

THE BRETON BOOSTER

A Big Thank You from the Santa's Anonymous Committee

Alder Flats, Buck Lake, Winfield
& surrounding areas

The Santa's Anonymous Committee would like to thank all the businesses, groups and individuals who generously donated to the December 2020 campaign, supporting over 40 families in need over the Christmas season.

We would especially like to thank the following for donating \$400 or more: Mr. & Mrs. S. Heagy & Mr. T. Lidstone for their donation towards hams & turkeys, 5 Star Locating, Alder Flats Ag Society, Mr. & Mrs. J. Banack, Buck Lake Ag Society, Mr. & Mrs. S. Hodgson, Winfield & District Ag Society, and Wetaskiwin County. Also Cenovus, Obsidian Energy, Spartan Delta Corp. Social Club and Vermillion Energy.

Although we have named some groups, we stress that we appreciate every amount, large or small that is donated to Santa's Anonymous. Thanks to Alder Flats Bottle Depot for donating proceeds from their donation bin for October & November and to Dr. J. Hambleton of Breton who donates toothbrushes every year. Thanks to Corey Anderson and Janet Magnuson for their wonderful gift donations. Brighter Futures was able to help us with their starter kit food

donations and recipe book/information pamphlets through emergency funding from Government of Alberta Social Services Support for Covid 19. Their Basic Shelf Program, which started in 1994, helped families with a program of cooking and budgeting in a group setting. That funding has ended but this grant has enabled them to help our families in a similar way within Covid guidelines.

Finally thank you to those who donate but do it anonymously. If I have missed anyone I apologize.

I would also like to say a big thank you to the volunteers who make this program possible, they give a lot of time to getting the hamper boxes ready and collecting and sorting the items donated, filling the hampers and delivering them to the recipients. This year was a bit more complicated than usual but everything was completed and the hampers were delivered.

We missed the input from high school volunteers who have been a great help with the collecting and sorting the last couple of years. Hopefully life will be better next year and they can join us again because we really appreciated their help.

All the best in 2021.

Delores Marion Townsend (née Gitzel)

November 4th, 1932 - January 3rd, 2021

It is with great sadness and love that we announce the peaceful passing of Delores Townsend at the age of 88 years.

Delores was born and raised on a farm near Golden Spike, Alberta. As a teenager she moved to Edmonton where she met, and eventually married, her husband Gerald. Their life together was an adventure that took them to Manitoba first, then to Northern BC, and finally back to Alsike, Alberta and Drayton Valley where she passed.

Delores leaves behind her loving husband Gerald of 62 years. She also leaves her children, Judy (Danny) Sindia, Doug (Coreen), Murray (Emma), Bryan, and John (Noahlea). She is survived by 11 grandchildren, 26 great-grandchildren, and 1 great-great-grandchild, as well as sisters Lorraine and Marlene, and brothers Marvin and Gerald.

She was predeceased by grandson Darrell, daughter-in-law Karen, and sisters Irene, Shirley, and Wilma.

Delores' life will be celebrated at a later date. For those who so desire, memorial contributions in Delores' name may be made directly to the Drayton Valley Health Foundation's Palliative Care Campaign.

May she Rest In Peace for all eternity.

As we celebrate our 1 year anniversary of business at Ruhr Valley Lumber, we want to say a heartfelt thank-you to our community for your overwhelming support!

Along with the predicted challenges of starting a new business, which is daunting in and of itself, this past year has brought many unexpected hurdles due to COVID. We truly could not have survived if it weren't for the support of all of you! No matter the size of your purchase, we appreciate every single customer that walks through our doors!

We hope that 2021 brings brighter days and that we can continue to provide great products and customer service to this wonderful community!

Thank-you from the bottom of our hearts,
Matt and Lisa Ruhr

Musings from the East End Scriptorium

by Elizabeth Emond
eemond.phd@gmail.com

Now that the holiday kerfuffle is over with, and we wait while the sun comes back, it's a good time to snuggle into your favourite chair and read something to take your mind completely off COVID-19. King Solomon is said to have observed that "of making many books there is no end" --and that was well before printing-presses --so finding something to read is no problem. However, you might, like me, be tired of contemporary novels in which two feuding characters end up in a passionate embrace wherein one's back arches involuntarily while a moan (again involuntary) escapes his/her lips. Big deal. Such light reading is best for summer. In winter, I personally prefer literature with less intellectual sugar and more fibre.

I'm partial to the 19th century, but there was some good stuff written in the 20th. (The 21st is too fresh to tell.) In the past, I've recommended *A Confederacy of Dunces*, by John Kennedy Toole, and I do still. It's a delightful comedy; you'll love it.

