## Remembrance Day Changes for 2020

The Royal Canadian Legion Branch 144

Thorsby Royal Canadian Legion Branch 144, has cancelled the Remembrance Day service normally held at the JR/SR high school, on November 11th.

As long as COVID-19 keeps rearing it's ugly head, nothing is normal and we are still at an impasse.

We will only have the cenotaph service. This will be held at the cenotaph uptown, Thorsby, beginning at 10:45 am. Those wishing to lay wreaths will have to chance to lay a poppy on the cenotaph instead of a wreath, after the service is over.

Regards; Pat Nystrom, Secretary  
Royal Canadian Legion Branch 144

## Thorsby 4-H Multi Club Update

From Ashton Dobko, Club Reporter

The Thorsby 4-H Multi Club had their first meeting on September 30th. We are starting strong with 37 members. This year our club offers the projects of beef, horse, small engines and cleavers.

On October 10th, the beef project had their weigh in at TSI where they weighed, tagged and tattooed the member's calves. We want to say a huge THANK YOU to TSI (Thorsby Stockyards) for letting us use the facility.

The horse project had a riding practice and skills assessment on October 23 at the Haymaker Centre. The small engines and cleavers will be having project meetings shortly. The club will also be doing a Stawnichy fundraiser right away so if you would like to order some yummy food and support our club, please get in touch with any of our 4-H members or you can contact our General Leader, Sherri Dobko, @ 780-819-0411. We are looking forward to another great year!

## Haunted Trails Cancelled

From Thorsby and District Lions Club

We regrettably have to cancel our Haunted Trails at the Lions Park. Although we had some Spooktacular things in store for everyone and our event committee worked very hard, we have found ourselves with a lack of volunteers to pull it off this year. COVID restrictions had a huge deal to play, as well as we would have had to have extra volunteers for sanitizing, recording of information for contact tracing, group control and trail timing. We plan on doing some special things this year to help other organizations fundraise and also a really awesome Family Day event at the Campground with fun things to do for everyone (weather permitting of course), stay tuned! We appreciate all the support the community has given to the Thorsby Lions.

Have a Happy Halloween and stay safe!

## Warburg Curling Update

From Kevin Maine

Just a short update of curling in Warburg.

We are up and running with 3 nights a week and Thursday morning seniors starting October 28 - contact Les Nemeth at 780.848.2661.

Concession and bar service is open. We have hired a person to clean after every draw. Rocks, hacks, scoreboard, tables, etc., are cleaned and sanitized after each draw. Hand sanitizers and wipes are located throughout the rink.

The rules have changed a little; you are allowed only one sweeper and spots have been placed in the ice to social distance. The hired help also cleans and maintains the ice and runs the bar/concession.

We are looking to run a daytime open league on Tuesdays - Don't want to drive the roads at night but still love to curl, then this is your opportunity to hook up with old friends and make some new ones.

Also, we are looking to start a mixed doubles evening league, if you are a couple looking for a little exercise and a couple hours out, this is your opportunity to try a new and exciting curling game.

Thank you to all that support our facility.

## RAYMOND ARTHUR FRIEND THS '48

Interviewer and guest writer Robert M. Walker assisted by Trebor W. Reklaw, former sportswriter for the Whitecourt Star and now with the firm Reklaw, Black, & Tarry.

Raymond was born in Edmonton on Dec.13, 1930 to Ralph and Jean Friend. He was the second child of four and the only son. At the time, Ralph and Jean lived in Breton where Ralph owned a partnership in a garage. They had a diesel light plant and supplied power to the Village of Breton.

When the Great Depression hit in the early '30's the village was unable to continue paying for the power so Ralph sold his share of the garage and bought a sawmill in the spring of 1933. This project was short-lived as a bush fire went through, burning the mill and camp to the ground. The family packed up their belongings and moved to Genesee where Ralph's sister and two of his brothers lived. Ralph bought a farm and it was here that Raymond grew up. During this time he attended the Genesee School and completed grade nine. As there were no school buses operating at this time he moved to Thorsby for grade ten, boarding with the Fink family. However, busing became the status quo throughout Alberta shortly after and Ray finished his education riding with Ed Alton who was the first route driver from Genesee to Thorsby.

