

# THE BRETON BOOSTER

## RESCHEDULED FAMILY DAY IN BRETON!

*from Deanne Young, Breton FCSS*

Thank you to everyone that came out for our rescheduled Family Day activities. It turned out to be a beautiful winter day. Those that attended enjoyed the hospitality of the Breton ELKS, serving hot dogs and hot chocolate along with cookies from Breton FCSS. The fire was a place to warm up between sleigh rides provided by Tom Gould and those skating. The Breton Agricultural Society set up a challenging course for Snow Golf and for the little ones there were craft packages from Brighter Futures to take home along with supplies to do some snow painting. We hope all of you had a fun time and look forward to our next Family Day. Thank you to the Breton ELKS, Breton Agricultural Society, Brighter Futures for partnering on the day. We could not have done it without you.

## Community Volunteer Income Tax Program – **FREE INCOME TAX PREPARATION**

For Low Income Persons, Families, seniors and students. Although this is something, that most of us would like to avoid thinking about and doing, I am afraid that this is unavoidable. You need to file your income tax each year, even if you have no income to report. By doing this you may receive benefits that you did not know you were eligible for. Also, in the event of the death of your spouse, benefits can easily be transferred to you, if you have filled a return for the last calendar year. If you did not file a tax return in 2021 you may not be receiving benefits from the government that you are eligible for. The focus of the Community Volunteer Tax Program is to assist those individuals who have limited income. This includes seniors, families and students. If your income was approximately in one of the following categories you may qualify for assistance.

· 1 person	30,000
· 2 person family	37,000
· 3 person family	40,500
· 4 person family	43,500

We are not able to complete returns with income from the following sources:

*Capital Gains or Losses, Farming Income, Rental Income, Self-Employment, Interest exceeding \$1,000, Bankruptcies, Deceased Persons*

This service is FREE to those who qualify. If you require this service, please gather your information and bring it to the Village of Breton office Monday to Thursday between 8:30 – 4:00. Clients will be notified when your return is completed. The program will run from March 1 – April 30, 2022

We require the following information in order to complete your return:

- Personal Information (Social Insurance Number, Birth date, Marital Status, Address)
- Dependent's information – spouse/ children's names, birthdates.
- All "T" Slips (T4's, T4A, OAS etc.)

- All Forms, Schedules, and Labels you have received from Revenue Canada.
- Receipts for any expenses such as medical, moving, tuition, sporting activities. Printouts from your pharmacist are available for those with numerous prescriptions.

## Breton Women's Wellness Day – Saturday April 9th

This is a great day full of speakers, breakout sessions, fabulous food, prizes and retail therapy. Carla White will be our Keynote speaker - As a speaker, performer, motivator and yes an ACTUAL fire fighter Carla is on a mission to inspire, empower and energize others to stop letting life's figurative and literal fires burn them out. Carla invites you to sneak away for the day and release your inner "angry housewife" and feel happy and liberated - like the most true version of yourself. We have all gone through an unprecedented emotionally charged shitastrophy...pronounced "pan-dem-ic". Caral will help us with our recovery. Her life experiences have led her to having to heal herself first. She will share her journey through her sassy and soulful self. Empowering you to be happy, fulfilled, free by being more YOU.

Breakout sessions will include – Intentions Boards, Finding Funny Faster, Moving Toward Gratitude and Bunnies and Charcuterie. Our day will end with "Confessions of an Angry Housewife" Space is limited in some of the sessions so gather your BFF's, sisters, daughter or just bring yourself and register today. ## PULLING RUSSIAN LIQUOR PRODUCTS FROM ALBERTA SHELVES

**Alberta Gaming, Liquor and Cannabis (AGLC) is not accepting new stock of Russian-made liquor products and will not sell any current stock to retailers.**

Alberta's government has directed AGLC to take these immediate steps as a sign of condemnation of Russia's invasion of Ukraine.

