

# THE BRETON BOOSTER

## NO MORE ADVANCED ROAD TESTING FOR GDL

***Alberta's government is making changes to the Graduated Driver's Licensing (GDL) program, which will benefit eligible young drivers aged 18 and over.***

In 2003, Alberta brought in its GDL program, which placed new drivers on a 24-month probationary period for safety and required an advanced road test in order to be removed from the program. Effective April 1, eligible drivers currently in the GDL program will save \$154 by not having to take an advanced road test to get their full Class 5 or Class 6 Alberta driver's licence.

Over the past five years, about 65 per cent of drivers did not take their advanced road test and 99 per cent of motorcycle riders did not take the test. Moving forward, all restrictions of a GDL licence will remain in place until a driver has received a letter from the government indicating that they have exited the GDL program.

Starting April 1, drivers who have an urgent need to exit the GDL program – needing a non-GDL licence for a job, for example – can go to a registry agent office to confirm their eligibility. If the registry agent determines a driver is eligible, they will exchange the driver's GDL licence for a non-GDL driver's licence free of charge.

*"Requiring a second test costs too much, it's a roadblock to finding jobs and has created unnecessary red tape for my generation. The elimination of the Class 5 and Class 6 advanced road tests under the Graduated Driver Licensing program is one of the most significant cost-saving and red tape reduction measures introduced for young Alberta drivers."* Mark Emes, student, Mount Royal University

On June 25, the Government of Alberta will implement technology that will automatically exit eligible Albertans who have demonstrated safe driving behaviours from GDL drivers to non-GDL status.

GDL drivers must have no suspensions or demerits within their last 12 months of probation, including zero

tolerance for any alcohol and/or drug consumption.

Drivers who exhibit poor driving behaviours and incur demerits, or are ticketed for other unsafe driving offences during the last year of their probation will have their probationary period extended for an additional year.

### Quick facts

- About 700,000 Albertans are currently in the GDL program.
- About 500,000 drivers may be eligible to exit the GDL program on April 1 under the new rules.
- The criteria for exiting the GDL program is:
- you must be 18 years of age
- you must have completed your 24 months of probationary driving
- if you have taken a Class 5 or Class 6 driver training program from a driver training school licensed by Transportation and Economic Corridors, you may be eligible to reduce the 24-month probationary period by up to six months
- you must be suspension and demerit free for the last 12 months
- In order to obtain a Class 4, 3, 2 or 1 driver's licence, a driver must first have a full (non-GDL) Class 5 driver's licence.
- The Graduated Driver's Licence program was established in 2003.

## Wilma Grace (Waslow) Syniak

September 18th, 1938 – March 30th, 2023

### *"Strong willed to the end"*

It is with great sadness & much love we say goodbye to a devoted wife, loving mother, grandmother & great grandmother. Wilma was born in Thorsby & lived most of her life in the rural area near Warburg.

Wilma will be greatly missed by daughters Terri & Sandi, sons Gene (Lan), Dean (Allison); & grandchildren Curtis (Justina), Nickie (Brandon), Samantha, Hayley, Matthew, Amy, Creedence, Jordan & Draven; nine great grandchildren & many nieces, nephews & dear friends.

Predeceased by husband Metro, parents Matt & Amy Waslow; sisters/brother-in-laws Annice (Roy) Morrison, Marie (Bev) Frank.

Wilma proudly raised her family while being strongly rooted within the community. She'll be remembered for her kindness, hospitality, gardening & especially her cooking. From her perogies & cabbage rolls at many catering events that even enticed former Premier Klein to sneak into the kitchen for extras, to her famed "Wilma Burgers" at the Warburg Arena.

A private burial ceremony will be held at a later date. In lieu of flowers, donations can be made to the Leduc Hospital Foundation.

A special thank you to Dr. Sampson, Dr. Rankin, Dr. Zawartka & the exceptional staff in unit 22 of the Leduc Hospital.

Although this is something that most of us would like to avoid thinking about and doing, I am afraid that this is unavoidable. You need to file your income tax each year, even if you have no income to report. By doing this you may receive benefits that you did not know you were eligible for. Also, in the event of the death of your spouse, benefits can easily be transferred to you, if you have filled a return for the last calendar year. If you did not file a tax return in 2021 you may not be receiving benefits from the government that you are eligible for. The focus of the Community Volunteer Tax Program is to assist those individuals who have limited income. This includes seniors, families, and students. If your income was approximately in one of the following categories, you may qualify for assistance. \*1 person - \$35,000 / Couple - \$45,000 / Family - \$52,500

We are not able to complete returns with income from the following sources: *Capital Gains or Losses, Farming Income, Rental Income, Self-Employment, Interest exceeding \$1,000, Bankruptcies, Deceased Persons*

This service is FREE to those who qualify. If you require this service, please gather your information, and bring it to the Village of Breton office Monday to Thursday between 8:30 - 4:00. Clients will be notified when your return is completed. The program will run from March 1 - April 30, 2023. We require the following information to complete your return:

- Personal Information (Social Insurance Number, Birth date, Marital Status, Address)
- Dependent's information - spouse/ children's names, birth dates.
- All "T" Slips (T4's, T4A, OAS ect.)
- All Forms, Schedules, and Labels you have received from Revenue Canada.
- Receipts for any expenses such as medical, moving, tuition, sporting activities. Printouts from your pharmacist are available for those with numerous prescriptions.

