

# THE BRETON BOOSTER

## EMPOWERING OUR YOUTH

story & pictures from Facebook

Breton FCSS partnered with Breton Elementary & High School to bring Female Canadian Country Recording Artist and Entertainer, Tiffany Dowhan to present. This was part of her High Heels & Spurs Self Esteem Program spring tour empowering youth to make choices that will serve them as they work towards their goals & dreams. "So grateful to have spent the day at Breton Elementary School, reminding these young ladies that they are worthy, fearfully and wonderfully made, that what they say & do does matter and that they were created for a plan & a purpose!" says Tiffany on a Facebook post.

Such great messages for all!

There has been some concern because some of the Halls, Churches, Services or Meetings are not in every paper. We have been making some changes and trying new things. We are continually getting more and more information on our communities and I have been told that our readers want to know what is going on in all surrounding communities. There are now too many **FREE** listings to print in every paper without page sponsors.

Upcoming Events & Programs will be in every paper but the other services will only be guaranteed once a month. These listings are always available on our website at [www.community39.com](http://www.community39.com) under "Community"

We apologize for the confusion this has caused.

**THERE IS A FULL LISTING AT THE BACK OF THIS ISSUE!!**

*In Loving Memory  
Friends Forever*

*A Letter to Our Families*

*To our Dearest Families,*

Some things we'd like to say; but first of all to let you know that we arrived okay. We're writing this from Heaven, where we dwell with God above, where there are no tears of sadness, there is just eternal love. Please do not be unhappy, just because we're out of sight. Remember that we're with you, every morning, noon and night.

The days we had to leave you, when our life on Earth was through, God picked us up and hugged us, and He said, "I welcome you". It's good to have you back again, you were missed while you were gone. As for your dearest families, they'll be here later on." "I need you here so badly, as part of My big plan. There's so much that We have to do, to help our mortal man." Then God gave us a list of things He wished for us to do, and foremost on that list of ours, is to watch and care for you. We will be beside you, everyday of the week and year, and when you're sad, we're standing there to wipe away the tears. And when you lie in bed at night, the day's chores put to flight, God and I are closest to you in the middle of the night.

When you think of our life on Earth, and all those loving years, because you're only human, there's bound to be some tears. Do not be afraid to cry; it does relieve some pain. Remember, there would be no flowers, without a little rain.

We wish that we could tell you, of all that God has planned, but if we were to tell you, you would not understand. One thing is for certain; although our life on Earth is over, we are closer to you now than we ever were before.

And to our many friends, trust God knows what is best. We are not far away from you; we're just beyond the crest. There are rocky roads ahead of you, and many hills that you must climb. Together we can do it, taking it one day at a time.

It was our philosophy, and we'd like it for you too, that is, give unto the World, so the World will give to you. If you can help someone who's in sorrow or in pain, then you can say to God at night, my day was not in vain.

And now we are content that our life was worthwhile. Knowing, as we passed along the way, we made somebody smile.

When you're walking down the street, and you've got us on your mind, we're walking in your footsteps, only half a step behind. And when you feel a gentle breeze of wind upon your face, that's when we're giving you a great big hug, or just a soft embrace.

When it is time for you to go from that body to be free, remember, you are not going; you are coming home to me.

*We will always love you from that  
place way up above.*

*We will be in touch again soon.*

**PS - God sends His love.**

*Tyler James  
Tomaszewski*

**September 20, 1988 - April 22, 2009**

*AFTER GLOW*

I'd like the memory of me to be a happy one.

I'd like to leave an after glow of smiles when life here is done.

I'd like to leave an echo, whispering softly down the ways of happy times and laughing because of those amazing memories.

I'd like the tears of those who grieve to dry because of those happy memories that I leave when this life is done.

*Forever loved and missed,  
Dad, Mom,  
Craig, Tanner  
Family and Friends*

*Brandt Tanner  
Joseph Levers*

**February 9, 1989 - April 29, 2007**

*MISSING YOU*

You can shed tears that he is gone or you can smile because he has lived.

You can close your eyes and pray he'll come back or you can open your eyes and see all he's left.

Your heart can be empty because you can't see him or you can be full of love you share.

You can turn your back on tomorrow and live yesterday or you can be happy for tomorrow because of yesterday.

You can remember him and only he's gone or you can cherish his memory and let it live on.

You can cry and close your mind, be empty and turn your back or you can do what he'd want; smile, open your eyes, love and go on.

*Missing and loving you  
Always and forever,  
Your  
Loving Family*

## 2023 No Spray Program

Brazeau County property owners who do not wish to have roadside spraying performed adjacent to their property must enter into a No Spray agreement. In the agreement, the landowner consents to maintain the adjacent municipal right of way themselves, for the purpose of weed and brush control without herbicides, in compliance with the Alberta Weed Control Act. For highway right of ways, the landowners must contact Alberta Transportation if they do not want herbicides applied to the area adjacent to their property.