*"Alberta stands in solidarity with the citizens of Ukraine and we will support those fighting against tyranny any way we can. Thank you to AGLC and all of Alberta's licensed liquor retailers for taking these steps to stand on the side of freedom and democracy. I encourage all Albertans to do what they can to support Ukraine by making a donation or supporting some of the many Ukrainian-Canadian-owned businesses in the province."* Jason Kenney, Premier

These steps are in addition to the Alberta government's \$1-million contribution to the Ukraine Humanitarian Appeal, organized by the Ukrainian Canadian Congress and the Canada Ukraine Foundation to help coordinate and deliver much-needed humanitarian aid in Ukraine.

*"To the citizens of Ukraine fighting for their freedom and the many Albertans with deep Ukrainian roots, please know Alberta's government stands with you and we will take any steps we can to denounce the Russian invasion and support a free, democratic Ukraine."* Travis Toews, President of Treasury Board and Minister of Finance

### Quick facts

- Effective immediately, AGLC is halting new registrations of Russian-made liquor products and refusing to accept any new stock shipped to Alberta.
- AGLC is also prohibiting the sale of any Russian-made liquor already in Alberta to retail licensees. *This means retail liquor stores cannot purchase products currently in Alberta in the AGLC central warehouse.*

## Breton Word of Faith CHURCH

LEARNING TO LIVE IN THE POWER OF GOD

*Some key thoughts from the Bible:*

- God loves us all!
- He is here to save us:
  - In eternity (heaven),
  - In issues we face in this present life.
- He does this through our relationship with Him. We each have our own role to play.
- Friends, spiritually speaking, we cannot just sit back and hope for the best. Many things happen in this life that are unfortunate and not part of God's good will for us.
- Church is about learning our role and pro-actively participating in relationship with Him.
- We are learning to live in the power of God.
- We are learning to live in His love.
- His love is a caring, positive, affirming environment.

## Psalm 136

1 Give thanks to the Lord, for he is good.

*His love endures forever.*

2 Give thanks to the God of gods.

*His love endures forever.*

3 Give thanks to the Lord of lords:

*His love endures forever.*

When my heart hurts, I turn to the Word of God for comfort and this week I spent time reading and reflecting on Psalm 136. This morning I am reminded through this Psalm that no matter what is going on around me, **God's love endures forever**. No matter what I am hearing and reading, **God's love endures forever**. No matter how lost I feel today, **God's love endures forever**. When you read Psalm 136 you not only notice the history of what has happened throughout the bible, but you also notice that during these challenging times, God's love and care were present. You also find that His love endured not only once but we see it is repeated twenty-six times, **His love endures forever**. I was taught in seminary that when God repeats Himself, you need to notice. So today, I want to invite each of us to notice this truth, that **His love endures forever**. God's love was present then and it is present for us today. The word **endured** in this translation also means lasted, suffered, lived, survived, and remained. Today I encourage you that if you are feeling a bit overwhelmed, be reminded that God's love is still present for us today. His never-ending love remains, He has not abandoned us or left us. He is here with us.

Even through all the suffering, His everlasting, never ending love endures forever.

Trust in that my friends.

I encourage you today to spend some time reflecting on how you are feeling. How is your heart doing? Take a deep breath, sit down in a comfy chair with a hot cup of coffee and then take some time and read Psalm 136. Trust in God's everlasting love for you.

**His love endures forever.**

In His Peace,

Pastor Natasha Westerhoud

# CONGRATULATIONS NATALIE THIRSK - One of the recipients of the 2022 Petro-Canada FACE grant

Congratulations to the 2022 recipients of Petro-Canada's Fuelling Athlete and Coaching Excellence (FACE) Program!

The FACE Program supports up-and-coming athletes when they need it most: when they are striving to represent Canada at the Olympics and Paralympic Games, but don't yet qualify for government funding.

This year's class of FACE recipients from across Canada represent 38 different summer and winter sports in both individual and team events. These promising athlete and coach pairs each receive a combined \$10,000 grant to support their training and help them reach their Olympic and Paralympic goals. Since 1988, Petro-Canada has supported over 3000 athletes and their coaches by providing more than \$12,000,000 in financial support.

