**FIRE
PREVENTION
WEEK™**

Fire won't wait. Plan your escape.™

The _____ Family's Home Safety Action Plan

ACTION #1

Make the first Saturday of each month "Smoke Alarm Saturday"!

A working smoke alarm will clue you in that there is a fire and you need to escape. Fire moves fast. You and your family could have only minutes to get out safely once the smoke alarm sounds.

- Smoke alarms should be installed in every sleeping room, outside each sleeping area, and on every level of the home, including the basement.
- Test all of your smoke alarms by pushing the test button. If it makes a loud beep, beep, beep sound, you know it's working. If there is no sound or the sound is low, it's time to replace the battery. If the smoke alarm is older than 10 years old, you need to replace the whole unit.
- If your smoke alarm makes a "chirp," that means it needs a new battery. Change the battery right away.
- Make sure everyone in the home knows the sound of the alarm and what to do when it sounds. (See ACTION #2.)

ACTION #2

Develop a home fire escape plan and practice it at least twice a year!

Having a home fire escape plan will make sure everyone knows what to do when the smoke alarm sounds so they can get out safely.

- Draw a map of your home, marking two ways out of each room, including windows and doors.
- Children, older adults, and people with disabilities may need assistance to wake up and get out. Make sure they are part of the plan.
- Make sure all escape routes are clear and that doors and windows open easily.
- Pick an outside meeting place (something permanent like a neighbor's house, a light post, mailbox, or stop sign) that is a safe distance in front of your home where everyone can meet.
- Everyone in the home should know the fire department's emergency number and how to call once they are safely outside.
- Practice! Practice! Practice! Practice day and nighttime home fire drills. Share your home escape plans with overnight guests.

REMEMBER:

When You Hear a Beep, Get On Your Feet!

Get out and stay out. Call **9-1-1** from your outside meeting place.

Hear a Chirp, Make a Change!

A chirping alarm needs attention. Replace the batteries or the entire alarm if it is older than 10 years old. If you don't remember how old it is, replace it.

- Safe, Warm, FUN Space to celebrate the evening!

FCSS NEWS from Deanne Young

Celebrating Breton – Thank you to everyone that participated in the Celebrate Breton evening, and especially those that helped pull things together at the last minute. Unfortunately, I was unable to attend to catching the flu bug. There were a few organizations that found themselves in the same position. One thing that I think we often forget is how much our community and the surrounding communities have to offer. We also have great facilities to hold programs and activities in, so if you have a passion or hidden talent that you would like to share, consider holding a workshop in our community. If you are looking for a specific service or group, please check our website at www.breton.ca or contact our office for further information.

Winter Clothing Exchange – Wednesday October 26 – 6:30 – 8:00 pm – With the winter months quickly approaching this is the time to check out what you could use for winter gear for yourself and the other members of your family. Join us on October 26 and bring those items that are in good to excellent condition that have been out grown or are no longer of use to you and your family. If you are in need of items, come and take a look. Anyone that is bringing items is responsible to take home what is not chosen that evening. Tables are at no cost and the evening is open to anyone in the community. Hope you will join us at the Breton Community Centre for a cup of coffee and to have a through the items.

Halloween Hoopla and the Haunted House is Back! – We are very excited that the Grad Class of 2023 has stepped forward to host the Halloween Hoopla and Haunted House. For those that are not familiar with the event this is an evening on October 31 for children and families to have a safe, warm and fun way to celebrate Halloween. The evening will include games, activities and a haunted house to go through. More details will be shared in the weeks ahead of all the fun that is planned. If you would like to donate candy to the event, you can drop off donations at the Village of Breton Office – 4916 50 Avenue. In return you will receive a notice for your door, indicating that you have supported our event and you don't have to go to the door for the trick or treaters.

WORKSHOP - Holiday Spending Treadmill: The Holiday season can be one of the most stressful times of the year, especially when the bills arrive. With "The Holiday Spending Treadmill" we put the joy back into the season by showing practical ways to pay off debt from previous years, making the most out of this season and planning ahead for the next year. This workshop is

being facilitated by Money Mentors from Edmonton. This is a free workshop and will include supper. Please pre-register at 780-696-3636 or fcss@breton.ca Recommended for participant 16 and older. Participants outside of Breton are welcome. Please contact us for more information or any questions that you may have. Participants that are registered (18 and older) and attend are eligible to be entered into a draw by Money Mentors for a \$500 cash prize.

Housing Rental Information – Breton FCSS will be collecting information for any rental properties in the area. If you would like to have your property listed, please stop by the Village of Breton Office to complete the form. It can also be found on the Village website at www.breton.ca The collected information will be available as a list at our office or also can be downloaded from the Village of Breton website. The landlord gives consent for us to distribute this information. Any further communication will be between the landlord and the potential renter. – **We currently know of 1 listing.**

Participants will be able to either do the exercise standing or sitting, which ever their ability will allow. This program is facilitated by Cassie Kreil a certified instructor. Participants will be asked to pay a small fee of \$1/class. Join today and start to get fit with friends. This is a drop-in group so you are welcome to start attending at any time throughout the year. There is a new location – Breton Community Centre – 4715 50th Avenue. Hope to see you there.

