

THE BRETON BOOSTER

Making the Most of Masks

By Barbara Gregory

With every negative comes a positive. It's simple algebra - right? To curtail the spread of sneezed or coughed or moistly spoken breath, citizens world wide have donned masks. Other than providing continued anonymity for bank robbers, masks have created positive outcomes in other instances as well.

Take, for example, the savings in lipstick and concealer alone. Under a mask, lips can be chapped or left uncolored, and face flaws can stay hidden without harsh cosmetics or expensive creams. Cold sore sufferers are the big winners with masks. While red, painful boils have kept some people too embarrassed to leave their homes, wearing a mask allows for healing without rude stares.

Another advantage to wearing a mask is especially noted by lovers of spinach salad. No longer must they rush to a mirror to check for green specks stuck in their incisors. In fact, any food stuck in pearly whites can be successfully hidden till a more convenient time allows for brushing and flossing. And unsightly moustaches, worn by men or women, can stay out of sight, too.

With the variety of designs blossoming as mask-wearing becomes more common-place, so too are mask-wearing fashionistas free to explore and show their creativity and daily mood. Funky, fun colors can express a joyful countenance while a black mask can provide an air of solemnity. Maple leaf motifs can be worn for national pride while cheeky sayings can initiate interesting conversations.

Yes, wearing a mask, cloth or paper, for 12 hours a day can be onerous and become tedious, and downright annoying. But other than the reasons already suggested, wearing a mask shows solidarity during this time of uncertainty. Wearing a mask indicates caring for others when we ourselves feel fearful. And wearing a mask provides hopeful positiveness for a healthier future.

RATHGEBER, Effie (Bowman)

1925 -2020

Effie (Bowman) Rathgeber was born on March 11, 1925 in Wenham Valley, AB. She lived her entire life within miles of where she was born and couldn't have been more happy. On November 26, 2020 Effie passed away peacefully in Breton Long Term Care with her family by her side, and in the thoughts and prayers of everyone who loved her.

Effie was predeceased by her parents, John and Ida (Impey) Bowman; her siblings; her loving husband, Bill Rathgeber; and her son, John Rathgeber; and many other friends and family.

She is survived by her daughter, Julie (Roger) Stefura; grandchildren, Annie (Justin), Eric (Kirsten) and Sarah (Kyle); her 5 great-grandchildren, Becca, Gunner, Payton, Daxon and Knox; and numerous extended family and friends.

Effie married Bill on December 26, 1950 and they settled on their farm in Wenham Valley. Here they milked cows, grew a huge garden, made hay and built their family. They had two children John and Julie. Effie loved the farm. She loved her chickens, livestock, pets and garden. But most of all she loved her family and friends. Effie was a very social person, she loved to visit, share her stories, listen to others and she always had a smile on her face. Anyone who walked through her door was greeted with coffee, tea, food and of course a huge smile. Effie was always such a positive person, always had advice, an ear to listen, a smile to give and her home was always open. She was poised and genuine. She had a great sense of humour and always told it as it is. She will be missed by so many but never forgotten.

Donations in Effie's memory are gratefully accepted to West Pine Lodge (5 Ave E, Winfield, AB. T0C 2X0), or Breton Continuing Care Centre (4919 49 Avenue, Breton, AB. T0C 0P0).

The little things

Now that you are gone
All I think about are the little things

The easy smile
The laughter
No tears as you didn't cry

The way you liked my hair short
The way you played the piano by ear
The way you cooked - not the best

You taught me to be humble
You taught me to be kind
You taught me the word halitosis

You and dad had 4 children
Who are your living legacy
And you loved us all equally

Many a time we would go exploring
Finding cool places to have
A picnic and check things out

You liked to make up stories
About strangers and help
To solve problems when life got rough

Writing was a favourite pastime,
Letters and cards to friends and relatives
Stories about past experiences

Even when your memory faded
And your body misbehaved
You were still the best you could be

As I sort through your things
To find addresses of friends to
Notify I think of the little things

You had a wonderful life.

LETTERS TO THE EDITOR

Dear Editor

This letter to you is of course about Covid 19! What nowadays isn't?

Here for everyone is some food for thought. Whether you believe in Covid or not is your option. To wear a mask or face covering in a place of business is your option as well. You could wear one like they ask you to, or you could go somewhere else where they don't! Simple!

Now for those that don't understand the concept. If anyone at a place of business gets sick from covid, everyone else that works there would have to quarantine for 14 days. Which means they can't go to work! So if they all can't go to work, the business would have to close for 14 days! Which would mean at great deal to the seniors that depend on the business. The people with no mode of transportation to go anywhere else. And those that just like shopping local. It is not all about you!

