

THE WARBURG BUGLE

Calling All Snow Angels!

We hate to be the bearer of bad news, but the snow is here...and with that, the need for volunteers.

We have an amazing senior's population within our community who have done so much for Warburg, now is the time of year they need some assistance in return.

We are looking for volunteers to register for our snow angels program. If you are willing and able to help seniors with snow shovelling throughout the winter season, please contact Tami at 780.848.2828 or fcss@warburg.ca with your name and phone number.

When a senior contacts me looking for assistance, your contact information will be forwarded.

This is also a great way for your teenagers to get outside, help their neighbors, and boost their resumes through volunteer work!

Christmas Elves 2020

It's that time of year!!! Self-referrals for our Christmas Elves Campaign began being accepted on November 12, 2020. Please contact Tami at 780-848-2828 to set up an intake appointment.

Donations will be accepted any time! Unfortunately, we will not be running the annual Fireman's Food Drive, due to the restrictions stemming from the Covid-19 pandemic. That being said, the need for community support has not faded. We will gladly accept food donations at the Village Office, the Warburg Public Library, and the Village Market. As well, we will have our Christmas Angel tree set up, and in-package toys will also be accepted with much appreciation! A few other items that are always needed are:

- Children's Pajama Sets
- socks in children and adult sizes

- Toques, Mitts, Scarves
- Hand Sanitizer
- Toothbrushes, Toothpaste, Deodorant, Shampoo, Conditioner, soap
- Books, family games, cookie cutters, rolling pins, baking sheets
- paper towel, toilet paper, wash cloths, cleaning supplies

Cash donations will also be accepted, and VERY appreciated, as due to the current Health Situation, we will be purchasing more aid in the form of gift certificates, etc.

This year has not been a normal year by any stretch of the imagination. We at Warburg FCSS have been humbled by the offers of support and assistance offered to the community by it's own residents. Now, more than ever, we need to take care of ourselves and each other. This program is a true reflection of neighbors helping neighbors, and we are so thankful to the Village of Warburg for the strength and support that our residents offer to each other.

We could NOT run this program without you, and each and every recipient of your generosity and good nature will be received with gratitude. Let's all come together and ensure that no Warburg resident goes without the Magic of Christmas!

*** Please note -we are always blown away by the amount of volunteer support shown to the Christmas Elves program every year. This year, we will unfortunately have to limit the amount of volunteers who participate in food sorting, toy sorting, packing and delivery. We ask that interested parties do still contact Tami at 780-848-2828 near the end of November, once we have some dates set up, we will be assessing the needs and ability to social distance until then, and will accept as many volunteers as we can responsibly ensure the health and safety of.***

Winnifred (Winnie) May Lansdell,

age 97, passed peacefully October 28, 2020
at Breton Long Term Care with her children by her side.

She was born December 11, 1922 to Earl and Helen Barnes in the Clive area. She married Norris Lansdell on December 27, 1945 who preceded her in death in 2003.

Winnifred loved growing up on the farm at Clive. She helped her Dad in the fields and milked cows. She finished Grade 11 in Tees, then spent time in Red Deer and in Lethbridge working in the hospitals there.

After she married Norris they farmed and worked in Central Alberta.

Winnifred and Norris took up residence in Breton in 1955.

She was known in the community for her delicious homemade bread and buns which she offered for sale from her living room window on main street in the 1950's. She was a ward aide at the Breton Hospital in its first years starting in 1963. For a long time she held down three jobs, cleaning the Breton Elementary School, the Treasury Branch and the Post Office. She was always a hard worker and enjoyed her work so much... a freshly washed and polished hallway in the school gave her much joy as did interacting with the students as they came and went. She never complained about getting up in the cold of winter and shovelling the walks at the school before the rest of the town woke up.