Fundraising Opportunities. – Breton is looking for a not- for profit group to host Community Movie Nights throughout the year. We pay an honorarium to the group for hosting the activity. Additional costs such as space rental, and helping with advertising of the event is also provided by FCSS. If your group would like more details on this opportunity, please contact Breton FCSS at 780-696-3636 or fcss@breton.ca

Fall / Winter Programming – Now that it looks like things are getting back to normal, we would like to hear what you would like to learn about and participate in. FCSS has put together a poll on our Facebook page or you are welcome to email us or call in any suggestions. Programming for your well-being, skill learning, support groups are all areas that we may be able to support. Send any suggestions to fcss@breton.ca or call 780-696-3636. Autumn
written by Tracy Bolton

Autumn comes in telling
 The birds to get a grip
 Its time you back your bags
 To take a flighty trip 🍂
 So here comes Mr Robin
 With the little ones in tow
 The Finches Wrens and Hatches
 Fly with him don't you know 🐦
 And off there go the Starlings
 They were waiting for the wind
 For when it comes a howling
 Their journey then begins 🌬️
 Then we see the flocks of Crows
 And the Geese all in a V
 Its heartwarming when we hear it
 And an amazing thing to see 🦃
 So when autumn comes a calling

AHS TO UPDATE SURGICAL WAIT-LIST WITH AUTOMATED CALLS

Patients on surgical wait-lists in the Central Zone of Alberta Health Services (AHS) can expect an automated phone call or voicemail as part of an initiative to update surgical wait-lists.

Patients will be asked to confirm AHS has contacted the correct person. As part of the process to confirm wait-list status, the surgical wait-list management team will ask for the patient's provincial personal health number and birthdate to confirm their identity.

Patients who hang up or do not call the number back will not see their position on the wait-list affected.

Patients are reminded AHS will never ask for financial information or for any personal information other than your provincial personal health number or birthdate during these calls. If the phone call or voicemail asks for additional information, such as a social insurance number or banking information, do not provide that information or return the call.

To help patients determine that the call is not a scam, a webpage has been created outlining the scripts being used for each zone.

www.albertahealthservices.ca/about/page13802.aspx

This initiative is part of AHS's surgical recovery plan, which includes other strategies to reduce wait-lists for non-urgent scheduled surgeries. The first phase of this pilot in the AHS Edmonton Zone reduced the surgical wait-list in pilot departments by 5.6 per cent.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

MLA REPORT

from The Office of MLA Mark Smith,
Member of the Legislative Assembly
for Drayton Valley - Devon

Alberta is once again a lighthouse for all those seeking freedom, opportunity, and prosperity.

According to Statistics Canada, Alberta saw a net gain of approximately 10,000 people in the second quarter of 2022. This makes four consecutive quarters of positive net migration to our province.

Whether it's affordable homes, low taxes, good jobs, or world-class quality of life – families and businesses from across Canada are choosing to come to our province and participate in the new Alberta Advantage.

The real numbers are very exciting. From January to June 2022, we welcomed 15,208 people from other provinces. Over the past four quarters, we welcomed 23,132 people. But these latest second quarter numbers are the highest provincial migration numbers we've seen since the second quarter of 2014 and serve as a strong signal that Alberta is truly back on the right track.

Contrast this with the grim reality we witnessed under Rachel Notley and the NDP. Back then, Alberta experienced 13 consecutive quarters of negative net migration, all while we lost hundreds of thousands of jobs and billions of dollars of investment. When the NDP was in government, people spoke with their feet and left. Today, people are coming back.

Jobs and investment are also pouring back into Alberta, as we lead the nation in economic growth. By cutting taxes and red tape, and by launching initiatives like Alberta Jobs Now and Alberta at Work, our United Conservative government is continuing to do all it can to make Alberta the best place in the world to live, work, play, start a business, and raise a family.

As more jobs are created, however, more skilled workers are needed to fill them, which is why these positive net migration numbers are so welcome. Right now, Alberta is estimated to have more than 100,000 job openings. To help address these labour challenges, our government launched a new advertising campaign called Alberta is Calling to highlight all the benefits of living and working in

Alberta as opposed to egregiously expensive cities like Toronto and Vancouver. Clearly, the message is getting through.

More than just a destination for business, Alberta is once again a place where everyday people see hope and opportunity for the future. People are choosing Alberta again, and this is good news for all of us.

For generations, Canadians came to Alberta in search of better lives and better futures. Now, a new generation is following in their footsteps and heading west to participate in the promise of Alberta.

Our entire United Conservative government welcomes these new Albertans and wishes them nothing but success and happiness in our great province, now and for generations to come.

I can be reached at the main constituency office in Drayton Valley at 1-800-542-7307 toll-free. The office is open Monday to Friday. The Devon constituency office is open every Wednesday and the phones are manned Tuesday to Friday at 780-987-3666 or I can be emailed at draytonvalley.devon@assembly.ab.ca anytime.
