Thorsby 4H Supports the Alzheimer's Society in Honour of Local Family

The Thorsby 4H Multi Club Beef Project is honoured to have, on offer, our Club Calf named "Taylor" donated by long standing "legacy" 4H family, John and Shirley Taylor and their family.

John and Shirley moved to the Thorsby area in 1974 and quickly became members of their new community. In 1975 their son Chris joined the Strawberry 4H Beef Club and finished in Thorsby. Daughter Cathy joined Thorsby 4H Multi Club in 1980 and finished in Strawberry completing 10 years. All the while John was an active beef leader in both clubs for 11 years. Shirley never held a leadership role, but volunteered heavily. The original Thorsby Club banner was handmade by Shirley and she was involved in the making of the original Thorsby Club vests. Shirley and Cathy both judged public speaking at both Club and District levels.

In 1980 John and Shirley ventured into the purebred cattle business, J & S Herefords, raising Polled Herefords. They were always involved in many cattle shows including the 1998 Canadian Hereford Show held in Edmonton with approximately 700 head on display.

The Taylors promoted their cattle, the Hereford Breed and 4H with nothing but absolute pride

for all their days in the livestock business.

This Club Calf will mark the last calf for sale from John and Shirley as they have dispersed their herd this year.

In 2015 Shirley was diagnosed with early onset Alzheimers. Shirley and her family have taken this in stride as best they can. As fellow 4H members, leaders and friends, our hearts go out to you!

This year's Club Calf has been graciously supplied, at no cost to the Club, by the Taylors. In turn, we as a Club, have decided to donate a major portion of the proceeds from this calf to the Alzheimer's Society in honour of the Taylor Family.

Thank you for all you have done!

Editor's Note: The Club Calf "Taylor" will be up for auction, as well as 25 other 4H Market Steers from April 30th - May 2nd in an online timed auction. You can register to bid by visiting www.teamauctions.com. For more details on the value of 4-H beef and how to support them see the 2 page spread inside this issue of the Target.

The Value of One, The Power of Many

April 18 to 24 is National Volunteer Week

The National Volunteer Week theme for 2021, The Value of One, The Power of Many, reflects on the awe-inspiring acts of kindness by millions of individuals and the magic that happens when we work together towards a common purpose.

This past year has been challenging. While formal volunteer opportunities may have been restricted, we recognize the value of the caring and compassion that people have shown one another, and we recognize the power of people, organizations and sectors working together.

#VolunteersBringChange in many ways, so what does "The Value of One, The Power of Many" mean to you?" We use this week to celebrate, recognize and thank volunteers, and create awareness for the important work you do!

What is the Value of 4-H beef to you?

The 4-H program guides our members to select quality livestock and maintain consistent nutrition, health and daily care. There is a need to start with a good animal and maximize its potential so then you are left with quality Canadian beef for the consumer. The 4-H Beef project and its many supporters have helped send thousands of our youth away to universities, Colleges and trade schools. They have returned to become our business leaders, teachers, caregivers, farmers, mechanics, welders and the list goes on. One thing for sure, when you purchase a 4-H steer you are not just investing in a child's future, but also in the future of this community.

This year marks a number of special milestones for Lone Wolf Mechanical as they have been nominated for 3 prestigious Alberta awards. They have been nominated in not one, but two categories for the **Alberta Business Awards of Distinction**; once in the area of Customer Service and also one for Mentorship. "Huge thank you to Lone Wolf Mechanical! I am 8 months pregnant and in -36 weather (I) had to get to a doctors appointment. They came and got my car running and did it out of the goodness of their hearts! Thank you so much for the help!"

"Thank you Lone Wolf Mechanical! You are totally awesome! You deserve a medal of honour! Keep up the good work! You have made many truckers happy!"
Lesley MacDonald

Lone Wolf Mechanical loves being apart of Thorsby and the surrounding community and is always happy to help to make life easier for those in need.

In March they took part in an event for a little boy who was terminally ill from a brain tumor. They took their mega truck in a parade & fundraiser for him. It was the little boy's wish to see monster trucks and hot rods, this was in conjunction with a facebook group called Chase the Cure. During this past winter anytime it got below - 25 they would offer free boosting to anyone who needed it. They also went above and beyond since hearing that truckers were being shut out of a lot of places due to COVID-19. They decided to open the shop up to any trucker that needed overnight parking, a bathroom, a washer/dryer, and a meal, either through the shop or the Thorsby Hotel who offered a discount for truckers parked at the Lone Wolf Shop.

Nominate A Star Volunteer In Your Community

Nominations are open for the Stars of Alberta Volunteer Awards recognizing those making a lasting impact in their communities. "Volunteers are the driving force behind the recreational, social and cultural programs that make our communities great. During these challenging times, it is more important than ever to recognize volunteers helping Albertans stay connected and feel supported. Please show your support for our extraordinary volunteers and their life-changing work by nominating them for a Stars of Alberta Volunteer Award." Leela Sharon Aheer, Minister of Culture, Multiculturalism and Status of Women

The Stars of Alberta awards highlight and pay tribute to volunteers who give their time, energy and skills to make a difference in the lives of Albertans. Two awards are given in each of the following categories: Youth (up to 24 years of age) - Adult - Senior

In addition, the Breaking Barriers category recognizes exceptional volunteers who are working to create communities that are diverse and inclusive. Three awards are presented in this category to individuals who are addressing racism, advocating for LGBTQ2S+ inclusion and fighting gender discrimination in their communities.

The awards are part of the government's commitment to recognize the contributions of Alberta's volunteers, and is celebrated annually on or around International Volunteer Day on Dec. 5. Since the inception of the Stars of Alberta Volunteer Awards in 2000, 136 volunteers from across the province have been honoured.

Albertans are encouraged to submit nominations online. The deadline for nominations is Sept. 15.

Volunteers are the foundation for many community organizations providing recreational, social and cultural programs. Alberta has more than 26,400 non-profit organizations and, each year, more than 1.6 million Albertans provide more than 262 million volunteer hours to support the non-profit and voluntary sector at a value of \$5.6 billion.

Dust control requested beyond 122 metres (400 feet) will be charged \$8.77 per metre.

2. Incorporated DL10

- Incorporated DL10 is a petroleum-based product that is applied to the road surface and mixed in and packed by graders.
- It is warrantied for one year from date of application.
- Residents desiring an incorporated dust control product on the county road adjacent to their residence will be required to complete an application form and to prepay a fee of **\$2,934.50** for the first 122 metres (400 feet).
