

# THE BRETON BOOSTER

## Season's Greetings from the Museum

From Allan Goddard

As 2020 comes to a close the Breton Museum wishes everyone best wishes for the Holiday Season. I am sure 2020 will be a year most of us would like to have missed. With the current Alberta Health Order in place Christmas this year will take on a much different feel, as no large social or family gatherings are permitted. However, we need to appreciate that we do have numerous means to connect with others, from telephone calls to Facetime video calls to Social Media and meeting on Zoom. Many of the terms we use today were not envisioned a couple of decades ago.

While going through some old letters in my own family archives I came across letters written to my grandmother from her son who was in the armed services during WW2. During that time period many families had loved ones in the armed services who were stationed in the far flung regions of the world. The only means of communicating was through letters home and treasured photographs. Let us count our Blessings!

This past year has been very different for the museum as well. With all the uncertainty this year the Museum Board, after much soul searching, decided for health and safety reasons that the museum would be open by appointment only. While the museum was not open on a regular basis, behind the scenes the work carried on although at a much slower pace. The Breton Museum Board would like to take this opportunity to thank those agencies who support the museum through financial contri-

butions to the operations of the museum. Brazeau County and the Village of Breton who provide annual operational funding to the museum. Without this support the museum would find it very difficult to operate. Also this year the museum received a Covid-19 grant from Heritage Canada to help heritage organizations with the preservation of their collections. The grant will help the museum complete the documentation of the backlog of artifacts at the museum. This work has started and will continue once we are able to resume work at the museum.

Hopefully 2021 will allow the museum to get back to normal operations and we look forward to greeting visitors back to the museum on a regular basis. In the meantime please stay safe and take time to connect with that family member or neighbor even if it is just to ask how they are doing. We will get through this.

### Breton Booster Holiday Schedule

**The office of the papers will be closed  
December 24th - January 3**

**The first Breton Booster of the year  
will be published on January 6th.**

*We wish you all a

**Both Grocery Stores**  
**Breton Family Dining**  
**AIF / ACE Hardware**  
**Winfield - Buck Lake**  
**Malone Clinic - Drayton Valley**  
**Foundation Dodge - Drayton Valley**

## Around The Coffee Pot Winfield Legion #236 Updates

As the year 2020 comes to an end it's time to reflect on our annual activities. There is no doubt that 2020 will be recorded in the history books as the year the world stopped. The Covid-19 pandemic has definitely changed our daily lives, the way we go to work, the way we visit people, and the way we've learned to appreciate what we do have. This year the Winfield Legion continued to do what we could to support our veterans and our community, so to summarize it in a nutshell, albeit slightly cracked, here are the highlights.

Over the last year we have made donations to the Breton Food Bank, the Winfield Alder Flats Buck Lake Santas Anonymous, The Westpine Lodge Old Timers and the Provincial Command Poppy Fund. This year we did not receive any applications for our scholarship program. Each year applications are accepted by the branch until September the 15th for students under the age of 21 attending post-secondary schooling. We have available two \$1000 scholarships for students who attend schools within our area. If you would like information on how to apply please email [rclwinfield236information@gmail.com](mailto:rclwinfield236information@gmail.com)

In January and February, we were able to hold our monthly socials on the last Thursday of the month. We start with a potluck supper followed by dancing to live music. These activities are well attended and are open to all over the age of 18.

The branch did work with the Winfield Elementary School to participate in the annual poster and literacy contest for Remembrance Day. We were very pleased to receive many entries, and we are in hopes that we end up with a district winner again. November 11th was marked with a small ceremony outside to honor our veterans.

We did light up the tree on Main Street in Winfield on November the 27th, without our usual festivities, fanfare and fun evening for those who usually attend.

Hopefully 2021 brings back the other events we normally participate in on an annual basis. This

would include our Shrove Tuesday pancake supper, monthly Potluck Socials, burger sales at the Winfield car show and Ugetuk Days, as well the Christmas tree light up festivities.

The most notable change for the year was our inability to hold or participate in our annual fund-raising activities. We did manage to sell out the 50/50 cash raffle after requesting an extension of the draw date to November 11th. We are hoping that normal fund raising will be achievable as we move forward through the pandemic. The Branch like most non-profit organizations relies on fundraising to cover our operating expenses and programs.

December marks the end of another year which means that memberships need to be renewed. They can be completed online at [www.legion.ca](http://www.legion.ca). New memberships can also be applied for online at the same address. Renewals can also be mailed to Box 183, Winfield Alberta.

We extend a huge thank you to our community supporters, our members who continue to work together and the Executive committee for their commitment and hard work.

