Thank you from the Town of Thorsby to all who came out and had a great time dancing away Friday night at the Family Halloween Dance! It was an incredible success with an estimated 60-80 kids in attendance with their parents.

BREAKING NEWS!!

TOWN OF THORSBY BILLING NOTICE!

If you notice a C in your bill (example C\$97.97) it **does not stand for credit**. A recent update in our system accidentally turned on regional billing and the C stands for Canadian Dollar.

Please make sure to call the Town Office at 780-789-3935 during regular business hours if you are unsure whether you have a credit or not and we will assist you. Thank you very much!

FLOWER POTS AND CIGARETTES DON'T MIX

Planters can add a significant amount of colour and enjoyment during the summer to any resident or business property. When the plants are finished for the season, the planter will become very dry. Often people don't think about the hazards that exist if disposing a cigarette into a dry planter. Materials such as peat moss, vermiculite and styrofoam pellets become very flammable when they are dry. Some planters will ignite quickly, while others smoulders for hours or even days before finally igniting causing serious damage to property. Please only use designated outdoor cigarette waste containers that are designed to not catch fire. Planters are not for cigarette disposal at any time of the year!

Storyboards installed on the Trails ENJOY THE OUTDOORS

by Carol Rempel

Storyboards are weatherproof message boards with stands that are interchangeable for stories, flyers, quotes, community information and pictures. They have been installed along the Thorsby Trail Network around the Lion's Campground. The Elementary school participated by drawing pictures, writing stories, or quotes and 35 of them are now displayed in the story boards along the Trails. Check them out by walking along Monroe Trail, Peninsula Trail, Bottom Trail, Return Trail, by the Photo Booth and at the Orchard. Over the next few months, you will have a chance to see all of the stories from the TES students as they are rotated. These storyboards were purchased through the Alberta Rural Mental Health grant to provide inspiration to those who stop to read them.

Did you know that the trails and improvements are maintained by volunteers and grants, not your tax dollars? Last weekend the CIB volunteers came out to hang and install nesting boxes, bird feeders, and bat houses built by Ruhr Lumber. Thank you to all those volunteers that were involved. Also in the Orchard, all fruit trees and shrubs have signs describing what kind of tree or shrub it is. Thanks to CE Media for making the signs and volunteering to install them. Improvements with the boardwalks and fences are continually being upgraded for your safety.

What a great way to promote positive mental health – in Nature!

A police officer came to my house and asked me where I was between 5 & 6. He seemed irritated when I answered: "Kindergarten"

I'm in the ER. I don't want to bore you with details, but the 'Dyson Ball Cleaner' is a dangerously misleading product name.
