

THE BRETON BOOSTER

THE LANDSCAPING IS CHANGING...

Submitted by Village of Breton CAO, Natasha Morrissey

Since 2018 the landscape in Breton has been evolving. The ground was broken on the new community centre thanks to the hard work of so many area volunteers, the generosity of Brazeau County and the efforts of former CAO, Terry Molenkamp. From these efforts our beautiful new community centre stands as something our Village can be proud to offer. But with new comes the sad event of removing the old. This week the former community hall will be being demolished. The land that it sits on will be used for parking for various community events. The "old hall", as many affectionately refer to it, has seen many of our residents, past and present, through it's doors for

such a vast array of events. Banquets, dances, bonspiels, weddings, funerals and everything in between. The land the "old hall" sits on was originally purchased from Harry Huntley for \$2500. Although the hall had been in the planning stages for several years, the construction began the fall of 1959. The first function to be held in the hall was a meeting of the Community Club in January of 1960. Through many volunteer labour hours, a loan from the local ATB and many smaller loans from community members, the costs covered totaled approximately \$17,000. In 1970 the old hall had an addition built, you guessed it...the new curling rink!

It is very sad to see any long standing building go within a community. From the Village of Breton Council and administration a "Tip of the Hat" to the old hall and all the wonderful memories it gave to so many over the years.

**Greetings from
Breton Elks Lodge #402**

Well today is April 17, 2023 and what a wonderful day of spring with all the snow. Wow. Moving forward many months ago the staff of the Breton Long Term Care reached out for some assistance in purchasing a lift to assist them with residents care. This equipment greatly improves the staff ability to transfer residents from their bed to wheel chair or any other movements necessary.

After many long months of waiting for AHS approvals and equipment supply issues this equipment is finally in place with the support of Drayton Valley Health Foundation and a donation of \$5,000 from the Breton Elks.

OUR COMMUNITY WITHOUT VOLUNTEERS

Submitted by Deanna Young

As we celebrate National Volunteer Appreciation Week have you stopped to think about the difference volunteers make to our community. You may think that we could survive without volunteers, and we could, but our community would look very different. Here are some of the ways our community would look different without the efforts of all our great volunteers.

- No Volunteer Fire Department to respond to your house / barn fire.
- No hot lunch program at your child's school
- The soccer, baseball, and football fields, along with the hockey rinks becoming empty without coaches, managers, and executives to run the program.
- The RV Park / Campground and skating rink closed without the Volunteer help of our ELKS.
- Our youth are not developing leadership skills through Scouts and 4H programs and Mentorship Programs.
- The history of our community is lost without the volunteers of the museum keeping it alive.
- The quality of life for those at the Breton Extended care lowered without Volunteer help at mealtime and entertainment and recreational activities.
- Children that do not learn to swim without the Volunteer work of the West End Pool Society.
- The operation of the Food Bank, youth clubs and spiritual support without Volunteers from the churches.
- Preschool children are losing the opportunity for social development without Pre-school and Playschool programs.
- Christmas time is not as festive for the families that receive food hampers and gifts for the children from Christmas Wishes and our Secret Santa's.
- Rural residents do not feel as safe without a Rural Crime Watch Program.
- School being only about academics without the support of Parent Advisory Councils assisting with extracurricular activities.
- Parks, playgrounds, and community activities not being supported without the work of the Royal Purple ladies.
- Our seniors are not active and less social without groups like the Golden Age Club.

- Local Community Halls are not operational without Hall Association Volunteers.
- The work done by your Municipal elected officials.
- Community programs at the library not able to be offered.
- Community Programs and events such as Kick Off to Christmas, St Paddy's Day Corn hole, the Breton Community Garden without the efforts of the members of the Breton Agriculture Society.
- Volunteer work of your friends and neighbors who lend a helping hand with errands, childcare and being good neighbors.

These are just some of the examples of how our community would look different without the work that is done by VOLUNTEERS. Take the time to thank one today if you and your family participate in any of these activities as a part of your day. Thank you to all our Volunteers for your commitment to our community. This past year we have seen how much being a great citizen in our community and lending a helping hand to others has made a difference. Thank you to everyone that takes a bit of their time to help others and our community. To those that VOLUNTEER, please know that your time and efforts don't go unnoticed. To the families that share you will us, Thank You!

BENEFITS OF VOLUNTEERING

1. Provides you with a sense of purpose. ...
2. Provides a sense of community. ...
3. Helps you meet new friends. ...
4. Increases your social skills. ...
5. Improves self-esteem. ...
6. Teaches you valuable skills. ...
7. Provides job prospects. ...
8. Brings fun into your life.

Dear heart of Jesus, in the past I have asked many favors, this time I ask you this special one (*mention your favor*)

Take it dear heart of Jesus and place it within your heart where your Father sees it. Then in his merciful eyes it will become your own favor, not mine. AMEN

Say this prayer 3 times for 3 days and your favor will be granted. Never been known to fail. Must promise publication of prayer. C.C.

Facilitator : NATASHA WESTERHOUD

Natasha is a Jesus follower who aspires to His teachings of love, compassion, generosity, and radical hospitality. She has been a Pastor for over 23years and presently has the privilege of walking alongside families in the Breton Faith Covenant Church located in Breton, Alberta. Her passion is Pastoral Care and through that, **Soul Care Ministries** was formed in where she facilitates workshops and offers Pastoral and Mental Health Care throughout the world. Along side her Life Coaching skills she is also a Trauma and Attachment Counselling Practitioner and is currently pursuing her degree in Family Therapeutic Arts Therapy.

She is a strong believer of understanding the importance of our stories and the need to share them. Through our stories we learn about each other and how God is in the details of our lives and only then, can we better care for one another.

Natasha celebrates 26 years of marriage to Mike who runs his own drafting company, and they have two beautiful children Hana and Eli. Their family story is a unique story of waiting on God and traveling many miles across the ocean to bring home their babies.

Natasha coordinates yearly mission trips to Ecuador , where she supports and works along side the Santiago Partnership. www.santiagopartnership.org

She has also had the privilege of being a part of a writing project called **'The Mom Quilt'** where she has shared some of her adoption story. The proceeds of the book is designated to the ministry called The Mercy House which is created to aid pregnant girls living in extreme poverty. The book can be found on Amazon.

Her life is full of adventure, and she enjoys camping, hiking in the mountains, day trips off the beaten path, riding their Harley into the sunset and spending time with their family. For her, the key is to live life to the fullest no matter what season God puts you in, never stop learning or growing and always try to meet people where they are at. Her purpose in life is to live out an extraordinary life in the ordinary and to be reminded each day that we are all *"just walking each other home Ram Dass "*.