Still in the comedic mode, William Faulkner's tale of a stolen car in *The Reivers* is great fun to read. It takes place in the very early 20th century, when cars were first appearing on the roads, and it begins and ends in a small town, so the narrative is very cozy.

For Canadian content, there's the Deptford Trilogy by Canadian author Robertson Davies: *Fifth Business*, *The Manticore*, and *World of Wonders*. The overall story follows the lives of three boys from a small town in Ontario, and the far-reaching consequences that ensue from a malicious prank. We're taken over topics that range from Medieval saints to the geek show at a circus. Strap yourself in. By the way, you must read the novels in order!

So wrap yourself in a shawl, equip yourself with a cup of tea, and go for it.

See you in the spring!

We've got comfort food cravings covered.

Time to Win Big!

From Lakedell Lighthouse 4H Club

Happy New Year! Welcome to the 2020-2021 4-H year, from the Lakedell 4-H Lighthouse Club. To start we would like to introduce ourselves, we are the Club Reporters; Kamryn and Emersyn Tabler, Rylin Klatt and Payton Schwindt. Our club is offering equine projects and new this year, canine projects. We have seen a lot of growth in our club this year, we currently have 37 regular members (ages 9-18) and 14 Cleavers (members ages 6-8). We have two General Leaders this year, Amy Belec and Amy Johanson, who work with a team of assistant leaders to make everything run as smoothly as it can. We operate out of the Lakedell Ag Society facility, on the south side of Pigeon Lake. We draw families from many different communities around the lake; Westeros, Falun, Warburg, Breton, Winfield, Battle Lake, Mulhurst, Wetaskiwin, Rimbey, Bluffton, and Sylvan Lake just to name a few.

Time is running out and tickets are selling out! This year, we are having a cash raffle for our fundraiser. The tickets are \$5 each. You have a chance to win up to \$5000! If you would like to purchase some tickets, you can contact one of our leaders, Amy Volker at (403) 598- 4347 or Carolyn Schwindt at (780) 234-4300. We also did a huge tire and bottle drive, and an electronic and battery collection! We raised up to \$5000 from collecting all the tires! Thank you so much for all the donations of tires, bottles, electronics and batteries, the Lakedell Lighthouse Club truly appreciates all the support!

Our year started off having to make minor accommodations due to Covid. Things like wearing a mask, social distancing, and family seating were implemented so that we could continue with our in-person club structure. Very quickly 4H Alberta made changes to how we carried on due to updated Covid restrictions. What these changes meant for our club was that we could no longer meet in person whatsoever and everything was to be carried out via virtual and online formats.

As of today, we have altered our year of planned activities to follow the mandatory changes so that our members can successfully complete their year. Our leaders and volunteers have been creative in

thinking up ways to keep our members involved and working on achieving their goals set out in the beginning of the year. The activities have encouraged working with their projects, working on personal goals, and mentoring new or younger members while at home connecting on platforms like zoom. Things like our communications activity, usually our public speaking event, will be done virtually in one of several ways. Members will be able to present an idea, or topic in a way they choose so long it follows the learning outcomes. We still have lots of modifications to make to get through the year and we will do our best to share them with you.

Each week we hope for things to return to the way things were but everyday we are happy we have our 4H family and our communities supporting one another through these difficult times.

Happy Riding, Stay Safe!

ALUS seeks new participants for 2020!

Are you a farmer or rancher with some marginal or ecologically sensitive acres?

ALUS can help you establish wetlands, native prairie, pollinator habitat and other projects on your land.

Even better, ALUS pays you annually to keep these projects in prime working order.

Your ALUS projects will produce cleaner air, cleaner water and more biodiversity, benefiting both your farm and your community.

Across Canada, more than 750 agricultural producers have already enrolled over 23,000 acres in the ALUS program.

Facility-Based Continuing Care Review Engagement - The Province of Alberta is undertaking a review of the facility-based continuing care system. This Review will identify opportunities for changing and improving facility-based continuing care (designated supportive living and long-term care) in Alberta in order to improve the lives of continuing care residents and their families and better support staff and operators. Further, the Review will consider how best to prevent and manage episodes of transmittable illnesses that affect residents such as influenzas, the annual flu season and pandemics.

In addition to the Facility-Based Continuing Care Review, Government is also developing a new Continuing Care Act that will streamline and consolidate the many pieces of legislation that currently oversee the whole system, not just facility-based continuing care. Government will use findings from the Review engagement to inform the new Act, as well as doing small-scale targeted engagement with key stakeholders.

