

THE BRETON BOOSTER

COVID-19 Update From the Village of Breton

As of November 12th, the provincial government has determined that the Brazeau County region will move to Enhanced Status in regards to the COVID-19 pandemic, with the following restrictions. As the Village of Breton lies within Brazeau County, we are to follow these same guidelines.

Mandatory measures

- Restaurants, bars, lounges and pubs must stop liquor sales by 10pm and close by 11pm - applies to Class A, B or C licences (Nov 13-27).
- 15-person limit on social and family gatherings - indoors and outdoors - where people are mixing and mingling.
- 50-person limit on indoor and outdoor wedding ceremonies and funeral services.

Voluntary measures

- No social gatherings inside your home or outside of your community. Instead, socialize outdoors or in structured settings, like restaurants or other business that are subject to legal limits and take steps to prevent transmission.
- Limit of 3 cohorts: your core household, your school, and one other sport or social cohort. Young children who attend child care can be part of 4 cohorts.
- Wear a mask in all indoor work settings, except when alone in a workspace or an appropriate barrier is in place.

Employers in office settings should implement measures to reduce the number of employees in the workplace at one time.

- Faith-based gatherings limited to 1/3 capacity at one time.

Municipalities are encouraging their residents to download the secure ABTraceTogether app. ABTraceTogether is a contact tracing tool connected to Alberta's contact tracing system. If you test positive, contact tracers will directly notify people at risk, ensure they isolate, and support them in their recovery. AbTraceTogether is an exposure notification tool. It relies on infected users to send out an alert to people they've exposed without directly involving contact tracers. The technology in ABTraceTogether has been used successfully in Australia, Singapore and other jurisdictions.

For more information on the AbTraceTogether app go to www.Alberta.ca.

The Village of Breton strongly recommends all residents and visitors follow the provincial health restrictions, and take all necessary steps to stop the spread of COVID-19.

BLAYNE ALLAN JOHNSON

June 21, 1945 – November 14, 2020

On Saturday, November 14, 2020
Blayne Johnson passed away at the
Drayton Valley Hospital at the age of 75 years.

The thing about a man like him is that ten life times would not have been long enough to have him around. Life's most important lessons came from him, the kind of lessons that shape you into a whole hearted, well rounded human. The kind of lessons you can't wait to pass down. And the kind of lessons that keep you going in times of love and loss. If we got bucked off, we had to get right back on, even if it was only for a second. Losing you felt as if we were bucked off bad this time but we will take your advice and get right back in that saddle. As many of us know, he was a jack of all trades and was always there to lend a helping hand or a shot of advice. All of which is already incredibly missed.

He leaves to cherish his memory his wife
Twyla Daly, daughters Coreen (Dave),
Lynn. Granddaughters Danelle, Deena, and
Hannah. Grandson Doug. Great grandchildren
Nixon and Harper as well as many
close friends and relatives.

Cremation has taken place and no formal
services will be held at this time.

Drayton Valley Funeral Services
are in care of arrangements. Call 780-542-5511.

Laura Ellen Haggart (Westling)

May 20, 1958 – November 16, 2020

With great sorrow we announce the passing of Laura Haggart at the young age of 62 years.

Laura's was surrounded by a great number of family members. Her husband Edward Haggart, daughter Amanda Haggart (Trevor), son Steven Haggart (Layne) and grandchildren (Lucas, Halina, Serena, Will). Her Mother Norma Viola Westling and her brother Neil (Kathy) and a sister Val (Dennis), additionally, John Hunter (Katie) and daughters Emily and Elana were closely entwined in the fabric of her life. John joined the family some 17 years ago and has been here every step of the way since.

Laura was born in Breton, later moved to Drayton Valley and then finally to Alder Flats after marrying Edward Haggart in June of 1978. They moved to the family farm (or homestead at that time) in May of 1983 after Amanda was born in October of 1982, while living in Alder Flats. As the farm grew so did the family, when Steven was born in January of 1984. For anyone who knew Laura, she was a part of many different endeavours with work over her lifespan. She ran the skidder while logging, worked along-side her husband while fencing and in many different areas in the oilfield as the times and needs changed around Alder Flats.

But Laura's true passion was cutting meat in her butcher shop. In 1988 Laura began cutting on the farm, in an old family building moved from Eds fathers house in Alder Flats. Laura learned her trade while working in the butcher department in the Drayton Valley IGA and in 1992 she set up a cooler to be able to cut meat year-round. She had been helping hunters and local farmers process and sustain this farm fresh lifestyle for almost as many years as the farm had been running.

As the farm and family grew, Laura became a more active community member and volunteer, allowing her to be a greater part of Alder Flats and its people. She was able to assist and organize many different functions while holding the position of President in the Alder Flats Agricultural Society. However, this never stopped her from rolling up her sleeves and helping cook when she was needed at other community events.

One of Laura's great passions was curling, she enjoyed being a part, on and off of the ice, and helped plan as many bonspiels as she could. In 2016 she was able to get to win the Alder Flats Women's Bonspiel along with her daughter Amanda, daughter in law Layne and Sheila Thebeau. Many years of being a part of the community and the curling dedication allowed her to reach this milestone.

