

# THE BRETON BOOSTER

## Community Hall Announcement

From Breton Ag Society

As of July 1st, the Breton Ag society will no longer be the lease holder for the Breton Community Centre. All inquiries should be directed to the Village office.

At a special meeting of the directors of the Breton Agricultural Society on June 21, 2021 a motion was carried to not enter into a lease agreement with the Village of Breton to operate the new Breton Community Centre.

This was a very difficult decision that took much thought, discussion and deliberation. The directorship feels that the Society's efforts, at this present time, would be better directed to our objective of encouraging and supporting improvement in agriculture and in the quality of life of the people living in our community. We will continue to develop programs, activities and services based on the needs of our community. We look forward to concentrating our efforts on agriculture related functions. Remember agriculture affects us all and plays an important role in everyone's lives.

We would like to thank the communities in and surrounding Breton for their support over the past many years and the Society is looking forward to hosting many more exciting, fun-filled events in the future.

The Ag Society looks forward to the future; supporting our community and the people in it!

## "Summer Rocks!" a summer activity for all ages!

Come join us to paint 'kindness rocks' to hide in our community. We will be meeting at Breton Faith Covenant Church (across from the Breton water tower) on the first and third Wednesdays of the month @ 7 pm - 8 pm

**July 7th, July 21st, August 4th, August 18th.**

Bring a special rock to paint, or use one of ours! Painting supplies will be provided. We ask that those under the age of 12 be accompanied by an adult. There are fantastic 'kindness rocks' painting ideas on the internet. Take a look!

Throughout the summer we will hide a special "Spread Joy" rock. The person who finds a "Spread Joy" rock has won a summer gift basket! Instructions on how to exchange the rock for a gift basket will be found on the bottom of the rock.

'Kindness Rocks' is a viral trend where people paint rocks or stones with inspirational messages or sayings. The painted rocks are left in public places for people to find with the intention of spreading kindness and joy to others.

# Serving the Breton Community for Over Half a Century

From Allan Goddard

I was racking my brain for an interesting topic for this weeks Booster. When this happens, my go to source is the Ladder of Time, the community history book for Breton. While this publication is now forty years old, it gives us an insight into what the first fifty years of the Breton community looked like. It was with this in mind that I happened on two organizations who have faithfully served the Breton community for many decades, the Breton Elks Lodge #402 and the Breton Royal Purple Lodge #285.

The Breton Elks Lodge came into existence on March 22, 1956 with the ceremony of institution and installation of 59 charter members. While the article in the Ladder of Time does not go into great detail, it does indicate that the Lodge was very active in helping the community and have provided support for many projects over the years. In the early days of the Elks Lodge, a Christmas dinner for older, single men who had been involved in the logging industry and was provided at one of the local cafes. The Breton Elks helped sponsor the Breton Cadet Corp when they were active and for many years the Elks provided a bus for community groups to use. They also provided support to community members who had the misfortune to lose their homes due to fire.

When Elks Canada was found in 1912 it was a male only organization. In 1998, the Elks changed their constitution allowing both men and women to join the organization.

Today the Breton Elks are still serving the community as its members maintain the Breton RV Park, located at the Breton Golf course, and they have recently been busy doing upgrades at the RV Park. During the winter the Elks maintain the outdoor skating rink for use by the Breton community, which was used exten-

sively during this past winter when many other sources of recreation were shut down due to Covid 19 restrictions.

The sister organization to the Benevolent Order of Elks was the O.O.R.P., commonly known as the Royal Purple. The Breton Royal Purple was founded June 19, 1963 with 27 Charter members. Similar to the Elks, the Royal Purple have served the community in many ways, including providing catering services to the community for many years. Some of our readers may have had the Royal Purple cater for a family wedding. They have also raised funds in support of the Purple Cross Fund, supported fire victims in the community, and helped the Community Hall in many ways.

A salute goes out to the Breton Elks and the Breton Royal Purple, who have served and enriched their community for more than half a century.

Hat and pins from Lady Gunhild Ladouceur Charter Member of the Breton Royal Purple and Gavel from the Breton Elks.

## Greetings from the Elks

from Allan Smith,  
Breton Elks Lodge #402

Well another month, another Zoom session and another season of Elk meetings. The final meeting for the past season was conducted by way of Zoom under the leadership of Exalted Ruler Brother Jerry Grzyb. A very fine job of leadership. A special touch for the opening was O' Canada played by Sister Sue Fraser.

