

THE BRETON BOOSTER

BRETON FOOTBALL

Submitted by Kathiejo Hoffarth

Our own Breton Cougars, Karter Hoffarth, Orrin Blackmore, Brayden Thorimbert, Ty Hoffarth, Cole Chapman and Chase Oppeboen. These boys played in the Six-A-Side game on Sunday, May 21. Our boys made us proud and played hard. Moving onto Team Alberta against Team Saskatchewan will be Orrin Blackmore and Brayden Thorimbert. I know they will represent our Team well! Good luck boys!

We also had 2 boys represent Breton in 12 man football for Team Alberta North Elks Rider Hoffarth and Team Alberta North Golden Bears Declan Jones. These boys practiced hard and played hard the smoke lifted long enough for the Elks to play and rain didn't stop the Golden Bears. These boys will be moving on and playing in Okotoks in July.

We are proud of all of our players and we are lucky to have such an amazing program in our community.

Watch the Breton High School Facebook page for links to watch our boys play or updates on home games and events. GO COUGARS!

State of Local Emergency Renewed

Brazeau County has renewed its State of Local Emergency (SOLE) for another seven days due to the ongoing threat of wildfire.

The SOLE can be rescinded before that time.

A State of Local Emergency gives a municipality powers it does not otherwise have to manage an emergency situation.

In particular, Brazeau County has declared the SOLE to make use of four powers under the Emergency Management Act:

- put into operation an emergency plan or program;
- control or prohibit travel to or from any area of the county;
- order the evacuation of persons and the removal of livestock and personal property from any area of the county that is or may be affected by a disaster and make arrangements for the adequate care and protection of those persons or livestock and of the personal property;
- cause the demolition or removal of any trees, structures, or crops if the demolition or removal is necessary or appropriate in order to reach the scene of a disaster, or to attempt to forestall its occurrence or to combat its progress.

Tax Due Date Extended to July 31st

Council passed motions to move the tax due date deadline to July 31, 2023 due to the recent wildfire that affected members of the community. Late penalties will not be charged before August 1.

Weed Inspection Rates

Responding to a request from The Agricultural Services Board, Council passed a motion to set rates for contract weed inspections services to the Village of Breton and the Town of Drayton Valley at \$350 per day for the 2023 calendar year. The rate had previously been \$250 per day.

Noise Control Bylaw 1140-23

Council gave all three readings to Noise Control Bylaw 1140-23, which replaces the previous Noise Control Bylaw. The new bylaw includes:

- General updates, cleaning up of the bylaw, including simplifying definitions, correction of typographical

errors and formatting, and utilizing consistent language in the Land Use Bylaw;

- Reduction to the nighttime decibel limit in Residential Districts from 70 dBA to 60dBA;
- Adding a definition and creating a new section for Natural Resource Extraction and Processing District; and
- Clarification on procedures for measuring noise readings.

Technology, Innovation, and Investment Committee

Council approved the creation of the Technology, Innovation, and Investment Attraction Committee to help guide the Western Economic Corridor and other initiatives. Council appointed Reeve Bart Guyon and councillors Glen Gunderson and Kara Westerlund to the committee. Administration will develop a Terms of Reference for the committee.

Alberta Rural Health Week

Council designated May 30 – June 3, 2023 as Alberta Rural Health Week in Brazeau County, and urged all community residents to show appreciation for the contributions of the rural health professionals and community volunteers whose abilities and efforts enhance the quality of life in rural Alberta.

ANOTHER CARBON TAX

The Liberal Government is adding yet another carbon tax on July 1st of this year. This is merely a tax grab. This second tax will cost Albertans \$1157 per year according to the Parliamentary Budget Officer. Can you afford this?

The cost of living continues to rise. Canadians need help and the Liberals response is to add another expensive and ineffective tax. They claim this tax will help the environment and yet they have failed to meet a single one of their environmental goals. They continue to overspend and under achieve.

As Conservatives, we have been clear in our goal to axe the carbon taxes. This soon to be added carbon tax essentially means a tax on a tax, on a tax, which will cost an additional sixty-one cents per liter of fuel. Justin Trudeau continues to spend your tax money to fuel his vacations while Canadians struggle to fuel their vehicles and heat their homes. The increase costs to farmers, and transport companies, will only increase food prices.

Not only will this new carbon tax raise prices, but it is also unacceptable that the Liberal government projects it to shrink Canada's economy. Really, how does this additional tax help Canadians?

We Conservatives are dedicated to standing up for you and against this costly Liberal-NDP coalition that is shrinking our economy while raising the price of everything through their tax grabs.

This new tax will only fuel inflation. Canadians can no longer afford a Liberal government. It is time to eliminate both carbon taxes, bring down the cost of living and bring home common sense solutions.
