# BREAKING NEWS!!

## THE TOWN OF THORSBY EXTENDS THEIR THANKS FOR SUCH AN AMAZING MAY LONG WEEKEND!

Everyone in the Town Team would like to extend their thanks and congratulations to the Welcome Back Thorsby Volunteer group who helped put together a successful and wonderful event for all residents of Thorsby to enjoy. We would also like to extend our thanks to the Leduc County Fire Services Thorsby Division, the RCMP Thorsby Detachment, as well as Andrew Kearley from Public Works for cleaning up the old fire truck and doing an amazing job putting it together for use in the Parade. We congratulate the Graduating Class for their successful fundraiser at Taylor Park and everyone had a great time with music, ice cream, and food – Just the way the Park was intended to be! We hope to continue to see amazing events be put on and to be able to experience them together as a community.

## ALBERTA RURAL HEALTH WEEK

The Town of Thorsby is proud to acknowledge the period of May 30th to June 3rd as Rural Health Week. The care and support that rural health providers give to their communities is immeasurable. Not only do they work tirelessly to enhance the

health and strength of those they work with, but they also care for the community itself. Many rural health workers inspire conversations about health both mental and physical, as well as teach future generations the importance of health care in rural communities. Join us in celebrating and appreciating our rural health providers this week and every week going forward.

# TAX NEWS!

## UPDATE FROM MAYOR AND COUNCIL

### THE 2022 BUDGET IS PASSED!

At a Special Meeting of Council on April 24th, 2022 Council passed the 2022 Budget. It has been a tough 2.5 years with COVID and in 2020 Thorsby residents were provided temporary tax relief which we know helped many residents during a very tough pandemic.

Covid is now ebbing in its intensity and the Town of Thorsby is now back to full operating capacity which we are all very excited about as this means life is returning to normal.

The town is also facing challenges such as inflation, reduced Federal and Provincial funding and the requirement of the Province for all municipalities, no matter their population, to pay for RCMP Policing, which are a valuable and necessary support in our community.

With all these changes and pressures, we were able to mitigate an increase no greater than the rates prior to Covid. Residents will see their taxes go back to the 2019 Rates in 2022; with a small addition to cover the RCMP levy by the province.

Administration has worked hard to keep costs down by finding efficiencies within the organization and only engaging in projects that are absolutely necessary at this time as to not burden the ratepayers further because we understand the pressures everyone is facing.

The average residential taxpayer will see an increase. This translates to a 26% increase and an approximate \$490.00 increase on the average household.

We would also like to remind you about our monthly payment option that is available to help spread the cost out over the year. Please contact the Town office for more information.

For further information about the tax bylaw, and tax rates, please contact:  
Mayor Hostyn and Council Members.

## ADOPT A PLANTER PROGRAM AND COMMUNITY PLANTING

Hi Everyone

Thorsby Communities In Bloom is getting ready for another busy summer season. We are excited to announce we will be planting up the community on June 2 weather permitting. If you're interested in planting for a few hours, please join in on the fun. We are always happy for the helping hand.

Secondly, Thorsby Communities In Bloom is also gearing up to launch the Adopt A Planter Program for 2022. For your generous sponsorship of \$50, Thorsby Communities In Bloom will plant any planter of your choice in the community while varieties last. We will plant them, look after them, including watering for the season. Your name or business name will also be displayed in the planter with a 5" x 7" sign to let the community know who sponsored it. The sponsor will be issued a donation receipt for your records from Thorsby Communities In Bloom Society. Planters available for sponsorship are:

1. City Square Planter (20)
2. Avenue Planter (6)
3. Villa Planter (8)
4. Cement Tulip Planter (2)
5. Pathway 24 Hanging Planter (30)
6. Castle Planter (5)

We only have a limited number of planters, so if you are interested in sponsoring one please call: CIB Member - Carol Rempel at 780-777-8472.

