LEDUC COUNTY COUNCIL JUNE 14 MEETING NOTES

This is not a complete recap of the meeting and these notes are not an official record of Council meetings: official minutes are posted online once approved by Council. For the entire meeting notes and Council Minutes go to www.leduc-county.com

Public presentation

A public presentation was made by Dalpreet Virdi, who spoke on behalf of neighbours and residents in division three about concerns that their councillor no longer resides in their division.

Mayor Doblanko advised Mr. Virdi that administration would provide a written response addressing the concerns.

Staff introductions

The following new staff members were introduced to Council:

Christina Kwok, Manager – Accounting Services, Finance

Kala Raymond, Planner – Development Services, Planning and Development

Recreation and library cost-share: Village of Warburg 2021 final payment

Administration recommended Council accept the 2021 audited financial statements from the Village of Warburg for cost-shared recreation and library services and approve a final payment of \$39,049 for the 2021 recreation and library cost-share.

Council approved the recommendation.

Recreation and library cost-share: Village of Warburg 2022 budget payment

Administration recommended Council accept the 2022 budget from the Village of Warburg for cost-shared recreation and library services in the amount of \$147,573 and approve a budget payment of \$88,544 for the 2022 recreation and library cost-share.

Council approved the recommendation.

Business arising from in-camera session – Council Code of Conduct

Council passed a motion that Leduc County Council adopt the finding of the external investigator and finds that certain public statements made by Mayor Tanni Doblanko regarding the proposed Creekside Solar Project were made in breach of Mayor Doblanko's duties under section

5.3 of the Council Code of Conduct Bylaw. At the relevant time, Leduc County Council did not have an official position on this project, nor does it have one today, and the public remarks made by Mayor Doblanko did not represent the will of Council nor did they accurately reflect the public remarks of some of her fellow Councillors. Mayor Doblanko's conduct in this regard was inappropriate and fell short of the standards expected of members of Council for Leduc County. Council acknowledges Mayor Doblanko's admission of inappropriate conduct and accepts her verbal apology to Council.

Laurie's Laughs

This morning my son said his ear hurt and I said on the inside or outside, so he walks out the front door, comes back in and says both. Moments like this got me wondering if I'm saving too much for college.

Just failed my driving test. When the examiner asked me "what sign would you expect to see down a narrow country road?" Apparently 'fresh eggs for sale' wasn't the answer...
