Warburg School Receives Musiccounts Band Aid Program Grant

Nisku, Alberta (May 13, 2021) - Black Gold School Division is excited to announce that Warburg School has received a \$9,500 grant from the MusiCounts Band Aid Program for the purchase of much-needed instruments for the school's music program.

MusiCounts, Canada's music education charity, recently announced that \$1 million worth of instruments, equipment, and resources are being allocated to 95 schools across Canada through the MusiCounts Band Aid Program. The MusiCounts Band Aid Program provides up to \$15,000 worth of musical instruments, equipment and resources to any type of school music program. Grants are awarded in allotments between \$5,000 and \$15,000.

"I was beyond thrilled to learn that Warburg School was selected amongst the hundreds of applicants for this grant," said Warburg School Principal Wendy Maltais. "It is going to make a huge difference in our music education program. We have been without an electric keyboard for a few years, so we are using the funds to purchase a new electronic keyboard that will be housed in our Performing Arts Centre. We look forward to the day when we can have assemblies in the arts centre and hold

music classes there and sing!"

The school is also planning to purchase a class set of transportable student keyboards, which will be assigned to students in order to observe public health measures during the pandemic.

"We will then be able to teach our students to read music and play music using a keyboard," said Principal Maltais. "Not every child has an opportunity to learn to play a keyboard. I want to thank MusiCounts for providing our students with this opportunity to foster their creative expression."

MusiCounts is proud to support the incredible work of teachers and educators from across Canada, particularly during the COVID-19 pandemic, when delivering quality music education has been a unique challenge.

Clifford Sather

March 7, 1945 - May 21, 2021

Clifford was born March 7, 1945 in Warburg, AB to Lars and Mary Sather. He grew up in a house located east across from the school. His mom and dad owned land across from the school to the east where the bush is today and south to just the other side of Hylands and north up to the end of the school. Eventually they sold most of the land and kept enough for the house. Clifford attended Warburg School. After school, he would go to the pool hall to get his hair cut where he met Joe Koblos who had a honeybee farm just south of Warburg and would cut hair in his spare time. Joe would always give him a chocolate bar and took him under his wing and would always call Clifford his son. When Clifford was 14 years old, he would go to Joe's place after school and holidays and would help him with the bees. In 1959, Clifford went with Joe to California in April to pick up honeybee packages. Joe would even let him drive — Clifford was only 15 years old at the time. Joe had a 1959 Chev 3 ton truck/van at the time. In 1960 Clifford quit school and started working for Joe full time. In 1962, Clifford shipped his first barrel of honey to Alta Honey Co-op as a member. He was only 17 years old. Clifford and Joe kept making trips to California in April to pick up honeybees. They would make 3-4 trips every April. As Joe got older and couldn't make the trips, Clifford would take another person with him and finally had to quit these trips in 1986 when the US border was closed due to mites in honeybees. Joe and Clifford became partners in 1968. Clifford took the business over in 1985 as Joe could not do it anymore.

Clifford married Dianna Dool from Thorsby on October 2, 1971. They had 3 children: Sherry, Sheldon and Shawn. Joe and Clifford went half and half and built a house in July, 1971. Joe lived downstairs with his own kitchen, living room, bedroom and bathroom. Clifford and Dianna lived upstairs. We lived together as a family. Joe had a stroke and in September of 1986, Joe moved to Cloverleaf Manor until he passed away on January 25, 1987 at the age of 85 years. In the late 80's, Clifford started collecting scrap iron from farmers and breaking it down into different metals. He would also haul vehicles in too. He did this as a hobby for something to do in the fall and winter months after the bee season was done. Clifford and Dianna kept on with the bee business until May, 2010. They quit because there was a lack of help and it was too much work for them to keep on. They sold the bee equipment and business. After the bee business was gone, Clifford kept on doing his scrap iron as a hobby. He also did snow removal, rototilling and hauling dirt for people. Clifford worked hard all his life, but he took pride in keeping the yard and place very tidy. He landscaped his own yard. He enjoyed sitting on the patio and admiring his yard.

Clifford passed away suddenly on May 21, 2021 at the age of 76 years. He leaves to mourn his wife, Dianna, of 49 years; daughter Sherry (Mike) Grizell and sons Sheldon and Shawn; grandson Clayton (Katelynn) and granddaughter Leilay (Ryan); great-granddaughters Zahara, Raiza and Izaleah; sister Bea Wayne; brother Johnny Sather; brother-in-law Cyril Dool; sisters-in-law Shirly Dool and Diana Dool; as well as numerous nieces and nephews.