There is a survey for organizations and individuals involved with continuing care to share their thoughts on the facility-based continuing care system. The survey will open on January 4 and close on January 29, 2021. We have also developed surveys for residents, family members and staff to contribute their thoughts on the improvements that could be made to facility-based continuing care. All surveys can be accessed at <https://www.mnp.ca/.../facility-based-continuing-care....>

Wintertime Blues - Now that the holidays are over and we still have some restrictions in place we want to help with your Wintertime Blues. Write a paragraph of what you like about where you live – Village of Breton or Brazeau County. Submit your paragraph and we will reward you with a new board game or puzzle. Submissions can be made by email – fcss@breton.ca, Fax – 780-696-3590 or dropped off at our office at 4916-50 Avenue in the Village of Breton Office. Limited to one per household. Please list your top three choices of games/ puzzles with your application. Choices can be found in our ad in the Booster or on our Facebook page – Breton and Area FCSS. Submission are being accepted now. Games/puzzles

will be handed out after January 18th.

New Futures program - New Futures is a Career Transition Program, which offers the following workshops One-on-One Career Services, Current Job Market, Resume Development, Cover Letter Development, Networking and Marketing Yourself, Interview Skills, Social Media and Job Search, Managing Change After Job Loss.

Bell Let's Talk Day

Shared by Breton FCSS

Bell Let's Talk Day is January 28 and we're encouraging you to help create positive change.

Mental illness affects people of all ages and from all walks of life. According to the Mental Health Commission of Canada, one in five people in Canada will experience a mental health issue or illness in any given year. Over the past 9 years, Canadians and people around the globe have joined in the world's largest conversation around mental health on Bell Let's Talk Day. Together we have taken big steps to reduce the stigma around mental health issues.

In a recent survey conducted by Nielsen Consumer Insights in 2019, 84% of Canadians now say they are comfortable speaking with others about mental health, compared to only 42% in 2012.

However, there is still work to be done to ensure all Canadians have access to the mental health support they need. This year, on Bell Let's Talk Day Canadians are encouraged to share the actions, large and small, that they are taking to improve the lives of people living with mental health issues.

When it comes to mental health, every action counts.

On Bell Let's Talk Day, for every text, mobile and long distance call made on the Bell network, tweet using #BellLetsTalk, social media video view, or use of the Facebook frame or Snapchat filter, Bell will contribute 5 cents more to Canadian mental health programs.

You can also learn more about some of the organizations providing meaningful mental health supports and services throughout Canada and download the Bell Let's Talk toolkit to begin your own conversation about mental health at home, school or in the workplace.

Join in to as we work together to improve the lives of Canadians living with mental health issues and help create positive change.

If you would like to challenge yourself this month to more Self-Care, stop by our office for your copy or we can also email one to you. We have also included it in this week's Breton Booster on the next page.

Self-Care Activity

Practicing self-care means taking the time to participate in activities that bring you enjoyment or a sense of calm and peacefulness. Activities can include things you do on a day-to-day basis or new activities. Self-care can promote positive mental health and well-being, keep us grounded and reduce the effects of stress in our lives.

This month, challenge yourself to complete as many self-care activities as you can. For each activity completed, fill in the talk bubble in that square.

 Cook a healthy meal 	 Head out on a nature walk or hike 	Write a letter/email to an old friend 	 Head to bed early 	Practice mindfulness 
 Enjoy a quiet moment over a cup of tea or coffee 	Write a positive affirmation and recite it in the mirror 	Connect with your community 	Discover a new author or musician 	 Stretch or practice yoga 
Discover a new podcast 	Talk to a loved one about your feelings 		Put on your dancing shoes 	Make a vision or mood board 
 Paint or draw 	Set a goal 	Have a good laugh 	Write in a journal 	 Create a gratitude list 
 Do a crossword or jigsaw puzzle 	Take a warm bath or shower 	 Practice deep breathing 	 Make a to-do list 	 Cuddle a pet or look at a cute photo of one online 

When it comes to mental health,
now more than ever, every action counts.

Join in to help create positive change.

I will always make you smile
BECAUSE **You Smile.... I Smile**

A man ran home from work, pulled his wife into the bedroom, threw her on the bed, and pulled the blankets over them. She was shocked - he hadn't been like this for 20 years. Then her husband said, 'Look! My new watch glows in the dark!'

The correct way to weigh yourself:

I can't believe I was doing it wrong all these years.

Supervisor: Do you have any special skills?
Me: Look, a turtle!

This baby owl was caught watching dogs play fetch in a yard in Warburg. So sweet.
