BELOVED PRESCHOOL TEACHER RETIRES AFTER 20 YEARS

On May 26, after her last day of teaching, families from the last 20 years surprised Sharon Powlik at the Arctic Spas Recreation complex with a retirement party. Mrs Powlik was honored with a slideshow, speeches, snacks and countless stories about this amazing woman with a huge heart. After 20 years of teaching Thorsby's Tiny Tots Playschool, Mrs. Powlik still remembers each of her students and greets them with a hug. Thank you from all of us who had the honor of working with you and the part you had in shaping our children's lives!

having FUN!!**

Thank you

Twenty years is a long time unless you are a preschool teacher. Time flies when you're having fun.

As I retire, I would like to thank Thorsby and surrounding area, for your support which allowed me to teach at Thorsby Tiny Tots Preschool. A job that has been fulfilling, rewarding and most of all fun. I have thoroughly enjoyed my time here and am honored to have had the chance to touch the lives of so many children. It has been a pleasure to learn from them as it has been to teach them. I will always have great interest in the children and their destinies, wherever they may go, whatever they do and whoever they become.

I would like to thank the parents for volunteering and also the parents who served on the executive. Your time, commitment and heart are what made our program so successful. It has been a wonderful asset to our community. An opportunity to meet and welcome new people. I will forever cherish the many friendships I have developed throughout the years.

Thank you to the Staff at the complex for being so accommodating to myself, our program and fulfilling our needs when requested.

A special thank you to everyone for the most memorable evening celebrating my retirement. My heart was so full seeing past, present students, parents, family and friends. Thank you for the gifts, cards, phone calls, texts... I appreciate every gesture. This is why I so love our community.

Thank you for entrusting your children in my care. I will treasure the many memories, stories that have been made. As quoted by A. A. Milne, Winnie-the-Pooh (who has been fundamental in our preschool program) *"How lucky I am to have something that makes saying goodbye so hard"*.

MORE NEWS!

ITS GRASS CUTTING SEASON EVERYONE

Summer is in full swing in the Town of Thorsby and the grass is growing very quickly.

We are asking everyone to maintain and cut their grass regularly (10 cm height) on their respected properties throughout the summer months. Many questions are coming up about dandelions on private properties and what can be done about it. We won't force anyone to spray as it's up to everyone's own personal choice, but we ask that you maintain regular grass cutting on your property and boulevard. This will control the spread of seed spores and will make your neighbor very happy. Remember Dandelions are not a noxious weed and are food for Beekeepers Bees.

When you are cutting the grass, we also ask that you keep the grass cuttings on your property or the boulevard only. We want to remind residents and businesses that grass cuttings can not be left on the sidewalk. We also ask that you do not shoot the grass cuttings onto the street as that can cause challenges to our storm water drains and gutter flows. We all pay to have the streets cleaned and looking their best, so it makes sense that we all do our part to eliminate additional debris on the streets throughout the season.

If you have lawns that are creeping onto the sidewalk, please cut back the sod to the edge. This is part of regular required yearly maintenance that helps users of the sidewalk have full access to the sidewalk to walk on or those with a walker or wheelchair. Eliminating tripping hazards from the sod on the sidewalk is important to all users in the community.

Thank you for your continued support and we appreciate your help.

NOTICE REGARDING AXIA FIBRE AND TELUS!

The Axia Fibre to the Premise (FTTP) business was acquired by TELUS in March 2019. As a part of this transition, TELUS will be making network infrastructure improvements in the community of **Thorsby** in the coming months. TELUS is working closely with Axia to provide a seamless transition for current Axia subscribers. Soon, the majority of homes in your area will be able to connect to the TELUS PureFibre™ optic network delivering the #1 technology for speed & reliability.

Once the work is complete, you will have time to switch your Axia services over to TELUS before Axia stops providing internet to the **Thorsby** area on **December 2022**. This switch is not automatic so we will share with you the easiest ways to contact TELUS in the coming months.

In the meantime, you can contact the Axia team with any questions by visiting www.axia.com/transition or call **1-844-276-2888**.