All businesses have the right and obligation to implement measures to keep their employees and customers safe!

So if you don't want to play safe that's up to you. But we do! So please respect all requirements. For those that are "exempt", there's delivery services at most businesses and also curb side pickup. Please don't come in and argue with us. We don't need the stress! And I don't believe anyone wakes up every morning and says "Oh goody, I get to wear a mask again at work for 8,9,10 hours, lucky me!"

We are trying hard to keep the doors open for business for the community! How about trying with us?

Tracy Bolton

The Poppy Campaign Closes...

From The Warburg Legion Branch No. 205

Remembrance Day Service— Members of the Legion were at the cenotaph on November 11, 2020 with a few members of the public to acknowledge what our veterans have done for all of us. A wreath was laid to pin your poppy on in memory of loved ones and known veterans. We were unable to have a service and luncheon at the Community Center due to the Covid-19 regulations and not enough manpower. We hope to have one in November of 2021.

NOTICE: For those businesses we had rented wreaths for 2020 and we were not able to lay wreaths this year, we would like to offer you all your choice of either opportunity,

(1) Reimbursement of funds for the wreath rental.

(2) Carry this wreath rental over until 2021 service for laying of the wreaths.

Please contact Deb Mellafont (780 848 2923) should you like a refund of your rental.

Looking in 2021...

The Warburg Legion Branch No. 205 was given the opportunity to complete two projects in our community and surrounding areas. The First Grant - Building Garden Boxes and Flowerbeds for Cloverleaf Manor. We have been in contact with the manager of Cloverleaf Manor, who will be soon receiving drawings for management and residents to decide what they would like.... we have been waiting on 2 drawings, but we now have them. We are to complete this project in the spring of 2021. We have several businesses who want to be a part of this project, but we will be looking for other talent.....carpenters, planters, and general set up, and more. Since we have Covid 2019 still, AHS have some protocols that must be followed. If anyone has time to help us with this project, please call Deb 780 848 2923. The other half of this grant will be applied to Legion updates and repairs. A meeting will be held in spring concerning volunteers and what is to be completed.

Our Second Grant - Seniors Online (Covid-19 AHS protocols apply) - As a senior who may not be active in social media, do you find yourself sitting in the middle of family or gathering of friends and not feeling a part of the conversation, as they look at pictures on their phones, tablets

or computers and communicate with each other occasionally they may show you a picture. Well, the Legion has received another grant to help seniors learn how to use cell phones, tablets, and computers made for seniors. We tentatively have several resources available where you can learn one on one, on the device of your choice, would you be interested?

Check this out -

We have a great central location to have this event. We have drivers who will pick you up and drive you home. This event will likely be held on Saturdays from 10 to 4pm. Luncheon will be served. Facilitators of all sorts to help you. ITS FREE TO ALL SENIORS.

The Vendors who would be supplying all the devices are more than eager to give us an exceptionally good offer. All I need you to do is have a discussion with a friend, your family, etc., to get the feel of how you would like to learn to operate your own device. Think about cost, your budget, and products that are affordable. Then, if you are ready to have some fun and learn, call Deb 780-848-2923.

This will only be successful if we have participants, if not, we have to return the funds so they can be distributed to other communities who do want this program. I look forward to hearing from people interested in both projects.

Take care all! Be safe, stay healthy, and have a Happy Holiday season!

Secret Santa for Seniors – With Christmas just around the corner Breton FCSS will be coordinating a Secret Santa for Seniors. This program is for seniors that live in the Village of Breton or Brazeau County east of the North Saskatchewan River. Community members can view the Christmas tags at the Village of Breton Office and select a senior to shop for. Once they have completed their shopping, they will return the items to the FCSS office. Additional items will be added to your gift, wrapped and delivered by Volunteers. Shopping must be completed by December 18th. If you are unable to come into the office to make a selection, please call or email fcss@breton.ca and we can assist you with the selection. **Deliveries will be made on December 21 & 22.** If possible, we encourage purchases to be made in Breton and Drayton Valley to support our local businesses. We will be looking for Volunteers to wrap and Deliver the gifts on December 21 & 22. These activities will be done according to Covid-19 regulations set out by Alberta Health Services. We have over 30 seniors nominated, call in to the office to have a senior selected for you from the tree or stop by and pick one. **We still have 18 tags on our tree to select from.**

Christmas Wishes – if you know of a family or individual that is in need of a Christmas food hamper or Christmas gifts, Breton FCSS can refer their name to the Christmas Wishes group. They must reside in the Village of Breton or Divisions 5 & 6 of Brazeau County East of the river. Please call 780-696-3636 with contact information and the number of individuals in the home. You may self refer.

