87) at the Leduc Hospital with his loving wife and son by his side.

He is survived by his wife of 54 years, Eileen (nee Sader), son Russell (Christine), sisters Lilly Rimer and Olinda Glasspoole, sisters-in-law Joan and Ellie, numerous nieces, nephews, family members and friends.

He was predeceased by his parents Albert and Maria and his older brothers Arthur and Bert.

Cremation has taken place, and due to the COVID-19 health guidelines, a Celebration of Life is being planned and will be announced and held at a later date.

In lieu of flowers, donations in honour of our dearly loved husband and father may be sent to charity of choice, or Alzheimer's Society of Alberta & Northwest Territories, #306, 10430 - 61 Avenue NW, Edmonton, AB T6H 2J3, or Leduc Hospital Foundation, 4210 - 48 Street, Leduc, AB T9E 5Z3.

The family wishes to express its sincere gratitude to the wonderful and caring doctors, nurses, and receptionists at the Leduc Hospital (and in particular the Emergency Department and Unit 21) who treated Wally and his family members with the greatest degree of respect and dignity during Wally's final days.

Condolences: www.serenity.ca

Share your input and ask us about our proposed
Genesee Repowering Project for Units 1 and 2.

Tuesday, September 22 3:30pm to 6:30pm MDT
Dial in to 1-800-319-4610 (Canada/USA Toll-free)*

*Due to restrictions associated with the COVID-19 pandemic, we are not holding in-person public open houses or town hall meetings at this time. Instead, we are hosting a virtual question & answer session where stakeholders can call-in to ask questions to the project team and provide comments and feedback.

The project

Capital Power is seeking regulatory approval to repower Genesee Units 1 and 2 to natural gas as a longer-term option for baseload power generation. The repowered assets will use some existing equipment combined with new best-in-class natural gas combined cycle (NGCC) technology. The repowering projects will be located entirely within the boundaries of the existing Genesee Generating Station.

Regulatory process and timeline

Stakeholder input is an important part of the process and we are seeking your feedback into this project through this Q&A session. There are details to the right with other ways you can provide input.

As part of the approval process for power plant projects in Alberta, Capital Power must submit two separate regulatory applications for project review to the Alberta Utilities Commission and Alberta Environment and Parks. Pending regulatory approval and prior to construction, we will apply to Leduc County for building and other development permits. Our high-level milestones are:

| | |
|-----------------------------------------------------------|-------------|
| Submit regulatory applications | Late 2020 |
| Anticipated construction (pending regulatory approval) | August 2021 |
| In service date Genesee Unit 1 | Late 2023 |
| In service date Genesee Unit 2 | 2024 |

For more information

Additional information is available at
www.capitalpower.com/GeneseeRepowering.

Interested stakeholders can also request to receive project information directly by contacting us at the methods below.

Re-opening of Community United Church

For nearly six months our church building and congregation have been without the comfort of each other. We've grieved a bit, for the gatherings we've missed, the goodbye to Rev. Bert that looked nothing like we had so hoped for, the absence of those jovial greetings as we step through the church doors.

Government permission to worship in buildings does not mean everything is stable – it means we have permission to take our own risks. Our Re-opening Committee has spent many thoughtful hours of research, walking through each step of arrival, worship and departure to prepare a safe environment to allow our congregation to return to the sanctuary for worship. The guidelines for Community United Church align with recommendations from Alberta Health Services, Government of Alberta and United Church of Canada.

Re-entry at Community United Church will be slightly familiar and greatly different. Knowing that familiarity comforts us, and that this experience may upset or traumatize us, the committee is hopeful that this information will help each of you become familiar with our new routine.

Safety protocols at C.U.C. during pandemic
DO NOT enter if you are experiencing any symptoms such as fever, cough, runny nose, sore throat, shortness of breath or if you have been in contact with someone with COVID-19. Respect the 2m. physical distancing guidelines. Use hand sanitizer upon entering the building. Wear a mask if you have one.

What to expect: ARRIVAL

If arriving at the same time as others, please take turns entering the church using the physical distancing lines on the cement pad outside and on the floor just inside the church door. Shaking hands and hugging should be avoided.

Upon entering the church a greeter will ask you to use the hand sanitizer, offer you a mask if you do not have one, and collect your name and phone number. This information is only used for contact tracing by Alberta Health Services should someone test positive for COVID-19.

As you enter the sanctuary please collect your individual communion cup from the table as you pass through to your seat in a pew. The offering plates for monetary gifts will be available here as well and you

may make your contribution as you arrive or depart.

Seating in the pews will be marked and should be filled from front to back to avoid overlapping of people who are not from the same household. Members of the same household may sit together at a marked spot.

What to expect: WORSHIP

The worship leader will lead the whole service on their own. Participation from the congregation as readers cannot be accommodated because of our space restrictions.

Because of higher risk, activities like singing and passing of the peace will be avoided at this time. The organist will be playing the tunes, albeit perhaps shortened versions – feel free to clap, tap or snap along!

Individual communion cups are available as you arrive, just inside the sanctuary door. Please pick one up as you enter. A plate will be available here as well, to collect any monetary gifts given – you may do so as you arrive or depart.

After worship service September 20th, a church board meeting will ensue after a short break. If you are getting up from your seat, please remember to try to keep the 2m. physical distancing between yourself and others not from your family group. Food and drink will not be offered, please bring your own bag lunch and beverage.

What to expect: DEPARTURE

At the conclusion of worship (for September 20th as the meeting ends), the pews will empty from back to front. As you leave, please remember to space yourselves for physical distancing and immediately exit the building.

At this time the re-opening committee will be dedicated to the cleaning regime after everyone has departed. As we develop a routine and habits, we will ask for other volunteers who feel they can offer a turn in the scheduling.

