

TH^{RSBY} TARGET

Successful Season From Sherri Morrissey

Thorsby Bandits Baseball is excited to report an amazing season. With over 80 registrants from combining Thorsby, Calmar and Warburg, players enjoyed outdoor activity after a long COVID shut down. Three of our seven teams had an opportunity to join league play once restrictions lifted. Our U15 team hosted the tier 1 playoff weekend and earned a silver medal. The U13 team played in the tier 1 playoff weekend as well and won gold. Additionally, the Bandits walked away with another gold medal in league play with our U11 YEGA team winning the "A" championship.

The Bandits participated in the Baseball Alberta U13 "A" Provincial Championships hosted by Red Deer this past weekend. Combining our U13 and U11 age groups created a dedicated team that battled hard and won silver. We are so proud of these players! Thorsby Baseball would like to thank all the players, coaches, volunteers, umpires and families for a memorable season!

Long-time County Resident Running for Division 7 Councillor

Pam Fouillard is proud to put her hat in the ring for Division 7 Councillor.

Pam and her family have lived in the Strawberry Creek area for the last 25 years. Pam, with her husband Dan and children Dakota, Hannah and Markus all grew up in the Thorsby area and attended Thorsby school.

Professionally, Pam has worked as an Office Administrator at the Leduc Regional Chamber of Commerce, served as an EA at Thorsby Elementary and Jr. Sr. High school and is currently employed as a Registered Massage Therapist.

Throughout the years Pam has volunteered with Thorsby Soccer, Thorsby Minor Hockey Association, Outreach for Pregnant and Parenting Teens in Leduc and most recently as a big sister with Big Brothers Big Sisters.

In all her roles, it's the people that have remained Pam's passion. Her outgoing attitude, and genuine heart make her the perfect choice to be your Division 7 voice.

Pam is looking forward to meeting - and reconnecting - with residents of Division 7 and listening to their ideas and concerns.

Advanced voting is Thursday October 7 from 10am to 8pm and Saturday October 9 from 10am to 6pm. Advanced polling locations are Coast Nisku Inn, Rolly View Community Hall and Thorsby Jr. Sr. High School.

Election Day is October 18 from 10am to 8pm with voting stations to be posted at a later date.

Also a reminder that during the municipal elections Albertans will be able to vote on equalization and daylight savings.

If you have any questions or concerns, please reach out to Pam at Pam.fouillard@hotmail.com

Hello!

August crept up fast this year. I hope you are enjoying the summer. Have you discovered any great apps or websites? My favourite sources for finding information on local trails, identifying plants, and learning about birds and biodiversity are: All Trails <https://www.alltrails.com/>, Plant Net <https://identify.plantnet.org/>, All About Birds <https://www.allaboutbirds.org/news/>, and Nature Alberta <https://nature-alberta.ca/featured-species/>. I have always wanted to know more about Alberta's natural areas and these resources have been most helpful.

Library news is, we have temporary access to an extra room in the complex, our Maker Studio! With your help, we will offer access to new and retro technologies, and transform the space into a studio for learning, creating, and exploring possibilities. I hope to gather 4-6 people to help with organizing and kicking this off. Ideas could include: typewriters, card making, sewing, coding, lego and more! Anyone interested? Please send your ideas and ability to volunteer to my attention at yatmgsacuta@yrl.ab.ca, or phone the library and leave a message at 780-789-3808. The group will begin with meeting twice per month via Zoom or in person.

Did you notice the landscape changes? We have a new concrete bridge bringing you up to the library's entrance, and a gazebo on the Northwest corner of the building which may become a comfortable reading nook. Soon, we will wrap up the Summer Reading Club by gathering your ballots and drawing for prizes. What a wonderful summer of activities our Friday programs have seen. Library hours remain Tuesday 10:00-6:00, Wednesday 10:00-4:00 and Friday 10:00-4:00.

Alberta Open Farm Days 2021

By Amissa Jablonski

Alberta Open Farm Days is taking place August 14 & 15, 2021 and many local agricultural sites will be ready to welcome you for a visit!

Based in a desire to foster rural sustainability and agri-tourism, Alberta Open Farm Days is in its ninth year and the concept of Open Farm Days has been in Canada for over a decade. The two-day, province-wide event sees agricultural-oriented businesses, producers, and organizations welcome visitors to learn about their operations and experience all the unique things this industry has to offer. The following local sites have wonderful adventures waiting for you to explore.

Annelida Organics - annelida.ca

Located in Nisku, Annelida Organics is a red wiggler worm farm that uses the little squirmers to engage in regenerative agriculture. Founder and Director of Operations Jamie Depape started the Annelida in Stony Plain and soon expanded to Nisku. The red wigglers are fed everything from coffee grounds to horse manure and turn it into castings which are used as additives to improve soil health. For Open Farm Days, Annelida Organics are offering a tour of their facility and a hands-on experience with the red wigglers.

