Rundle's Mission Update

From Audrey Brousseau

Rundle's Mission Society has adjusted some of their activities due to the current health situation but continues to be a place where people can meet and enjoy the history and natural setting. Rundle's Mission Retreat centre reopened in July following all the AHS guidelines so the lodge and two houses are available for rentals. The popular annual Harvest Supper has been cancelled for this fall but we are looking forward to hosting more events and programs in the future. The Annual General Meeting which was cancelled last April will now be held by ZOOM on Thurs. Nov. 19th at 7 pm. If you would like to join in, please contact Rundle's Mission and we will notify you of the details. We are actively seeking new board members for Rundle's Mission Society and also welcome new general membership. For more information, please visit our website at www.rundlesmission.org, email info@rundlesmission.org or call 780-389-2422.

Interesting info from the website "Rundle's Mission has been part of Alberta for the past 175 years when The Rev. Robert Terrill Rundle established the mission in 1847. Today, we are a designated Alberta Historic Site and continue to be a "meeting place" where we welcome visitors, offer educational programs, care for the surrounding Nature Conservancy, and provide affordable accommodation for groups and individuals who appreciate our site. This includes both the Beach House and the Country Cottage, which have five bedrooms with full bath in each."

Connection to agriculture in the area "The Pigeon Lake mission was established during an increasingly tense situation when periodic food shortages in the region became more serious. Robert Rundle sought an alternative supply of food for the people in the area and longed to find a suitable place to encourage agriculture.

He tested soils as he traveled, and recruited the interest of others. He reported: Rode to Battle River, thinking it a most desirable spot for a Mission Station & I still think so, but the country here is in too unsettled a state to permit of anything of the kind being established.

Rundle encouraged people to plant gardens in the Battle Lake region as early as 1845 and at the mission site on Pigeon Lake in 1847. These gardens offered an extra source of food. In later years the Rev. Thomas Woolsey planted wheat, barley, oats, turnips, cabbage and potatoes. Some of his crops produced well, but Woolsey did not stay long in the region and left in 1858. John McDougall reports on the hay crops grown at the mission and carried, on horseback, the first plow to the site. In 1965 the Historic Sites and Monuments Board of Canada recognized Rundle's Mission for its role in the introduction of agriculture to the area."

The Bible Truth Page #6

Is Seeing Believing?

What is faith? Is it seeing, sensing, feeling, or hearing what we prayed for? If someone says, "I believed with all my heart that such and such would happen on this day, and on that day I did NOT SEE IT, so I guess it wasn't God's will." Is this FAITH? No! How can it be? The Bible says in 2 Corinthians 5:7, **'For we walk by FAITH, and NOT BY SIGHT.'** Also, in Hebrews 11:1 it says **'Now faith is the substance of things hoped for, the evidence of things NOT SEEN.'** Jesus tells us plainly what real faith is in Mark 11:22-23 **'And Jesus answering saith unto them, Have faith in God. For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith.'** Look at Numbers 23:19 **'God is not a man, that he should lie; neither the son of man, that he should repent: hath he said, and shall he not do it? Or hath he spoken, and shall he not make it good?'** Faith is having confidence in God that he will do what he says in his Word, and acting on his Word. When we pray for something that he has promised to us in his Word, such as healing, we can have confidence that we have it. We can SAY and declare that we have whatever we asked for because God does not lie. We can believe regardless of what our feelings or physical senses tell us.

Faith is a decision. We decide to believe God and what he says in his Word. After all, isn't that what we did when we made Jesus our Lord and Saviour? We have never seen Jesus physically, yet we believe that he died for us and rose again and has given us eternal life. Romans 10:10 **'For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation.'** Likewise, we can believe and declare anything else that he has promised us, such as healing, provision, peace, strength, protection, etc. We just simply take him at his Word, and pay no attention to what our senses tell us. When it comes to faith, we must believe BEFORE what we prayed for comes to pass, knowing that it will.

How do we get this kind of faith? In Romans 10:17 it says: **'So then faith cometh by hearing, and hearing by the word of God.'** Why by the Word? Because Jesus is the Word and God has made his will known to us in his Word. John 1:1 **'In the beginning was the Word, and the Word was with God, and the Word was God. John 1:14 'And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.'** Therefore, we cannot truly know God if we do not read the Bible. John 15:7 **'If you abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you.'** True faith in God is trusting God, and having assurance that he will do what he says he will do or has done, despite what we see in the natural. In conclusion, we read the Bible, believe that God's word is true, act on it and speak it, being confident that we have what we asked for.

COVID-19 INFORMATION

NON-TRICKY TIPS FOR A SPOOKY SAFE HALLOWEEN

DON'T trick-or-treat, hand out treats, or go to a party if you are feeling ill (even if symptoms are mild) or in isolation/quarantine.

Trick-or-treating

- Choose costumes that allow your child to wear a non-medical mask. They can wear a mask underneath a Halloween mask as long as they can see and breathe comfortably. Make sure it's comfortable so your child won't need to adjust it.
- Go only with family or cohort members and keep a healthy distance from others.
- Stay in your community to limit the number of people you come into contact with.
- Carry hand sanitizer and use it after touching touch-points like doorbells or railings.
- If you can, knock instead of pushing doorbells, or keep 2 metres from the door or porch and call "trick or treat". Make sure the person calling is wearing a mask.
- Wait until you're home and have washed your hands before handling candy.

Handing out candy

- Print posters from [Alberta.ca](https://alberta.ca/covid19) to hang in your window or place on your door to let trick-or-treaters know if you're handing out treats this year or not.
- Wear a mask and use tongs or a grabber.
- Keep a healthy distance from trick-or-treaters. If possible, hand out candy from the driveway, open garage, or lawn instead of your front door.
- Ask trick-or-treaters to knock instead of ringing the doorbell.
- If you are indoors (school, apartment building, or mall) use a table or desk to keep a safe distance from trick-or-treaters (e.g. school classroom, apartment building, mall)

- Avoid handling treats
 - Use prepackaged candy (no homemade treats)
 - Hand treats out directly from the package they came in
 - Don't leave self-serve bowls of bulk candy
 - Make candy bundles/bags and space them out on a table or blanket for trick-or-treaters to take
- Get creative! Build a candy slide down your front steps or railing! Build a (safe) candy catapult! There are many fun ways to hand out treats while maintaining physical distance.

Attending a party (adults and kids)

- Spend time with people you know. The smaller the group the better.
- If possible, host your party outside. It's easier to keep a healthy distance between guests and there's better air circulation. (See guidance for ["Outdoor Events"](#))
- If the party is indoors, keep it small and maintain 2 metres away from people in other families and cohorts. (See guidance for ["Indoor Events"](#))
- Don't share drinks, snacks, cigarettes, vapes or cannabis – and no bobbing for apples!
- Choose games and activities that don't involve sharing items, and allow for distancing.
 - Set up art and craft stations so that each guest has their own materials (no sharing).
 - Instead of face painting, hand out temporary tattoos or stickers that guests can put on themselves.
 - Make sure any shared items are sanitized between uses.
 - Wash or sanitize your hands often. Have hand sanitizer easily accessible.
