

THE BRETON BOOSTER

Lest We Forget John Richard Funnell M106750

As Remembrance Day draws near let's take a moment to remember the brave men and women who have served Canada during times of conflict. This year marks the 75th anniversary since the end of the Second World War. The community of Breton, like so many other communities across Canada, seen their son's and daughter's enlist for service in the Canadian Armed Forces. For many it was the first time that they had travelled very far from their community and family. While numerous men and women from the Breton community served during the Second World War most returned safely, and in that respect the community was lucky. However, one young man from Breton, John Funnell did not return.

John Funnell was born January 23, 1923, the only son of Richard and Louisa Funnell. His father Richard, was one of the first to take a homestead in the area that would later be called Funnell. John grew upon his father's homestead and attended the Funnell School during the 1930's.

On February 13, 1943, less than a month after his 20th birthday, John travelled to Edmonton to enlist in the Canadian Army. After basic training in Canada John was stationed in England. Early in 1944 he was transferred to the Cape Breton Highlanders Regiment RCIC and deployed with his regiment to Italy. The Cape Breton Highlanders were in action on October 1, 1944 when John was killed at age 21. John was laid to rest in the Cesena British Empire Cemetery in Cesena, Italy. The inscription on his tombstone reads, "No One Knows How Much I Miss Him Only Aching Hearts Can Tell - Mother". Those words speak volumes as to how his mother must have felt when she received word of his death. His mother Louisa was not only left a widow, but now had lost her

only son. John paid the ultimate sacrifice for his country. Lest We Forget.

Remembrance Day Services will be much different this year due to Covid -19 but do take time to pause, and give thanks to those who served their country.

The photo, from the Breton Museum collection, was taken of John on Main Street Breton before he left to go overseas.

LETTERS TO THE EDITOR

Dear Editor

At a recent County council meeting, a number of appointments were made to various boards. According to the minutes of the meeting, a motion (0767/20-10-20) was made "... that members at large MUST be appointed from all areas. ..."

Even with a casual view of the placements, it is obvious to this writer that this motion was not adhered to. Readers are encouraged to read the appointment list and come to their own conclusions regarding the above. There is always the question whether appointments of members-at-large are "reward" based rather than ability-based. What is the process of fitting applicants' abilities to board requirements? Does the same not apply to Councilor appointments?

If one considers the background of Councillors, it doesn't appear that the right people were placed on the Ag Service Board. The Ag Service Board Act mandates that members must have expertise in the field. Ag Service Act 3.3 states that "The membership of a board MUST include persons who are familiar with agricultural concerns and issues and who are qualified to develop policies consistent with the Act."

Is it not the responsibility of the Reeve to make sure that motions are adhered to? Does he not receive a bonus on his per diems to ensure that proper procedures are followed? Last year, we paid the Reeve over \$100,000. Perhaps it is time for another corporate review.

It does appear, however, that the number of boards has been reduced from its ridiculous high of around 28 (not too many years ago).

The motion mentioned above also states to "... and direct administration to draft policy to provide direction to Council and member-at-large appointments." I am wondering why administration is to

draft policy. Do we not pay councillors to develop appropriate policy?

The above issues are not new as this writer has submitted letters about the above on many occasions.

Covenant Corner

from Pastor Jeff Gooderham

Sometimes we as Christians need to stop along life's road and look back. Although the road may have been winding and steep, we can see how God directed us by His faithfulness. Here's how F.E. Marsh described what the Christian can see when he looks back:

The deliverances the Lord has brought (Deut. 5:15).

The way the Lord has led (Deut. 8:2)

The blessings the Lord has bestowed (Deut. 32:7-12).

The victories the Lord has won (Deut. II:2-7).

The encouragements the Lord has given (Josh. 23:14).

When we face difficulties, we sometimes forget God's past faithfulness. We see only the detours and the dangerous path. But look back and you will also see the joy of victory, the challenge of the climb, and the presence of your traveling Companion who has promised never to leave you nor forsake you.

The recognition items for the Citizen Appreciation Program have arrived!

Nominate someone today who has gone above and beyond to mow ditches and remove garbage from County public spaces such as ditches, right of ways, cemeteries, and park space.

"Conservation will ultimately boil down to rewarding the private landowner who conserves the public interest."

NOW MORE THAN EVER, WE ALL NEED TO GET IMMUNIZED AGAINST INFLUENZA

WE ARE ALL IN THIS TOGETHER.

Influenza immunization will protect you and your loved ones, as well as vulnerable seniors, children and those with chronic health conditions. By keeping the number of influenza cases and outbreaks low, we can also do our part to help health care workers focus on the COVID-19 response.

IMMUNIZATION OPTIONS HAVE CHANGED.

The easiest way for most Albertans to get a flu shot is to call a local pharmacy or doctor's office.

AHS clinics are offering influenza immunization to those under five years of age and their immediate families or household members, only. Appointments are required.