Great & Small Adventure Farm - www.greatandsmalladventurefarm.com

Located just west of Range Road 23 on Highway 616 south of Sunnybrook, the Great & Small Adventure Farm is a Gospel themed day farm and organic farm. Situated on 158 acres of mixed wood forest and meadows, the Adventure Farm has a petting zoo, gardens, greenhouse, picnic park, and sports park. The organic gardens offer fruit, berries, and vegetables. For Open Farm Days, the Great & Small Adventure Farm has all its attractions open with limited produce available.

Grey Owl Meadery - greyowlmeadery.com

Located at 452036 Highway 22 just outside Alder Flats, Grey Owl Meadery is a family run farm specializing in honey wine, also known

as mead. Walter and Arleen Schwengler built their meadery to produce quality wines that would pair well with various foods and compete with traditional wines. There is a patio that offers charcuterie platters, fancy coffees, and their very own selection meads. For Open Farm Days, they are offering mead tasting and a brief educational experience of the process. Groups of four or more are recommended to call ahead to reserve a table and the site is both kid and dog friendly, provided the latter is on a leash.

Old Red Barn - theoldredbarn.ca

Located at 25518 Township Road 490 near Glen Park Road and Highway 2, the Old Red Barn is an agri-tourism and special events venue owned and operated by Melissa and Matt Schur. With a vision to help 'all customers to trust and prefer Canadian food products,' the Old Red Barn focuses on local producers. Finding its home at Glen Park Holsteins, Melissa's parents' dairy operation, the barn is a popular spot to visit. For Open Farm Days, they are hosting two long table dinners with Chartier Restaurant out of Beaumont, both of which sold out in two days!

Rig Hand Distillery - righanddistillery.com

Located in Nisku, Rig Hand Distillery was the first craft distillery in the greater Edmonton area. The brainchild of Geoff Stewart, Rig Hand makes vodka, rum, whiskey, gin, moonshine and coffee cream liquor from raw ingredients sourced locally that can be found in their distinctive Leduc #1-inspired oil derrick bottles. For Open Farm Days, you can take a tour of the distillery to see how the local products are used and sample their wares.

Round Hill Renaissance Agricultural Foundation - facebook.com/rhraf2020

Located near Round Hill south of the Round Hill School between Railway Ave N and Railway Ave S, the Round Hill Renaissance Agricultural Foundation was founded in 2020 to integrate agri-food with educational partnerships in order to help save the school at Round Hill. They connect people through food, facilitate collaborative partnerships, and educate to inspire. While the school-based program was sidelined

by the COVID-19 pandemic, the Foundation forged ahead to create a 3.58 acre food-scape. For Open Farm Days, they are offering a tour through their food forest (currently in its first year) which has a shelter belt, garden, composting, and fruit trees and bushes. They will also have information on the school program, chicken poop bingo, and lots of learning opportunities.

Sunnybrook Hill Orchard - facebook.com/sunnybrookhillorchard

Located a half mile north of Highway 616 on Range Road 22 south of Thorsby, Pat and Donna Krawiec's Sunnybrook Hill Orchard grows sour cherries specially bred for the prairie climate. Offering U-Pick when the cherries are ripe in mid to late August and a wide variety of cherry based products (including home-made cherry pie), the Orchard shop is open on weekends with extended hours during the harvest season. They can also be found at the Mulhurst Farmer's Market on Fridays. For Open Farm Days, you can receive an education tour of the Orchard to learn about growing these specialized cherries and indulge yourself in all kinds of cherry treats.

Sunnyhill Alpacas & Twisted Sisters Mill - twistedsistersmill.com

Located at 50122 Range Road 225 just northwest of New Sarepta, Sunnyhill Alpacas is an alpaca herd owned by Leanne and Kevin Sept and Twisted Sisters Mill is owned by Leanne with her sisters, Renee and Marlene. They make spun yarn and roving from the annual shearing of the alpacas that can be used for knitting, crocheting, and felting. For Open Farm Days, Sunnyhill Alpacas & Twisted Sisters Mill will offer demonstrations of making yarn, hand spinning, and knitting; are hosting a make your own felted soap station; have the marketplace open to purchase all kinds of alpaca products; and, two words, ALPACA SELFIES!

Full details on these and all the amazing farm experiences that make up Alberta Open Farm Days can be found at albertaopenfarmdays.ca. All locations recommend pre-booking their experiences through the Open Farm Days website to guarantee your visit.
