

THE WARBURG BUGLE

Warburg Library Update

From Gail O'Neil

Warburg Library's Book Club read this month is: *Fire Keeper's Daughter* (Keep the Secret, Live the Lie, Earn Your Truth) by Angeline Boulley. The Library's brand new hard cover copy just came in the van run today and I have this checked out so I can read and discuss the book with the Book Club members. If you would like to borrow this book...You can put a hold on it on your trac-pac account or call 780-848-2391 and talk to our staff and they will put a hold on it for you.

COVID-19 Update: (excerpts taken from the Alberta website, the link can be found on facebook or at alberta.ca) Stage 2: Two weeks after 60% of Albertans 12+ (born in 2009 or earlier) have received at least one dose, and hospitalizations are below 500 and declining. Expected to be in effect June 10. (I have had my first vaccine dose and my next dose is scheduled for June 17). Indoor recreation, entertainment and other settings (rec centres, arenas, casinos, cinemas, theatres, museums, galleries, libraries, etc.) – open at 1/3 of fire code occupancy.

What this means for WPL...

There can be 15 patrons in the Library, 2 of these being

staff and 13 patrons. Distancing and masking requirements remain in effect. WPL will be following the protocols the Library Board set up in prior openings: wear a mask, sanitize hands, barriers at circ. desk, only 3 public computers in use. Stage 3: Two weeks after 70% of Albertans 12+ (born in 2009 or earlier) have received at least one dose. Expected to be effective in late June or early July. By the time this article is out staff will know what day the Library will reopen. It has been decided that Saturdays will remain closed until September.

Elora's first day will be Tuesday, June 22, at that time she will be letting everyone know when the Summer Reading Club will be up and running and the fun activities she has planned. There is a make and take dream catcher planned for next week and with lifted restrictions can be changed to an in person craft session.

A big THANK YOU to Deb Heidt for the generous donation of paperback books to WPL! Deb has been donating books for quite a few years now and staff appreciate this very much, as this has helped in the development of paperbacks for all patrons to read.

New Young Adult book: *Crown of Bones* by A.K. Wilder (*Raise. Your. Phantom.*) *for fans of epic fantasies and sweeping adventures, this ensemble cast will immerse you in a world of unique magic, breathtaking action, and unforgettable characters.*

Housekeeping fees are determined based on family income level and eligibility to other subsidies. The services are provided through a partnership with *Serving Hands Senior Care Inc.*

Seniors Services also offers one-to-one support to assist you with:

- Information and referrals to other local resources
- Assistance with forms and applications

Lakedell 4-H Lighthouse and Canine Wrap Up the Year!

Submitted by Payton Schwindt,
Kamryn Tabler and Emersyn Tabler

Since the last report, a lot has changed. We were able to be in person following the AHS guidelines but had to move to online again as new restrictions were put in place. That meant the club was unable to get together for lessons and we had to continue having our meetings online. This is very unfortunate as our Achievement Day was very close and we were not able to practice our goals.

Usually, the Achievement Day is a whole club activity where members showcase their goals they picked at the beginning of the year and then we have a supper with awards afterwards. This year the club was able to get an exemption from AHS so we could still have our Achievement Day in person following all the required safety protocols. The whole club was able to come on May 29 to Lakedell Arena to participate as we were practicing safety measures. The day was a big success, and all the members did awesome! Thanks so much for all the leaders, parents and members who made this day possible! Also, a huge thank you to Katrina Lachambre, Jessica Bachman, Jennifer Wrubleski and Sherry Howey for judging our goals at Achievement Day! It is greatly appreciated!

Canine members started the day off and were able to showcase their goals with their dogs. They had picked these goals at the beginning of the year and worked towards them all year. Everyone did very well and had a lot of fun! After Canine goals were completed, we moved onto the Equine projects. Equine members also pick their 3 goals early in the 4-H year and work with their projects to be able to complete them for Achievement Day. Sadly, members were not able to watch and cheer on each

other due to Covid restrictions. All the members worked very hard with their projects this year and it showed as everyone did fantastic!

For Community Service the club decided to make bird houses or bird feeders or a tissue paper "stained-glass" art projects for windows in local Seniors Centres. Members will make one bird house/feeder or a paper "stained-glass" art project and they will deliver these to local Seniors Centers to put in their windows for them to enjoy all summer.

