Innovative. Local. Affordable. Available.

Hello again from West of the Fifth Law! Today I'm going to take a break from our four-part introductory series and take a moment to write about a question that I often hear: "Should I incorporate?"

Put simply, a Corporation is an entity, registered with the government, that has many of the same rights and responsibilities that a person does. Corporations are owned by shareholders and controlled by directors and provide a means for them to do business without exposing themselves to personal liability.

When executed properly, having a Corporation can protect the owners from the risk lawsuits that arise out of business operations. This means that when a Corporation is being sued the owners' homes and personal assets are generally safe from being taken in the lawsuit.

Corporations also provide a benefit of reduced taxes, and when coupled with good accounting and bookkeeping can help reduce the overall taxes paid on money earned by the Corporation. Once the Corporation pays taxes on the money it can then be disbursed to shareholders through dividends at a lower rate of personal income tax.

The downside to incorporating is primarily the cost. There are fees involved, both from the Government and our fee for legal services provided. Corporations require special tax returns which often requires hiring a certified accountant every year. Finally, there is an annual requirement to provide a report to the government, and requirements to have a registered office where you keep your books. We offer these services for \$250 plus GST, per year.

The short answer to whether you should incorporate or not is actually another question: Are the benefits of decreased risk of personal liability and lower tax rates worth the initial and ongoing costs of a corporation?

Book an appointment with us if you would like some help answering that question.

Thanks for reading!

LETTERS TO THE EDITOR

Dear Editor:

After attending a County/Town meeting on Thursday, October 8, I feel compelled to inform the public of some observations. The broad categories of the good, the bad, and the ugly will be used over the course of two or three letters. Keep in mind the writer is a county resident.

THE GOOD: Kudos to County Councillors who turned down an expensive library proposal and used the words "look after County interests" and "efficiencies" several times. Some Town councillors seemingly used the idea of "efficiencies" as associated with amalgamation rather than economics.

More Kudos to County Councillors who were insistent on getting accountability for sums paid to the Town for the Omniplex and recreation. They had done some homework and discovered that the County pays three times for this facility as is paid in other jurisdictions. It's been at least 20 years since such an accountability was requested but never received.

Some years ago, several agreements were signed between the County and Town. I have read several, and it seemed to me that certain things were strangely absent from them all. First, there was no data provided to justify the money transfer. Second, there was no oversight of the use of the funds. Third, there was no "out" clause (sometimes called an escape clause). In other words, it was a one-way flow with no "due diligence" on the part of the County in awarding funds. (It has been noted that about one-half of Drayton Valley workers use County roads to get to work. No help to the County from Drayton Valley for this.) Needless to say, it's time to end the one-way flow. A recent reduction in the recreation grant is a step in the right direction.

It should be noted that both the Town of Drayton Valley and Brazeau County are incorporated under the laws of Alberta. As such, they undertake certain responsibilities and exercise certain powers. At NO time is the County obligated to contribute to the Town. The fact that the County has donated millions to Drayton Valley is a gift out of the goodness of their hearts.

L. Oberle

Covenant Corner

from Pastor Jeff Gooderham

Thankfulness seems to be a lost art today. Warren Wiersby, illustrated this problem in his commentary on Colossians. He told about a ministerial student in Evanston, Illinois, who was part of a life-saving squad. In 1860, a ship went aground on the shore of Lake Michigan near Evanston, and Edward Spencer waded again and again into the frigid waters to rescue 17 passengers. In the process, his health was permanently damaged. Some years later at his funeral, it was noted that not one of the people he rescued ever thanked him.

There is a very similar story told in Luke chapter 17, ten men who were inflicted with the terrible disease leprosy, saw Jesus and cried out to Him to have mercy on them and heal them. He did, telling them to go and show themselves to the priest and as they went they were healed. Only one man, realizing that he was healed returned to give thanks to the one who showed him such mercy.

How often do we stop and just say thank you to the One who has given us life and offered to us the gift of eternal life? The apostle Paul reminds us in 1st Thessalonians 5:18; That we are "to give thanks in all circumstances for this is the will of God for you in Christ Jesus." A thankful heart is a joyful heart!

Counselling Subsidies – Breton and Area FCSS is pleased to offer Counselling Subsidies. Appointments can be in person (Leduc Office), Virtual or by Phone.