Winnie was a cornerstone of the Breton United Church Women and took pleasure in hosting meetings at her home which always included a beautiful spread of tea and sweets. In 1986 she retired and enjoyed various camping trips which took her as far north as Alaska and into BC and Saskatchewan. These camping trips often included grandchildren. Her greatest joy was her family, especially when they were all gathered around the table, enjoying her great meals and her delicious desserts. Love and laughter was always plentiful. Even in her last days when she was physically unable to go visiting, her first question was always "How are the kids?" She took comfort in hearing everyone was doing well.

Winnifred leaves to celebrate her life and carry on her legacy: daughter Patricia Denholm (David) of Stettler; son Larry Lansdell (Fiona) of Leduc; daughter Michele Bevan (Randy) of Breton; 8 grandchildren; 22 greatgrandchildren and 2 great great grandsons. She was the second eldest of 11 children.

She is predeceased by her parents, 4 brothers and 2 sisters. She leaves 3 sisters, 1 brother and numerous nieces and nephews to enjoy memories of good times together.

If so desired, donations may be made to
Drayton Valley Health Foundation,
"Breton Long Term Care" on the memo line and mailed to
4550 Madsen Avenue, Drayton Valley, T7A 1N8.

UPDATED SNOWPLOW SERVICES FOR RESIDENTS

As per policy PG-04: Snow Clearing Private Driveways, Leduc County will provide snow clearing services on private driveways, as requested by county residents, up to three times per season free of charge. All additional snow clearing services will be invoiced at the end of the season as per Leduc County's fees and charges bylaw.

At the Oct. 13 council meeting, council approved updates to the policy, which include the following changes:

- Leduc County staff will no longer open or close gates to gain access to residents' driveways.
 - Gates must be left open if you would like to access private driveway snow clearing services.
- Summer grading will no longer be offered.

New private driveway snowplow agreement

With these updates in place, residents will need to sign a new private driveway snowplow agreement. Once you have submitted a new agreement, you may request snowplow services. Agreements are available online at **www.leduc-county.com/winter-operations**.

How to request snowplow services

After you have filled out a private driveway snowplow agreement, you can request snowplow services by email, phone or through an online application form, as follows:

- Email your request to **snow@leduc-county.com**
- Call **780-955-7226** and follow the prompts
 - Note: if you call to request snowplow services, your call will not be returned.
- Fill out an online snowplow services request form at **www.leduc-county.com/winter-operations**

Remember to include your first and last name, municipal address and phone number in all of your requests.

Please note: after you submit a request for snowplow services, you will be placed on a list for driveway clearing.

When are driveways cleared?

As per policy PG-03: Snow Clearing County Roads, snowplowing for private driveways will take place after Leduc County roads are deemed to be in an acceptable condition.

For more information, call 780-979-6185.

LOCAL FOOD LISTING

Local food, local products and agri-tourism in Leduc County

To showcase local food, direct-marketed products and agri-tourism in the region, Leduc County is partnering with The Chamber, Leduc & Wetaskiwin Regions, on its Discover Leduc Region website. The website features an interactive map, highlighting attractions and tourism destinations in the region.

Local food categories

We are developing local food categories as part of the interactive map. Users will be able to explore the categories, which will include listings such as food, direct-marketed agriculture products, greenhouses and more.

Criteria

To be part of the listing, you must meet the following criteria:

- You must own your business.
- Your business must be located within Leduc County or one of the municipalities within its boundaries (Beaumont, Devon, Leduc, Calmar, Thorsby, Warbug).
- You must meet *at least one* of the following requirements:
 - you are a producer of food, horticulture, other agriculture products, or raise animals/products that are sold into local market channels.
 - you host agri-tourism activities on your farm.

Be a part of our listing

We are looking for producers of local food, direct-marketed local products and agri-tourism businesses to be included on the map. Applications can be found online at leduc-county.com/local-food-listing.

For more information, contact Sharon Faye, local food coordinator, at **780-770-9271** or sharon@leduc-county.com.