We wish you all the best for the Holiday Season and that 2021 is Joyful, Blissful and pandemic free!

*Happy Holidays*

# Take Your Place In History

## Breton Community Centre Fundraising Project Brick By Brick - Fundraising Campaign

***Order  
Yours  
Today***

The Breton Community Centre is under construction. Take your place in history by purchasing a brick that will be placed on a wall in the new Community Centre.

# LETTERS TO THE EDITOR

Dear Editor:

In my effort to keep the public informed, I submit the following letter.

On or about November 26, 2018 (Motion 1174), RR81 (near Cynthia) was approved for paving for two miles North of Township Road 621.

What was the justification for this expenditure as there are only nine residences along this two-mile stretch?

A perusal of a county map shows that three quarters along this road are owned by B. Guyon. The question arises again, did Mr. Guyon declare a pecuniary interest and refrain from debate and also a vote on this issue? The minutes suggest that he did not.

On what basis (data) does the County use to determine paving (which in itself is a luxury that the rest of the taxpayers subsidize and get little or no benefit from).

It was also proposed (Motion 0917/20-11-26) to raise Township Road 495 RR 71-73 to paving standard. The county map shows this road is going nowhere (dead end?) Here again what was the rationale and data to justify this action? The map shows 14 residences on this road. That means that if the road is paved, they receive the benefit of \$200,000 each, subsidized by the rest of us (assuming (\$1.5 million per mile for paving).

Given that we have a provincial downloading for policing and a significant reduction in our linear tax base, paving (as a luxury) seems out of place.

Perhaps council should come up with criteria/guidelines (such as traffic flow) to guide paving decisions. This would remove the mad rush to "you got a mile of pavement last year; therefore, it's my turn this year." When in reality perhaps no project is reasonable under appropriate guidelines. With those guidelines, long-term planning might be more productive.

When only a few people benefit from the expenditure of millions, one gets the feeling that (a) the common good, (b) the benefit of the whole, or (c) the greater good for the greatest number is definitely not part of the thinking,

Lynn Oberle

## "He Shoots He Scores"

From Allan Goddard  
Breton Museum

In the articles I write for the Breton Booster I try to focus on a subject that highlights something about Breton's past and connects it to an artifact or archival item from the museum's collection.

The above title, for those of us of a certain age, is a very recognizable quote from the legendary hockey announcer Foster Hewitt. Foster Hewitt provided the play by play action for the NHL during the days of the original six teams. First on radio and then later on grainy black and white Television. As the joke goes... "I would really like to see the Toronto Maple Leafs win the Stanley Cup again just so I could watch it in colour". It was back in 1967 the last time they won the Stanley Cup. I was twelve at the time.

Before the days of improved road infrastructure and dependable transportation each community had to find the means of providing recreation and entertainment within the confines of their own, or neighboring communities. Breton, as with most rural communities of the time was no different.

Sports played an integral part in providing this entertainment. Baseball was popular during the summer months and hockey, during the winter months.

There may be a few community members who can remember the skating rink being located in the Ravine just to the north of the Breton Elementary School. This rink provided the community with a place to go skating and to play hockey. Being located in the bottom of the ravine it stayed shaded from the trees on both sides of the ravine, and could be used two –three weeks longer in the spring.

In about 1946-47 a group called the "Breton Ladies Sports Auxiliary" was formed to raise funds for community sports and recreation. Their first project was to raise funds for hockey uniforms for the Breton Men's hockey team. By the early 1950's the rink was moved to the west of the playground located one block north of Main Street. Both projects of this organization. The photograph pictured here is from the Museum collection. It shows the Breton men's Hockey team from 1951.

Finally, I would like to salute members of the Breton Elks who do an exceptional job in maintaining the Breton Skating rink. Their dedication to the Breton community is to be applauded.

*The Staff at Darren Scott Accounting would like to wish you and your family a happy and healthy holiday season.*

