

THE BRETON BOOSTER

ORGAN DONOR AWARENESS ON APRIL 7 WEAR YOUR GREEN SHIRT

Register. Tell your family. Be inspired.

The Humboldt Broncos bus crash occurred on April 6, 2018. 14 people were killed and 15 injured when a bus and semi-trailer truck collided near Armley, Saskatchewan. Logan Boulet passed away on April 7th. On April 11th Dayna Brons passed, bringing the total to 16 deaths and 13 injured, all of whom will bear physical and emotional scars for life. Most of the dead and injured were players from the Humboldt Broncos junior ice hockey team that plays in the Saskatchewan Junior Hockey League (SJHL).

Bernadine and Toby Boulet offered to donate Logan Boulet's organs and tissues so that lives could be saved. They did so because Logan had registered as an organ donor and had spoken to his parents about his wishes. Logan was inspired by one of his coaches, Ric Suggitt, who passed on June 27th, 2017 and became an organ donor.

Logan was able to donate his organs and tissues so that six lives can live on.

Quick facts

- Green Shirt Day is April 7 each year. People are encouraged to wear green. The purpose of the day is to encourage people to register as organ donors and to speak with their family about their wishes.
- In a phenomenon that has come to be known as the Logan Boulet Effect, almost 150,000 Canadians registered as organ donors in the weeks following the Humboldt crash in 2018.
- The next year, Green Shirt Day 2019 inspired another hundred thousand or more to register.
- Logan's legacy reminds us how important it is

for Canadians to talk with their family about their organ donation wishes. It's suggested that for every person who registers their intent to donate, they speak with an average of four others about organ donation. That means that 100,000 new registrants equals approximately 400,000 conversations.

- 90 per cent of Canadians say they support organ and tissue donation, but only about 32 per cent have actually completed their registration.
- More than 4,100 people in Canada are waiting for an organ transplant.
- Every year, on average, 250 people in Canada die because they don't get the life-saving organ they need.
- One organ donor can save up to eight lives.
- A tissue donor can improve the lives of up to 75 patients.
- Anyone can be a potential donor regardless of age, medical condition or sexual orientation. Even individuals with serious illnesses may sometimes be donors. All potential donors are evaluated on an individual, medical, case-by-case basis.
- The oldest Canadian organ donor was 92 and the oldest tissue donor was 104. Don't rule yourself out.
- It takes 2 minutes to register your decision to become an organ donor

Community Volunteer Income Tax Program – **FREE INCOME TAX PREPARATION**

For Low Income Persons, Families, seniors and students. Although this is something, that most of us would like to avoid thinking about and doing, I am afraid that this is unavoidable. You need to file your income tax each year, even if you have no income to report. By doing this you may receive benefits that you did not know you were eligible for. Also, in the event of the death of your spouse, benefits can easily be transferred to you, if you have filled a return for the last calendar year. If you did not file a tax return in 2021 you may not be receiving benefits from the government that you are eligible for. The focus of the Community Volunteer Tax Program is to assist those individuals who have limited income. This includes seniors, families and students. If your income was approximately in one of the following categories you may qualify for assistance.

· 1 person	30,000
· 2 person family	37,000
· 3 person family	40,500

Brazeau County News

NOTICE Roadside Vegetation Control Program

Brazeau County Agricultural Services Division will be carrying out roadside spraying of prohibited noxious, noxious weeds and woody vegetation (brush) throughout the County from May to October. For public safety, a buffer zone will be maintained between these roadside spray areas and county residences/yard sites.

As per our Vegetation Management policy, spraying on roadsides is done under the authority of Alberta's Weed Control Act. Brazeau County is required to control the weeds in the roadside just like any other landowner is on privately owned land. As well, in the public interest of safety, brush control is performed to increase the sightlines on roadways and intersections. As a result, costs of maintaining these open roadways are reduced where brush and trees are managed properly as it makes snow removal easier and allows roads to dry out quicker after precipitation falls.

