Celebrating Senior's Week

Helen Beam

A Long Road Travelled

From Allan Goddard

To celebrate Senior's Week last year the museum profiled former Breton senior Edith Shave, in the Breton Booster. This year the museum would like to highlight another former senior from the Breton community, whose life story starts in Gonda India, moves to Scotland then to Canada, as a war bride, and ending in Breton.

Helen Lawson was born September 7, 1908 to William James Lawson and Thomasina (Carruthers) in the small Village of Gonda, India. Gonda is located in northern India at a junction of several roads and railways, and is a major agricultural area. Helen's parents had been married in Scotland, and shortly after their marriage William was transferred to India as an inspector of railways. His position as an inspector gave the Lawson family a comfortable lifestyle. The family employed house servants to care for the children and provide domestic services. At age five Helen started school, and at age nine she was sent to the Wellesly Girls School, a private school, which was located in the hills above the Village of Gonda. The students were carried up to the school in baskets on a pole carried by men.

Tragedy struck the Lawson family in 1920 with the sudden death of her father William. The shock of his death also took a toll on her mother, suffering a serious mental breakdown, hospitalizing her for an extended period of time. The death of her father ended the ability to attend private school and the stability of the family. Helen was twelve years of age at the time of her father's death. The family consisted of two boys and four girls, with Helen being the eldest.

With the death of her father, and the poor health of her mother, family friends decided the children should be sent back to Scotland, to be taken in by various family members. The children ranged in age from twelve years down to fifteen months. In July 1921 the children left India for Scotland. It was a journey taking them six weeks to complete. Various family members took the children in, with Helen being sent to a paternal Aunt to live. It truly separated the family. Helen's mother did rejoin the family about a year later.

In 1924, at age fifteen, Helen went to work as a domestic servant in the homes of prominent families as a maid. Her pay was eighteen shillings a month which would convert to five dollars Canadian at the time. In 1943 Helen's mother passed away, Helen continued to

work and look after her younger siblings who were still at home.

Helen met Allan Beam, a Canadian soldier, while he was stationed in Scotland during the Second World War. In the fall of 1945 Helen and Allan were married, and shortly after their marriage, Allan was discharged from the army returning to Canada. Helen followed a few months later as a War bride. She left Scotland in July of 1946 and travelled to Medicine Hat, Alberta. Allan and Helen lived in Enderby and Kettle Valley, BC before returning to Alberta to farm in the Bearberry area for ten years. They moved to Breton in 1959 buying a small house. Allan Passed away in July of 1973. Allan and Helen had no children of their own. Helen continued to reside in Breton for the remainder of her life, passing away in February 2000. For many years she provided childcare services to a number of families in the community. As she wrote in the Ladder of Time ... "I have taken care of many children in the twenty years I have been here. I see some of them today, fine looking young folks, and I feel proud of "my" children."

When the museum started in 1988 the first donation of items for the museum was from Helen Beam. It included her wedding dress, her passport documents from India and a number of photographs. As we celebrate Senior's Week take time to listen to the stories of the seniors from the community, I am sure they all have interesting stories to relate.

Seniors Week – How Can You as A Community Member Get Involved? – June 7 – 11 is being recognized as Seniors Week in Alberta. There are some great ways that you can show the older adults in our community that they are appreciated and we value the contributions they have made to our community and province.

Thank the senior citizens you know for their contributions

Think about the older adults that you know. Some of them are veterans. They may have fought bravely for our country. Some were teachers who may have assisted you during your formative years.

Volunteer to help a local senior with a project or do an errand for them.

You can make a difference in a senior citizen's life in many ways.

Encourage others on social media to do something nice for a senior citizen that day

Think of all the silly things you post on your social media accounts. Instead of sharing another silly video, let them know National Senior Citizen Day is approaching. Encourage them to do something nice for a senior citizen.

Interview senior citizens about their life

Think of all the historical events that the sen-

iors in your life experienced. Ask your senior friend about their life. No matter how they grew up, you're sure to hear some interesting stories.

Help a senior in need

Do you have a senior citizen living in your community? Do they need rides to the doctor's office? Do your senior neighbors need help with their yard or cleaning windows? Taking something to the local landfill.

Write positive messages on the sidewalk where older adults walk around the community.

If you need chalk, packages will be available from Breton FCSS during the week of June 7 – 11.