To enter into a No Spray agreement with the County, please fill out an application form by visiting the Brazeau County office or visiting [www.brazeau.ab.ca](http://www.brazeau.ab.ca). Agreements must be renewed annually.

## COUNCIL

## HIGHLIGHTS

Proud home of Miss Rodeo Canada 2022 Jayden Calvert and  
Miss Alberta High School Rodeo 2021/2022 Tawnie Thompson

### Tax Rate Bylaw and Tax Incentives

Council passed a number of motions to set the tax rates for 2023 and offer tax incentives.

Bylaw 1149-23 sets out a 25% tax incentive on the municipal portion of residential property taxes for 2023, which formalizes the process the County has undertaken for residential property owners since 2020. As in previous years, to be eligible for the incentive, all taxes must be paid by the June 30th due date, including any arrears. The incentive will be pro-rated for taxpayers using the Tax Installment Payment Plan.

Bylaw 1148-23 creates sub-classes for vacant and small businesses within the non-residential assessment class.

Bylaw 1141-23, the Tax Rate Bylaw, sets the tax rates for 2023. The rates remain unchanged, except those in the vacant and small business sub-classes, which have been reduced by 25%. Property owners in those sub-classes will have a lower property tax rate applied to their properties rather than the tax incentive.

Small businesses are defined in the bylaw as property (other than Designated Industry Property) that is owned or leased by a business that has fewer than 50 full-time employees across Canada as of December 31 of the year prior to the year of taxation.

The changes allow the County to provide tax relief to taxpayers while staying in line with the requirements of the *Municipal Government Act*. This is the eighth year of tax incentives for small businesses, and the fourth year for residential taxpayers.

### Financial Audit Presentation

Auditor Phil Dirks of Metrix Group presented the results of the annual financial audit conducted earlier this year. He confirmed that the County is in good financial shape.

The County has \$50 million in assets, \$18 million in liabilities, including \$7.8 million in debt, and a remaining debt capacity of \$34 million.

By law, all municipalities must be audited each year. The approved financial statements will be posted to the County website shortly.

### Pavement Preservation Plan

Council approved a draft pavement preservation strategy,

outlining the philosophy behind utilizing cost effective, preventative maintenance techniques to reduce rehabilitation work for paved driving surfaces. Council directed Administration to evaluate paved driving surfaces within the County and determine potential preservation techniques for discussion at a future Council Workshop, prior to 2024 interim budget deliberations.

### Keeping of Chickens in Residential Areas

Council directed Administration to investigate options to allow for the keeping of chickens in residential areas. A report will be provided to Council at a future meeting.

## NEW TOLL-FREE POISON CENTRE NUMBER

OTTAWA: Gerald Soroka, Member of Parliament for Yellowhead wishes to advise that Health Canada has launched a new toll-free number, 1-844 POISON-X, (1-844-764-7669), in collaboration with four Canadian poison centres, to make it easier for people in Canada to access critical medical advice for poisonings.

Each year in Canada, over 1,500 people lose their lives and 8,000 are hospitalized due to unintentional poisoning from medications, cleaners, cannabis products, and many other household items. For this reason, save this toll-free poison centre number in case of accidental poisoning.

# BRAZEAU COUNTY PASSES FINAL 2023 BUDGET

BRAZEAU COUNTY, April 21, 2023 — On April 12th, Brazeau County Council passed the final budget for 2023, with targeted investment in the County, and on April 18th, passed several bylaws in order to provide tax incentives or a reduced tax rate for some property classes.

The budget maintains the 8-year freeze on municipal taxes. Fees, which were limited to zero or to minimal levels in previous years, are not set to increase outside campground rentals and non-resident burial plots.

A tax incentive of 25% will be applied to the municipal property tax for residential properties when taxes (including arrears) are paid in full by June 30th, 2023. For properties in the newly-created vacant non-residential and small business sub-classes, the municipal property tax rate has been reduced by 25%.

This is the eighth year in a row that the budget includes tax savings for non-residential property classes, and for the fourth year, a tax incentive has also been applied to residential and farmland properties.

The budget also includes \$8.9 million in capital investment in roads, equipment replacement, and other infrastructure.

"This budget, as in previous years, protects the taxpayer, while at the same time, invests in critical infrastructure to better serve our residents," says Reeve Bart Guyon. "This reflects Council's focus on our key priorities: keeping the cost of living and doing business in Brazeau among the lowest in the country, while providing the services and infrastructure we need to serve our ratepayers, our businesses, and industry."

