

THE WARBURG BUGLE

INDIGENOUS LAND ACKNOWLEDGMENT CEREMONY

On September 14 the Village of Warburg partnered with Leduc County and the Rural Mental Health Project to demonstrate their commitment to Truth & Reconciliation. This event preceding the Warburg School Community Awareness night had drummers, singers, a ceremonial prayer, discussion about what land acknowledgment means, smudging and more.

ORANGE SHIRT DAY

from Wikipedia

The National Day for Truth and Reconciliation known as Orange Shirt Day on September 30 is a Canadian statutory holiday to recognize the legacy of the Canadian Indian residential school system.

The National Day for Truth and Reconciliation was first established as an observance in 2013, as part of an effort to promote awareness and education of the residential school system and the impact it has had on Indigenous communities for over a century. The impact of the residential school system has been recognized as a cultural genocide, and continues to this day.

The use of an orange shirt as a symbol was inspired by the accounts of Phyllis Jack Webstad, whose personal clothing—including a new orange shirt—was taken from her during her first day of residential schooling, and never returned. The orange shirt is thus used as a symbol of the forced assimilation of Indigenous children that the residential school system enforced.

Gruninger, Elaine

1941 - 2022

Peacefully at Mount Hope Long Term Care on Sunday, September 25, 2022, at the age 81. Beloved wife of the late Emery Gruninger (1996). Loving mother of Greg (The late Fiona) Gruninger and Kevin Gruninger (Debbie Peters). Cherished grandmother of Jason (Bianca), Matthew (Elyse), Robyn (Jacob), Arianne (Austen), Emilie (Dylan), and Daneka. Predeceased by parents Fred and Ruby Zeiner. Caring sister of Pat (the late Lloyd) Hakes, Karen (Herb) Manser, Fritzie (the late Wayne) Ogilvie, and the late Billy Zeiner. Sister-in-law of the late Kay Martin, Allan (Nancy) Gruninger, Roy (Edith) Gruninger, and Jeanette (Terry) Buchan.

Elaine will be remembered by her selfless attitude, love for family, and devotion to God. Elaine's faith was an essential part of her life that comforted her during her struggle with dementia. Her family and friends knew her as a kind soul, always willing to help and give her time to others, whether that involved supporting local craft shows, or volunteering at the church. Known for her ability to turn everything into a poem, and her love of a good joke, Elaine's sense of humor will be missed. Now that her struggles are over, we are sure that Elaine is enjoying a cold beer outside with dad.

The family wishes to thank Elaine's many friends, as well as her wonderful healthcare team for their kindness, compassion, and support. In lieu of flowers, those wishing to commemorate Elaine's life may donate in her memory to the Alzheimer Society of Canada

Warburg Village Market

The leaves fall as the wind blows, and the countryside changes from its green nature to the boisterous colors of fall foliage. Briefly, I love autumn, the one season of the year that seems to be there just for the beauty of it. Fall colors are funny. They're so bright and intense and beautiful. It's like nature is trying to fill you up with color.

Enjoy the cool crisp air with a hot chocolate out by the fire. Comfort foods once again, the tomato soup and grilled cheese.

All the earthy produce can be found here at Warburg Village Market. Nature's bounty. And yes, we will have pumpkins. Don't forget to see our flyer for all the fall savings. Thank you for your support.

I am reading "Women of the Bible", Abigail's story, by Ann Burton. I have just started reading this book, so am only 4 chapters in and the Author brings to life the Characters and I have enjoyed reading so far. I feel drawn into the lives of Everyone, feeling their emotions, hope, fear. How some people work so well together to take care of each other and how choices we make in life can enrich lives or damage lives. I look forward to how the story plays out and where the Characters lives go.

Warburg School NEWS

Thank you to all of our families for coming out to our Meet the Teacher Night BBQ on September 14th. We were happy to see our many new families joining in to meet our staff, tour the school and enjoy a great evening with our Warburg community. Thank you to the Village of Warburg staff for organizing the Community Awareness and inviting the special guests for the indigenous ceremony and dancers. Further thanks to our Senior girls volleyball team for the delicious bbq food. As well, to our MHCB team for the games and BGSD Board Trustee Michelle Martin, along with District Principal Jon Ganton, for being on hand to answer any questions parents had about education in the Black Gold School District.

Earlier in the day our grades 1-12 enjoyed hearing Elder Fernie Marty about what Truth and Reconciliation means to him during the Village of Warburg Land Acknowledgement Ceremony. We appreciate the Village of Warburg staff and Mayor Dwayne Mayr inviting us to be a part of this important event.

The D & J Mayr family were the winners of the Chromebook draw that was held at our Meet the Teacher event. Congratulations!

Congratulations to our Senior girls volleyball team earning a place in the championship games in Fort Saskatchewan and Devon tournaments. The team

came away with silver medals in both tournaments after their hard fought battle in the finals.

Our Triple Ball girls have started their season and so far they have played games against Leduc Junior High. The team will play games every Tuesday with their first home game on October 18th.

The Warburg School Terry Fox Walk 2022 raised \$390.70 in cash and \$235 online donations with a grand total of \$625.70 toward the Terry Fox Foundation. Our students enjoy taking part in this annual event and we love seeing our community members waving to us or joining in!

Huge shout out to Felix Cropley, earning a bronze medal at the District Cross Country meet in Wetaskiwin. Very impressive, considering the runners competed against 150-200 athletes. Also, Blaze Torkelson placed 11th and Eeshwar Muthali, Rebecca Kelto, Jordyn English and Trinidi Mayr placed in the top 25. Way to go!

