Brazeau County Council Grants 30% Tax Rebate for 2021

BRAZEAU COUNTY, March 26, 2021 — At a special meeting March 23, Brazeau County Council passed a motion to again offer a 30% tax rebate to residential and commercial property owners.

Residential, farmland and commercial property owners who pay the full amount of their taxes by the due date will once again be eligible for a 30% rebate on their municipal taxes in 2021.

As the struggling oil and gas sector continues to create economic challenges for the families and individuals in the area, now compounded with the added financial strain that has come with the COVID-19 pandemic, Council voted to provide tax relief in the form of a 30% rebate on the municipal portion of taxes for residential and farmland property as well as a 30% rebate on the municipal portion of taxes for commercial businesses.

In order to be eligible to receive the rebate property owners must pay their current taxes and any tax arrears (unpaid tax amounts from previous years) in full by June 30, 2021. Tax and assessment notices that will be mailed in late May will not reflect the rebate amount in the total owing. The rebate will be applied at

time of payment, and property owners will be informed of their rebate amount via an insert in the tax and assessment notices.

“This will mark the sixth year Council has granted a municipal tax rebate to commercial businesses in Brazeau County and the second year the rebate has also been applied to residential and farmland properties,” says Reeve Bart Guyon. “We believe strongly in leaving as much money as possible in taxpayers’ pockets.”

The 30% municipal tax rebate on residential and farmland property is in addition to a 30% reduction in the tax rate (also known as mill rate) that was introduced in 2015 and has been retained every year since then.

A reminder to residents that the 30% applies to the municipal portion of taxes only. Requisitions for the Alberta School Foundation Fund and Brazeau Seniors’ Foundation are not subject to the rebate, but must be part of the full payment required by June 30.

As Information will be included in the tax and assessment notices outlining the rebate for eligible properties it is important for property owners to read all items included with their tax notices prior to submitting any payment.

If you have any questions about the municipal tax rebate, please contact the Taxation and Assessment Coordinator at 780-542-7777.

LETTERS TO THE EDITOR

To the Editor:

Some observations regarding the ongoing drama of County affairs.

Not too long ago, Brazeau County decided not to promote the then NDP proposal for the Big-horn. According to their per diem claims, councillors spent (as a group) 19 ½ days doing so at the expense of the county ratepayers. There is no evidence that the population of the county had a say in the position they took. Perhaps they were on the wrong side of the issue.

Compare the above to their response to the coal mine issue, which has the potential to be massively more impacting, in my view, of logarithmic proportions on millions through the effects of coal mining on water supplies.

County council made the superb effort to send a letter to the Minister of the Crown to "consult" on the issue. A really powerful response!

One effort was for the preservation of the environment, the other for its destruction.

Come to your own conclusions as to whether this response is adequate.

ATTENTION BRAZEAU COUNTY RESIDENTS

Brazeau County has contracted Accurate Assessment Group for the 2021 General Assessment. As part of that contract, assessors have started the re-inspection process. Each year approximately 1/4 of the County is re-inspected by assessors.

Please be aware that assessors will also be conducting inspections throughout the County, pertaining to development permits, subdivisions and incomplete structures.

Assessors will be easily identifiable, as they will be carrying identification tags and will be driving Brazeau County marked vehicles.

If no one is present when the assessor visits your property, a call back card will be left. The County requests your co-operation in returning calls and providing the assessors with the necessary information.

If you have any questions or concerns, please contact the Tax and Assessment Coordinator at 780-542-7777. Additional information, including a map of the 2021 re-inspection area can also be found here: <https://www.brazeau.ab.ca/county-hall/corporate-services/tax-and-assessment-review>

Community Volunteer Income Tax Program – FREE INCOME TAX PREPERATION - For Low Income Persons, Families, seniors and students. We will begin taking information for tax season on March 1. Although this is something, that most of us would like to avoid thinking about and doing, I am afraid that this is unavoidable. You need to file your income tax each year, even if you have no income to report. By doing this you may receive benefits that you did not know you were eligible for. Also, in the event of the death of your spouse, benefits can easily be transferred to you, if you have filled a return for the last calendar year. If you did not file a tax return in 2020 you may not be receiving benefits from the government that you are eligible for. The focus of the Community Volunteer Tax Program is to assist those individuals who have limited income. This includes seniors, families and students. If your income was in one of the following categories you may qualify for assistance.

· 1 person	30,000
· 2 person family	37,000
· 3 person family	40,500
· 4 person family	43,500

We are not able to complete returns with income from the following sources:

Capital Gains or Losses, Farming Income, Rental Income, Self-Employment, Interest exceeding \$1, 000, Bankruptcies, Deceased Persons

This service is FREE to those who qualify. If you require this service, please gather your information and bring it to the Village of Breton office Monday to Thursday between 8:30 – 4:00. Clients will be notified when your return is completed. The program will run from March 1 – April 30, 2021

We require the following information in order to complete your return:

Personal Information (Social Insurance Number, Birth date, Marital Status, Address)

Dependant's information – spouse/ children's names, birthdates.