## WORLD DAY OF PRAYER 2022

The date for this year's World Day of Prayer (WDP) is Friday, 4th of March. Each year since 1927, a different host country has prepared the content of the WDP service, highlighting its country's culture and regional justice issues.

The 2022 service was written by the England, Wales and Northern Ireland WDP Committee on the theme "I Know the Plans I Have for You" (Jeremiah 29: 1-14). It has been adapted for use in Canada by the Women's Inter-Church Council of Canada (WICC) and presented as a video. This way, viewers from all over the country, in small groups or alone at home, will be able to virtually unite in prayer and action.

The video is available on the WICC website: [wicc.org](http://wicc.org) and may be accessed by anyone.

You may like to try this recipe for Welsh Cakes from Nancy Weir, WICC Office Administrator

1½ cups stirred all-purpose flour  
½ cup sugar  
½ tsp cinnamon  
¼ tsp ground mace or nutmeg  
1½ tsp baking powder  
½ tsp salt  
¼ cup butter  
⅓ cup lard  
⅓ cup currants, rinsed and patted dry  
1 egg  
2 to 3½ tsp water

Stir together flour, sugar, cinnamon, mace (or nutmeg), baking powder, and salt in a bowl. Mix in the butter and lard using a pastry cutter, your fingers, or a food processor until it looks like coarse crumbs. Stir in currants. Set aside.

Combine egg and 2 teaspoons water and beat well. With a fork, stir the egg mixture vigorously into the flour until you have soft dough. Add another 1 to 1½ teaspoons of water if dough is not holding together.

Roll out dough on a lightly floured work surface to ¼ inch thick. Cut out rounds using a 2 inch cookie cutter or juice glass. Re-roll scraps and cut again.

Heat a heavy frying pan to medium hot. Grease with lard or oil. Cook Welsh cakes for about 3 minutes per side. Welsh cake should be golden brown, crisp, and cooked through. If needed, adjust temperature. Remove to a plate and allow to cool a little. Serve warm or cool. Makes 25 cakes.

### Ode to Winter Birds

When Winter hits our prairie Lands  
Snow birds flock to southern sands,  
But we hardy birds remain behind,  
To bring joy to folks is simply kind.  
While snow and ice bring them despair,  
Our cheerful song we like to share,  
And in exchange they give us seeds  
To satisfy our winter needs.

## Preacher's Point

from Pastor Jeff Gooderham

Dr. Peter Marshall the chaplain to the US Senate once prayed these powerful words; *"Lord Jesus, thou who art the way, the truth, and the life; hear us as we pray for the truth that shall make all free. Teach us that liberty is not only to be loved but also to be lived. Liberty is too precious a thing to be buried in books. It costs too much to be hoarded. Help us see that our liberty is not the right to do as we please, but the opportunity to please to do what is right."*

He is correct. Freedom is a precious thing, so precious in fact, it led to a cross. That cross is a crossroad, a place of decision, a place of reckoning. Do we choose to walk in freedom or remain in bondage? The freedom of our world, of our country, is most critical. However, it is temporary, and precarious as we are witnessing. True and absolute freedom is not found in a government or in a mandate, but in Jesus Christ. We pray for the freedoms of our land, we pray for the leaders of our land, but of greater consequence I pray for the soul of my neighbour, my family, my friends. Our own sin will always rob us of our freedom. Whether that be on the world stage or in our personal life. Jesus came that we might know the truth, and that the truth might set us free. So today I pray for the freedoms of our land, but I pray even more for the freedom of our soul. *"Therefore, my friends, I want you to know that through Jesus Christ the forgiveness of sins is proclaimed to you. Through Him, everyone who believes is set FREE from every sin!"* Acts 13:38-39

## Someone I Love

By Emilia Harris

I love lots of people, like my grandparents, my mom, my dad and all my family but someone I love a lot is my sheep Cloud. She's really fat and wooly. Clouds loves food so much it seems like if you put some hay in front of her she hardly notices you! She's funny that way. Her favorite food is hay. When she is being really good she gets to share a scoop of grain with our other sheep. Cloud is a very noisy eater and is such a food hog. All of our sheep are awesome but Cloud is just so adorable. She loves attention. We had Cloud since she was about 4 days old. Now she is two years old. She is a big sheep for two! Her birthday is in March. We love to spend time together. I walk her a lot in summer. To show my love for Cloud I take her for a long or short walk depending on her mood. Then I feed her hay or grain. Sometimes even both. Cloud may be fat, stinky, noisy and huge but she is just so lovable.