A special thanks has to be put forward to the ALS Society.

Without their support and the specialized equipment Laura needed it would have been nearly impossible to provide the level of care and quality of life that she led at the end.

A donation will be made to the ALS Society in Laura's behalf, in order to support and assist others who have to make an equally difficult journey in the future.

Around the Coffee Pot – Winfield Legion #236 Updates

As we are continuing to adjust to the new challenges given to us by the Covid pandemic we are going strong and supporting our Veterans.

This Friday, November 27th at 6 pm the Christmas Tree will be lit up for the season to help brighten our Community Christmas spirit. Unfortunately there will be no social festivities to accompany it this year, but we hope next year will allow for our traditional fun evening for all.

An important part of the success of every branch is its dedicated membership and volunteers. It is that time of year that membership renewals take place. Did you however know also that serving and retired members of the CAF and RCMP new to the Legion are eligible for a free one-year membership to help them get to know our organization. You don't have to be a Veteran to support a Veteran. Any Canadian or citizen of an Allied nation 18 years of age or older is welcome to join and help us help Canada's Veterans. For more information visit www.legion.ca to join on line or contact our branch at 780-696-3600. All Ready a member? Renew your Legion membership today! Thank you for your support. Because of your dedication, the Legion can continue to provide support to Veterans and their families, remember the Fallen, and support our communities. You are part of an essential national network and renewing today will keep your membership in good standing for the upcoming year.

For your convenience, you can renew your membership online at legion.ca/member. From there, you can set your membership to auto-renew to be billed automatically each year.

You can also make your payment at your local Branch or by mail to Winfield Legion #236 Box 183 Winfield AB T0C2X0. Legion membership now includes MemberPerks®, giving

you access to thousands of offers and deals at stores and restaurants across Canada, including national chains, local businesses and online stores.

Secret Santa for Seniors – With Christmas just around the corner Breton FCSS will be coordinating a Secret Santa for Seniors. This program is for seniors that live in the Village of Breton or Brazeau County east of the North Saskatchewan River. There are two parts to this program. Seniors that are going to be alone for the holidays can phone in or stop by the Breton FCSS office and complete a profile. Information collected will be your name, address, phone number, Things you like to do, treats you like, items that you would like to have on your Christmas List. Seniors can also be registered by community members or agencies. This information along with just their first name will be placed on a Christmas Tag. Registrations must be received by December 1.

Community members can view the Christmas tags at the Village of Breton Office and select a senior to shop for. Once they have completed their shopping, they will return the items to the FCSS office. Additional items will be added to your gift, wrapped and delivered by Volunteers. Shopping must be completed by December 18th. Deliveries will be made on December 21 & 22.

If possible, we encourage purchases to be made in Breton and Drayton Valley to support our local businesses. We will be looking for Volunteers to wrap and Deliver the gifts on December 21 & 22. These activities will be done according to Covid-19 regulations set out by Alberta Health Services.

Dr. Jody Carrington – FREE ONLINE COURSE – “Kids These Days”– If you own a kid, work with a kid, or love a kid, you will find something inspiring and practical in this course. Dare I say game-changing. (Dr. Jody Carrington’s words)

This course was born from the hundreds of stories of kids, their families, and their support systems I was lucky to meet as I worked across Canada and the USA. Regardless of who I met or where I met them, the message was always the same: our kids are okay ONLY if those of us holding them are okay.

During the developmental years, schools—and educators—are the most significant connection point to most every child on this continent. But are the educators okay? I believe that most of the great educators want to make a difference. Many tell me, however, that they are finding it more and more difficult “these days” to love what they do. I think it’s time we did a better job of looking after them. First. Plain and simple.

This course is for the parents and educators: our teachers, bus drivers, administrators, educational assistants, librarians, administrative assistants, and custodians, parents, grandparents, caregivers. And anyone who leads, loves, and supports them. If that’s you, we invite you to sign up for

this self-paced online course. This FREE course is available to anyone in the Village of Breton or Brazeau County. Please contact Breton FCSS to register at 780-696-3636 or email fcss@breton.ca

Packages can be picked up the first week of November at the Village of Breton Office.