Leduc#1 had blown in a little earlier and Ray graduated from THS into the oil patch where he worked from 1948 to 1951. In the latter year he moved back to the farm to help prepare for an auction. His parents were moving as they had purchased a store in Sangudo. Ray also moved and found employment with an

electrician wiring houses. He learned the electrician's trade quickly as rural electrification was just coming in at the time. In the spring of 1952 he purchased a truck and began a brief career hauling cream to the Sangudo Creamery. In 1954 he married Frances Lewis and branched out further by buying a school bus which he operated in the W. Cosmo area, delivering kids to school in Sangudo.

In 1955 Ray and Fran decided to move to B.C. where they purchased a service station, restaurant and motel in partnership with his parents. They had their first child, Danny, in 1961 and decided to come back to Alberta in 1962. In January of that year Ray lost his youngest sister, Noreen, to a rare blood disease.

Ray found employment with Allan Gibson at Gibson's Auto Service in Sangudo where he remained for eight years, obtaining his Journeyman Automotive License. In June of 1965 Ray and Fran had their second child, Tammy, and their third child, Wanda-Rae, was born in July of 1967. In 1970 Ray purchased an abandoned garage in Sangudo and did the necessary renovations. He remained the owner/operator of Ray's Auto Repair for forty-five years. Son Danny eventually took over the garage but Ray, now semi-retired, still went in everyday to work on small engines (an enjoyable hobby) and visit with the customers who had patronized the business for many, many years. At the age of eighty-seven he fell and broke his hip so his appearances at the shop became less frequent and he became more of a homebody. He had lost Frances to cancer in 2003 but stayed in the house until 2020.

By now you now that Ray Friend was not one to be inactive for long. Across his career he had many accomplishments not the least of which was being elected Councillor (1971-1977) and then to the position of Mayor of Sangudo (1977-2001) a run of 24 years. As well, Ray and Fran purchased a building and moved it to a lot within the village in 1967 opening the first apartment building. The two remained landlords for many years, finally deciding to change their direction and take in foster children. The apartment was then renovated into a four bedroom house.

In 2020 Ray sold the house and moved to the Pleasant View Lodge where he enjoys life today. In September of this year he attended a school reunion in Thorsby where he was able to renew old acquaintances. So raise your glass to Ray Friend, a most worthy representative of the old days at THS.