Virtual Christmas Tree of Honor and Remembrance –Our Tree of Remembrance will be different this year. Please call into our office at 780-696-3636 or email fcss@breton.ca prior to December 14th. Names will be collected and placed in an ad in the Breton Booster prior to Christmas. We wish that we could have the tree on display with ornaments for those loved ones that have passed away, but due to Covid-19 this is not allowed this year. For more information please contact 696-3636 or fcss@breton.ca. Thank you to the Breton Library for partnering on this project in previous years.. Note: There is no cost to have your loved one's name placed an ornament on our virtual tree.

Dr. Jody Carrington – FREE ONLINE COURSE – “Kids These Days”- If you own a kid, work with a kid, or love a kid, you will find something inspiring and practical in this course. Dare I say game-changing. (Dr. Jody Carrington's words). This course was born from the hundreds of stories of kids, their families, and their support systems I was lucky to meet as I worked across Canada and the USA. Regardless of who I met or where I met them, the message was always the same: our kids are okay ONLY if those of us holding them are okay. During the developmental years, schools—and educators—are the most significant connection point to most every child on this continent. But are the educators okay? I believe that most of the great educators want to make a difference. Many tell me, however, that they are finding it more and more difficult “these days” to love what they do. I think it's time we did a better job of looking after them. First. Plain and simple.

This course is for the parents and educators: our teachers, bus drivers, administrators, educational assistants, librarians, administrative assistants, and custodians, parents, grandparents, caregivers. And anyone who leads, loves, and supports them. If that's you, we invite you to sign up for this self-paced on-line course. This FREE course is available to anyone in the Village of Breton or Brazeau County. Please contact Breton FCSS to register at 780-696-3636 or email fcss@breton.ca

Window Connections for Older Adults. – With the weather turning colder and many people not wanting to go out as much we will be putting together a package of three colored signs for older adults to let their neighbors know how they are doing. Green will mean doing just fine! Yellow I could use a phone call or help with something and Red – PLEASE Check on me. Packages can be picked up the first week of November at the Village of Breton Office.

Counselling Subsidies – Starting in September. Breton and Area FCSS is pleased to offer Counselling Subsidies.

A subsidy is available for individuals, couples and/or families who are struggling with common, everyday issues to access short-term preventative counselling services. The goal is to:

- o Improve relationships with better communication and conflict resolution skills;
- o Improve mood with anger management and emotional support;
- o Enhance personal growth with creativity, spiritu-

ality, self-esteem, self-awareness, goal setting;

o Improve parenting skills by focusing on attachment;

o Reduce stress with life balance; and/or

o Learn new skills and behaviors

The cost of counselling can be a barrier for many individuals and families. This subsidy is available to those who do not have access to coverage through health benefits or employee benefits, such as an Employee Assistance Plan (EAP), and whose family income is less than \$75,000 per year. Fees are determined according to a sliding scale based on income and family size. Fees range from \$15 per session to \$50 per session. Counselling services are provided through a partnership with Karunia Counselling from Leduc. We know that in this current environment many may have additional stress and anxiety. We also know that transportation may be an added barrier. These sessions can be arranged to be in person in the Karunia offices in Leduc, over the phone in your own safe environment or virtually on your computer. **To apply for the subsidy services**, application forms are available through the Breton FCSS Office at 4916 50th Avenue or by contacting them at fcss@breton.ca or calling 780-696-3636. ALL APPLICATIONS ARE STRICTLY CONFIDENTIAL. If you are unable to pay the fee per session please contact the Breton FCSS Office and we can discuss your individual situation.

Programs and Services through Breton and Area FCSS

Home Support Services – light house keeping service for older adults and individuals that have a medical condition. Fees for service are based on household income and are on a sliding scale. Available to residents in the Village of Breton and Brazeau County in the communities of Buck Creek, Berrymoor, Lindale, Carnwood and Alsike. Travel fee may apply in Brazeau County.

Meals on Wheels – available to residents in the Village of Breton and within a 10 km radius of the Village of Breton within Brazeau County. Available Tuesdays and Thursdays for a lunchtime delivery by Volunteers. Meals are prepared at the Breton Healthcare Centre. Assistance and Information on Income Tax for Low income individuals and Families, GST, OAS, CPP and additional government benefit programs.

Christmas Budgeting

Submitted by Breton FCSS

Here are six last-minute Christmas budgeting tips for you master procrastinators... err... busy people.

Make a List - and check it twice

Make a list of all your family and friends who have been good girls and boys. Once you decide who is deserving of a gift from you, determine how much money you can realistically afford to spend. Then, designate a set portion of the total amount for each person on your list. For example, let's say you have \$600 to spend, and you need to buy gifts for ten family members and five friends. You may decide that you'll spend \$40 on each person on the list. On the other hand, you may want to spend \$50 on each of your family members and \$20 on each of your friends. No matter what, stick to your initial budget, and don't spend money you don't have.

