

THE WARBURG BUGLE

The Poppy Campaign 2020

From The Warburg Legion Branch No. 205

In this year of the Pandemic, we have had a most trying 8 months. The Warburg Legion hopes all of you are taking all the necessary precautions to protect yourselves to remain safe and healthy. Our Legion will be following procedures according to what is directed by The Legion Command. Please join us in our effort to present a safe and complete program for the Breton and Warburg area.

Each year we take the time to wear a Poppy and remember those who served Canada, many of whom paid the ultimate price for our freedoms. Poppy funds are collected annually to provide countless services and supports to our veterans, their families, and retired RCMP members, who find themselves in need. We help veterans and families with a range of supports from providing them with life's basic needs, to funding research into mental and physical health needs for veterans and their families. We help new innovative ways, from the simplest to complex, to help them live full and productive lives after their service.

The Warburg Legion will be doing the following:

The Poster and Literacy Contest: We have distributed entries to The Breton Elementary, The Breton High School, The Warburg School and the Warburg Colony School. Entries are available to those who are completing school online or home schooling. Please call Deb at

780 848 2923 for further information.

Wreath Rentals for Remembrance Day Service: Legion members will be around all business, associations, groups starting October 28, 2020 to see you about wreath rentals. Please call Max at 780 848 2923.

Poppy Tray for Donations drop off: Legion members will be dropping by businesses, community, and groups to drop off Poppy Trays for you to have a poppy for a small donation. Please call Allan at 780 848 7556.

The Remembrance Day Service on November 11, 2020: The Remembrance Day Service will be a little different this year. It will be held at the Pioneer Agricultural Center (Warburg Community Center). Those attending are requested to wear a mask and respect social distancing as well as following all AHS Protocols. Service:

Doors open at 10:45 am; Parade will march in at 10:50 am; Service starts at 11:00 am

Dedications - Wreath lay..... Only 5 wreaths for government and service will be laid. All other wreaths will be on display for all businesses, private, associations and groups. Programs will be available.

Luncheon: Due to regulations, we will not be serving luncheon.

Pub: The Legion will not be open for visits.

We shall remember.....

Calling all Snow Angels!

We hate to be the bearer of bad news, but the snow is coming...and with that, the need for volunteers.

We have an amazing senior's population within our community who have done so much for Warburg, now is the time of year they need some assistance in return.

We are looking for volunteers to register for our snow angels program. If you are willing and able to help seniors with snow shovelling throughout the winter season, please contact Tami at 780.848.2828 or fcss@warburg.ca with your name and phone number.

When a senior contacts me looking for assistance, your contact information will be forwarded.

This is also a great way for your teenagers to get outside, help their neighbors, and boost their resumes through volunteer work!

CHRISTMAS ELVES 2020

It's that time of year!!! Self-referrals for our Christmas Elves Campaign will be accepted beginning on November 12, 2020. Please contact Tami at 780-848-2828 to set up an intake appointment.

Donations will be accepted any time! Unfortunately, we will not be running the annual Fireman's Food Drive, due to the restrictions stemming from the Covid-19 pandemic. That being said, the need for community support has not faded. We will gladly accept food donations at the Village Office, the Warburg Public Library, and the Village Market. As well, we will have our Christmas Angel tree set up, and in-package toys will also be accepted with much appreciation! A few other items that are always needed are:

- Children's Pajama Sets

- socks in children and adult sizes
- Toques, Mitts, Scarves
- Hand Sanitizer
- Toothbrushes, Toothpaste, Deodorant, Shampoo, Conditioner, soap
- Books, family games, cookie cutters, rolling pins, baking sheets
- paper towel, toilet paper, wash cloths, cleaning supplies

Cash donations will also be accepted, and VERY appreciated, as due to the current Health Situation, we will be purchasing more aid in the form of gift certificates, etc.

This year has not been a normal year by any stretch of the imagination. We at Warburg FCSS have been humbled by the offers of support and assistance offered to the community by it's own residents. Now, more than ever, we need to take care of ourselves and each other. This program is a true reflection of neighbors helping neighbors, and we are so thankful to the Village of Warburg for the strength and support that our residents offer to each other.

We could NOT run this program without you, and each and every recipient of your generosity and good nature will be received with gratitude. Let's all come together and ensure that no Warburg resident goes without the Magic of Christmas!

*** Please note -we are always blown away by the amount of volunteer support shown to the Christmas Elves program every year. This year, we will unfortunately have to limit the amount of volunteers who participate in food sorting, toy sorting, packing and delivery. We ask that interested parties do still contact Tami at 780-848-2828 near the end of November, once we have some dates set up, we will be assessing the needs and ability to social distance until then, and will accept as many volunteers as we can responsibly ensure the health and safety of.***

KIDS WINTER CRAFT

Please join us for a fantastic afternoon of glitter, glue, and an exciting game of Winter Bingo! We will be creating beautiful Winter Themed Sensory Jars, and playing a few rounds of Bingo, complete with prizes for the winners! (all children will leave with a prize, don't worry!)