MP REPORT

from The Office of MP Gerald Soroka,
Member of Parliament for Yellowhead

Veterans Organizations Emergency Support Fund

OTTAWA: Gerald Soroka, Member of Parliament for Yellowhead is pleased to advise that Veterans Affairs has announced \$20 million in new funding to create a temporary Veterans Organizations Emergency Support Fund/ The fund will provide financial support to Veterans organizations who have been hit hard by the COVID-19 pandemic, and who are in need of immediate support.

The \$20 million will be provided in the form of grants to non-profit and charitable Veterans organizations, including The Royal Canadian Legion (\$14 million), ANAVETS (\$1 million), True Patriot Love (\$1.5 million) and VETS Canada (\$850,000) to cover a portion of their operating expenditures. These payments will all be made before the end of the year.

Thorsby/Breton RCMP Respond To Double Fatality

Brazeau County, Alta. – On Nov. 5 at 4:04 p.m., Thorsby/Breton RCMP attended a serious motor vehicle collision which resulted in the deaths of two males. The collision occurred on Highway 39 at the intersection of Range Road 52.

Information obtained on scene indicates that

a pick up with a flat deck trailer was traveling southbound on Range Road 52 and collided with a semi truck pulling an empty tanker trailer which was traveling westbound on Highway 39.

The 57-year-old driver of the pick up truck, from Wetaskiwin County, and 52-year-old passenger from Leduc were both declared dead at the collision scene. The driver of the semi truck did not suffer any injuries.

The RCMP collision analyst attended to conduct a scene examination. Traffic was diverted until shortly after midnight when the highways were cleared for travel.

The collision remains under investigation by the RCMP. No further updates for the media are anticipated.

MLA REPORT

from The Office of MLA Mark Smith,
Member of the Legislative Assembly
for Drayton Valley - Devon

The Importance of Alberta's Energy Sector

As Albertans, we truly understand how important the energy sector is to the economic success of our province and here in the riding of Drayton Valley-Devon, our local economy literally depends on oil and gas investments and business. Our hard work as a province also plays a significant role in the overall GDP of Canada. Energy is the largest sub sector of our country's economy, accounting for \$221 billion, or 10.6% of nominal GDP in 2018. Our local industries are crucial to Canada, which makes the continuous political backhanding from Ottawa all the more frustrating.

These last few years have been difficult and our local economy has been hard hit for a variety of reasons, however time and time again we have seen a complete lack of response from our leaders in the federal government. Far from sympathy, we've in fact been handed down countless legislation that not only imposes, but inhibits Canada's resource industry. Bill C-69, a total ban on tanker ship access along B.C.'s coast, directly prevents Alberta from ever successfully exporting oil west through the Pacific Ocean. Our oil and gas works have seen layoffs by the thousands but when an Ontario manufacturer went under, federal bailouts were immediately onhand. While Alberta businesses create thousands of jobs and contribute billions to Ontario's GDP and markets, continued gestures like this from our Liberal counterparts have ensured that our local businesses will see fewer investment opportunities and less work for local citizens.

The good news is, despite these impediments, Albertans, and our oil and gas sector continue to make huge strides in technology and scientific advancement. Since 2000, Oil Sands emissions have decreased by 28%. We are also at the absolute forefront of methane emissions reduction. An Al-

berta startup recently started earning international attention by helping limit methane production through a small air compressor that runs off a hybrid natural gas/solar generator. Methane, a gas 25 times more powerful than carbon dioxide, is part of the natural gas extraction process and accounted for 13% of Canada's total GHG emissions with 43% of that coming from oil and gas sectors. There is no question that Canadian resource extraction maintains the most ethically produced and environmentally sourced practices in the world. Recently approved projects like LNG are already having a positive impact on local economies and oil sands producers have spent \$13 billion in collaboration with Indigenous-owned businesses since 2012, including a record \$2.1 billion in 2018. These types of large scale investments distribute money across various industries and communities and are helping families across Alberta get back on their feet.

While 2020 has been difficult, and Alberta hasn't always received the support it deserves, our province continues to develop, grow and succeed, in no small part to the incredible individuals who call our province home.