Arrive with grace, Engage with grace, Receive with grace, Respond with grace and Leave with grace.

Blessings,
Re-opening Committee

Library Chatter

From Gail O'Neil

Welcome to September and cooler weather and being indoors more, as well as enjoying the changing weather and all the beautiful colours!

The Library's van run is bringing in new books for patrons. New programs for the community to enjoy and participate in. There will be a survey soon, concerning the hours of operation for the library. The Board hopes everyone will give their opinion as to how these should work to the best of all patrons using WPL.

From Tyler Untinen

Hello to all readers, from Tyler Untinen and family. We have been doing some extensive studying of the Word of God, and have made some awesome, amazing and exciting discoveries that we would like to share with you. The topic for this week is:

What is God's Will Concerning Healing?

The answer is simple, God's will is that all would be in good health all the time, and I can prove it from His own word. I will start with Exodus 15:26 in the last part of the verse God identified himself as **"the Lord that healeth thee"**. When God brought his people out of Egypt **"there was not one feeble person among their tribes"** Psalm 105:37. There were about 600 000 men besides children that left Egypt, Exodus 12:37, and no body was sick or weak. There are several healings recorded in the Old Testament but I would like to look at the New testament now.

We can know God's will by looking at what Jesus did because as He said in John 6:38 **"For I came down from heaven, not to do mine own will, but the will of him that sent me."** And Jesus said in Hebrews 10:7 **"Then said I, Lo, I come (in the volume of the book it is written of me,) to do thy will, O God."** So what did Jesus do while he was on earth? Acts 10:38 sums it up **"How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with him"** Notice that it says he HEALED ALL THAT WERE OPPRESSED OF THE DEVIL. Matthew 4:24 **"And his fame went throughout all Syria: and they brought unto him all sick people that were taken with divers diseases and torments, and those which were possessed with devils, and those which were lunatic, and those that had the palsy; and he healed them."**

Matthew 12:15 **"But when Jesus knew it, he withdrew himself from thence: and great multitudes followed him, and he healed them all;"** In Luke 19:10 Jesus said **"For the Son of man is come to seek and to save that which was lost"**. The word save in this verse is translated from the Greek word "sozo" which is defined in the Strongs Concordance as: to save, that is deliver or protect, heal, preserve, save, make whole. So according to Luke 19:10 Jesus came to seek and to save and HEAL the lost. The Greek word "sozo" is also used in John 3:15-17 **"That whosoever believeth in him should not perish, but have eternal life. For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved."** Did you see that?!! **"that the world through him might be saved"**, saved is "sozo" saved and healed!!! That is exactly what Jesus did. He saved and healed people and he did it because it is the Father's will.

As Jesus said, he came to do the Father's will, and that is exactly what he was doing when he went about doing good and healing all who were oppressed of the devil. Here is another place where Jesus said why he came. John 10:10 **"The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly."** Sickness and disease is not abundant life, health and healing is abundant life!! I would also like to add that **"Jesus Christ the same yesterday, and to day, and for ever,"** Hebrews 13:8. Jesus healed then and now.

All scriptures are taken from a King James Version Bible with no copyrights.

MP REPORT

from The Office of MP Gerald Soroka,
Member of Parliament for Yellowhead

Healthy Communities Initiative Open Call for Applications

From MP Gerald Soroka

September 11, 2020

OTTAWA: Gerald Soroka Member of Parliament for Yellowhead wishes to advise that Infrastructure Canada has launched an open call to non-governmental not-for-profit organizations who will work directly with municipalities, local governments, Indigenous communities and not-for-profit community partners to identify and fund local projects through the Canada Healthy Communities Initiative.

Organizations with existing capacity and reach can participate in this open call for applications. Eligibility requirements include having national reach, experience with the delivery of programs and/or community grants, a mandate that aligns with advancing, strengthening and supporting communities, and established networks and expertise working at the community level in Canada.

Potential projects could include: supporting main street business associations to adapt seating arrangements, modifying recreational facilities to accommodate for physical distancing, building pop-up passage ways for bikes, scooters, and personal mobility devices to allow citizens to move around their communities safely, or developing apps or other digital tools to allow residents to access services remotely.

Intake for local projects will begin only after the organization(s) is/are selected and their Canada Healthy Communities Initiative funding program is established.

Organizations will have until October 16, 2020 to

submit their applications.

A call for proposals for specific projects under the Healthy Communities Initiative will come at a later date.

Organizations are encouraged to review the open Call for Applications and consult the Applicant Guide for full details on eligibility and how to apply at: <https://www.infrastructure.gc.ca/chci-iccs/index-eng.html>

Call for Proposals for Community-based Projects that Support Seniors

OTTAWA: Gerald Soroka Member of Parliament for Yellowhead wishes to advise the launching of the 2020–21 New Horizons for Seniors Program (NHSP) Call for Proposals for community-based projects.

This year, organizations will be able to apply for funding to support seniors dealing with the pandemic by submitting project proposals that offer specific COVID-19 relief and recovery activities for seniors.

Organizations are invited to apply for funding that supports the NHSP national priorities for this cycle:

- Supporting healthy ageing
- Preventing elder abuse and fraud
- Combatting ageism, celebrating diversity and promoting inclusion
- Improving seniors' access to government services and benefits
- Adapting community-based organizations to a more virtual environment

Organizations are still welcome to submit proposals for more traditional NHSP projects that they plan to deliver in 2021–22.

The 2020–21 NHSP community-based Call for Proposals is open until October 20, 2020.

Details on how to apply, please go to: <https://www.canada.ca/en/employment-social-development/programs/new-horizons-seniors.html>