THE END.

## Who is Jesus?

### **JESUS IS THE CREATOR and THE LIGHT OF THE WORLD:**

In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God. All things were created through Him, and without Him nothing was created that was created. In Him was life, and the life was the light of mankind. The light shines in darkness, but the darkness has not overcome it. There was a man sent from God whose name was John. This man came as a witness in order to testify concerning the Light, that all men through Him might believe. He was not this Light, but was sent in order to testify concerning the Light. The true Light, which enlightens everyone, was coming into the world. He was in the world, and the world was created through Him, yet the world did not know Him. He came to His own, and His own people did not receive Him. Yet to all who received Him, He gave the power to become sons of God, to those who believed in His name, who were born not of blood, nor of the will of the flesh, nor of the will of man, but of God. The Word became flesh and dwelt among us, and we saw His glory, the glory as the only Son of the Father, full of grace and truth (Modern English Version John 1:1-14).

Again, Jesus spoke to them, saying, "I am the light of the world. Whoever follows Me shall not walk in the darkness, but shall have the light of life" (John 8:12).

He is the image of the invisible God and the firstborn of every creature. For by Him all things were created that are in heaven and that are in earth, visible and invisible, whether they are thrones, or dominions, or principalities, or powers. All things were created by Him and for Him. He is before all things, and in Him all things hold together (Colossians 1:15-17).

### **JESUS IS THE IMAGE OF GOD:**

The god of this world has blinded the minds of those who do not believe, lest the light of the glorious gospel of Christ, who is the image of God, should shine on them (2 Cor. 4:4).

Jesus said to him, "Have I been with you such a long time, and yet you have not known Me, Philip? He who has seen Me has seen the Father. So how can you say, 'Show us the Father'? (John 14:9)

### **JESUS IS THE WORD OF GOD and THE KING OF KINGS:**

I saw heaven opened. And there was a white horse. He who sat on it is called Faithful and True, and in righteousness He judges and wages war. His eyes are like a flame of fire, and on His head are many crowns. He has a name written, that no one knows but He Himself. He is clothed with a robe dipped in blood. His name is called The Word of God. The armies in heaven, clothed in fine linen, white and clean, followed Him on white horses. Out of His mouth proceeds a sharp sword, with which He may strike the nations. "He shall rule them with an iron scepter." He treads the winepress of the fury and wrath of God the Almighty. On His robe and on His thigh He has a name written: KING OF KINGS AND LORD OF LORDS (Rev. 11-16).

### **JESUS IS THE WAY THE TRUTH AND THE LIFE:**

Jesus said to him, "I am the way, the truth, and the life. No one comes to the Father except through Me (John 14:6).

### **JESUS IS OUR SAVIOUR:**

For God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ (1 Thes. 5:9). For if after they have escaped the pollutions of the world through the knowledge of the Lord and Saviour Jesus Christ, they are again entangled therein, and overcome, the latter end is worse with them than the beginning (2 Peter 2:20).

### **JESUS IS THE RIGHTEOUS JUDGE:**

God overlooked the times of ignorance, but now He commands all men everywhere to repent. For He has appointed a day on which He will judge the world in righteousness by a Man whom He has appointed, having given assurance of this to all men by raising Him from the dead (Acts 17:30-31).

## MLA REPORT

from The Office of MLA Mark Smith,  
Member of the Legislative Assembly  
for Drayton Valley - Devon

### Budget 2022:

After a few difficult years, Albertans have a reason to celebrate. Your United Conservative team has presented a balanced budget for the first time since 2014.