In lieu of flowers, donations can be made to charity of your choice.

Seniors Services

Could they be a benefit to you?

Seniors Services provides preventative social programs that assist seniors and people with disabilities in maintaining their independence and enhancing their quality of life.

A housekeeping subsidy is available to assist seniors and adults with disabilities to live as independently as possible in their own safe, clean and comfortable homes.

To be eligible for the housekeeping subsidy, you must:

- be a senior (65+) or an adult with a disability or inability to complete household tasks,
- be a resident of Leduc County, Calmar, Thorsby, or Warburg, and
- have a total household income of less than \$60,000 a year (as a couple) or less than \$40,000 (as a single).

Housekeeping fees are determined based on family income level and eligibility to other subsidies. The services are provided through a partnership with *Serving Hands Senior Care Inc.*

Seniors Services also offers one-to-one support to assist you with:

- Information and referrals to other local resources
- Assistance with forms and applications
- Advocacy and coordination of services
- Goal setting and future planning direction

For more information or to access any of these programs, please contact the seniors services coordinator at **780-955-4554**.

Update From the Mayor

From Mayor Kevin Maine

Just a short update on the coming year for the Village.

We have kept the tax rate at a minimum. There will be a 1 1/2 % increase, this increase will go to the extra policing costs that the province has passed down to the smaller municipalities. Some taxes will go up and some will go down based on your assessment.

We have budgeted to continue our drainage program in the village. We will be focusing on the east side of the village this year. We are also looking at developing another park. Another exciting project this year, we are desludging the lagoon. There has been a parks and trail committee formed and we are looking for input. If you have ideas on how you would like our parks developed please contact the village office.

If you are an idea person and would like to see the village go in a certain direction toss your name in for council. No experience necessary, you cannot make mistakes, we are governed by the Municipal Government Act. This is a learn as you go position, most meetings are in the evening so you can work around a job or if you would just like a say in the direction the village put forward your name. You are paid to attend meetings. Contact the village office for your nomination package and more information. Also this year we changed the bylaw so the people will now have the opportunity to vote in their Mayor.

I will finish with this, thank you for all your patience, acts of kindness and all the other things you have done to navigate our current situation. The days when we can return to normal are now in site.

LETTER TO THE EDITOR

Dear Editor:

I, William Clough, of Warburg, AB, have received the documents of the census questionnaire.

I will, at no time, fill this document out until Justin Trudeau and the Ethics Commissionaire are both taken into custody, and jailed for concluding that Trudeau was not guilty of corruption regarding the WE Charity.

His family, including his mother, were paid large sums of money to speak when the funds belonged to the charity and not the Trudeau family. They have nothing to say which would interest anybody and the paid funds do not belong to the Trudeau's.

For this reason I refuse to answer the census questionnaire.

William G. Clough

WINFIELD PRE-KINDERGARTEN

What: 2021-22 Student Registration

When: Ongoing

Who: Any child age 3 by September 1st until age 5 or Kindergarten

Days: Tuesday and/or Thursdays 8:45 – 11:45 am

Our program runs September through May and operates out of Room 1 in the Winfield Elementary School. Parents are an important team player in the success of their child's learning and growth; parent volunteers are a necessary part of our program. We look forward to seeing you.

Thank you,
Winfield Pre-Kindergarten Association

Winfield Pre-Kindergarten Meet the teacher

~~Sherry Jensen~~

Sherry Jensen (pictured right) has a long list of accomplishments with children and with teaching children. She is the proud mother of 3 grown children and grandmother to 3 granddaughters. While raising her children, she ran a day-home in Edmonton for 12 years. From there she moved to Fort McMurray in 1995 and went to college for Early Childhood Development. Upon completion she worked as a Special Needs Teacher Assistant from 1997 – 2002 working with mainly autistic children.

2002 brought another move, back to Edmonton, where she worked with both school boards as a Teacher's Assistant for special needs children; mostly autistic children. This work continued until 2006 when she was once again relocated, this time to Calgary. Once in Calgary she worked within the Catholic School board with children with various needs. During her 7 years with the Catholic School board, she worked with children on the autism spectrum, children with selective mutism, Fetal Alcohol Syndrome, speech/reading recovery in the Elementary schools.

In 2013 she moved to Hoadley area and began work as Educational Assistant in the Kindergarten classroom in Winfield Elementary School. In 2014 Sherry was hired as the teacher for the Winfield Pre-Kindergarten and has been with the program ever since.

