## BE MINDFUL OF PRIVACY RISKS ON SOCIAL MEDIA

*Alberta RCMP urges parents to be mindful of privacy risks on social media this back-to-school season*

This back-to-school season, the Alberta RCMP is reminding parents and guardians of the importance of online privacy, especially when it comes to sharing first-day photos of children.

As class comes into session, it is common to see photos of children posted to social media to commemorate the start of the school year. It has become increasingly common for parents to share images of their children alongside boards or placards outlining fun facts and personal details about them.

Information often includes the child's name, age, school, grade, favourite colour or activity, and more. While the intentions behind these images are innocent, posting these personal details to social media can risk the safety and privacy of our little ones.

The personal information often included in these photos can be used by individuals to identify, find, and build a false sense of trust or security with a child. A stranger could approach a youth, list their personal details, and claim they know their parents or are a trustworthy adult, when it is in fact untrue.

To avoid such risks, the Alberta RCMP encourages both parents and children to keep in mind the following safety tips:

### Parents:

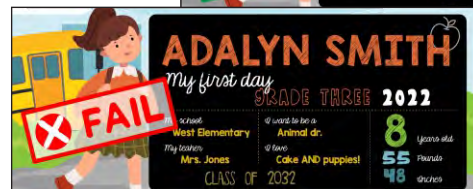

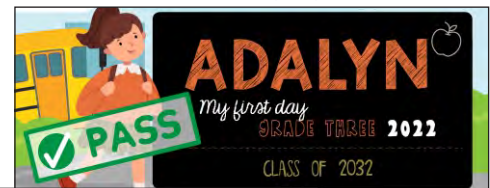

- Do not post images to social media that include the name of the school your child attends.
- Ensure photos are taken outside of undisclosed locations and do not include visible addresses, such as house numbers or street addresses.
- Avoid posting specific details about your child. Simply include a sign that reads something like "First Day of School" instead or keep these types of posters off the web entirely.
- If you are posting photos of children in general, ensure your online privacy settings are set to maximize security.

- Speak with children about online safety and have parental monitor software or ensure parental security settings are in place on their social media accounts.
- Have conversations with your kids about stranger danger and outline safety plans with them, i.e., establish safe words, identify trusted adults, etc.

### Children:

- Do not give out personal information online or share details including your last name, address, school, etc. on your social media profiles.
- Have a parent review photos or videos before posting them online.
- If you feel uncomfortable with online activity or interactions, or are unsure if they are safe, tell a parent or trusted adult.

**Margaret Cygan**

September 28, 1937 - September 4, 2021

The moment that you died  
our heart was torn in two,  
one side filled with heartache,  
the other died with you.

We often lie awake at night,  
when the world is fast asleep, and  
take a walk down memory lane,  
with tears upon our cheeks.

Remembering you is easy,  
we do it everyday,  
but missing you is a heartache  
that never goes away.

We hold you tightly within our heart  
and there you will remain.

Until the joyous day arrives,  
That we will meet again

*Love & Miss you always,

## Warburg Village Market

Can you believe how quickly time has flown? I love the warmth of summer days, and I'm enjoying the moments on the deck and watching the kids play in the sun. I don't know about you, but as I look ahead to the upcoming months, my schedule seems to get increasingly busy with new schedules, projects, and events. Even though I am tempted to focus on what's coming, I am also reminded to stay present and not wish away the current moments. I'm encouraged to enjoy the season I'm in while I prepare for what's to come!

It's back to school now for the kids and that means lunches. See us for all your nutritious ingredients or snacks. Peaches are here now, and the fresh fruits and vegetables are wonderful. Canning? We have what you may need. As always, check our flyer for great sales.

***Have a great start to the school year and remember you always get our best at Warburg Village Market!***

The 2022-23 school year is in session at Warburg School! We are pleased to welcome back our returning families and thrilled to have so many new wonderful families joining us.

Parents will have the opportunity to come in, meet the teacher, see the classroom and get to know our space on **SEPTEMBER 14** from 4-6 PM. We are working in conjunction with the Village of Warburg FCSS to have as many community support providers here as a community information event. Our Sr Girls Volleyball team will be selling hamburgers as their first fundraiser and **ALL SCHOOL FAMILIES THAT COME CAN ENTER TO WIN A NEW CHROMEBOOK!!**

Do you have a gently used upright freezer you would be willing to part with? Our concession area, Garfield's, is in need of such an item to store the food we sell at lunch time to our Jr/Sr students. Garfield's is a small space so an upright would fit the best. If you do have said item, call our office and talk to Trish! Thank you.

Did you know that all playground equipment is bought and installed at the expense of the school community? The provincial government nor our local school division provides funding for these items. Our school council society is diligently working to fundraise to purchase the Apollo system! All fundraising efforts this year will fund the purchase, delivery and installation of this much anticipated piece of equipment. You are reading this correctly - this one item and associated expenses is \$40,000! Stay tuned for the newest Parent Council Society newsletter outlining upcoming fundraising events.

Our Warburg School Council and Warburg School Parent Society are always looking for more voices! All executive positions are filled so you won't be roped into a big job. Please come to our first School Council meeting to have your voice heard. **It is on September 26th at 3:30 PM.** You can come in person or join via Zoom. We especially want to encourage our new families to attend as we want to hear ideas from other schools or hear about what a new school parent could benefit from knowing. If you want to know more about what goes on feel free to email [ws.council@blackgold.ca](mailto:ws.council@blackgold.ca). We have an amazing core group of parents involved already and

are excited to have new people on board. Our Parent Society organizes hot dog days and fun lunches.

*Stay tuned for more exciting Warburg School news in the next edition of the Warburg Bugle!*