Summer Fun – We have been busy planning some fun activities for youth and families this summer. Currently our schedule will be activities on Tuesday, Wednesday and Thursday's during July and August. Watch our Facebook page for the list of activities and outline of how the program will work this summer. There will be no drop-in activities, we ask that you register for all program dates and time. Registration will start on June 16th. We are currently planning crafts, movie afternoons, Mad Science Days, outdoor survival, scavenger hunts, musical entertainment, the outdoor BOLD program, and a kid's market, with a few other special days to be announced. All programs will depend on AHS protocol for Covid-19.

Breton RCMP Investigate Fatal House Fire

Breton, Alta.—On June 2, 2021, at approximately 11 a.m., the RCMP Central Alberta District (CAD) Crime Reduction Unit (CRU) were conducting an unrelated investigation in the area of Buck Lake when the investigation led to a residence where there was a house fire in the area of Township 465 and Range Road 630.

RCMP officers notified Fire services and upon gaining entry to the yard and residence, were told that there were two children trapped inside. RCMP officers attempted to rescue the children; however, due to the extent of the fire re-entry to the residence was not possible.

Breton and Thorsby RCMP attended the scene along with multiple volunteer Fire Services who worked to extinguish the fire.

A search of the structure once the fire was extinguished resulted in locating the two missing children, a 1-year-old male and 4-year-old female—both from Drayton Valley, Alta.

Alberta RCMP Major Crimes Unit, Alberta RCMP General Investigation Section from Alberta RCMP Serious Crimes Branch, RCMP Forensic Identification Section, along with a Fire Investigator attended the scene to assist with this investigation.

The RCMP continue to wait for an official report from the fire investigator from the Alberta Office of the Fire Commission.

Breton RCMP's investigation into this fatal fire continues.

Further updates will be provided when more information is available.

Lakedell 4-H Lighthouse and Canine Wrap Up the Year!

Submitted by Payton Schwindt,
Kamryn Tabler and Emersyn Tabler

Since the last report, a lot has changed. We were able to be in person following the AHS guidelines but had to move to online again as new restrictions were put in place. That meant the club was unable to get together for lessons and we had to continue having our meetings online. This is very unfortunate as our Achievement Day was very close and we were not able to practice our goals.

Usually, the Achievement Day is a whole club activity where members showcase their goals they picked at the beginning of the year and then we have a supper with awards afterwards. This year the club was able to get an exemption from AHS so we could still have our Achievement Day in person following all the required safety protocols. The whole club was able to come on May 29 to Lakedell Arena to participate as we were practicing safety measures. The day was a big success, and all the members did awesome! Thanks so much for all the leaders, parents and members who made this day possible! Also, a huge thank you to Katrina Lachambre, Jessica Bachman, Jennifer Wrubleski and Sherry Howey for judging our goals at Achievement Day! It is greatly appreciated!

Canine members started the day off and were able to showcase their goals with their dogs. They had picked these goals at the beginning of the year and worked towards them all year. Everyone did very well and had a lot of fun! After Canine goals were completed, we moved onto the Equine projects. Equine members also pick their 3 goals early in the 4-H year and work with their projects to be able to complete them for Achievement Day. Sadly, members were not able to watch and cheer on each

other due to Covid restrictions. All the members worked very hard with their projects this year and it showed as everyone did fantastic!

For Community Service the club decided to make bird houses or bird feeders or a tissue paper "stained-glass" art projects for windows in local Seniors Centres. Members will make one bird house/feeder or a paper "stained-glass" art project and they will deliver these to local Seniors Centers to put in their windows for them to enjoy all summer.

The club is hoping to have their wind up on June 26 to wrap up the year. It has been a different year because of Covid but the club was able to make it fun and successful for all. A lot was learned and there was a lot of laughter. Hopefully, next year can be normal!

Stay safe! Happy riding!

Preacher's Point

from Pastor Jeff Gooderham

Vance Havner, is quoted as saying; "A wife who is 85% faithful to her husband is not faithful at all. There is no such thing as part-time loyalty or part-time faithfulness to Jesus Christ."

Jesus makes it very clear that anyone who would choose to follow Him, choose to live as His disciple must first deny themselves, then, they are to take up there cross daily and follow Him. Matt. 16:24. There can be no halfway or almost with true Christian discipleship, it must be a daily giving everything over to the Lordship of Christ.

The reward for such faithful commitment and devotion is given in verse 25; "For anyone who desires to save his life in this world will lose it, but whoever loses his life for my sake will find it." The disciples reward: eternal life!