A subsidy is available for individuals, couples and/or families who are struggling with common, everyday issues to access short-term preventative counselling services. The goal is to:

- o Improve relationships with better communication and conflict resolution skills;
- o Improve mood with anger management and emotional support;
- o Enhance personal growth with creativity, spirituality, self-esteem, self-awareness, goal setting;
- o Improve parenting skills by focusing on attachment;
- o Reduce stress with life balance; and/or

o Learn new skills and behaviors

The cost of counselling can be a barrier for many individuals and families. This subsidy is available to those who do not have access to coverage through health benefits or employee benefits, such as an Employee Assistance Plan (EAP), and whose family income is less than \$75,000 per year. Fees are determined according to a sliding scale based on income and family size. Fees range from \$15 per session to \$50 per session. The maximum number of sessions available is seven for individuals and nine for couples or families. Counselling services are provided through a partnership with Karunia Counselling from Leduc. We know that in this current environment many may have additional stress and anxiety. We also know that transportation may be an added barrier. These sessions can be arranged to be in person in the Karunia offices in Leduc, over the phone in your own safe environment or virtually on your computer. To apply for the subsidy services, application forms are available through the Breton FCSS Office at 4916 50th Avenue or by contacting them at fcss@breton.ca or calling 780-696-3636. ALL APPLICATIONS ARE STRICTLY CONFIDENTIAL. Breton and Area FCSS will be doing the intake of the applications. Counselling services are provided by Karunia Counselling by Registered Psychologists, Registered Provisional Psychologists, Canadian Certified Counsellors and Masters or PhD level student interns under the supervision of a qualified psychologist. All applications will be kept in strict confidence. This program is being made available through funding from the Government of Canada's Emergency Support Fund, the Drayton Valley Community Foundation and Breton and Area FCSS.

The Bible Truth Page #7

If God Is Good Why Is There So Much Evil In The World?

When God created the heaven and earth he said that it was very good. Genesis 1:31 **'And God saw every thing that he had made, and, behold, it was very good'**. So what happened? Why is there so much evil in the world now? Fortunately for us we have someone to blame it on, and his name is ADAM. Adam and Eve were brought into an almost perfect world and they walked and talked with God, which is what God created them for. It was all good until they broke the ONE rule that God had given them. Genesis 2:16-17 **'And the Lord God commanded the man, saying, Of every tree of the garden thou mayest freely eat: But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die.'** What happened is that Adam and Eve chose to believe the devil's lies rather than the Word of God, and as a result they ate the fruit (Genesis chapter 3). When they ate that fruit they surely did die as God had said. They died in spirit, they took on the nature of sin and death, and in so doing brought death, sin and destruction into the world, and into their bodies. Romans 5:12 **'Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned.'** Man became sinful and could no longer walk and talk with a Holy God as he did before; man became more like the devil whom he obeyed. Jesus summed it up well in conversation with the religious leaders of the day in John 8:44 **'Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.'** By disobeying God, Adam caused the entire human race to switch from being Holy and righteous with God, to sinful and evil like the devil. The devil became the god of this world, and man became subject to him. The devil now had dominion over man and the earth. This is why bad things happen, and there is evil in the world. It is not what God wanted. It was caused by the disobedience of man. See Eph. 2:2.

The good news is that God found a way to save people from sin and death. Romans 6:23 **'For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.'** Romans 5:17 **'For if by one man's offence death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ.'** John 3:14-17 **'And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up: That whosoever believeth in him should not perish, but have eternal life. For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved.'** Jesus was able to save us because he lived a perfect and sinless life, and he gave his body to be whipped, and he gave his life on the cross, so that he could take the punishment that we deserved. He burned in hell on our behalf, so that we would not have to. WHEN HE WAS RAISED FROM THE DEAD THE PUNISHMENT FOR SIN HAD BEEN PAID IN FULL. 1 Peter 2:21-25 **'...Christ also suffered for us, leaving us an example, that ye should follow his steps: Who did no sin, neither was guile found in his mouth: Who, when he was reviled, reviled not again; when he suffered, he threatened not; but committed himself to him that judgeth righteously: Who his own self bare our sins in his own body on the tree, that we, being dead to sins, should live unto righteousness: BY WHOSE STRIPES YE WERE HEALED. For ye were as sheep going astray; but are now returned unto the Shepherd and Bishop of your souls.'** Jesus gave his life in exchange for ours. He suffered death on our behalf. All we have to do to receive the benefit of his sacrifice is give up our own way of life, and live the rest of our life on earth for Him, making him our Lord. Romans 10:9 **'That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation.'**