We will be following all AHS Covid-19 safety protocols. We ask that this is a parented event. Hand sanitizer will be provided. To ensure that there is enough space to practice appropriate social distancing, this program will have a maximum of 10 participants (not including parents as they are part of the children's cohort.) Preregistration and payment is also required so that we can ensure enough space.

Minimum # of Participants: 5
Maximum # of Participants: 10

Please stop by the Village Office to register!

WARBURG ANNUAL CHRISTMAS BAZAAR

IT'S HAPPENING!!!!

After careful consideration and consultations, we are ESCATIC to announce that we will be holding Warburg's Annual Christmas Craft Fair! As you all are aware, Covid-19 has made for some very trying times, and some major rethinking on if and how certain events can proceed. Because of this, enhanced Health Protocols will be in place for the Bazaar, and the number of Vendors will be limited, to ensure that physical distancing standards can be upheld. To book a table for your home based business or crafting/baked goods, please contact Tami at 780-848-2828 or fcass@warburg.ca. Tables are \$10.00 for one, \$20 for an additional table should they be available, and must be paid in advance to secure your spot! We will not be calling door prizes throughout the event, HOWEVER, we ask that each vendor donate one item of their choice to go into one large draw prize. Everyone who comes to the Bazaar to shop and donates an item or makes a cash donation to the Warburg Christmas Elves Program will receive an entry. The draw will be done at the end of the day—you do not have to be present in order to claim your prize!

One Shot Photography will also be on location, offering "Christmas" photo's for the kids! \$10.00 for one lightly edited digital print! Thank you to Michelle Wurban for using your creative vision to ensure that the Spirit of Santa will be at the Bazaar!!!

Warburg Curling Update

From Kevin Maine

Just a short update of curling in Warburg.

We are up and running with 3 nights a week and Thursday morning seniors starting October 28 - contact Les Nemeth at 780.848.2661.

Concession and bar service is open. We have hired a person to clean after every draw. Rocks, hacks, scoreboard, tables, etc., are cleaned and sanitized after each draw. Hand sanitizers and wipes are located throughout the rink.

The rules have changed a little; you are allowed only one sweeper and spots have been placed in the ice to social distance. The hired help also cleans and maintains the ice and runs the bar/concession.

We are looking to run a daytime open league on Tuesdays - Don't want to drive the roads at night but still love to curl, then this is your opportunity to hook up with old friends and make some new ones.

Also, we are looking to start a mixed doubles evening league, if you are a couple looking for a little exercise and a couple hours out, this is your opportunity to try a new and exciting curling game.

Thank you to all that support our facility.

2019 Poppy Campaign Announcement

From The Warburg Legion Branch No. 205

We are immensely proud to announce that two of our winners from our ever-popular Poster and Literacy Contest, went on to win further contests at different levels within our District Command and provincially.

SUMMER EMSLEY:

Summer had won 1st place at Junior level for her essay sent to The Warburg Legion. Summer attends The Breton Elementary School. Summer went on to place third in Junior's for her essay at our District 4 level (Northern Alberta) and was awarded \$50.00.

SELENA CRIER:

Selena had won 1st place as a Junior for her Color Poster with the Warburg Legion. At that time, she was attending The Breton Elementary School. Selena went on to win 1st place at Junior level for her Color Poster with the District 4 level (Northern Alberta) and was awarded \$80.00. Selena also won 2nd place at Junior for Color Poster with the Command Level and was awarded \$100.00

Congratulations to both of them for their wonderful achievements!

How does this all work?

The Warburg Legion invites all schools in our local area which include Breton Elementary, Breton High School, The Warburg School, The Warburg Colony School and those who are home schooling to compete in the Poster and Literacy Contest during our Poppy Campaign.

Our contest covers Primary, Junior, Intermediate and Senior categories to enter entries in Color Poster, Black and White Poster, and Literacy that includes Poetry and Essays. Once we have received entries from all our participants, Posters and Literacy entries are judged for a first, second and third place from each school. They all receive a monetary prize. Our first-place entries, in all categories, are then sent into District Level and Provincial Level. At the Provincial level they submit their winners to Ottawa for judging at National level. Those winners placing 1st have their work put in print and receive a plaque and a trip to Ottawa. There are prizes at every level to work towards.

As for all our Warburg Legion entrants, we appreciate all the talent and entries. The Legion members really appreciate the enthusiasm of the schools, teaching staff and parents that help us to showcase the talented youth in our communities.

Library Chatter

From Gail O'Neil

Hello from WPL, cooler weather is here and there is coffee or tea for patrons to drink while they browse for books or visit, there is no cost for this, only a donation.

The Library's social media is under construction: Facebook and website, hopefully the issues will be resolved soon. In the meantime call 780-848-2391 Tuesdays, Wednesdays, Thursdays 10 am to 6 pm and Saturdays Noon to 4 pm (exceptions long weekends).