Thank You  
Thorsby Communities In Bloom

# TOWN OF THORSBY REGULAR COUNCIL MEETING NOTES

by Carol Rempel

## May 24, 2022

- For Spring Cleanup two large bins are placed north of Westtower from May 24- May 31 for items such as paint, light bulbs, batteries, metal, electronics etc. A list will be posted on site.
- In 2016 a trust fund called Senior's Managing Funds was set up for transportation and program planning in the amount of \$27,812. Administration recommends Council approve the funds to be released back to the seniors.
- June was proclaimed Pride Month across Canada. Pride Month is meant to educate and identify key issues that affect LGBTQ people, as well as tell the storied history of how far Canada has come to accept LGBTQ citizens.
- Staff Sergeant Moore from the Thorsby RCMP detachment provided quarterly reports for Administration and Council in order to update on actions taken, and community trends. These reports are intended to provide transparency, education, and encourage questions from Council and Administration. It was recommended that Staff Sergeant Moore be invited to a future Council meeting.
- The Interim CAO and CFO contracts are up at the end of May. It was moved that the Council extend their contracts to September 2022.
- The Tax Bylaw 2022-04 was presented and approved by the council. The Tax Bylaw 2022-04 must be passed before the end of May every year so that taxes can go out June 1st in keeping with legislation. The Tax notices will be sent out at the end of the month. The tax rate will go back to the mill rate of 2019.
  - The 2022 budget is passed. It has been a tough 2.5 years with COVID and in 2020 Thorsby residents were provided temporary tax relief which helped many residents during a very tough pandemic.
  - The Town is facing challenges of inflation, reduced Federal and Provincial funding and the requirement of the province for all municipalities, no matter their population, to pay for RCMP policing, which are a valuable and necessary support in our community.

- Administration has worked hard to keep costs down by finding efficiencies within the organization and only engaging in projects that are absolutely necessary at this time so as to not burden the ratepayers further because we understand the pressures everyone is facing.
- There is a monthly payment option that is available to help spread the cost out over the year. Please contact the Town office for more information.

## WARBURG PEMBINA SURFACE RIGHTS GROUP HONOR PRESIDENT KARL ZAJES

*Story by Lynn Oberle*

On May 10, 2022, the Warburg Pembina Surface Rights Group recognized a long-time activist for surface rights issues. Karl Zajes was honoured by the Provincial Government, Leduc County, and Brazeau County. Kudos to Karl for his unselfish and tireless efforts for the benefit of landowners for 42 years. In his words, "No one will be refused help, even if not a member."

*Background by former president Frank Block*

The group was started in the fall of 1980 with a packed hall, standing room only. The meeting was originally set up to get industry to understand why landowners needed to have lease rental increases. It was agreed to include the whole County of Leduc with a membership cost of \$50 lifetime membership. The first meeting saw 100 members sign up; since then the membership has grown to include members from all across the surrounding Counties and present count is over 800 members. Nobody will be refused assistance, member or not, if the need arises. The group meets every second Tuesday of the month at the Warburg Community Hall.

The purpose of the group today is to provide a library of information on how landowners can obtain information on how to deal with industry. The group has regular speakers from Alberta Surface Rights Board, the Farmers Advocate Office, the Alberta Energy Regulators Office and other government agencies.

The first president was Gene Begg (1980-1981); Frank Block (1981-1988); Karl Zajes (1988-2015); Vant Hayes (2015-2016); Karl Zajes (2016-present)

*Seated with Karl Zajes is his predecessor, Frank Block, who served as president for eight years.*

# SUNNYBROOK ATHLETIC ASSOCIATION IS 99 YEARS OLD!

The Sunnybrook Athletic Association has been a registered non-profit organization for 99 years. Our primary function over the years has been the ownership and operation of the Sunnybrook Community Hall.

Sunnybrook Community Hall has had the pleasure of hosting many activities, from Bingos to Halloween Parties to, New Years Celebrations and Movie Nights. The volunteers at Sunnybrook Athletic Association have always outdone themselves in finding ways to bring their community together.

The large community hall boasts newly renovated kitchens and bathrooms. A super large entertaining area that can hold up to 760 people and ample parking that includes space for campers to spend the night. This hall is great for your weddings, birthday parties, family reunions, fundraising event and so much more.

In preparation of our 100-year anniversary we are currently seeking new and old community members to share their pictures and stories that reflect memories of their time spent at the hall or an event hosted by the Sunnybrook Athletic Assoc. We would be thrilled to see pictures of things like the ball games, parades, playground build, bingo games and really anything you may have. We will collect all these fabulous memories to share during our 100-year anniversary celebrations in 2023.

Covid was a tough time for all the community halls, and we had to work hard to find ways to continue to cover our operating expenses and support our community. We learned a lot and were pleased to provide take out diners to everyone and appreciated your support so very much!

We also took that time to begin our application to become an Alberta Approved Farmers Market location during our shutdowns and are excited to announce that we were approved! This market will be an ideal way to raise money for the hall, support local community businesses, offer handmade fresh local products to you, and bring the community together.

The first farmers market will be on June 4th from 10-2pm. Volunteers will be serving up bacon and egggers, hot dogs, and other refreshments. While vendors will be offering their one of a kind products. Come out and support your local businesses and enjoy some time with your neighbours. Markets will continue to run year-round on the first Saturday of every month. We look forward to collaborating with other community non profits, businesses, and the County to build a wonderful shopping experience for you.