The R.V. Park renovations are in full swing under the guiding hand of Brother Bob Shave. Thank you to Brother Bob on a very fine job. An additional 10 sites will soon be open for business with water and power service. Instead of a year end B.B.Q. the time was spent as a work bee to manually pick some rocks and level the ground where the water lines had been installed. And once again Brother Neil was able to offer his beautiful bride an opportunity of fresh air, exercise and great company. Thank you Rosemary. In other business the R. V. Park is being used as it is fully booked heading into the coming summer.

Tent rentals are once again available by contacting Brother Darren Scott.

As we move forward into the coming summer, it is refreshing to note that our good old Covid is hopefully going to become a bad memory and allow everyone the opportunity to sit with neighbors and friends and enjoy a cup of coffee. As the summer progresses, it is time to focus on grass cutting, pruning flowers and enjoying the opportunity to spend time with the B.B.Q.

In the meantime it is time to wish everyone a safe and happy summer and don't forget to get a final shot, not the one from a bottle.

Stay safe and we'll chat in the fall.

# Preacher's Point

from Pastor Jeff Gooderham

Making decisions in the dark can lead to some regrettable consequences. Back in the days before electricity, a tight-fisted old farmer was taking his hired man to task for carrying a lighted lantern when he went to call on his best girl. "Why," he exclaimed, "when I went a-courtin' I never carried one of them things. I always went in the dark." "Yes," the hired man said wryly, "and look what you got!"

Here is great news for each of us from the book of Matthew; "For the people walking in darkness a great light has shone, on those living in the shadow of death a light has dawned." Even in the midst of darkness, fear, and even death there is a great light of hope! His name is Jesus Christ and He is the light of the world!

# THE EMOTIONAL CUP

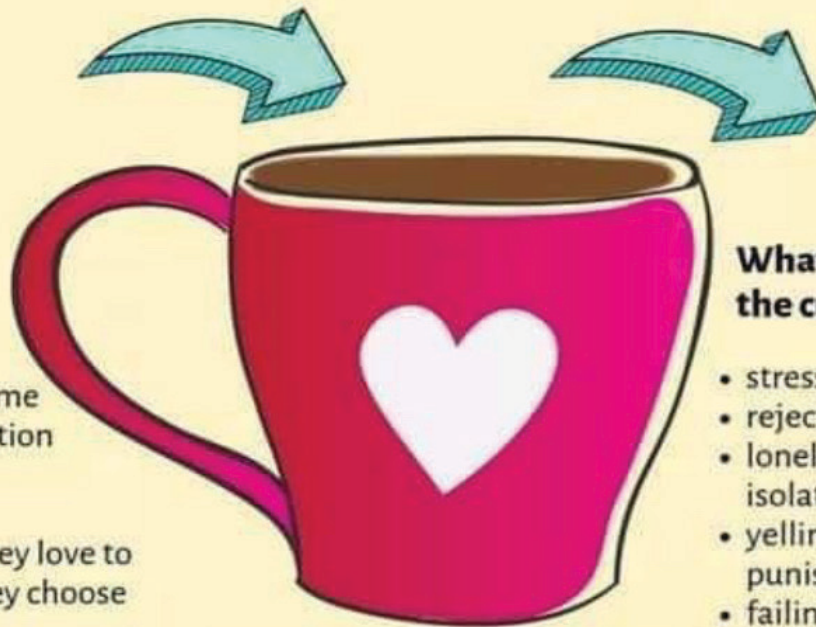

Imagine that every child has a cup that needs to be filled -- with affection, love, security, and attention. Some seem to have a full cup most of the time, or know good ways to get a refill. But most children get a little nervous when their cup gets near empty.

## **Some ways that children deal with having an empty cup:**

- steal from other people's cups
- misbehave to get your attention and show that they need a refill
- seem to have bottomless cups, or need constant 'topping off'
- can't sit still for refills or actively refuse them
- bounce off the walls when they approach 'empty'
- think they have to fight or compete for every refill

## **What fills a child's cup:**

- play
- friendship
- one-on-one time
- love and affection
- connection
- succeeding
- doing what they love to do or what they choose to do

## **What empties the cup:**

- stress and strain
- rejection by peers
- loneliness and isolation
- yelling and punishment
- failing
- fatigue
- doing what they're forced to do or they hate to do