Counselling Subsidies – Starting in September. Breton and Area FCSS is pleased to offer Counselling Subsidies. A subsidy is available for individuals, couples and/or families who are struggling with common, everyday issues to

access short-term preventative counselling services. The goal is to:

- o Improve relationships with better communication and conflict resolution skills;
- o Improve mood with anger management and emotional support;
- o Enhance personal growth with creativity, spirituality, self-esteem, self-awareness, goal setting;
- o Improve parenting skills by focusing on attachment;
- o Reduce stress with life balance; and/or
- o Learn new skills and behaviors

The cost of counselling can be a barrier for many individuals and families. This subsidy is available to those who do not have access to coverage through health benefits or employee benefits, such as an Employee Assistance Plan (EAP), and whose family income is less than \$75,000 per year. Fees are determined according to a sliding scale based on income and family size. Fees range from \$15 per session to \$50 per session. Counselling services are provided through a partnership with Karunia Counselling from Leduc. We know that in this current environment many may have additional stress and anxiety. We also know that transportation may be an added barrier. These sessions can be arranged to be in person in the Karunia offices in Leduc, over the phone in your own safe environment or virtually on your computer. **To apply for the subsidy services**, application forms are available through the Breton FCSS Office at 4916 50th Avenue or by contacting them at fcss@breton.ca or calling 780-696-3636. ALL APPLICATIONS ARE STRICTLY CONFIDENTIAL. If you are unable to pay the fee per session please contact the Breton FCSS Office and we can discuss your individual situation.

The Bible Truth Page #12

Jesus' Hometown

In The Bible Truth Page #9, I proved out of the Word of God that Jesus healed all that had need of healing (Luke 9:11). Some people might ask; "Why couldn't Jesus heal everyone in His hometown?" Well let's address this question and see what the Bible actually says. Matthew 13:54-58 **'And when he was come into his own country, he taught them in their synagogue, insomuch that they were astonished, and said, "Whence hath this man this wisdom, and these mighty works? Is not this the carpenter's son? is not his mother called Mary? and his brethren, James, and Joses, and Simon, and Judas? And his sisters, are they not all with us? Whence then hath this man all these things?" And they were offended in him. But Jesus said unto them, "A prophet is not without honour, save in his own country, and in his own house." And he did not many mighty works there because of their unbelief.'** The people were offended in Jesus, and they did not believe Him. If they didn't believe Him, why would they come to Him for healing? If we are going to make an assumption regarding this verse, it is more reasonable to assume that the sick *did not come* to Him for healing, than to assume that He could not heal the people that *did come* to Him. Since they did not come, they did not get healed. Their unbelief did not stop the power of God; it simply kept them from bringing the sick to Jesus. Here is another account of the same situation: Mark 6:1-5 **'And he went out from thence, and came into his own country; and his disciples follow him. And when the sabbath day was come, he began to teach in the synagogue: and many hearing him were astonished, saying, "From whence hath this man these things? and what wisdom is this which is given unto him, that even such mighty works are wrought by his hands? Is not this the carpenter, the son of Mary, the brother of James, and Joses and of Juda, and Simon? and are not his sisters here with us?" And they were offended at him. But Jesus said unto them, "A prophet is not without honour, but in his own country, and among his own kin, and in his own house." And he could there do no mighty work, save that he laid his hands upon a few sick folk, and healed them.'** A few sick folk did come to Him, and He healed them. "Them" refers to all that came to Him for healing. So, in His hometown, in the presence of unbelief, He healed all that came to him. **HE HEALED ALL THAT WERE OPPRESSED OF THE DEVIL.** Acts 10:38

MP REPORT

from The Office of MP Gerald Soroka,
Member of Parliament for Yellowhead

November 23, 2020

Canada Revenue Agency Opens Applications for the Canada Emergency Rent Subsidy

OTTAWA: Gerald Soroka, Member of Parliament for Yellowhead is pleased to advise that qualifying organizations can apply directly for the new Canada Emergency Rent Subsidy (CERS) through the Canada Revenue Agency (CRA) without the need to claim the assistance through their landlords. Applicants can claim the subsidy retroactively for the period that began on September 27 and ended on October 24, 2020. Applications for the second CERS period (October 25 to November 21, 2020) will open on November 30.

Organizations can include rent and other eligible amounts already paid in respect of a claim period as well as amounts that are payable for the claim period when submitting their CERS applications. Amounts that are not paid at the time of the application will have to be paid no later than 60 days after payment of the subsidy.

CRA will collect applications over the coming days and, on November 30, process applications received to date. Qualifying organizations whose claims successfully clear the CRA's automated verification system and that are registered for direct deposit should expect to begin receiving payments starting on December 4.

Covenant Corner

from Pastor Jeff Gooderham

At the end of the Battle of Britain, British vice-marshal Alexander Adams was driving to a meeting at his headquarters when he came upon a sign: ROAD CLOSED -- UNEXPLODED BOMB. Adams called over the policeman on duty, hoping he might be able to suggest an alternate route.

"Sorry, you can't go through," said the policeman as he approached the car. "The bomb is likely to go off at any minute now." Then he caught sight of Adams's uniform. "I'm very sorry, sir," he said, "I didn't know you were a wing commander. It is quite all right for you to go through."

With "advisors" like that, who needs enemies! Although that policeman -- who was trained to respect rank -- momentarily allowed his deference to a vice-marshal to overcome his good sense, Adams had better sense than to follow his advice.

If you are looking for guidance and advice, for direction in this uncertain world, who are you looking too? We have to be very careful who or what we allow to guide us. Would it not be best to consider the word of the very one who created this world and each one of us? Jesus said; "I Am the way, the truth, and the life, no man comes to the Father except through Me."
