Santa's Anonymous Committee – 27th Season

For Alder Flats, Buck Lake,
Winfield and surrounding areas

It is nearing the Christmas season and we are reminded that there are some families who do not have the resources to give their families a Christmas dinner or provide their children with presents under the tree.

Our group tries to make sure those in need in our area are provided with a turkey dinner and some presents for family members and a little help with staples for the winter season.

Please take a moment to think of those less fortunate and put something in the donation boxes or tins in local stores.

We thank you for considering donating to this worthy cause and wish you all best wishes for the Christmas season.

If you know of anyone in need in our area who might benefit from a little extra help please call 780-682-2388, or the Winfield Health unit at 780-682-4755.

Please call before December 10, 2020.

January 25, 1963 – November 5, 2020

It is with the greatest sadness that we announce the tragic passing of Lyle "LUPE" Reuben Clark on the afternoon of Thursday, November 5, 2020.

The youngest of four children, Lyle grew up on the family farm at Yeoford, where he still lived at the time of his passing. He loved kids, a good campfire surrounded by family, friends and a nice cold beer!

WOLLENBERG

Günter Wollenberg of the Yeoford District, Alberta passed away peacefully at the Rimbey Hospital and Care Centre on Friday, November 6, 2020.

Günter was born in Germany in June, 1932. At the age of 21 years, together with his friend, Ernie, they decided to immigrate to Canada. Their idea was to only stay a short while, with adventures in New Zealand and Australia being the next part of their plan, but Canada didn't let them go anywhere! They loved it and stayed! Günter worked for many years in Saskatchewan. He first worked in Fisk, and then later worked with the Goldsmith family in Hoosier. It was at a house party in Kindersley, where Günter met the love of his life, Ilse, and in November, 1963 they were united in marriage. In 1967, Günter and Ilse relocated to Alberta and worked for Keith and Lois Rosenberger, and later for Dale and Beth Massie. Over the years, Günter remained friends with all those he worked for. Günter and Ilse started their family with the birth of their first daughter, Victoria, and Tracy followed a short 14 months later. Having two daughters was his biggest joy! They were very active in the Balzac United Church, and the deep friendships they formed in the Balzac community lasted the rest of their lives. They became truly Canadian! Their dream of owning their own piece of land came true when Günter and his twin sister, Christel inherited some money after the death of their parents. A piece of land in Yeoford became a reality in 1981, and Günter and Ilse moved there permanently in 1991 – with 20+ pregnant cattle in tow! Many happy years were spent building strong friendships in Yeoford and area. In 2018, as Günter's health deteriorated with a mild stroke and dementia, he stopped farming and rented out the pasture to trusted neighbours. Ilse looked after him full-time until July, 2020 when Günter moved into Rimbey Long Term Care. Despite the excellent care he received, he passed away at 88 years young. Günter and Ilse would have celebrated 57 years of marriage.

Günter will be forever remembered and greatly missed by his loving family: his beloved wife, Ilse; and his two daughters, Victoria (Kevin) Walkes of Calgary; and Tracy (Todd) Robertson also of Calgary; as well as four cherished grandchildren: Kurt, Evangeline, Hannah, and Zoe; in addition to several other relatives and many close friends. Günter was predeceased by his parents, Alfred and Hedwig; and his twin sister, Christel in 2020.

A Gathering of Family and Friends to Celebrate Günter's Life will be held in the Summer of 2021.

If friends desire, memorial tributes in Günter's Memory may be made directly to the Rimbey Health Services Donations Program, c/o Rimbey Hospital and Care Centre – Long Term Care, Box 440, Rimbey, Alberta T0C 2J0 (www.rimbeyhealthdonations.com).

Condolence messages may be forwarded to the family by visiting: www.ofc-ltd.ca

LETTERS TO THE EDITOR

Dear Editor:

I heard something on the news the other day that both disappointed and disgusted me. I can't imagine how the "powers at play" could possibly compare the RCMP with the Military! Now, as some of you may know, RCMP members with only 3 years of service are now eligible to apply for a Veterans license plate. Up until now these were only offered to real Vets. Now, don't get me wrong, I do feel that the RCMP are deserving of recognition for their service, just as firefighters and other first responders are. Perhaps there could be a plate of recognition for that group of service people. But to group them together with the real Vets, is yet another show of disrespect to our military Veterans.

There is little comparison between the military forces and the RCMP and other first responders. The latter group serves the communities while the military serves the country, and others around the world (I'll let that sink in a bit). I really don't think 3 years of service constitutes a real Vet. In some places of employ, 3 years barely takes you through training. There are many other differences such as mindset, discipline, physical abilities, attitude, and so much more. So personally, I believe the military is its own group/family and should be able to warrant their own recognition in the plates, as I'm sure that was the intentions when they were created.

If anyone has connections with the "powers in play", you could suggest a newly created first responders plate for the RCMP, EMT's, firefighters, etc. You know, the groups that sometimes have to call in the military for help.

No disrespect intended, but no comparison either, just sayin'...

Covenant Corner

from Pastor Jeff Gooderham

A custom of the natives in New Guinea is told. At certain times they have rituals, songs, and dances. They work themselves up into a frenzy and the ritual culminates in what are called "the murder songs," in which they shout before God the names of the people they wish to kill. When the natives became Christians, they retained these customs and that ritual. However, in the murder songs, they no longer shouted the names of the people they hated, but the names of the sins they hated, and called on God to destroy them. A pagan custom had been captured for Christ and a transformation of the soul had taken place.

"Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come." 2nd Corinthians 5:17

Secret Santa for Seniors – With Christmas just around the corner Breton FCSS will be coordinating a Secret Santa for Seniors. This program is for seniors that live in the Village of Breton or Brazeau County east of the North Saskatchewan River. There are two parts to this program.

Seniors that are going to be alone for the holidays can phone in or stop by the Breton FCSS office and complete a profile. Information collected will be your name, address, phone number, Things you like to do, treats you like, items that you would like to have on your Christmas List. Seniors can also be registered by community members or agencies. This information along with just their first name will be placed on a Christmas Tag. Registrations must be received by December 1.

Community members can view the Christmas tags at the Village of Breton Office and select a senior to shop for. Once they have completed their shopping, they will return the items to the FCSS office. Additional items will be added to your gift, wrapped and delivered by Volunteers. Shopping must be completed by December 18th. Deliveries will be made on December 21 & 22.

If possible, we encourage purchases to be made in Breton and Drayton Valley to support our local businesses. We will be looking for Volunteers to wrap and Deliver the gifts on December 21 & 22. These activities will be done according to Covid-19 regulations set out by Alberta Health Services.

Window Connections for Older Adults. – With the weather turning colder and many people not wanting to go out as much we will be putting together a package of three colored signs for older adults to let their neighbors know how they are doing. Counselling Subsidies – Starting in September. Breton and Area FCSS is pleased to offer Counselling Subsidies.

A subsidy is available for individuals, couples and/or families who are struggling with common, everyday issues to access short-term preventative counselling services. The goal is to:

- o Improve relationships with better communication and conflict resolution skills;
- o Improve mood with anger management and emotional support;
- o Enhance personal growth with creativity, spirituality, self-esteem, self-awareness, goal setting;
- o Improve parenting skills by focusing on attachment;
- o Reduce stress with life balance; and/or
- o Learn new skills and behaviors

The cost of counselling can be a barrier for many indi-

viduals and families. This subsidy is available to those who do not have access to coverage through health benefits or employee benefits, such as an Employee Assistance Plan (EAP), and whose family income is less than \$75,000 per year. Fees are determined according to a sliding scale based on income and family size. Fees range from \$15 per session to \$50 per session. Counselling services are provided through a partnership with Karunia Counselling from Leduc. We know that in this current environment many may have additional stress and anxiety. We also know that transportation may be an added barrier. These sessions can be arranged to be in person in the Karunia offices in Leduc, over the phone in your own safe environment or virtually on your computer. **To apply for the subsidy services**, application forms are available through the Breton FCSS Office at 4916 50th Avenue or by contacting them at fcss@breton.ca or calling 780-696-3636. ALL APPLICATIONS ARE STRICTLY CONFIDENTIAL.

Programs and Services through Breton and Area FCSS

Home Support Services – light house keeping service for older adults and individuals that have a medical condition. Fees for service are based on household income and are on a sliding scale. Available to residents in the Village of Breton and Brazeau County in the communities of Buck Creek, Berrymoor, Lindale, Carnwood and Alsike. Travel fee may apply in Brazeau County.

The Bible Truth Page #8

How Does God Teach Us?

Lets look at how God taught his only begotten son. I think we would all agree that God taught him very well. To start with, God provided his son with the written word of God, to show him what his will is and how to live that will out on earth. Then God gave his son the Holy Spirit to guide him, lead him into all truth, and give him revelation of the word and to correct him as needed. What training methods did God obviously NOT use in the training of his son? He NEVER made him sick to teach him a lesson. He NEVER made him poor to teach him a lesson. God gave his son everything that he asked for, he even gave him enough food to feed 5000 of his friends. Wouldn't it be nice if God used the same methods to teach us?

Praise The Lord! He IS still using the same methods to teach us today!! He has provided us with his own written word so that we can know his will for us, how he wants us to live, love, and treat others. God has also provided for us The Holy Spirit to lead us into all truth, and to correct us as needed. He has also promised to give us whatever we ask for in His name. John 14:12-17 **'Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father. And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son. If ye shall ask any thing in my name, I will do it. If ye love me, keep my commandments. And I will pray the Father, and he shall give you another Comforter, that he may abide with you for ever; EVEN THE SPIRIT OF TRUTH; whom the world cannot receive, because it seeth him not, neither knoweth him: but ye know him; for he dwelleth with you, and shall be in you.'** John 14:26 **'But the Comforter, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you.'** John 16:13-15 **'Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come. He shall glorify me: for he shall receive of mine, and shall shew it unto you. All things that the Father hath are mine: therefore said I, that he shall take of mine, and shall shew it unto you.'** Luke 11:9-13 **'And I say unto you, Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you. For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened. If a son shall ask bread of any of you that is a father, will he give him a stone? or if he ask a fish, will he for a fish give him a serpent? Or if he shall ask an egg, will he offer him a scorpion? If ye then, being evil, know how to give good gifts unto your children: how much MORE shall your heavenly Father give the Holy Spirit to them that ask him?'** DID YOU SEE THAT? If we being evil know how to give good gifts to our children, how much MORE shall your heavenly Father give the Holy Spirit to them that ask him? God gives better gifts to his children than we give to our own children. We are God's children if we believe in Him. Do you make your children sick to teach them a lesson? Of course not! **AND NEITHER DOES GOD TEACH US THAT WAY!!!** If you would like prayer or have any questions or comments please email Tyler Untinen @ 4pearofapples5@gmail.com
