

THE BRETON BOOSTER

ORANGE SHIRT DAY

from Wikipedia

The National Day for Truth and Reconciliation known as Orange Shirt Day on September 30 is a Canadian statutory holiday to recognize the legacy of the Canadian Indian residential school system.

The National Day for Truth and Reconciliation was first established as an observance in 2013, as part of an effort to promote awareness and education of the residential school system and the impact it has had on Indigenous communities for over a century. The impact of the residential school system has been recognized as a cultural genocide, and continues to this day.

The use of an orange shirt as a symbol was inspired by the accounts of Phyllis Jack Webstad, whose personal clothing—including a new orange shirt—was taken from her during her first day of residential schooling, and never returned. The orange shirt is thus used as a symbol of the forced assimilation of Indigenous children that the residential school system enforced.

The day was elevated to a statutory holiday by the Parliament of Canada in 2021, in light of the revelations of over 1,000 unmarked graves near former residential school sites. The National Day for Truth and Reconciliation is a statutory holiday for federal government employees and private-sector employees to whom the Canada Labour Code applies; the governments of British Columbia, Manitoba, Nova Scotia, Prince Edward Island, and the Northwest Territories also added the day to their relevant employment legislation as an observance.

Shellie Elizabeth Jones

August 6, 1958 – September 14, 2022

It is with heavy hearts we announce the loss of our beloved wife, mother, grandmother, sister, and auntie, Shellie Elizabeth Jones of Winfield, Alberta. Shellie passed away at the Rimbey Hospital and Care Centre on Wednesday, September 14, 2022 at the age of 64 years.

Shellie was born on August 6, 1958 in Dawson Creek, British Columbia. She was an amazing teacher, spending her entire teaching career at the Breton Elementary School. Shellie and Robert bought their farm in 1989, where they continued to reside. Even with her roots firmly planted, Shellie loved to travel.

Shellie will be dearly missed and lovingly remembered by her husband Robert “Rogie” Rodin; her son Chris Jones of Alder Flats; and her daughter Geneva Rodin of Winfield; as well as two precious granddaughters Emily and Lizz Jones. She will also be missed by three brothers Leroy (Bev) Jones of Ponoka; Doug (Bonnie) Jones of Winfield; and Lance (Caron) Jones of Pouce Coupe, British Columbia; and three sisters Casey DesChamp of Edmonton; Arla Lennox of Winfield; and Julie (Jack) Linklater of Pouce Coupe, British Columbia; in addition to numerous nieces and nephews, and many other relatives and dear friends. Shellie was predeceased by her parents Lloyd and Florence Jones; her brother Victor Jones; and her niece Terri Spelliscy.

A Celebration of Shellie’s Life will be held at the Winfield Community Centre on Saturday, October 8, 2022 at 1:00 p.m. with Mr. Randy Jones presiding. If friends desire, memorial tributes in Shellie’s memory may be made directly to the charity of one’s choice. Condolence messages may be forwarded to the family by visiting: www.ofc-ltd.ca

**AS FIRE PREVENTION WEEK™ APPROACHES,
THE DRAYTON VALLEY/BRAZEAU FIRE DEPARTMENT REMINDS RESIDENTS THAT**

“Fire won’t wait. Plan your escape.™”

The Drayton Valley/Brazeau County Fire Services is teaming up with the National Fire Protection Association® (NFPA®)—to celebrate the 100th anniversary of Fire Prevention Week™ (FPW), October 9-15, 2022. This year’s FPW campaign, “Fire won’t wait. Plan your escape™”, works to educate everyone about simple but important actions they can take to keep themselves and those around them safe from home fires.

“Today’s homes burn faster than ever. You may have as little as two minutes (or even less time) to safely escape a home fire from the time the smoke alarm sounds. Your ability to get out of a home during a fire depends on early warning from smoke alarms and advance planning,” said Lorraine Carli, Vice President of Outreach and Advocacy at NFPA.

The Fire Department encourages all residents to embrace the 2022 Fire Prevention Week theme.

“It’s important for everyone to plan and practice a home fire escape. Everyone needs to be prepared in advance, so that they know what to do when the smoke alarm sounds. Given that every home is different, every home fire escape plan will also be different,” said Lynn Raines Fire Prevention Officer. *“Have a plan for everyone in the home. Children, older adults, and people with disabilities may need assistance to wake up and get out. Make sure that someone will help them!”*

Drayton Valley/ Brazeau County Fire Services wants to share these key home fire escape planning tips:

- Make sure your plan meets the needs of all your family members, including those with sensory or physical disabilities.
- Smoke alarms should be installed inside every sleeping room, outside each separate sleeping

area, and on every level of your home. Smoke alarms should be interconnected so when one sounds, they all sound.