The following programs related to herbicide use are available to residents:

- Hawkweed Program (County staff will treat up to 5 acres infested with Hawkweed on private land at no cost)
- Herbicide Rebate Program (the County will reimburse landowners 50% of the cost of herbicide used on the landowner's property)
- No Spray Agreement (the County will not use herbicides in the ditch adjacent to a landowner's property; responsibility for weed control is assumed by the landowner)

For further information about any of the above mentioned programs, please visit www.brazeau.ab.ca/living-here/agriculture/services or contact the Agricultural Services Division at (780) 542-7777.

When your actions stop reflecting your desired character you need to check in with your emotional state.

Soul Care

I have noticed I have been very "chippy" lately.

Can anyone else relate?

Snapping at my kiddos 😞

feeling more anxious and annoyed by the things that usually do not bother me, slamming doors and in all honesty feeling a bit out of sorts.

I felt that my actions were out of character for me.

As I stopped to reflect, I noticed I have been carrying some disappointments within my heart.

Wounds that have reopened.

And then to top it all off, not sleeping well does not help anything.

So, in all honesty it is no wonder that my emotional state is a bit fragile right now.

What I found is that it takes us longer now to recover from things, as we have had some complicated days, and the chronic stress we have been in is still taking a toll on our emotional state.

As a result, what I need to do is take some time to take care of myself.

This is not selfish; it is important so I can continue to care and love well.

The first step is to admit something is out of sorts and to become aware of it.

We need to be aware so we can take action in order to change the situation.

I have become aware that my emotional state is fragile as I am tired and emotionally weary, so I need to address this. No amount of coffee will help, trust me in this.

It might look like spending more time with Jesus, reading his promises that He leaves for us in the Bible.

This might look like planning a day to escape to the majestic mountains to just take in the scenery and breathe.

It might look like just spending time reading a book I really enjoy.

It might look like visiting a friend that fills me up.

It might mean going to my counsellor or spiritual director for some clarity.

It might look like all of the above.

All I know is that I need to take a bit of time to recharge and refocus so I can be healthy.

Where is your emotional state at?

What do you need to do in order to get back to a healthy place?

Don't wait too long! Take the time now to evaluate and be aware of where you are and then make some changes.

Your friends and family will thank you for it! 😊 And they may even buy you a cup of coffee!

Matthew 11:28-30

28 "Come to me, all you who are weary and burdened, and I will give you rest. 29 Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. 30 For my yoke is easy and my burden is light."

In His Peace,

MLA REPORT

from The Office of MLA Mark Smith,
Member of the Legislative Assembly
for Drayton Valley - Devon

On April 1, Albertans received a welcome surprise – prices coming down at the pumps!

Gas stations across the province reported prices dropping anywhere from 10 to 13 cents overnight. This was due to our United Conservative government's decision to scrap the 13-cent-per-litre provincial fuel tax for the indefinite future.

Equal to exactly 13.6 cents per litre, our fuel tax cut will apply to all gasoline and diesel purchases, including marked farm fuel. This cut will remain in effect for at least three months. Beyond that, our government will review the collection of the fuel tax on a quarterly basis and, if required, consider reinstating collection in stages, based on the average price of West Texas Intermediate over several weeks. We will not start to reinstate collection before July 1, however.

Alberta is the only province in the country where this fuel tax relief is being offered, and as a result, we now have the lowest fuel prices in the country. This massive tax cut is worth more than a billion dollars of savings for Albertans on an annualized basis. This means more money in the pockets of everyday people who are facing high energy prices right now due to world events, short-sighted NDP policies, and the NDP-Trudeau carbon tax.

I'm particularly proud that this tax cut will apply to farm fuel. Our farmers and ranchers have worked so hard to feed the province and world throughout the pandemic. For them, this tax relief is much needed and well deserved.

But something else happened on April 1. Something not so positive. While our government was working to make life more affordable for everyday Alberta families, the NDP-Trudeau Alliance was working to make life more expensive by hiking the Trudeau carbon tax by a whopping

25 per cent.

