

THE BRETON BOOSTER

HALLOWEEN IN BRETON

Whether you like to scare, be scared or just watch the festivities, Halloween is one of the most entertaining times of the year. This is when you can be whomever you want to be and nobody judges you.

According to Wikipedia, Halloween or “All Hallows’ Eve”, has hundreds of years of origins and historic customs but here in Breton, it’s just plain fun. Decorations and activities only get better over time. Here are some pictures of a few activities and homes in Breton from Sunday.

Photos courtesy of Deanne Young

A local resident who wishes to remain anonymous sent me this picture and write up about a new Halloween idea formed this year.

“It was a beautiful Halloween Promenade. A few women of Breton came out for a few laughs and a great walk about. We saw some really cool house and yard decorations and stopped in for a complimentary hot chocolate. For all the ladies that couldn’t make it out, hopefully we have a bigger turnout next year. Remember, Halloween is for everyone, not just the kids...A shout of thanks to Betty at IDA, Shawna and the folks at Salt & Pepper and Jeff and Starla at Nature’s fuel for all your help and contributions to the first Women of Breton Halloween Promenade”

The Breton Booster can be viewed online & in color at www.community39.com

today I CHOOSE joy

Soul Care

Anyone else had a rough go at hanging on to joy this past year? I think for many of us it indeed has been a challenge as we try to navigate our way through this life and hang on to joy. Living in the chronic stress we have been in this past year and half, has had its moments. Many have struggled with broken relationships, loss, grief and not to mention both physical and mental health concerns. Some days joy feels far away.

I invite you to do an inventory of your life today and ask yourself what brings you joy? We know what makes us sad, disappointed, angry, frustrated, and lonely but what bring us joy? Think on that for a moment and then go do it! Choose joy. For me it is spending time in the God's word and spending time in His creation...especially the mountains. I know my joy cannot come from circumstances that surround me but only from my relationship with Jesus. I love the mountains they fill me up with His joy peace and hope. They also help me breathe and bring in a new perspective to any situation I find myself in. So, my friends, what brings you joy? Start writing it down and then go do one thing that fills you up in a good and hopeful way!

My name is Natasha Westerhoud, I am a Pastor at Faith Covenant church in Breton AB. My family moved into Breton 18 months ago and we have been finding ways to connect and do life here in this beautiful community. I am also a mental health pastoral care counsellor and finishing up my graduate studies in Family and Marriage Therapy at Briercrest Seminary. I am a follower of Jesus and I aspire to His teaching on love, compassion, and radical hospitality. I have been a pastor for 21 years and my purpose is to live out an extraordinary life in the ordinary and be reminded each day that "We're all just walking each other home" Ram Dass. I look forward to bringing an encouraging word to you all in what ever season you find yourself in. Peace my friends. Natasha.

FCSS NEWS from Deanne Young

Just In Case

What would you do in the event that you or your partner were unable to communicate due to illness, injury or the event of your death? The JUST IN CASE file is a collection of information that will help your family and possibly your executor.

When you are dealing with grief and added stress the last thing you need is further stress not knowing where to find important documents or answers to the many questions being asked of you.

Stop by the Breton and Area FCSS office - 4916 50th Avenue Breton for your copy of JUST IN CASE. Or contact us by email for an electronic copy that you can fill out. - fcss@breton.ca

Halloween Yard Celebration

We are starting to receive pictures of your fabulous yard decorations. There is still time to send them in. Either drop off a photo at the Village Office or email them to fcss@breton.ca. Deadline to submit them is November 15th. Thank you to all that participated and make our community look "spooky" for the holiday.

Santa's Workshop

Together with the Breton Agriculture Society and Breton ELKS we are planning on hosting a Santa's Workshop on Sunday November 28th. This will be an area that children are able to shop in for their parents, grandparents and siblings. We are also hoping to have additional activities for the children to participate in, such as crafts, cookie decorating and a letter writing area for those special letters to Santa. If you would like to volunteer, please contact Breton FCSS at fcss@breton.ca or 780-696-3636.

Secret Santa for Seniors

With Christmas just around the corner Breton FCSS will be coordinating a Secret Santa for Seniors. This program is for seniors that live in the Village of Breton or Brazeau County east of the North Saskatchewan River. There are two parts to this program.

1. Seniors that are going to be alone for the holidays can phone in or stop by the Breton FCSS office and complete a profile. Information collected will be your name, address, phone number, Things you like to do, treats you like, items that you would like to have on your Christmas List. Seniors can also be registered by community members or agencies. This information along with just their first name will be

placed on a Christmas Tag. Registrations must be received by December 1.

2. Community members can view the Christmas tags at the Village of Breton Office and select a senior to shop for. Once they have completed their shopping, they will return the items to the FCSS office. Additional items will be added to your gift, wrapped and delivered by Volunteers. Shopping must be completed by December 18th. If you are unable to come into the office to make a selection, please call or email fcss@breton.ca and we can assist you with the selection.

3. Deliveries will be made on December 21 & 22. If possible, we encourage purchases to be made in Breton and Drayton Valley to support our local businesses. We will be looking for Volunteers to wrap and deliver the gifts on December 21 & 22. These activities will be done according to Covid-19 regulations set out by Alberta Health Services.