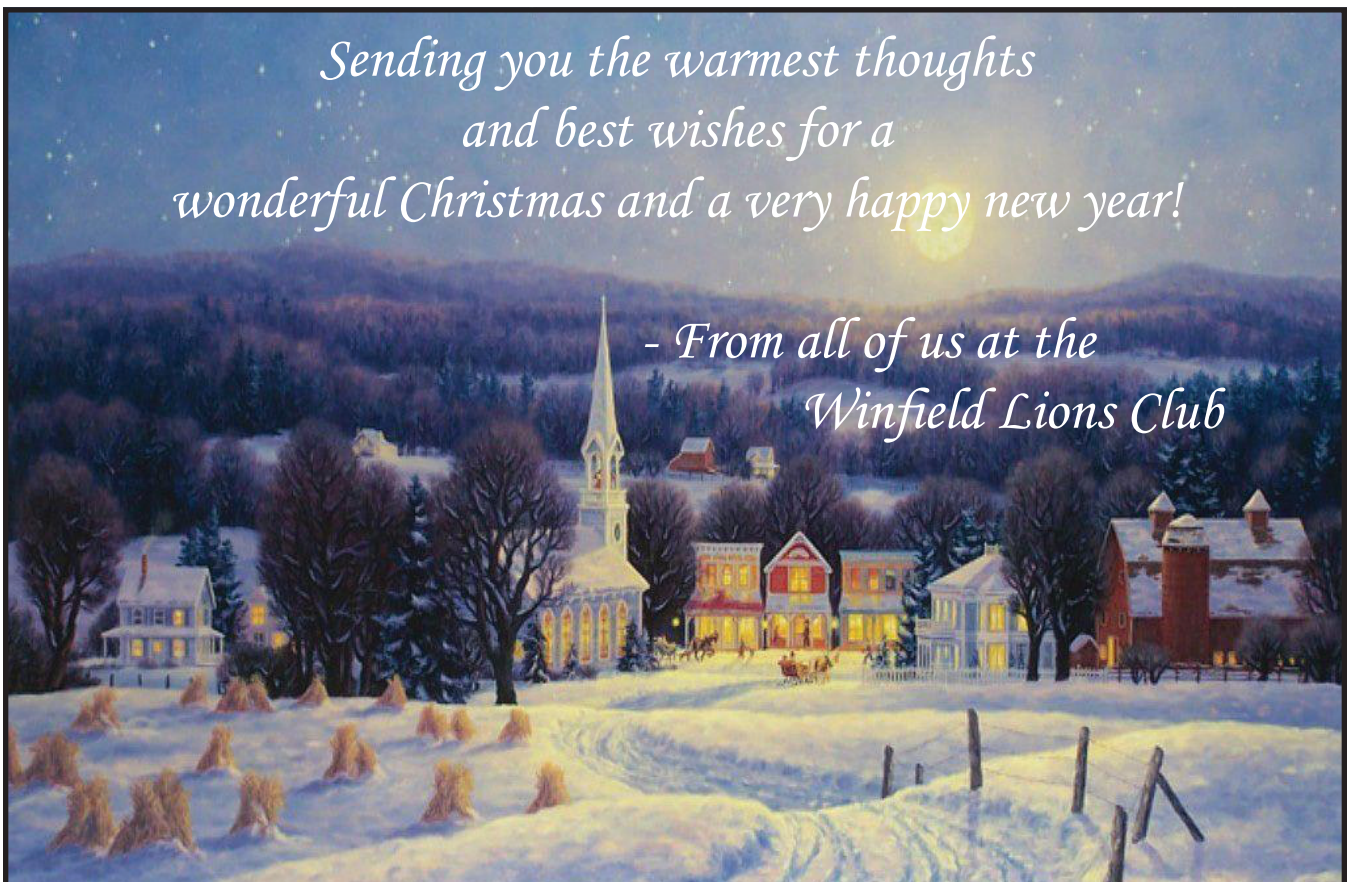

*Thankyou for your patronage in the past and we look forward to serving you in 2021.*

**Please Note: We will be closed from December 19, 2020 to January 4, 2021**

*Sending you the warmest thoughts  
and best wishes for a  
wonderful Christmas and a very happy new year!*

*- From all of us at the  
Winfield Lions Club*

ELKS

## Greetings from the Elks

from Allan Smith,  
Breton Elks Lodge #402

Well first we had Covid. We know, that if you wear a mask, take your vitamins and in, time get a shot, Covid will go away. Now it is Zoom, and for that we need younger people, that is my recommendation.

On the business side, the skating rink is open for business and it appears that it is getting daily tests. Officially, December 12 was official launch, but a few previews were observed. Thank you to all the Brother and Sister Elks for bringing this project forward for another season. At this time, we have to say a huge thank you to Pat Garrett for his assistance. We also need to thank Pat for his very gracious and kind words on Facebook. These words are what drives these projects and organizations forward.

When we recognize the average age of our membership, we need more Pat Garretts, Kathy Paramors and Andrew Farrows. You are the age group to carry this torch forward.

On further news, the Lodge held their regular meeting via Zoom on December 17. I have to thank my blushing bride for taking time out on our anniversary night to take notes and learn all about Zoom.

Most notably, the R.V. Park is in line for some serious upgrades in the coming year. The Lodge is still in pursuit of someone to supply firewood for the coming year.

