

THE BRETON BOOSTER

Congratulations
CANADA DAY
WINNERS!

Canada Day Reverse Parade Winners

From Darren Aldous

Thank you to all those who spent time decorating their yards for the July 1st "Reverse Parade".

This will be the last one as next year we will be back to our normal parade and festivities!

Congratulations to all the winners!

- 51 Avenue from 49 Street to 51 Street really kicked butt this year.
- Mark Gauvin & Ashley Bakos won Best Night Display again this year.
- Jane Smyth won Most Canadian.
- Dennis & Shirley Tomczak, Lorne & Shay Sheaves, Barb & Kim Gregory, Rod & Heather Barrett, Paige & Henry, Doug & Shelly Brierley, Carmen Sobon-Goldsney you all deserve a big hurrah for all your effort!

The Best Kept Yard this year went to Jason Tharp & Amanda Lickoch for the huge amount of landscaping and attention to detail they have put into their yard.

The Best Historical Display was won by Ralph

& Barbara Becker. Their display represented the logging/lumber in our area and also a beautiful first nations dream catcher.

Many people got honorable mention for having such well kept yards. We also handed out 40 prizes for best on each block.

Thank you to Brazeau County and the Village of Breton for sponsoring all the prizes and signs.

Big thank you to the Breton Booster for sponsoring all the advertising.

Thank you to Salt & Pepper who also donated some extra gift certificates.

And finally, thank you to the judges Mandy Murrin, Matt Papinaeu and Kristin Mackenzie.

BOOSTER NOTICE

Please Note:

There will be no papers
the week of
July 19th - 23rd.

"Summer Rocks!" a summer activity for all ages!

Come join us to paint 'kindness rocks' to hide in our community. We will be meeting at Breton Faith Covenant Church (across from the Breton water tower) on the first and third Wednesdays of the month @ 7 pm - 8 pm

July 7th, July 21st, August 4th, August 18th.

Bring a special rock to paint, or use one of ours! Painting supplies will be provided. We ask that those under the age of 12 be accompanied by an adult. There are fantastic 'kindness rocks' painting ideas on the internet. Take a look!

Throughout the summer we will hide a special "Spread Joy" rock. The person who finds a "Spread Joy" rock has won a summer gift basket! Instructions on how to exchange the rock for a gift basket will be found on the bottom of the rock.

'Kindness Rocks' is a viral trend where people paint rocks or stones with inspirational messages or sayings. The painted rocks are left in public places for people to find with the intention of spreading kindness and joy to others.

Production Assembler **Career growth opportunities** **Benefits, Bonus plan, RRSP plan**

Job Title: Production Assembler
Base Salary: \$18/hr + (Entry Level Position)

About Us:

Founded in 1994, Blue Falls Manufacturing (BFM) is the proud producer of Arctic Spas® Hot Tubs and All Weather Pools. We are proud to be Canada's largest hot tub dealer, providing the best product and service in the industry. BFM thrives on inspiration, innovative engineering, and employee dedication and experience. Our team is customer focused, delivering the highest level of service and product quality possible.

Summary:

- Blue Falls Manufacturing (o/a "Arctic Spas") is currently looking for Production Assemblers to join its Production team(s) in Thorsby and Breton, Alberta. We have multiple full-time opportunities available; our objective is to expedite hiring over the coming weeks.
- Work/life balance is key; we have three (3) different day shifts, all of which allow an employee to start and end their day early. Our team works Monday thru Friday, weekends off.
- Employees are eligible to participate in our bonus, recognition, and referral programs; we offer an attractive benefits package, as well as RRSP matching. At BFM there are numerous cross-training and developmental opportunities available; we promote from within when possible, and believe that the more you know, the more you grow!

Duties:

With 14 different areas along our assembly line, we have lots of variety and learning opportunities!

- Using vacuum forming equipment, transform raw acrylic sheets into the Arctic Spa shell
- Carefully spray and roll fiberglass to strengthen shells
- Install jet fittings, lights, and options necessary to operate a spa
- Fit every single jet fitting with air and water hoses, ensuring tight fitting hoses that do not leak
- Construct cedar and no maintenance spa cabinets that the spa shell is installed in
- Foam/insulate the spa cabinet
- Install the spa control pack, pumps, heaters, sanitary generators, and stereo amplifiers (everything that makes a hot tub work)
- Join the spa shell and cabinet, center it, and square it, connecting the two major components with foam insulation
- Conduct pre-testing; connect all of the pumps, install jets, repair cabinet damage, stain cedar cabinets, install the topside controller, and test the electrical system for each tub
- Test the integrity of Arctic Spa tubs to ensure a functional, complete unit
- Build cedar and no maintenance doors to install on sides of spa cabinet
- Add finishing touches, clean, prepare, and package Arctic Spa tub for delivery
- Meet scheduled build demands as set by daily, weekly, and monthly orders
- Daily reporting to area Lead Hand, Production Supervisor and the Production Manager