Counselling Subsidies

ALL Fees Waived Until December 31. Breton and Area FCSS is pleased to offer Counselling Services

A subsidy is available for individuals, couples and/or families who are struggling with common, everyday issues to access short-term preventative counselling services. The goal is to:

- o Improve relationships with better communication and conflict resolution skills;
- o Improve mood with anger management and emotional support;
- o Enhance personal growth with creativity, spirituality, self-esteem, self-awareness, goal setting;
- o Improve parenting skills by focusing on attachment;
- o Reduce stress with life balance; and/or
- o Learn new skills and behaviors

The cost of counselling can be a barrier for many individuals and families. This subsidy is available to those who do not have access to coverage through health benefits or employee benefits, such as an Employee Assistance Plan (EAP), and whose family income is less than \$75,000 per year. Fees are determined according to a sliding scale based on income and family size. **Fees ranging from \$15 per session to \$50 per session will be reimbursed upon receipt of attending the appointment. This will be in effect until December 31, 2021** Counselling services are provided through a partnership with Karunia Counselling from Leduc. We know that in this current environment many may have additional stress and anxiety. We also know that transportation may be an added barrier. These sessions can be arranged to be in person in the Karunia offices in Leduc, over the phone in your own

safe environment or virtually on your computer.

To apply for the subsidy services, application forms are available through the Breton FCSS Office at 4916 50th Avenue or by contacting them at fcss@breton.ca or calling 780-696-3636. **ALL APPLICATIONS ARE STRICTLY CONFIDENTIAL.** Please contact the Breton FCSS Office and we can discuss your individual situation.

Preacher's Point

from Pastor Jeff Gooderham

Jesus asks us a great question? "Why do we worry?" Well we might respond with any number of reasons. "Have you read the news lately?" "Have you seen my bank account?" "Have you met my family?" We have lots of reasons and examples to counter this question with, and yet the question still remains. "Why do we worry?" It's funny that Jesus would use the example of birds, they don't harvest nor do they store up in barns and yet they are provided for, in fact Jesus says that God literally feeds them. Have you ever sat and just watched a bird? They really don't appear to be all that worried or anxious. They sit on a fence post or power line or high in a tree and sing their song, then off they go in search of food trusting that they will find it, and return to their perch to sing again. The question behind the question that Jesus asks, is do you have the faith that a sparrow has? It trusts that God will feed it, do we?

Dr. E. Stanley Jones says, "I am inwardly fashioned for faith, not for fear. Fear is not my native land; faith is. I am so made that worry and anxiety are sand in the machinery of life; faith is the oil. I live better by faith and confidence than by fear, doubt and anxiety. In anxiety and worry, my being is gasping for breath--these are not my native air. But in faith and confidence, I breathe freely--these are my native air. A John Hopkins University doctor says, "We do not know why it is that worriers die sooner than the non-worriers, but that is a fact." But I, who am simple of mind, think I know; we are inwardly constructed in nerve and tissue, brain cell and soul, for faith and not for fear. God made us that way. To live by worry is to live against reality."

"Therefore I say to you do not worry about what you shall eat or what you shall wear....but seek first my kingdom and all these things shall be given onto you!" So friends, the way to worry about nothing is to pray about everything!!

HEALTH ADVISORY

Blue-green algae (cyanobacteria) bloom, water quality advisories lifted

Recent weather has cooled lake and reservoir water temperatures to such an extent that blue-green algae is no longer a health concern, including in eight of water bodies in Central Zone, which had previously been placed under blue-green algae (cyanobacteria) bloom advisories.

Effective immediately, Alberta Health Services has lifted the blue-green algae (cyanobacteria) bloom advisories for:

Alix Lake
Astotin Lake
Bigelow Reservoir
Buck Lake
Haunted Lake
Little Beaver Lake
Wapasu Lake
Windsor Lake

AHS has also lifted the water quality advisory for:

Ebeling Beach at Aspen Beach Provincial Park on Gull Lake

As always, visitors and residents are reminded to never drink or cook with untreated water directly from any recreational body of water, at any time.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

Government of Alberta NEWS - EDUCATION

Diploma exams

In response to feedback from students, parents and education partners about stress and anxiety around academic achievement exams, Alberta Education will temporarily change the weighting of diploma exams to 10 per cent from 30 per cent for the 2021-22 school year.

The ministers of Advanced Education and Education have sent an open letter to Alberta's post-secondary institutions to advise them of this change and encourage them to further consider the impact the pandemic has had on students who are applying to their post-secondary institutions.

"Alberta's students continue to face challenges due to the pandemic and I have heard concerns for our graduating class of 2022. I've heard feedback from students on my Minister's Youth Council as well as from education partners that changing the weight of diploma exams will reduce the burden on students while still giving them valuable exam writing experience. We're making this temporary change in recognition of these circumstances, which we hope will place less of a burden on these students." *Adriana LaGrange, Minister of Education*

"The College of Alberta School Superintendents is pleased with the Alberta government's commitment to provide additional funding to support school divisions with addressing Grade 1 to 3 student learning challenges stemming from the pandemic. We're also grateful for the Minister's decision to reduce the weighting of diploma exams as it will support Grade 12 students whose learning has also been adversely impacted." *Wilco Tymensen, president, College of Alberta School Superintendents*

"As a member of the Minister's Youth Council, it pleases me to see the Minister taking our feedback and concerns into consideration. As a Grade 12 student, the experience of writing diplomas is essential to prepare us for success as we consider post-secondary. Reducing the weighting of the exams will lessen the impact on mental health in youth while still ensuring that students are motivated to learn and understand the critical value of our education despite the effects of the pandemic." *Tacey, member of the Minister's Youth Council, Parkland School Division*