To learn more, including if you are eligible for an AHS appointment, visit ahs.ca/influenza

Counselling Subsidies – Starting in September. Breton and Area FCSS is pleased to offer Counselling Subsidies.

A subsidy is available for individuals, couples and/or families who are struggling with common, everyday issues to access short-term preventative counselling services. The goal is to:

- o Improve relationships with better communication and conflict resolution skills;
- o Improve mood with anger management and emotional support;
- o Enhance personal growth with creativity, spirituality, self-esteem, self-awareness, goal setting;
- o Improve parenting skills by focusing on attachment;
- o Reduce stress with life balance; and/or
- o Learn new skills and behaviors

The cost of counselling can be a barrier for many individuals and families. This subsidy is available to those who do not have access to coverage through health benefits or employee benefits, such as an Employee Assistance Plan (EAP), and whose family income is less than \$75,000 per year. Fees are determined according to a sliding scale based on income and family size. Fees range from \$15 per session to \$50 per session. Counselling services are provided through a partnership with Karunia Counselling from Leduc. We know that in this current environment many may have additional stress and anxiety. We also know that transportation may be an added barrier. These sessions can be arranged to be in person in the Karunia offices in Leduc, over the

phone in your own safe environment or virtually on your computer. **To apply for the subsidy services**, application forms are available through the Breton FCSS Office at 4916 50th Avenue or by contacting them at fcss@breton.ca or calling 780-696-3636. ALL APPLICATIONS ARE STRICTLY CONFIDENTIAL.

The Bible Truth Page #11

You Have Been Named The Beneficiary

Lets suppose that your father is a very wealthy man, and his house is full of all kinds of treasure. Being the wise man that he is, your father wrote out a will detailing what he wants done with his estate after he dies. As his only child he willed all that he has to you, including the house full of treasures. Unfortunately one day your father died, as is the way of all flesh. Of course you loved your father and will miss him very much. However now that he is gone you move into the house he has given to you; the house and all the treasures are yours. Life is good until one day while you are away, your neighbour comes into your house and steals all of your treasures and puts them into his house. It is YOUR treasure. Everything that you need in life was taken away and moved into the house next door. My question is; HAS YOUR FATHERS WILL CHANGED? Can a thief stealing your stuff change your fathers will? Of course not!! The will is a legal document and can not be changed by ANYONE EXEPT YOUR FATHER, and he can't even change it now because he has died. You would not sit on the bare floor in your house and thank your father for taking away the stuff he gave you. That would be **RIDICULOUS!!** You would call the police, and together march over to the thief's house and recover all of your goods.

The good news is that our heavenly Father has left us with his last will and testament, and it is sealed with the blood of Jesus and can not be changed. In it he has detailed all of the wonderful things that he has left for us here on earth. So how do we find out what he has willed to us? By reading the will of course. Lets look at some of the treasures that we have been given by our heavenly Father as written in his word, the Bible. **SALVATION: 1 Thessalonians 5:9-10 For God hath not appointed us to wrath, but to obtain SALVATION by our Lord Jesus Christ, Who died for us, that, whether we wake or sleep, we should live together with him.** Here is a good one: **2 Peter 1:2 GRACE AND PEACE be multiplied unto you through the knowledge of God, and of Jesus our Lord.** One of my favorites is **ALL THINGS: 2 Peter 1:3-4 According as his divine power hath given unto us ALL THINGS that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue: Whereby are given unto us exceeding great and precious promises: that by these ye might be partakers of the divine nature, having escaped the corruption that is in the world through lust.** He has provided for all our needs: **Philippians 4:19 But my God shall supply all your need according to his riches in glory by Christ Jesus.** Here is one that a lot of people need, **HEALING: 1 Peter 2:24 Who his own self bare our sins in his own body on the tree, that we, being dead to sins should live unto righteousness: by whose stripes ye were HEALED.** How about good **HEALTH?** He has that covered too: **3 John 2 Beloved, I wish above all things that thou mayest prosper and be in HEALTH, even as thy soul prospereth.** These are just a few of the many wonderful treasures that have been given to us by our heavenly father to enjoy here on earth. The Bible is God's last will and testament, and in it he has recorded all the good things that he has already given you. **YOU HAVE BEEN NAMED THE BENEFICIARY.**

In Flanders' fields

By Lt. Col. John McCrae
(of Guelph, Canada.)
Died January 28th, 1918, while on
active service in France.

In Flanders' fields the poppies blow
Between the crosses, row on row,
That mark our place, and in the sky
The larks still bravely singing fly,
Scarce heard amidst the guns below.
We are the dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders' fields.

Take up our quarrel with the foe,
To you from falling hands we throw
The Torch—be yours to hold it high;
If ye break faith with us who die,
We shall not sleep though poppies grow
In Flanders' fields.