- Know at least two ways out of every room, if possible. Make sure all doors and windows open easily.
- Have an outside meeting place a safe distance from your home where everyone should meet.
- Practice your home fire drill at least twice a year with everyone in the household, including guests. Practice at least once during the day and at night.

Breton Station 2 Fire Department is hosting a series of events in support of this year’s Fire Prevention Week campaign, “Fire won’t wait. Plan your escape.”, including a **free spaghetti supper at the fire hall in Breton Hall on October 12th, Doors open at 5:30 pm.**

To find out more about Fire Prevention Week programs and activities in Brazeau County and Breton, please contact the Station 2 Fire Department at Lynn Raines FPO (780) 542-0745 For more general information about Fire Prevention Week and fire prevention in general, visit www.fpw.org and www.sparky.org

Intermunicipal Collaboration Framework Resolution

Council will submit a resolution for the Pembina Zone meeting of the Rural Municipalities of Alberta (RMA) stating that the RMA requests the Government of Alberta amend the *Municipal Government Act* to define municipal services, thus providing the articulated scope, and mandate that municipalities present verifiable costs to justify cost sharing for the aforementioned defined municipal services.

Crime and Bail Resolution

Council passed a motion to finalize a resolution for the Pembina Zone meeting of the Rural Municipalities of Alberta (RMA) recommending the creation of a Bail Sub-Committee which would include the stakeholders from the Ministry Analysis and the local Rural Crime Committee that would review the Cross Jurisdictional Analysis and any recommendations from the Ministry of Justice and the conversations with the Federal Government.

This committee would also meet several times a year to canvass stakeholders and Albertans on ideas for improving the justice system. These ideas would be reviewed by the committee, and after analyzing the suggestions the committee would present a yearly report to the Minister making recommendations on how to make the justice system work in an efficient fashion and address the problem of a judicial system that has become a revolving door.

Northern Thunder Ranch

Following receipt of a report and additional information from the applicant, Council deferred the matter of a development permit application for the Northern Thunder Ranch to the October 18th Council meeting. The applicant proposes a kart school and event facility.

Fire Services Report

Council received the Drayton Valley/Brazeau County Fire Services statistics report for June and July. During those two months, the fire department received 94 total calls, with 37 calls in the County, 44 in Drayton Valley, six in Breton, and seven calls to provincial highways. Of the calls in the County, eight were fire calls, eight were alarm calls, nine were calls to assist another agency, one was a motor vehicle collision, and five were miscellaneous calls.

Greetings from Breton Elks Lodge #402

Well, Hello everyone. Here is hoping everyone is well and in good spirits. The time has come to say goodbye to summer and hello to fall. Although summer was a little slow starting we did get the opportunity to look for shade many times. This season turned out to be great for most gardens. I even had the opportunity to harvest a few tomatoes. I will still not become a threat to the tomato industry. Now that we have been able to enjoy some fine weather it is time to get back to business.

First up is the fact that our beloved Queen has passed on to another segment of her journey. The world will miss her deeply.

On September 11th the members from Royal Purple Elks and Brother Elks gathered at Breton Golf Clubhouse to bid farewell to a magnificent couple who served our community for many years. Arnout and Stacia Steenhardt have retired and will be residing in Drayton Valley moving forward. We will miss their involvement greatly, but time has a way of passing by. We all want to wish this marvelous couple much happiness and good health.

Getting down to business at hand the RV Park is nearing the end of another successful camping season. Our planning committee is gearing up to look forward to further improvements.

The first of an ongoing attempt to host an Annual Golf Tournament in Memory of Randy Crow was held and a success story has been told. A motion to establish a committee to deal with the proceeds was passed.

A report on July 1st Pancake Breakfast was received and another success story.

A donation of \$1,000 was passed to assist an individual employed in our community, who is suffering severe health issues. Another \$300 donation to the Elks Book of Memories in Memory of Hank VanDerZouwen was also passed.

Moving forward once again it was brought to our attention that the Annual Kick off to Christmas will

be held November 27th.

Annual curling for Provincial Elks will be held March 22nd to March 25th at Stavelly Curling Rink.

A lengthy discussion was held regarding the camp ground operation, from grass cutting to registration. Many ideas were presented, but bottom line the park will be open for business next year.

Our evening was closed out with a grand feast of KFC and homemade cookies sponsored by Ernie. Thank you Ernie.