## Virginia OLSON

July 20, 1951 – March 22, 2023

It is with profound sadness that we announce the passing of Virginia Olson on March 22, 2023 at the age of 71. Virginia passed peacefully, surrounded by her loved ones, in the comfort of her own home.

Virginia will be lovingly remembered by her daughters Candice (Troy) and Celeste (Kyle); grandchildren Eric (Amanda), Chelsea, Brooke (Carson), Ashton (Kenzie), Kierra; great-grandchildren Olivia and Axle. She would not want us to forget to mention her beloved grandpups Jewels, Brodie, Chino and Jello. As well as her soul sisters Darlene Ambrock and Rosalie Brewster and numerous nieces, nephews, relatives and friends.

She was predeceased by her husband Roger, her dad Fred, her mother Millie, her father Edward and sister in law Corrine.

Virginia was the kindest, most thoughtful soul with the warmest hugs and brightest smile. She was a well-spoken woman who worked exceptionally hard her entire life and held the honorable title of Mayor of Calmar from 1995 to 1998. It can't be denied that she was also the biggest Edmonton Oilers fan and most recently admitted she had a hockey crush on Draisaitl. Her family is at peace knowing she is with the love of her life and her loving parents.

The family would like to thank friends and family who have been supportive during this time, as well as her Home Care team who took such good care of her throughout her journey and Dr. Young and his oncology team at the Cross Cancer Institute.

**Cremation has taken place and a Celebration of Life will be held at a later date.**

*In lieu of flowers, donations may be made to a charity of one's choice.*

# Soul Care

I asked my almost 12-year-old daughter “what should I preach on Easter Sunday...?” she looked at me for moment... “um...mom...isn’t that when Jesus rose from the dead...go with that...that is a good start...”

Smart girl.

Easter, the day we celebrate our Lord’s Resurrection as it is the day we remember the Hope we have in Jesus. He came, died, and rose from the dead so we can have eternal life.

**Today my friends, is a good day to know Jesus.**

It is written in Isaiah 53, that Jesus Christ is the promised Messiah and Savior of the World. We need a saviour, as we have been separated from God by our sin. As we repent and find our way back to Jesus, God provides a way through the death of His son on the cross, for our sins. The resurrection refers to Jesus being raised from the dead three days after his death on the cross.

As Christians, we believe that when Jesus laid down his life on the cross, he paid the full penalty for our sin by offering the perfect, spotless sacrifice. Our relationship with God has been restored. We have been restored, made whole in Christ. By raising from the dead, the Lord defeated the power of sin and death and purchased, for all who believe in him, eternal life in Christ Jesus.

We can have this eternal life; it is offered to each of us. Every single one of us can receive this gift of grace. He is calling out to each of us, extending His hand of grace and offering us a seat at His table. Our God is a God of grace, a God that offers Hope. There is only one answer: through faith in Jesus Christ (John 14:6). Will you trust in the Savior and gain everlasting life?

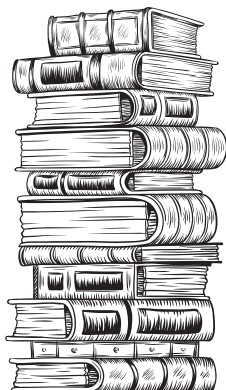

**Today is a good day to know Jesus.**

**Breton Faith Covenant Church** invites you to the Good Friday Service 7pm. Then join us for our Easter Sunday morning celebration starting 9:30am for potluck breakfast followed by our worship service at 11 am!

# LETTERS TO THE EDITOR

## RAISE OF PAY FOR COUNCIL AND REEVE?

Council of Brazeau County have recently gone into closed session to discuss another wage increase for themselves. "They call this Council-1 Policy, which involves Council remuneration and per diems. The last revision was July 2022, and now, only 8 or 9 months later they are likely looking to raise their wages again.

At the end of the March 7, 2023 meeting, the Reeve moved to direct administration to draft the Council-1 Policy with revisions as discussed in closed session and bring it to the April 4th meeting for approval. In favor were:

D.Wiltse, B.Guyon, D.Ekstrom, C.Brooks, and against was A.Heinrich

Council presently receive this compensation for their involvement on Council.

Monthly for Rate Payer Concerns:  
Councillors each get \$1595 per month  
Reeve gets \$1871 per month

Addition Duties:  
Councillors each get \$155 per month  
Reeve gets \$360 per month

Communication:  
Councillors each get \$275 per month  
Reeve gets \$275 per month

Plus Per Diems: (this is for Council meetings/ other meetings and Attendance to sign documents)

Time Working	Councillor gets	Reeve gets
Up to 2 hours	\$100	\$116
Up to 4 hours	\$195	\$232
4 to 8 hours	\$296	\$365
Over 8 hours	\$455	\$505
(one meeting)		
Conference rate	\$374	\$435
(variable hours)		

Health Care benefits, and matched pension plan @ 5% of honoraria contributions, meals away @ \$50 per day with no receipts required, car rental, Taxi, parking, plus out of County travel are all part of the package.

My question is: How many residents can give themselves a raise every year (or sooner) using someone else's money to do so? In my bookkeeping system, I need to show receipts for anything I want to claim to have coming to me. We, the public, may feel they are worth the raise, but

shouldn't we at least have some say in the matter?

My suggestion would be that the raise should be brought in before the next election, for the next Council and Reeve. If they run again and win, it's their gain. When you ran, you knew what your wage would be, so why do you feel you deserve to give yourself more?

Les Huber