The club is hoping to have their wind up on June 26 to wrap up the year. It has been a different year because of Covid but the club was able to make it fun and successful for all. A lot was learned and there was a lot of laughter. Hopefully, next year can be normal!

Stay safe! Happy riding!

MP REPORT

from The Office of MP Gerald Soroka,
Member of Parliament for Yellowhead

MP Soroka's Statement in the House of Commons

OTTAWA: Gerald Soroka, Member of Parliament for Yellowhead, virtually rose today in the House of Commons to thank Tomahawk and surrounding communities for coming together to support one another during a wildfire and to also congratulate all the 2021 high school graduates in the riding.

MP Soroka said: "Madam Speaker, last month the community of Tomahawk faced a wildfire. Preparing for the worst-case scenario, certain areas of the community were evacuated. From the start of the fire, food and monetary donations poured in and there were numerous offers to help transport and board livestock.

I am in awe at the strength of Tomahawk and the surrounding area, and proud to represent a community so dedicated to helping one another in times of need. This crisis brought the community together and perfectly showcases what it means to be an Albertan.

I would also like to congratulate all the 2021 graduates in my riding of Yellowhead who have supported each other while doing part of their school year online. These graduates worked through the challenges presented to them and succeeded.

Congratulations to the class of 2021 on their hard work and dedication. They should remember that this is only the beginning of what they will accomplish."

The full video of the statement can be found on MP Soroka's Facebook page at:

Breton RCMP Investigate Fatal House Fire

Breton, Alta.—On June 2, 2021, at approximately 11 a.m., the RCMP Central Alberta District (CAD) Crime Reduction Unit (CRU) were conducting an unrelated investigation in the area of Buck Lake when the investigation led to a residence where there was a house fire in the area of Township 465 and Range Road 630.

RCMP officers notified Fire services and upon gaining entry to the yard and residence, were told that there were two children trapped inside. RCMP officers attempted to rescue the children; however, due to the extent of the fire re-entry to the residence was not possible.

Breton and Thorsby RCMP attended the scene along with multiple volunteer Fire Services who worked to extinguish the fire.

A search of the structure once the fire was extinguished resulted in locating the two missing children, a 1-year-old male and 4-year-old female—both from Drayton Valley, Alta.

Alberta RCMP Major Crimes Unit, Alberta RCMP General Investigation Section from Alberta RCMP Serious Crimes Branch, RCMP Forensic Identification Section, along with a Fire Investigator attended the scene to assist with this investigation.

The RCMP continue to wait for an official report from the fire investigator from the Alberta Office of the Fire Commission.

Breton RCMP's investigation into this fatal fire continues.

Further updates will be provided when more information is available.

Mass Grave in Kamloops BC Containing Remains of 215 School Children

Just days ago, the discovery of a mass grave in Kamloops, British Columbia, containing the remains of 215 school children, was a heart-breaking reminder of the pain indigenous children, their families and their communities were subjected to through residential schools. This is a dark reminder of the horrendous reality that was faced by many Indigenous Canadians. My thoughts and prayers are with all indigenous families as they mourn. It is our burden to carry, and we must start to ease the heavy load that has been carried by indigenous people for far too long. While communities and families grapple with this unthinkable revelation, it is time for all of us to come together and aid in the healing process.

For many indigenous people, although the discovery opened tremendously deep wounds, it was not a surprise. According to the Truth and Reconciliation Commission, at least 3,200 children died while attending residential schools. We owe it to each and every one of them to redouble our efforts toward reconciliation and healing. In the face of this tragedy, words are not enough, and concrete action is needed.

Canada's Conservatives have called on the Prime Minister to immediately implement the TRC's recommendations #71-76, which deal with missing children. We have also called for the following additional measures to be taken:

*Funding the investigation at all former residential schools in Canada where unmarked graves may exist, including the site where 215 children have already been discovered.

*Ensuring that proper resources are allocated for communities to reinter, commemorate, and honour any individuals discovered through the investigation, according to the wishes of their next of kin; and

*Developing a detailed and thorough set of resources to educate Canadians of all ages on the tragic history of residential schools in Canada.

My sincere condolences to all of those who had to endure these residential schools. It is time to act NOW for the sake of all the children we lost. Words are not enough. Action must be taken.