This concludes our business at hand, so until next time safe travels and good health.

Soul Care

If I would ask you 'how are you?' how would you answer?
'I am fine' 'I am ok' 'I am not sure' 'I am great'

"Truth be told, the truth is rarely told."

None of us are fine, our kids are not fine, our families are not fine...It is time to be real and vulnerable with

God and with each other.

*Give it all to God as He knows you and His love for you won't change. And my friends, next time someone asks you 'how are you?' be real. When you share your story, your 'real' story, you begin to heal. Today, find someone to help you through your journey. **There is always Hope.***

Truth be Told

Song by Carly Pearce and Matthew West

Songwriters: Matthew West, Aj Pruis. For non-commercial use only.

Lie number one, you're supposed to have it all together

And when they ask how you're doing

Just smile and tell them, "Never better"

Lie number two, everybody's life is perfect except yours

So keep your messes and your wounds

And your secrets safe with you behind closed doors

But truth be told

The truth is rarely told, now

*I say, "I'm fine, yeah, I'm fine, oh, I'm fine, hey, I'm fine", but I'm not
I'm broken*

*And when it's out of control I say, "It's under control", but it's not
And you know it*

I don't know why it's so hard to admit it

When being honest is the only way to fix it

There's no failure, no fall

There's no sin You don't already know

So let the truth be told

There's a sign on the door; says, "Come as you are", but I doubt it

'Cause if we lived like that was true, every Sunday morning pew would be crowded

But didn't You say the church should look more like a hospital?

A safe place for the sick, the sinner and the scarred and the prodigals

Like me

Can I really stand here unashamed

Knowing that Your love for me won't change?

Oh, God, if that's really true

Then let the truth be told

*I say, "I'm fine, yeah, I'm fine, oh, I'm fine, hey, I'm fine", but I'm not
I'm broken*

There's no sin You don't already know

So let the truth be told

Peace my friends, Pastor Natasha Westerhoud ~ Breton Faith Covenant Church

LETTERS TO THE EDITOR

To the Editor:

I filed a complaint with the Ombudsman about receiving a Trespass Notice from Brazeau County. (This notice indicated I was not to go onto any property owned by the County for a period of 60 days). I complied with this order, and the Ombudsman said they would be asking the County seven questions and I was to contact the County and I would be given the results.

I then contacted the County for these questions and the answers, and I was told they were FOIP'd- (freedom of information and privacy act). I then paid \$25 to have the FOIP removed as since I was the person the inquiry was about, I could get the information when the FOIP was removed. I was told this by both the Ombudsman and Municipal Affairs. To this date, I have not received this information. Why can't I get the information since it is about me? Is the County hiding something they don't want me to see?

I also asked for a Code of Conduct review. Apparently, the Council hired a private company to do the review. I was told that I was the first to be interviewed, and they interviewed all of the Councillors as well as some of the Administration. This supposedly took a week. The investigator told me that the results are now in the hands of the County, but still no results have been released.

Another instance is that of the Arbitration that took place between the Town of Drayton Valley and Brazeau County. The County has still not informed their ratepayers as to the results, or the costs that were involved in this arbitration.

One more item to ponder is a comment Councillor Ekstrom made during a discussion at the September 03/ 2022 meeting. The discussion was about letters from ratepayers who wished the letters to be included in the minutes. Councillor Ekstrom commented that Council did not need to acknowledge letters from the public. When Councillor Westerlund asked to make a motion at the same meeting, Reeve Guyon said he wouldn't vote unless he had a legal opinion!

Is this the way our County is being run? Do we need to pay to have legal council at meetings so business can progress? Are our council going to the sites that we the taxpayer pay millions of dollars to have done, and check on the workmanship?

Is our council open and transparent? I think not! Ratepayers, go to a meeting or two and sit in to listen. Ask some questions. The bills are paid by you, the ratepayer, would you allow an employee or contractor to use your money this way?

Laurie's Laughs

A man and a woman were traveling in a train.

Woman : Every time you smile, I feel like inviting you to my place.

Man : Awwww! Are you single ?

Woman : No, I am a Dentist....

I saw an attractive man spank his kid at McDonalds after he threw his fries on the ground, so I also threw mine on the ground.

Wife: I have a bag full of used clothing I'd like to donate.

Husband: Why not just throw it in the trash? That's much easier

Wife: But there are poor starving people who could really use all these clothes.

Husband: Honey, anyone who fits in your clothing is not starving.

Husband is now recovering from a head injury.