Library programs have been delayed once again as everyone abides to the COVID-19 protocols, this is to keep everyone safe and healthy, with the isolation everyone is doing, hopefully this helps slow down or get this nasty virus out for good! Thank you one and all for your patience through all of this and remember we are all in this together. Soap and water and hand sanitizer will help!

To showcase local food, direct-marketed products and agri-tourism in the region, Leduc County is partnering with The Chamber, Leduc & Wetaskiwin Regions, on its Discover Leduc Region website. The website features an interactive map, highlighting attractions and tourism destinations in the region.

Local food categories

We are developing local food categories as part of the interactive map. Users will be able to explore the categories, which will include listings such as food, direct-marketed agriculture products, greenhouses and more.

Criteria

To be part of the listing, you must meet the following criteria:

- You must own your business.
- Your business must be located within Leduc County or one of the municipalities within its boundaries (Beaumont, Devon, Leduc, Calmar, Thorsby, Warbug).

 - you are a producer of food, horticulture, other agriculture products, or raise animals/products that are sold into local market channels.
 - you host agri-tourism activities on your farm.

Be a part of our listing

We are looking for producers of local food, direct-marketed local products and agri-tourism businesses to be included on the map. Applications can be found online at leduc-county.com/local-food-listing.

2020-2021 School Re-entry Plan From BGSD

Updates provide clarity on quarantine guidelines, locker use, and more

Nisku, Alberta (October 20, 2020) - The public is advised that Black Gold School Division has updated its 2020-2021 School Re-entry Plan to include additional information from Alberta Health Services.

The re-entry plan, updated October 19, 2020, includes updated information, highlighted in yellow, on the following topics:

- Quarantine and Isolation guidelines (pages 3-4)
- Additional information on Cohorts (page 7)
- Locker use in schools (page 11)
- Diploma Exams update (page 13)

The Division remains committed to updating our plan as needed in response to changes directed by Alberta Education. Any changes in the implemented school re-entry scenario will be determined by Alberta Education and Alberta Health Services with information on local school-based and zone information. We remain in communication with the Alberta Government and will continue to follow its advice.

The Province has stated that its decision to allow in-school learning with public health measures in place weighs the risks of prolonged school closures on students' educational experience and overall well being against the risk of COVID-19 outbreaks.

Anyone else feel
like Halloween is
unnecessary this year?
I've been wearing a
mask and eating candy for
7 months now, I don't think
I need a day dedicated
to it anymore...

COVID-19 INFORMATION

NON-TRICKY TIPS FOR A SPOOKY SAFE HALLOWEEN

DON'T trick-or-treat, hand out treats, or go to a party if you are feeling ill (even if symptoms are mild) or in isolation/quarantine.

Trick-or-treating

- Choose costumes that allow your child to wear a non-medical mask. They can wear a mask underneath a Halloween mask as long as they can see and breathe comfortably. Make sure it's comfortable so your child won't need to adjust it.
- Go only with family or cohort members and keep a healthy distance from others.
- Stay in your community to limit the number of people you come into contact with.
- Carry hand sanitizer and use it after touching touch-points like doorbells or railings.
- If you can, knock instead of pushing doorbells, or keep 2 metres from the door or porch and call "trick or treat". Make sure the person calling is wearing a mask.
- Wait until you're home and have washed your hands before handling candy.

Handing out candy

- Print posters from [Alberta.ca](https://alberta.ca/covid19) to hang in your window or place on your door to let trick-or-treaters know if you're handing out treats this year or not.
- Wear a mask and use tongs or a grabber.
- Keep a healthy distance from trick-or-treaters. If possible, hand out candy from the driveway, open garage, or lawn instead of your front door.
- Ask trick-or-treaters to knock instead of ringing the doorbell.
- If you are indoors (school, apartment building, or mall) use a table or desk to keep a safe distance from trick-or-treaters (e.g. school classroom, apartment building, mall)

- Avoid handling treats
 - Use prepackaged candy (no homemade treats)
 - Hand treats out directly from the package they came in
 - Don't leave self-serve bowls of bulk candy
 - Make candy bundles/bags and space them out on a table or blanket for trick-or-treaters to take
- Get creative! Build a candy slide down your front steps or railing! Build a (safe) candy catapult! There are many fun ways to hand out treats while maintaining physical distance.

Attending a party (adults and kids)

- Spend time with people you know. The smaller the group the better.
- If possible, host your party outside. It's easier to keep a healthy distance between guests and there's better air circulation. (See guidance for ["Outdoor Events"](#))
- If the party is indoors, keep it small and maintain 2 metres away from people in other families and cohorts. (See guidance for ["Indoor Events"](#))
- Don't share drinks, snacks, cigarettes, vapes or cannabis – and no bobbing for apples!
- Choose games and activities that don't involve sharing items, and allow for distancing.
 - Set up art and craft stations so that each guest has their own materials (no sharing).
 - Instead of face painting, hand out temporary tattoos or stickers that guests can put on themselves.
 - Make sure any shared items are sanitized between uses.
 - Wash or sanitize your hands often. Have hand sanitizer easily accessible.
