Adopt A Planter Program From Thorsby CIB

Is your business interested in sponsoring one or more of these beautiful planters? This year CIB and the Town of Thorsby are partnering together to bring you an Adopt A Planter Program.

For your sponsorship of \$50, Thorsby Communities In Bloom will plant them and look after

them, including watering for the season. Your business name will also be displayed in the planter with a 4" x 7" sign to let residents know who sponsored it. The donation will be issued a tax receipt for your business from the Town of Thorsby.

We only have a limited number of planters, so if you are interested in sponsoring one please call Barry at 780-983-2096.

It's beginning to look like summer is coming!

Everything is starting to green up and the days are getting longer.

I'm taking this opportunity to remind our residents they are required to maintain the grass on their properties.

The Community Standards Bylaw 2016-18 outlines the maintenance requirements for properties in town.

Properties that fail to control weeds and maintain vegetation on the premises or property and on any boulevard which abuts or joins the premises or property they own or occupy including up to the centre of lanes or alleys at the rear or side of the premises or property could result in a Violation Ticket of \$200.00 and/or a contractor will be called to remedy and the cost will be at the property owners expense, added to the tax roll.

Please also refrain from spraying grass clippings on the roadways. This can result in storm drains getting clogged and that will cost us all money to fix.

Let's all do our part to keep the town looking great!

As always, should you have any questions or concerns, I'm only a phone call away!

"NOBODY SELLS MORE REAL ESTATE IN THIS AREA!"

Thorsby CIB - 2 Nights of Planting for the Community

From Barry Rasch

A big "Thank You" to everyone that came out to volunteer their valuable time for 2 rounds of planting. This year is especially busy for our little group so we will manage resources and volunteer support as we move along. In June we will also be completing the Hope Garden and start on our Outdoor Photo Booth that will be located at the Lions Campground in its scenic beauty.

I continue to say the most powerful resource a community can have are its volunteers. I'm grateful to have a wonderful team of CIB Members and other volunteers that always are so willing to offer up their time to help support their community.

A couple honourable mentions go out to our CAO Tamara in joining in to see what we do. I believe, if memory serves, you are the first Thorsby CAO to help us plant in a very long time, so it's very appreciated. To friend and Councilor Nathan Raymond for your ongoing support and help in what we do. Special thank you to my good friend Deepak, owner of Thorsby Hotel Bar and Grill. Your generosity to offer up pizza and refreshments to the hard working volunteers continues to be unprecedented and so appreciated. Thank you for your continued support.

Thanks again to all the volunteers for your help and support!

News

From Laura Cooke

Here at the Library we are currently open for curbside pickup Tuesdays (10-6) and Fridays (10-4). We are patiently waiting for June 11th. With luck that will bring us to Phase 2 which means we will once again be able to welcome our patrons back into the library! (Maximum capacity of 5, masked persons at a time).

While you are there please check out our selection of hot new gardening, chicken and bee keeping books, as well as our selection of First Nations stories and biographies to help us all understand the horrors our First Nations people have endured at the hand of Residential Schools. To request a copy of any book in the meantime, call us or use the TRACPAC app on your smart phone.

New this week - say hello to our friends, the CATERPILLAR FAMILY! To honor the life and gifts of American author, Eric Carle (June 1929 - May 23, 2021); The Very Hungry Caterpillar, The Grouchy Ladybug and more than 70 other classic childrens books, we are growing our own Very Hungry Caterpillar family. Follow us on Facebook and Instagram to see their growth and transformation! Watch for a new craft kit coming each week while they grow. When our babies finally hatch we will be doing a live release! Hopefully; we will be able to host some lucky viewers in the Library for this very special event! Stay tuned for more info!

Our Summer Reading Club is gearing up as well - more details to come soon. Keep your Friday mornings open! Starting July 9th - August 12 from 10:30 - 12:30 pm each week we will be offering a new, fun activity for families! Watch for registrations coming soon to a social media near you.

In the meantime, Happy reading and enjoy this Beautiful Alberta weather!

MP REPORT

from The Office of MP Gerald Soroka,
Member of Parliament for Yellowhead

June 2, 2021

Mass Grave in Kamloops BC Containing Remains of 215 School Children

Just days ago, the discovery of a mass grave in Kamloops, British Columbia, containing the remains of 215 school children, was a heart-breaking reminder of the pain indigenous children, their families and their communities were subjected to through residential schools. This is a dark reminder of the horrendous reality that was faced by many Indigenous Canadians. My thoughts and prayers are with all indigenous families as they mourn. It is our burden to carry, and we must start to ease the heavy load that has been carried by indigenous people for far too long. While communities and families grapple with this unthinkable revelation, it is time for all of us to come together and aid in the healing process.

For many indigenous people, although the discovery opened tremendously deep wounds, it was not a surprise. According to the Truth and Reconciliation Commission, at least 3,200 children died while attending residential schools. We owe it to each and every one of them to redouble our efforts toward reconciliation and healing. In the face of this tragedy, words are not enough, and concrete action is needed.

Canada's Conservatives have called on the Prime Minister to immediately implement the TRC's recommendations #71-76, which deal with missing children. We have also called for the following additional measures to be taken:

*Funding the investigation at all former residential schools in Canada where unmarked graves may exist, including the site where 215 children have already been discovered.

*Ensuring that proper resources are allocated for communities to reinter, commemorate, and honour any individuals discovered through the investigation, according to the wishes of their next of kin; and

*Developing a detailed and thorough set of resources to educate Canadians of all ages on the tragic history of residential schools in Canada.

My sincere condolences to all of those who had to endure these residential schools. It is time to act NOW for the sake of all the children we lost. Words are not enough. Action must be taken.

I was walking home last night and decided to
take a short cut through the cemetery...3 girls
walked up to me and explained that they were
scared to walk past the cemetery at night,so I
agreed to let them walk along with me.I told
them "I understand...I used to get freaked out
too when I was alive."

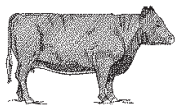

Never seen anyone run so fast

I hope they give us a two week notice
before sending us back into the world.
I think we all need time to become
ourselves again. And by "ourselves" I
mean lose 10 pounds, cut our hair and
get used to not drinking at 9 am.