Earlier in the week, our United Conservative MLAs voted in favour of a motion in the Legislature asking the Trudeau government to stop any further carbon tax hikes on Canadians. The Notley NDP, however, voted against the motion and in support of the carbon tax hike. While it was disappointing to see the Notley NDP side with their friend and ally Justin Trudeau instead of Albertans, it was not surprising at all. The NDP is one party across Canada, and the new Notley-Trudeau Alliance in Ottawa surely extends to Alberta as well.

Fortunately for Alberta families and businesses, our United Conservative government will never stop working to make life more affordable for everyday people, and I'm proud to report that Alberta is well on its way to economic recovery under our recovery plan.

With 130,000 new jobs, \$54 billion in new investment, a balanced budget, the fastest growth, and the lowest taxes in Canada – Alberta is starting to feel like Alberta again. I look forward to Alberta maintaining this momentum, and fully restoring the Alberta Advantage, once and for all.

As always, my heart is with the people of Ukraine, as they fight for their freedom and sovereignty. Slava Ukraini!

I can be reached at the main constituency office in Drayton Valley at 1-800-542-7307 toll-free. The office is open Monday to Friday. The Devon constituency office is open every Wednesday and the phones are manned Tuesday to Friday at 780-987-3666 or I can be emailed at draytonvalley.devon@assembly.ab.ca anytime.

The Bible Truth Page

REAL LOVE

Hello, I have an important message of good news for you from God, the creator of heaven and earth. The good news is that God loves you and He wants to bless you with life, love, health, healing, and a lot of other good things. In order to give us life in exchange for the death that we deserve for being sinful, God had to pay off our debt of sin. He did that by sacrificing His only Son in a horrible, gruesome, and bloody death on the cross. You might say: "No thank you, I am pretty good already". But the truth is none of us are good without Jesus. The Bible says in Romans 3:23; ***For all have sinned, and come short of the glory of God.*** It also says in Galatians 3:22; ***But the scripture hath concluded all under sin, that the promise by faith of Jesus Christ might be given to them that believe.*** Romans 6:23; ***For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.*** So there it is in black and white. We deserve death but God has given us the gift of eternal life. Have a look at what Jesus said in John 3:14-21; ***And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up: That whosoever believeth in him should not perish, but have eternal life. For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved. He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God. And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil. For everyone that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reproved. But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God.*** He has also told us how we can receive the gift of eternal life which He has provided for us. Romans 10:9-13; ***That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. For the scripture saith, Whosoever believeth on him shall not be ashamed. For there is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that call upon him. For whosoever shall call upon the name of the Lord shall be saved.***

Here is a prayer that you could pray if you want to accept the gift of everlasting life: LORD GOD, CREATOR OF HEAVEN AND EARTH, PLEASE FORGIVE ME FOR ALL OF MY SINS. I ACCEPT YOU AS MY LORD AND SAVIOUR. THANK YOU LORD JESUS FOR GIVING ME LIFE AND FORGIVENESS, AND HEALTH, AND HEALING, IN EXCHANGE FOR THE EVERLASTING PUNISHMENT AND DEATH THAT I DESERVE. I GIVE YOU THE REST OF MY LIFE HERE ON EARTH IN SERVICE TO YOU.

Now here is how you live for God: Matthew 22:37-40; ***Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbour as thyself. On these two commandments hang all the law and the prophets.***

CHURCH

LEARNING TO LIVE IN THE POWER OF GOD

Some key thoughts from the Bible:

- God loves us all!
- He is here to save us:
 - In eternity (heaven),
 - In issues we face in this present life.
- He does this through our relationship with Him. We each have our own role to play.
- Friends, spiritually speaking, we cannot just sit back and hope for the best. Many things happen in this life that are unfortunate and not part of God's good will for us.
- Church is about learning our role and pro-actively participating in relationship with Him.
- We are learning to live in the power of God.
- We are learning to live in His love.
- His love is a caring, positive, affirming environment.