As we work towards continuing to offer great family events and a memorable space to host your event, we are always looking for ways to improve our hall. Our next project that we are raising funds for is our front entryway. For anyone who has been to the hall you know she needs a nice overhaul to brighten and refresh your first experience of this wonderful location. Fundraising has already begun and will continue until we have collected everything, we need to complete this project.

- Please like, share, and comment on our Facebook or Instagram pages.
- Check out our website for more information on rentals.
- Join us at our community events.
- Attend a monthly meeting every second Wednesday of the month to learn about volunteering.

These are all great ways to support your local Sunnybrook Community Hall.

Come on out on June 4th, take a tour of the hall and share your memories or email them to [sunnybrookcommunityhall@gmail.com](mailto:sunnybrookcommunityhall@gmail.com)

We love our community and hope to see you all very soon.

*From all of us at Sunnybrook Athletic Association*

## ALBERTA'S GOVERNMENT IS INVESTING IN FRONT- LINE CRIME PREVENTION BY FUNDING ALBERTA CRIME STOPPERS FOR THE FIRST TIME.

Crime Stoppers will use the \$850,000 over the next three years to continue its crime prevention efforts and create an independent, province wide crime prevention task force. The investment was endorsed by rural and urban police chiefs and will help to fight crime across the province at a community level.

Crime Stoppers' track record shows its value in assisting Alberta law enforcement. In 2020 alone, Crime Stoppers received 18,000 tips that led to 400 arrests, 1,724 charges laid and the recovery and seizure of \$4.3 million in cash, drugs and stolen property.

### Quick facts

- Canada's first Crime Stoppers organization was founded in Calgary in 1982.
- Alberta Crime Stoppers has four chapters: Southern Alberta, Calgary, Central Alberta, and Edmonton and Northern Alberta.
- The \$850,000 in provincial funding will be provided over three years: \$350,000 this year and \$500,000 over the next two years.
- Crime Stoppers is a not-for-profit, volunteer-led organization that provides Albertans with the ability to provide police with anonymous information about crime or potential crime.

# GET TO KNOW AHS EMS DURING NATIONAL PARAMEDIC SERVICES WEEK

National Paramedic Services Week (May 22-28, 2022) honours the Emergency Medical Services (EMS) profession and recognizes the professionals who provide this vital public service. This year, through social media and other digital opportunities, AHS is offering a behind the scenes look at the work of EMS within the healthcare system and our communities.

AHS EMS operates 515 ground ambulances in Alberta, plus 11 medical aircraft. Approximately 5,600 EMS staff and paramedics respond to more than 589,000 911 events each year, or about 1,600 calls each day.

Our frontline responders are also active in Public Education and Emergency and Disaster Management Response, when Albertans need emergency medical assistance on a large scale.

Paramedics are often the very first point of contact for a patient entering the healthcare system and while most Albertans would be familiar with EMS 911 response, AHS EMS paramedics offer services to patients in a variety of ways, including:

- Incident Response Paramedics (IRP), who can offer specialized care during large scale or extended incidents, such as structure fires, as well as care for patients who may have suffered from contamination, such as carbon monoxide or chemical exposures.
- Flight Paramedics provide air medical care to patients requiring immediate acute care during transfers between larger centres as well as transfers of other ill or injured patients who require movement to a higher acuity facility. Airport Paramedics at both Calgary and Edmonton International Airports also provide emergency medical support to travelers and use specially equipped Segways for rapid response.
- Tactical Emergency Medical Support (TEMS) paramedics work with law enforcement to provide immediate advanced life support care during high-risk police operations.

- Community Paramedics are specially trained to provide short-term treatment for patients in their own homes under the medical direction of Physicians and Nurse Practitioners. This can include antibiotic administration, blood transfusions, and hydration therapy.
- Emergency Communications Officers (ECOs) answer 911 requests for EMS service and initiate the EMS emergency response to the scene; they also provide pre-arrival instructions (PAIs) over the phone such as how to perform CPR or relieve a choking emergency, or assist with childbirth.
- Rapid Access Paramedics (RAP) who respond on specially equipped mountain bikes to provide first response advanced life support in congested and crowded areas, such as events and festivals, where standard vehicle access may be challenging.

Many groups and individuals within EMS also provide vital support services, including Clinical Educators and the Vehicle Equipment Supply Service Technicians (VESST).

EMS paramedics are proud to serve Albertans. To learn more about what they do each day, follow AHS EMS on Twitter and Facebook. You can also share your thanks for their work, through Thank a Paramedic - [thankaparamedic.com](http://thankaparamedic.com).

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.