Skills/Abilities:

- Physically fit with good mobility and manual dexterity
- Capable of performing repetitive tasks in a fast-paced environment
- Flexibility to adjust personal schedule to accommodate overtime as needed
- Excellent attendance and punctuality
- Able to stand for sustained periods over an eight (8) hr period
- Ability to push/pull and or lift up to 50-60lbs unassisted
- Positive attitude; willingness to learn

Experience/Qualifications:

- N/A – will train
- Experience working with hand, power and/or air tools considered an asset but not required
- Experience handling materials utilized in manufacturing processes desired but not essential Work Environment:
- Manufacturing plant setting
- Depending on work area, exposure to hot, humid, wet, cool/cold and/or breezy conditions
- May be exposed to chemicals/fumes, dust/particulates, and varying noise levels

Compensation:

- \$18.00/hr. + (depending on role)
- Bonus program
- RRSP matching
- Overtime available
- Benefits following 3 months of employment
- Social committee (no cost to employees)

Other:

- Valid Driver's License and reliable personal transportation to commute to and from work
- Own steel-toed footwear required; all other PPE provided by BFM

COVID-19 considerations:

Face masks are mandatory; Social distancing; Hand hygiene; Covid-19 questionnaire upon entry to building; Temperature testing
Reference ID: Feb 01, 2021 Job Types: Full-time, Permanent Pay: \$18.00 per hour COVID-19 considerations: PPE: Due to COVID-19, Mask (provided), safety glasses (provided) & steel-toe boots required, any further PPE required will be provided.

Please submit resume in person at Blue Falls Manufacturing:

- 4549-52 Street, Thorsby, Alberta T0C 2P0
- 5303 47 St. Breton, Alberta T0C 0P0
- Or via email to hr@goarctic.com

92 Years of Soil Research

From Allan Goddard

Situated 3kms southeast of the Village of Breton is the home of the Breton Soil Plots. The story of the Breton Plots dates back to 1929 when Dr. F.A. Wyatt and Dr. J.D. Newton, of the Department of Soils Science department at the University of Alberta, started to look for a piece of land in which to conduct research on the effects of fertilizers and crop rotation on the vast acres of grey wooded soils common to the forest belt in western Canada.

By the early 1920's, much of the more productive prairie land in Alberta had been settled. As settlement advanced into the forest belt of Alberta the settlers found the soils were very different from the black loam of the prairies. Although the land was covered with a lush growth of trees and adequate moisture, the homesteaders soon found cropping practices which worked on the rich prairie soil did not work on these types of soils. After the back breaking work of clearing the land of trees, they found that after only a few years the crops yields dropped significantly. The practice of growing wheat one year, summer fallowing the next and then another crop just wasn't working. Many farmers in the area were barely surviving trying to farm.

It was with this in mind that Dr. Wyatt and Dr. Newton started to look for a small plot of land to carry out their research. They were looking for a piece of land that had no commercial fertilizers applied. Their search led them to Breton and the farm of

Ben Flesher. There is a story... that when they approached Mr. Flesher with their proposal, he indicated that he was growing legumes and didn't need to use fertilizer. As they talked, the Drs. indicated that they didn't see much for legumes growing. It is said that Ben invited them to "take the whole d**n farm, it was no good anyway". However, an agreement was reached for the University to lease a plot of land from the Flesher family, and so began a 92-year relationship with the Flesher family.

Shortly after the establishment of the plots in 1930, the University began to hold annual field days to disseminate the knowledge they were learning from their research. One Winfield farmer who attended the early Field Days was Lou Hendrigan. Like many farmers, Mr. Hendrigan was becoming discouraged with trying to make a living with traditional practices. From the knowledge he learned by attending the Field days, he came to the conclusion that much of the grey wooded soils were better suited to forages and cattle production. Over the years he developed a system of continuous forage and grazing that worked for his farm. Like the Flesher family, Lou Hendrigan was a staunch supporter of the research carried out at the Breton Plots. In 1980, the Hendrigan Plots, a new set of plots was developed based on the experience and the knowledge of Lou Hendrigan. In 1987 Lou Hendrigan was inducted into the Alberta Agriculture Hall of Fame.