If you are interested in our program or coming out to meet the teacher in person, and take a peek at our facility at the Winfield Elementary School, contact Sherry Jensen at (403) 998-9477 for more information. sajensen@cciwireless.ca

Time For Some Financial Spring Cleaning

Spring is here and for many that means a fresh beginning and the time to spruce things up. This year, as you tidy up your home and surroundings, why not also consider some financial spring cleaning?

Here are a few ideas for getting your financial house in order:

“De-clutter” your portfolio

Over the years, many of us tend to pick up duplicate items that find their way into the nooks and crannies of our homes, gathering dust and remaining unused. Over time, your investment portfolio can also accumulate redundancies – that is, you might own several investments that are essentially similar. It might be appropriate to replace some of these and broaden your holdings.

Own your investments purposefully

You own certain things for certain reasons – a broom to sweep the floors, a microwave to heat the food and so on. As an investor, you should be following a goal-based strategy that includes the matching of certain investments with certain objectives. For example, you might own stocks or mutual funds to eventually provide the capital appreciation potential you’ll need to retire comfortably. But you might also own other vehicles, such as bonds or other fixed-income investments, to provide you with a source of regular income.

“Dust off” your investment strategy

Over a long winter, your windows can get dirty and grimy, so, when spring arrives, you may want to get out the glass cleaner – and when

you’re done, you’ll be able to see out more clearly. Over time, your investment strategy may get somewhat “dusty,” too, especially if you’ve experienced significant changes in your life, such as a new job, a new child or even a new plan for retirement. By periodically reviewing your investment strategy, you’ll be able to clarify your vision for the future.

Protect yourself from hidden dangers

If you poke around your garage, shed or other storage area, you may well find some objects – gardening tools, paint thinners and engine fluids, leaning ladders and so on – that could be dangerous, either because they aren’t stored properly or they’re hard to see and can cause trips and falls. As part of your spring cleaning, you’d want to get these objects out of harm’s way to safeguard yourself and your family. But when you think of your financial situation, are you also exposing yourself and your loved ones to risk? If something were to happen to you, could your family members stay in their home? Could your children still attend post-secondary school? To help keep their lifestyle intact if you weren’t around, you’ll need adequate life insurance. And to avoid burdening your grown children with potentially huge expenses should you ever need some type of long-term care, such as an extended nursing home stay, you may want to talk to a financial advisor about protection strategies.

By taking some spring-cleaning measures, you can brighten your living space for the seasons ahead. And by applying some of the same principles to your financial environment, you can help improve the prospects for meeting your important goals.

MLA REPORT

from The Office of MLA Mark Smith,
Member of the Legislative Assembly
for Drayton Valley - Devon

As COVID-19 case rates decrease and more Albertans get vaccinated, our province is starting to see signs of getting back to normal. To support our entry into a post-COVID world, Alberta's government recently launched the Jobs Now program. Jobs Now is the largest jobs-training initiative in the history of our province – a \$370 million program that will get 22,000 Albertans back to work.

The Jobs Now program will help employers offset the costs of creating jobs and training new employees while giving unemployed or underemployed Albertans the opportunity to find a job or receive training that improves their skills. Our United Conservative government is launching this critical job-creation program in part with \$185 million in funding through federal transfers from the Workforce Development Agreement.

As part of the Jobs Now program, employers can apply for a grant equal to 25 per cent of a new hire's salary up to \$25,000 per employee. Employers hiring a person with disabilities can apply for a grant equal to 37.5 per cent of the new hire's salary up to \$37,500 per employee. The program is open to all businesses in the private and not-for-profit sectors regardless of size and can be used to pay wages or to teach new and valuable skills.

Ken Kobly, president and CEO of the Alberta Chambers of Commerce, recently said the Jobs Now program reflects what business owners have been asking for, adding the availability of industry-specific skills is a top barrier for employers trying to recruit talent. If the Jobs Now program is as successful as we're anticipating it will be, then our government will consider extending the program into the new fiscal year.

All of our United Conservative MLAs are concerned about the impact the COVID-19 pandemic has had on local jobs, businesses and economies, and we are laser-focused on ensuring Alberta not only comes out of this pandemic strong, but is once again a national leader in jobs and economic growth. The Jobs Now program will go a long way to ensuring our province is successful in that effort.

The Jobs Now program is part of our government's Economic Recovery Plan. For more information on Alberta's Jobs Now Program or for information on how to apply, please visit www.alberta.ca/jobsnow.

I can be reached at the main constituency office in Drayton Valley at 1-800-542-7307 toll-free Monday to Friday, the Devon constituency office at 780-987-3666 Wednesdays and Thursdays or emailed at draytonvalley.devon@assembly.ab.ca anytime.