In the meantime, we want to wish everyone a very happy and safe holiday season and hope the New Year brings good health and much happiness. Stay safe, stay healthy and we will chat in the New Year.

- Allan

## Covenant Corner

from Pastor Jeff Gooderham

Consider the year 1809. The international scene was tumultuous. Napoleon was sweeping through Austria; blood was flowing freely. Nobody knew or cared about a few babies that were born that year. But, in all the chaos, the world was overlooking some very significant births.

For example, William Gladstone was born that year. He was destined to become one of England's finest statesman. That same year, Alfred Tennyson was born to an obscure minister and his wife. The child would one day greatly affect the literary world in a marked manner. On American soil, Oliver Wendell Holmes was born in Cambridge, Massachusetts. And not far away in Boston, Edgar Allan Poe began his eventful, albeit tragic, life. It was also in that same year that a physician named Darwin and his wife named their child Charles Robert. And that same year produced the cries of a newborn infant in a rugged log cabin in Hardin County, Kentucky. The baby's name? Abraham Lincoln.

If there had been news broadcasts at that time, I'm certain these words would have been heard: "The destiny of the world is being shaped on an Austrian battlefield today." But history was actually being shaped in the cradles of England and America. Similarly, everyone thought Roman occupation and taxation was the big news--when Jesus was born. But a young Jewish woman cradled the biggest news of all: the birth of Jesus, the Savior of the world.

Today is again a very chaotic time, and in the midst of all the struggles and endless news reels, we might lose sight of what is most important. It remains the life of Jesus. Listen to these great words of hope from John chapter 16 verse 33; "I have told you these things, so that in Me you might have peace! In this world you will face tribulation, But, take heart! I have overcome the world." Jesus was born, lived, died, and rose again! That is the hope that He offers each one of us this Christmas the gift of eternal life!

## The Bible Truth Page #7

### If God Is Good Why Is There So Much Evil In The World?

When God created the heaven and earth he said that it was very good. Genesis 1:31 **'And God saw every thing that he had made, and, behold, it was very good'**. So what happened? Why is there so much evil in the world now? Fortunately for us we have someone to blame it on, and his name is ADAM. Adam and Eve were brought into an almost perfect world and they walked and talked with God, which is what God created them for. It was all good until they broke the ONE rule that God had given them. Genesis 2:16-17 **'And the Lord God commanded the man, saying, Of every tree of the garden thou mayest freely eat: But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die.'** What happened is that Adam and Eve chose to believe the devil's lies rather than the Word of God, and as a result they ate the fruit (Genesis chapter 3). When they ate that fruit they surely did die as God had said. They died in spirit, they took on the nature of sin and death, and in so doing brought death, sin and destruction into the world, and into their bodies. Romans 5:12 **'Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned.'** Man became sinful and could no longer walk and talk with a Holy God as he did before; man became more like the devil whom he obeyed. Jesus summed it up well in conversation with the religious leaders of the day in John 8:44 **'Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.'** By disobeying God, Adam caused the entire human race to switch from being Holy and righteous with God, to sinful and evil like the devil. The devil became the god of this world, and man became subject to him. The devil now had dominion over man and the earth. This is why bad things happen, and there is evil in the world. It is not what God wanted. It was caused by the disobedience of man. See Eph. 2:2.

The good news is that God found a way to save people from sin and death. Romans 6:23 **'For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.'** Romans 5:17 **'For if by one man's offence death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ. John 3:14-17 'And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up: That whosoever believeth in him should not perish, but have eternal life. For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved.'** Jesus was able to save us because he lived a perfect and sinless life, and he gave his body to be whipped, and he gave his life on the cross, so that he could take the punishment that we deserved. He burned in hell on our behalf, so that we would not have to. WHEN HE WAS RAISED FROM THE DEAD THE PUNISHMENT FOR SIN HAD BEEN PAID IN FULL. 1 Peter 2:21-25 **'...Christ also suffered for us, leaving us an example, that ye should follow his steps: Who did no sin, neither was guile found in his mouth: Who, when he was reviled, reviled not again; when he suffered, he threatened not; but committed himself to him that judgeth righteously: Who his own self bare our sins in his own body on the tree, that we, being dead to sins, should live unto righteousness: BY WHOSE STRIPES YE WERE HEALED. For ye were as sheep going astray; but are now returned unto the Shepherd and Bishop of your souls.'** Jesus gave his life in exchange for ours. He suffered death on our behalf. All we have to do to receive the benefit of his sacrifice is give up our own way of life, and live the rest of our life on earth for Him, making him our Lord. Romans 10:9 **'That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation.'**