While agriculture has changed significantly in the last century some of that change can be attributed to the work carried out at the Breton plots.

brazeau.ab.ca | (780) 542-7777

Welcome to Summer – Wow what a sunny hot summer week. We are excited to have our summer youth program open for in person registration. Programming will be offered by FCSS on Tuesday, Wednesday Thursday. McMann Family Resource Centre will be offering a play in the park program on the 2nd and 4th Mondays of July and August. Alyssa and Kiley will be back to lead the actives. I know they are looking forward to seeing all of you. Here are the first few activities. A full listing is available on the Village of Breton website at www.breton.ca A couple of our programs are full so don't wait if you would like to participate.

There are a few changes to our programming. We are asking that you pre-register or register the day of the program (space permitting) for all programs even if there is no cost to participate. Many program dates have been split into age groups. This will allow us to offer more programming spaces and also adapt the activities to different age levels. You may register for both the morning and afternoon sessions on the same day for the BOLD program. If you are registered for both your child can bring a lunch and stay for the time in between sessions. Staff will supervise them. Please do not send anything that needs to be heated.

Participants will still be asked each program day to sign in, use hand sanitizer and have their temperatures taken. Families and older adults are welcome to attend our music presentation on July 15, the Traveling Zoo on August 19, the Lacombe Corn Maze on August 24 and the Climbing Wall and mini golf on August 25. Please watch the Booster and our Breton and Area Facebook page for updates on programs details that may have to be adjusted due to health restrictions or location changes.

Here are a few of the first few programs that we will be offering
 July 7 – Join us at the Movies – It is time to go to the movies. Again, we will have our younger kids watching in the morning, 10 and older in the afternoon. Pre-packaged snacks and refreshments will be our treat for them. Parents and older adults are welcome to attend. Movies to be shown will be announced next week.
 July 8 – Come Fly A Kite — Our 5- 9-year kids will make

and decorate their kites. Then hopefully we have a bit of a breeze to try and fly them.

July 8 - Sugar Scrubs. For those 10 and older we will learn how to make your own sugar scrubs for a refreshing bath time.

July 12 - Park Play – Join the staff from McMann Family Resource Centre for Play time in the Centennial Park (rubber park, downtown). Crafts, games, songs and play time for all ages.

July 13 – Machine Mania – Today will be split again into our two age groups. Find out how wedges, screws, and levers help us with our daily lives. Use simple machines to complete different tasks like lifting weights and launching marshmallows.

July 14 – Outdoor Survival – Ever wondered if you could survive outdoors? Join Eagle Point – Blue Rapids staff for an outdoor introductory survival course, including trip preparedness, knife skills, fire lighting and shelter building. Ages 9 & older.

July 15 – Message Maker - AM – All ages are welcome to join in on making cards, notes and pictures to share with others in the community. Weather permitting, we will place special chalk messages around the community.

July 15 – Mary Lambert – PM – Summer Songs will fill the air with Canadian Award-winning performer Mary Lambert. Everyone is welcome to join us for a song filled afternoon.

July 20 – Craft Time AM – Pottery - PM – A variety of craft projects will be provided for you to show off your creativity. Our 10 & older youth will get to try a pottery wheel in the afternoon, creating a bowl and a flower tea-light.

July 21 – Stitching Time - Hand stitch a project to take home. All supplies provided.

July 22 – Decorative Birdhouses - AM – These large character birdhouses need your creative touches to look just right. Our older youth can spend the morning making each one unique.

July 22 – Come Join the Circus – PM – Run away to the circus for the afternoon. Learn to juggle, hula hoop and spin plates along with other circus tricks.

July 26 - Park Play – Join the staff from McMann Family Resource Centre for Play time in the Centennial Park (rubber park, downtown). Crafts, games, songs and play time for all ages.

July 27 – Scavenger Hunt – Time to get your thinking caps on and figure out the scavenger hunt around the village. Thanks to the staff at Eagle Point – Blue Rapids for taking us on this trip. All ages welcome to participate.

July 28 – Discover Navigation, Compass & Orienteering with the staff from Eagle Point – Blue Rapids. Learn skills that will set you in the right direction.

Preacher's Point

from Pastor Jeff Gooderham

"The life of Christianity consists of possessive pronouns" says Martin Luther. It is one thing to say, "Christ is a Saviour"; it is quite another thing to say, "He is my Saviour and my Lord." Anyone, including the devil himself can say the first; the true Christian alone can say the second." It is one thing to know that Jesus Christ is a Savior, and it is a very different thing to know that He is your Savior. The bible is clear that there is no other name given onto man by which we might be saved, other than the name of Jesus. To know Him as your Lord and Savior is to know the peace that passes all understanding. Jesus said, "For I Am the way the truth and the life, no man comes to the Father except through Me." John 14:6. Is He your Savior?