## The Bible Truth Page #9

### Jesus Healed Them ALL

As we have stated in the previous Bible Truth pages, it is God's will for all to be healed, and beyond that, to live in divine health. We also know that Jesus perfectly exemplified God's will, nature, and character when He walked this earth. John 14:9-11 **'Jesus saith unto him, Have I been so long time with you, and yet hast thou not known me, Philip? He that hath seen me hath seen the Father; and how sayest thou then, Shew us the Father? Believest thou not that I am in the Father, and the Father in me? The words that I speak unto you I speak not of myself: but the Father that dwelleth in me, he doeth the works. Believe me that I am in the Father, and the Father in me: or else believe me for the very works' sake.'** Hebrews 1:1-3 **'God, who at sundry times and in divers manners spake in time past unto the fathers by the prophets, Hath in these last days spoken unto us by his Son, whom he hath appointed heir of all things, by whom also he made the worlds; Who being the brightness of his glory, and the express image of his person, and upholding all things by the word of his power, when he had by himself purged our sins, sat down on the right hand of the Majesty on high.'** By reading the gospels, we know that Jesus healed them all. Matthew 4:23-24 **'And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of disease among the people. And his fame went throughout ALL Syria: and they brought unto him ALL sick people that were taken with divers diseases and torments, and those which were possessed with devils, and those which were lunatick, and those that had the palsy: and he healed them.'** Now notice; throughout the entire country of Syria, they brought all the sick people to Jesus, and He healed them. "Them" in this verse refers to ALL the sick that were brought to Him. Matthew 14:35-36 **'And when the men of that place had knowledge of him, they sent out into all that country round about, and brought unto him all that were diseased; And besought him that they might only touch the hem of his garment: and as many as touched were made perfectly whole.'** Again, throughout all the surrounding country, all the sick were brought to Jesus, and he healed them all. Luke 4:40 **'Now when the sun was setting, all they that had any sick with divers diseases brought them unto him; and he laid his hands on every one of them, and healed them.'** Once again, he healed them all. Jesus' life can be summarized with these words spoken by the apostle Peter in Acts 10:38 **'How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with him.'** So, Jesus went about doing good, (not making people sick) and He went about healing. Who did He heal? He healed all that were oppressed. Who was the oppressor? Was it God? Certainly not! It says the devil was the oppressor. Since Jesus healed them all then, He will heal them all today. Hebrews 13:8 **'Jesus Christ the same yesterday, and to day, and for ever.'**

## COVID-19 INFORMATION

# NON-TRICKY TIPS FOR A SPOOKY SAFE HALLOWEEN

**DON'T trick-or-treat, hand out treats, or go to a party if you are feeling ill (even if symptoms are mild) or in isolation/quarantine.**

### Trick-or-treating

- Choose costumes that allow your child to wear a non-medical mask. They can wear a mask underneath a Halloween mask as long as they can see and breathe comfortably. Make sure it's comfortable so your child won't need to adjust it.
- Go only with family or cohort members and keep a healthy distance from others.
- Stay in your community to limit the number of people you come into contact with.
- Carry hand sanitizer and use it after touching touch-points like doorbells or railings.
- If you can, knock instead of pushing doorbells, or keep 2 metres from the door or porch and call "trick or treat". Make sure the person calling is wearing a mask.
- Wait until you're home and have washed your hands before handling candy.

### Handing out candy

- Print posters from [Alberta.ca](https://alberta.ca/covid19) to hang in your window or place on your door to let trick-or-treaters know if you're handing out treats this year or not.
- Wear a mask and use tongs or a grabber.
- Keep a healthy distance from trick-or-treaters. If possible, hand out candy from the driveway, open garage, or lawn instead of your front door.
- Ask trick-or-treaters to knock instead of ringing the doorbell.
- If you are indoors (school, apartment building, or mall) use a table or desk to keep a safe distance from trick-or-treaters (e.g. school classroom, apartment building, mall)

- Avoid handling treats
  - Use prepackaged candy (no homemade treats)
  - Hand treats out directly from the package they came in
  - Don't leave self-serve bowls of bulk candy
  - Make candy bundles/bags and space them out on a table or blanket for trick-or-treaters to take
- Get creative! Build a candy slide down your front steps or railing! Build a (safe) candy catapult! There are many fun ways to hand out treats while maintaining physical distance.

### Attending a party (adults and kids)

- Spend time with people you know. The smaller the group the better.
- If possible, host your party outside. It's easier to keep a healthy distance between guests and there's better air circulation. (See guidance for "[Outdoor Events](#)")
- If the party is indoors, keep it small and maintain 2 metres away from people in other families and cohorts. (See guidance for "[Indoor Events](#)")
- Don't share drinks, snacks, cigarettes, vapes or cannabis – and no bobbing for apples!
- Choose games and activities that don't involve sharing items, and allow for distancing.
  - Set up art and craft stations so that each guest has their own materials (no sharing).
  - Instead of face painting, hand out temporary tattoos or stickers that guests can put on themselves.
  - Make sure any shared items are sanitized between uses.
  - Wash or sanitize your hands often. Have hand sanitizer easily accessible.