Avoid Overspending

Many holiday shoppers let their emotions get the best of them, and they end up overspending. Maybe you feel terrible that you don't visit your mother enough, so you decide to spend \$300 on a fancy bracelet for her. Don't fall prey to holiday guilt. Not only will overspending break your budget, but you'll also set unrealistic expectations. In other words, your friends and family will begin to expect lavish gifts from you every Christmas.

Pay in Cold, Hard Cash

One way to force yourself to stick to your holiday budget is to pay for all your gifts with cash. Simply withdraw the amount that you can afford to spend on your holiday gifts. When that money is gone, Christmas shopping time is over. When you pay with a credit card, it can be easy to lose track of exactly how much money you've spent. An extra \$5 here or \$12 there may not seem like a big deal when you're paying with plastic. However, when you have a set wad of dollars in your pocket designated for Christmas gifts, you have a visual, concrete reminder of how much money you have left to spend. Therefore, you'll be less tempted to go over budget on each individual gift.

Become a Lone-Wolf Shopper

People who shop alone generally spend less money than those who shop with friends and family members. Not only can a shopping partner cause distraction and break your fiscal focus, but they may also pressure you into buying items you really don't need.

Don't Buy Presents for Yourself

When you're out shopping for friends and relatives, you're bound to come across some glorious item that you absolutely must have. However, remind yourself that this is the season for giving, not receiving.

Get Creative

If you're really strapped for cash this Christmas, consider giving out non-monetary gifts. For example, you may offer to paint your grandmother's kitchen or babysit your best friend's son. Create hand-made or computer print-out certificates that say things like, "Good for One House Cleaning," or "Dog-Sitting Gift Certificate," and enclose them in a card. You could also save bundle by baking cookies, brownies and other Christmas goodies to give to give out to neighbors and co-workers.

Even if you've waited until the last minute to save up for gifts, it is still possible to avoid bankruptcy this Christmas. Whether you're a procrastinator, ridiculously busy or just down-right forgetful, these six last-minute tips will help you stick to Christmas budget and stay out of the red.

Covenant Corner

from Pastor Jeff Gooderham

The great reformer Martin Luther once said; "Although out of pure grace God does not impute our sins to us, He nonetheless did not want to do this until complete and ample satisfaction of His law and His righteousness had been made. Since this was impossible for us, God ordained for us, in our place, One who took upon Himself all the punishment we deserve. He fulfilled the law for us. He averted the judgment of God from us and appeased God's wrath. Grace, therefore, costs us nothing, but is cost Another much to get it for us. Grace was purchased with an incalculable, infinite treasure, the Son of God Himself."

"For it is by grace you have been saved, through faith—and this is not from yourselves, it is the gift of God—not by works, so that no one can boast." Ephesians 2:8-9, Now that is what makes grace so amazing!

The Bible Truth Page #13

Hello, I have an important message of good news for you from God, the creator of heaven and earth. The good news is that God loves you and he wants to bless you with life, love, health, healing, and a lot of other good things. In order to give us life in exchange for the death that we deserve for being sinful, God had to pay off our debt of sin. He did that by sacrificing his only son in a horrible, gruesome, and bloody death on the cross. You might say: "No thank you, I am pretty good already". But the truth is none of us are good without Jesus. The Bible says in Romans 3:23 **For all have sinned, and come short of the glory of God.** It also says in Galatians 3:22 **But the scripture hath concluded all under sin, that the promise by faith of Jesus Christ might be given to them that believe.** Romans 6:23 **For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.** So there it is in black and white. We deserve death but God has given us the gift of eternal life. Have a look at what Jesus said in John 3:14-21 **And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up: That whosoever believeth in him should not perish, but have eternal life. For God so loved the world, that he gave his only begotten Son that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved. He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God. And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil. For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reproved. But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God.** He has also told us how we can receive the gift of eternal life which he has provided for us in Romans 10:9-13; **That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. For the scripture saith, Whosoever believeth on him shall not be ashamed. For there is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that call upon him. For whosoever shall call upon the name of the Lord shall be saved.** Here is a prayer that you could pray if you want to accept the gift of everlasting life: Lord God of heaven and earth, please forgive me for all of my sins. I accept you as my Lord and Saviour. Thank you Lord Jesus for giving me life and forgiveness, and health, and healing, in exchange for the everlasting punishment and death that I deserve. I give you the rest of my life here on earth in service to you. Now here is how you live for God: Matthew 22:37-40 **Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbour as thyself. On these two commandments hang all the law and the prophets.**