Our budget is keeping taxes low while increasing spending on health, education, postsecondary education, children's services, and social services. While the turnaround in the price of oil has helped our bottom line, we have gotten to this enviable position mainly due to careful fiscal restraint and responsibility. Our province is seeing dynamic revenue growth across the entire economy as a direct result of our government's relentless pursuit of pro-growth, open-for-business policies, and economic diversification.

Healthcare capacity and funding is a major focus of Budget 2022, following the challenges presented by the pandemic. Budget 2022 commits a total of \$3.5 billion for health facilities, equipment, and IT systems to expand health-care capacity for Albertans no matter where they live and create thousands of good-paying jobs. This includes \$133 million over three years to upgrade and expand hospital operating rooms and departments as part of the government's commitment to provide every Albertan the surgeries they need within clinically recommended wait times.

As we focus on moving forward, our government will continue getting more Albertans back to work by providing \$600 million for Alberta At Work. The new initiative will build skills for the future through skills training and education for K-12 and post-secondary students, address barriers to employment for women, Indigenous peoples, and other under-represented groups, and make Alberta an internationally recognized technology and innovation hub. We will also continue creating jobs now by funding major upgrades to road infrastructure.

Over the past three years, our government has

doubled down on investment attraction, economic growth, and job creation. We relentlessly pursued red tape reduction and regulatory modernization, and we significantly reduced our business tax rate. We increased health spending to ensure our healthcare system had the capacity to battle the pandemic, and we increased capital spending to create jobs and improve our roads and bridges for the future. That said, we have also continued to be disciplined in our spending, unlike the previous NDP government, whose out-of-control spending and disastrous fiscal plan would have seen them run a \$6 billion deficit this year, even with vastly improved oil prices.

As we move forward, our government remains committed to Alberta's Recovery Plan. Because of this, we are seeing investment pour in across all regions and economic sectors. This economic growth means Alberta will collect roughly \$400 million more in annual corporate tax revenue at an 8 per cent rate than the NDP did at 12 per cent, which speaks to the incredible investment climate our United Conservative team has restored over the past three years.

Budget 2022 is a blueprint for strength, for prosperity, and for hope in Alberta for years to come. I'm proud to report that Alberta is back!

# LETTERS TO THE EDITOR

To the Editor:

According to Google, the purpose of the Agriculture Service Board (ASB) is to "... help farms and ranches protect the over 50 million acres they farm...." and to

- manage agricultural weeds and pests;
- conserve soil and water;
- enhance and protect viable and sustainable agricultural practices;
- control animal diseases;
- and develop municipal policies under the following legislation:

- Act Service Board Act
- Weed Control Act
- Soil Conservation Act
- Agricultural Pests Act

Our ASB on February 16, 2022, approved three members to attend 6 days of conference at the following:

1. Hemp Alliance Workshop
2. Alberta Beef Conference
3. Advancing Women in Agriculture

Note any connection these conferences may have to the stated information above. Ask your councillor how these conferences connect to legislation.

On a related note, an article in the Booster put out by ASB stated that "... ASB. . . influence government decisions." It would be interesting to know if and when such an event took place.

In conclusion, remember that ASB works for us (residents). Where are the written reports from earlier conferences? The statement made by an attendee that it was a "good learning experience" doesn't cut it. Exactly what was learned that is of value to our county? Perhaps a published written report (in the Booster or on the website) would be of interest and help to your constituents. Remember we pay these people over \$300 a day, plus expenses, to

attend. At the present time, written reports are not required for conferences attended within the province. Perhaps to show a professional thrust, Council could make written reports part of policy. If members are unwilling or unable to produce a written report, then don't go.

As Mr. Cuff (a provincial corporate reviewer) once told me "... a conference is not a paid holiday."

I just felt compelled to write to thank Kevin Maine for his Letter and also to thank The Breton Booster for publishing it.

I saw via live video many of the things Kevin described and was appalled not only by what I was seeing but also by the lies being told by mainstream media and politicians about the very same events. No doubt many people believed the lies if they only looked at or listened to click bait headlines and did not do the work to dig a lot deeper.

So thank you for exposing these lies—for telling those who might have only heard the media/political spin about the realities on the ground.