Our junior/senior high awards and the 2022 Wall of Fame inductee ceremony will be on October 18th at 12:30 p.m.

Locked exterior doors: starting Monday, Oct. 3rd, we will have all of our school doors locked all of the time. Students will enter at their assigned doors as usual in the morning and at lunch. However, late students or guests entering our building will need to use the bell/camera system at the main office doors and wait to be let in by office staff.

Check our website www.ws.blackgold.ca or follow us on Facebook and Instagram for awesome school updates from Warburg School.

Local RCMP members were challenged by Warburg School students to a Tug of War at the Meet the Teacher and Community Awareness night.

IMPROVING ALBERTA'S DRIVER LICENSING SYSTEM

Nearly half a million Alberta drivers will benefit from the elimination of the Class 5 and Class 6 advanced road tests under the Graduated Driver Licensing (GDL) program.

Starting in spring 2023, Alberta will no longer require the advanced road test for Class 5 and Class 6 driver's licences. Albertans who successfully complete a 24-month probationary period will automatically qualify for their full Class 5 or Class 6 driver's licence and save \$150 by not having to take a second road test. Furthermore, an additional road test will no longer be required to upgrade to a Class 4 licence.

GDL drivers must have no suspensions or traffic violations within their last 12 months of probation, including zero tolerance for any alcohol and/or drug consumption.

Drivers who exhibit poor driving behaviours and incur demerits, or are ticketed for other unsafe driving offences during the last year of their probation will have their probationary period extended for an additional year. Drivers will also be allowed to reduce their probationary period by up to six months if they complete an approved driver training course.

An additional road test will no longer be mandatory to obtain a Class 4 driver's licence, which is required to transport passengers in taxis, ride-share vehicles, limousines, small buses and ambulances. An enhanced knowledge test, driver medical and vision test will still be required to obtain a Class 4 licence. With this change, Alberta's government hopes to attract more competition to the ride-sharing industry.

Eliminating the advanced road test in the GDL program was suggested by many Albertans in a 2019 survey on red tape reduction actions to be taken by government. Survey comments included:

"Advanced road tests are a waste of time and money for Albertans. These tests are not significantly different from a standard GDL test and serve only to cost Albertans more to drive." and "Upgrading from Class 5 GDL to full Class 5 is expensive and time consuming."

Quick facts

- About 700,000 GDL drivers currently qualify to take their advanced road test. About 500,000 drivers will be eligible to automatically exit out of the GDL program.
- Over the past five years, about 65 per cent of drivers did not take their advanced road test and 99 per cent of motorcycle riders did not take the test.
- The current GDL program requires drivers to pass a basic road test, be on probation for two years and be suspension free for the final 12 months of probation before they can take the advanced road test to earn their full driver's licence.

MLA REPORT

from The Office of MLA Mark Smith,
Member of the Legislative Assembly
for Drayton Valley - Devon

Alberta is once again a top destination for investment capital from around the world.

The latest example of this is airplane manufacturing giant De Havilland announcing it is building a massive manufacturing plant and aerodrome in Wheatland County, just east of Calgary.

Dubbed 'De Havilland Field,' the new facility will be located between Chestermere and Strathmore, where the company has purchased more than 600 hectares of land. The new De Havilland plant will support at least 1,500 high-paying manufacturing jobs once it is completed, and hundreds of construction jobs as it is being built.

The De Havilland announcement follows several other landmark investments from major companies like Amazon, Dow Chemical, HBO, Air Products, Northern Petrochemical, and Walmart. These companies are investing more than \$10 billion into projects across Alberta, which will employ tens-of-thousands of Albertans for generations to come.

By balancing the budget, cutting taxes, and creating an environment that welcomes new investment, our United Conservative team is building a new Alberta Advantage that is diverse and resilient to outside economic forces.

As more jobs are created, however, more skilled workers are needed to fill them, and right now Alberta is estimated to have more than 100,000 job vacancies. To help address these labour challenges, our United Conservative government has launched a new advertising campaign called Alberta is Calling to highlight all the benefits of living and working in Alberta as opposed to cities like Toronto and Vancouver.

More than just a destination for business, Alberta is once again a place where everyday people see hope and opportunity. Net migration to Alberta is currently higher as families choose Alberta for its high-paying jobs, affordability, and tremendous

quality of life.

The policies of our United Conservative government are working to create jobs and investments in communities like ours. By cutting taxes and red tape and launching initiatives like Alberta Jobs Now and Alberta at Work, we continue to do all we can to make Alberta the best place in the country live, work, play, start a business, and raise a family.

In every corner of the province and in all sectors of the economy, optimism is growing for the future – and our government is working tirelessly to make sure Albertans are going back to work and participating in this new Alberta Advantage.

I can be reached at the main constituency office in Drayton Valley at 1-800-542-7307 toll-free. The office is open Monday to Friday. The Devon constituency office is open every Wednesday and the phones are manned Tuesday to Friday at 780-987-3666 or I can be emailed at draytonvalley.devon@assembly.ab.ca anytime.

Laurie's Laughs

Laughing at your own mistakes
lengthens your life.
**Laughing at your wife's mistakes
shortens it.**

A woman with a salad walked past me in the restaurant and said you know a cow died so you could eat that beefburger. I said if you weren't eating its food it might have lived.

**You can't hurt my feelings.
I use to bring the wrong tools to my dad**
