The 69-year-old driver was transported to hospital by STARS. The 48-year-old male driver and lone occupant of the semi truck, a resident of Millet, was checked on scene, and transported to hospital by ground ambulance with what appeared to be more minor injuries.

The Thorsby RCMP's preliminary investigation indicates the International 7000 series truck proceeded eastbound along Township 490 and was struck by the dump truck travelling southbound on Highway 778. The dump truck rolled onto its side and came to rest in the east side ditch of Highway 778.

Highway 778 and Township Road 490 traffic was shutdown for a few hours, but has since reopened.

# BREAKING NEWS!!

## THE AUTUMN EQUINOX ROLLS IN!

As we enter the final portion of September, the weather is slowly getting cooler, and the leaves are beginning to fall. That means it's the season of boots with fur, soft sweaters, and pumpkin-spiced everything.

Did you know that the full moon that occurs during autumn equinox, when the Earth's equator most closely lines up with the sun's center, is noticeably brighter and rises earlier than a typical full moon? This moon is called the Harvest Moon and we hope residents get to have a great look at it this year.

*From Council and Administration, we wish everyone a great transition into autumn and hope everyone stays warm.*
