

THORSBY TARGET

Hope Garden Construction Underway From Barry Rasch

Well the hardest part of building the Hope Garden is now complete. This is all possible because of the valued partnership between Thorsby Communities In Bloom and the Thorsby Legion. The Hope Garden is 10' x 25' in size. A big shoutout to the hard working youth that were recruited. You boys really helped to get the stones down quickly! The next phase will be adding the dirt, planting, and finishing the Hope Garden off with mulch.

For more information on the Hope is Growing Campaign visit www.hopeisgrowing.ca

Thorsby CIB receives a \$5000 donation towards the Hope Garden from Thorsby Legion President Phyllis Madiuk (center).

LETTER TO THE EDITOR

Dear Editor:

In response to last week's Letter to the Editor from Mrs. Carol Rempel, I must add that I was also in attendance at the Council Meeting on April 27th.

Perhaps, the Taylor Park Planning and Fund-raising Committee has worked hard on their proposal, however, Thorsby Council has received little information that could be acted on (Council final approval) other than the original plan.

Mrs. Rempel stated that Council showed no interest in working with her committee. That is incorrect. The Council did not approve the plans for phase one. When a new plan was submitted there appeared to be very little difference in the new version.

Mayor Raymond stated that we do not want a gazebo (there is one in the new plan under consideration); electricity, a statue of Thor, or a bandstand, etc. I have known Bob Taylor for many years and I think he would see the park as a place where one could sit on a bench, relax in pleasant surroundings, accompanied by shrubs, flowers, trees, with a curved walkway so people, including seniors and the disabled, could sit and enjoy the setting.

Mayor Raymond did not suggest that volunteers were incompetent, only that in order to proceed the committee must be registered as a society. (This subject was brought up to Mrs. Rempel in Council Chambers without response).

Why did the committee decide that it (the park) would be an Arts and Cultural park, don't we

already have a Cultural and Historical Society? Mayor Raymond's comments to Mrs. Rempel were not derogatory, but came from frustration due to the lack of communication. In fact, he stated that the matter will be discussed and he would welcome her participation in future development and planning of the park.

Finally, we can all work together and be very productive, as long as people stop demanding to be top dog.

Respectfully submitted,
Irene MacPherson

Hello!

Have you tried the new TRAC app? Next time you want to place a book on hold, try going through the app. Soon Thorsby Library will be using the "click and collect" feature, and I would love to hear your feedback. If you have any questions phone or email the library.

For teens in Grades 7 - 12, we have an incentive going on in May. Read three books and tell us about them. We will enter your name in a draw for a gift card. Email thorsbypublib@yrl.ab.ca, or message us on Facebook. If you are interested in playing Dungeons and Dragons via Zoom, let us know and we will set up a couple of sessions.

Thorsby Library Board meets May 19, the third Wednesday of the month, at 7:00 pm via Zoom. Meetings are open to the public. Contact the manager at yatmgsacuta@yrl.ab.ca for more information, or leave a message at 780-789-3808.