Infrastructure investments and other initiatives include:

- A new pumper truck for Drayton Valley/Brazeau County Fire Services
- Construction of one mile of Township Road 474
- A farm plastics recycling program
- New software to allow campground bookings online
- Software to enable the County to record Council meetings
- A new playground at Willey West campground
- A modernized radio system to allow Fire Services to use the same communication system as the RCMP and other emergency responders
- An increase in funding to STARS air ambulance
- Purchase of two blades to allow a tractor and skid steer to be used year-round, complementing the

winter maintenance fleet

- A strategic replacement approach to equipment replacement, based on specific equipment and its use, in order to extend their lifespan.

Once finalized, the budget will be available at [www.brazeau.ab.ca](http://www.brazeau.ab.ca), and information on taxes, including the incentive and reduced tax rate, will be published online and in the May/June issue of the Brazeau County News.

For more information on the budget, please contact Chief Administrative Officer Kent Edney at 780-542-7777 or [kedney@brazeau.ab.ca](mailto:kedney@brazeau.ab.ca).

### **Facilitator : NATASHA WESTERHOUD**

Natasha is a Jesus follower who aspires to His teachings of love, compassion, generosity, and radical hospitality. She has been a Pastor for over 23years and presently has the privilege of walking alongside families in the Breton Faith Covenant Church located in Breton, Alberta. Her passion is Pastoral Care and through that, **Soul Care Ministries** was formed in where she facilitates workshops and offers Pastoral and Mental Health Care throughout the world. Along side her Life Coaching skills she is also a Trauma and Attachment Counselling Practitioner and is currently pursuing her degree in Family Therapeutic Arts Therapy.

She is a strong believer of understanding the importance of our stories and the need to share them. Through our stories we learn about each other and how God is in the details of our lives and only then, can we better care for one another.

Natasha celebrates 26 years of marriage to Mike who runs his own drafting company, and they have two beautiful children Hana and Eli. Their family story is a unique story of waiting on God and traveling many miles across the ocean to bring home their babies.

Natasha coordinates yearly mission trips to Ecuador , where she supports and works along side the Santiago Partnership. [www.santiagopartnership.org](http://www.santiagopartnership.org)

She has also had the privilege of being a part of a writing project called **'The Mom Quilt'** where she has shared some of her adoption story. The proceeds of the book is designated to the ministry called The Mercy House which is created to aid pregnant girls living in extreme poverty. The book can be found on Amazon.

Her life is full of adventure, and she enjoys camping, hiking in the mountains, day trips off the beaten path, riding their Harley into the sunset and spending time with their family. For her, the key is to live life to the fullest no matter what season God puts you in, never stop learning or growing and always try to meet people where they are at. Her purpose in life is to live out an extraordinary life in the ordinary and to be reminded each day that we are all *"just walking each other home Ram Dass "*.

# LETTERS TO THE EDITOR

To the Editor:

The following is submitted after reading an article (April 6, Free Press) about the recent remuneration increases that the Council of Brazeau has awarded themselves.

The first question that comes to mind is who else in society can adjust their salary for and by themselves. Should this not be done by a reliable arm's length independent committee?

The article also states that this increase was "... the first ... since 2015." The minutes from 2018/11/06 indicate that the council of the day voted themselves a 30% raise to cover the reduction that the Feds made in their tax-free portion. Who else in working society can increase their own salary because a government removes a perk?

The amount to be paid at this time (2018) for "residents' concerns" was \$1325/month. Since they currently receive over \$1500/month, another raise must have been made since 2018/11/06. The latest motion pays themselves \$1715 per month. Take in a meeting sometime and see for yourself how well they prepare for meetings!

Why they need \$325/month for cell phones and internet is interesting as my expenses for the same are about \$170 (including the purchase of the cell phone) with unlimited internet data and unlimited calling and texting in North America. I'm sure others have been able to procure even better contracts.

These numbers don't fit (in this writer's opinion) with the realities of foodbank use and the fact that close to 30% of the population lives on or below the poverty level (Google). Note that the Reeve took home close to \$103,000 in 2018. (More on this later.)

With regard to the legal costs incurred, it should be noted that it was the Council (not the public) that created the need for "code of conduct" investigations. In other words, if the council did their job correctly, code of conduct issues wouldn't arise.

Nothing that council work is a part-time job, the remuneration appears to be way out of line. They also have other perks as well such as free meals (at meetings and conferences), and pension—no training or qualifications required.

Lastly a serious problem exists in that there is NO oversight on council activities – who else in working society operates that way?

Again, take in a meeting or two and come to your own conclusions. The trough is just getting longer and wider and deeper—and we are paying for it.

Lynn Oberle