All "T" Slips (T4's, T4A, OAS ect.)

All Forms, Schedules, and Labels you have received from Revenue Canada.

Receipts for any expenses such as medical, moving, tuition, sporting activities. Printouts from your pharmacist are available for those with numerous prescriptions.

Previous year's tax returns

Check out this great resource for Dads and Parenting. DADS ARE CRITICAL

Dads are a major part of many families, but don't always have the tools to complete parenting programs. Why Family Man works – The team at Movember use evidence-based strategies.

Getting ready for bed shouldn't always end in tears. We've tested our recommendations with parents to understand what really works, especially for children 2 to 8 with minor to severe behavior issues. The tools have also been shown to work for children with ADHD and aut-

ism. With years of research under our belt, the evidence shows that many children can improve their behavior with the right care.

We'd like to see this change, so we created Family Man with dads in mind. A happier, healthier family is our goal. For more information <https://familyman.movember.com/about>

Vegetable Container Growing Kit – Due to the overwhelming success last year we are excited to offer our vegetable growing kit program again in 2021. For vegetable plants to grow in the reusable containers that you have from last year.

We also have a limited number of spots for new people into the program. If you would like to receive 2 reusable containers, soil and vegetable plants, please contact our office by April 23. Kits and coupons will be redeemable starting May 2. This program is available to residents of the Village of Breton and Brazeau County in Divisions 5 & 6. from Pastor Jeff Gooderham

*God has not promised skies always blue,
Flower-strewn pathways all our life through;
God has not promised sun without rain,
Joy without sorrow, peace without pain.
But God has promised strength for the day,
Rest for the labor, light for the way;
Grace for the trials, help from above,
Unfailing sympathy, undying love.*

Breton Community Engagement

From Wild Rose School Division

April 12, 2021

Wild Rose School Division will be taking part in the virtual school council meeting hosted by Breton High School at 5:00p.m. on April 12, 2021. At this school council meeting, the Board of Trustees and senior administration will be sharing information regarding the division's capital plans for both Breton Elementary School and Breton High School. This plan involves the modernization of Breton High School into a K-12 school and the eventual demolition of Breton Elementary School. At this virtual meeting, we will share details of this plan and address any questions or concerns from the community.

In preparation for this meeting we are inviting interested community members to use the following form to submit questions ahead of time. Find the form at www.wrsd.ca

We will be accepting questions using this form until April 7, 2021. If time permits, we will also take additional questions during the meeting on April 12.

Thank you in advance for your interest in this capital plan to provide modernized school facilities in Breton that are efficient and effective in terms of 21st century learning.

Helping School-Age Children with Traumatic Grief: Tips for Caregivers

After an important person dies, children grieve in different ways. When the death was sudden or frightening, some children develop traumatic grief responses, making it hard for them to cope with their grief. Below are ways to recognize and help your child with traumatic grief.

I WANT YOU TO KNOW THAT:	YOU CAN HELP ME WHEN YOU:
1. My feelings about the death are confusing. Sometimes I feel okay, and other times I feel sad, scared, or just empty or numb. It's really hard to make the scary and sad feelings go away.	1. Talk about your feelings and encourage me to talk about mine as long as I feel comfortable.
2. Sometimes my upset feelings come out as bad behavior.	2. Help me do things to feel calm, get back to my routine, and have fun again. Be patient until I feel O.K.
3. I have trouble concentrating, paying attention, and sleeping sometimes, because what happened is on my mind.	3. Understand that thoughts about what happened get stuck in my mind. Help me relax at bedtime by reading stories or listening to music and reminding me that you keep me safe.
4. I might have physical reactions like stomach aches, headaches, feeling my heart pounding, and breathing too fast.	4. Help me do things that make me feel calm, take my mind off things, or slow down my breathing.
5. Sometimes I wonder if the death was my fault.	5. Reassure me that it was not my fault.
6. I sometimes think the same thing will happen to me or other people I love.	6. Remind me about the things we do to stay safe and take care of ourselves. Help me remember all the people who take care of me.
7. I keep thinking about what happened over and over in my head.	7. Listen to what is on my mind. Tell me honestly what happened, using words I can understand. Do not let me see it on TV or other media if the story is in the news.
8. Sometimes I don't like to think or talk about the person who died, because it's too hard. I may not tell you everything because I don't want to upset you.	8. Don't make me talk about what happened. Don't get mad if I don't want to talk it or about the person.
9. I don't like to go to some places or do some things that remind me of the person who died, or of how my life has changed since the person died, because I get upset.	9. Don't make me go places if it still makes me too upset or scared.
10. I have trouble remembering good things about the person because I remember other things that make me too mad, sad, or scared, and they get in the way.	10. Understand that I am still too scared and sad to think about the happy times right now. Help me to feel better.

If any of these problems get in the way of your child having fun, going to school, being with friends, or doing other activities, you can make an appointment with your child to see a mental health professional with expertise in treating traumatized children.
