NOTICE

Roadside Vegetation Control Program

Brazeau County Agricultural Services Division will be carrying out roadside spraying of prohibited noxious, noxious weeds, and woody vegetation (brush) throughout the County from May to October. For public safety, a buffer zone will be maintained between these roadside spray areas and county residences/yard sites.

As per our Vegetation Management policy, spraying on roadsides is done under the authority of Alberta's Weed Control Act. Brazeau County is required to control the weeds on the roadside just like any other landowner is on privately owned land. As well, in the public interest of safety, brush control is performed to increase the sightlines on roadways and intersections. As a result, costs of maintaining these open roadways are reduced where brush and trees are managed properly as it makes snow removal easier and allows roads to dry out quicker after precipitation falls.

The following programs related to herbicide use are available to residents:

- Hawkweed Program (County staff will treat up to 5 acres infested with Hawkweed on private land at no cost)
- Herbicide Rebate Program (the County will reimburse landowners 50% of the cost of herbicide used on the landowner's property)
- No Spray Agreement (the County will not use herbicides in the ditch adjacent to a landowner's property; responsibility for weed control is assumed by the landowner)

For further information about any of the above mentioned programs, please visit www.brazeau.ab.ca/living-here/agriculture/services or contact the Agricultural Services Division at (780) 542-7777.

Here are a few delicious summer recipes you can try:

Grilled Lemon Herb Chicken:

- Marinate chicken breasts in a mixture of lemon juice, olive oil, garlic, and fresh herbs like thyme, rosemary, and basil.
- Grill the chicken until cooked through, about 6-8 minutes per side.
- Serve with a side of grilled vegetables or a fresh salad.

Watermelon Feta Salad:

- Cube fresh watermelon and toss it with crumbled feta cheese, fresh mint leaves, and a drizzle of balsamic glaze.
- Optionally, you can add some sliced red onions and arugula for extra flavor and texture.

Grilled Shrimp Skewers:

- Thread large shrimp onto skewers and brush with a marinade made from olive oil, minced garlic, lemon juice, and chili flakes.
- Grill the skewers for 2-3 minutes per side until the shrimp turn pink and opaque.
- Serve with a squeeze of fresh lemon juice and a side of grilled vegetables or rice.

Caprese Pasta Salad:

- Cook your favorite pasta according to package instructions, then let it cool.
- Combine the cooked pasta with halved cherry tomatoes, fresh mozzarella balls, chopped fresh basil leaves, and a drizzle of balsamic glaze or vinaigrette.
- Season with salt, pepper, and garlic powder to taste.

Berry Yogurt Parfait:

- Layer fresh mixed berries (such as strawberries, blueberries, and raspberries) with Greek yogurt and granola in a glass or jar.
- Repeat the layers until the container is filled, and top it off with a sprinkle of granola and a drizzle of honey.

Grilled Corn on the Cob:

- Peel back the husks of fresh corn but leave them attached at the base.
- Remove the silk, brush the corn with melted butter, and season with salt and pepper.
- Pull the husks back over the corn, then grill for 15-20 minutes, turning occasionally.
- Serve with additional melted butter on the side.

Remember to adjust these recipes based on your dietary preferences and any allergies or restrictions you may have. Enjoy your summer cooking!

CELEBRATE AT THE BRETON MUSEUM JULY 1

Yes, the Breton and District Historical Society is celebrating an anniversary this year. It was forty-five years ago that a group of dedicated individuals gathered to start preserving the history of the Breton area. The group incorporated with the Societies' Act of Alberta, and on April 18, 1978 they officially became the Breton and District Historical Society. Their goal was to publish a community history book for the area. The publishing of community histories was very common during the time period, leading up to the 75th Anniversary of Alberta becoming a Province in 1980. For the next two years the group diligently worked contacting families who had been residents of the area, gathering family histories, photographs and information on all aspects of the Breton Community from the early 1900's. The research included information on the early families who settled the community, the logging and lumbering industry, the railway, the town, schools and agriculture all which played a vital role in the development of the community as we know it today.

Their work came to fruition on August 2, 1980, as part of a Homecoming event, celebrating Alberta's 75th anniversary as a province. The Ladder of Time history book was launched that weekend with the first copy, a leather-bound edition, auctioned off by local auctioneer Norris Lansdell. Proceeds from the auction went to help offset the publishing costs of the book. Wayne Carson was the successful bidder of this copy which he graciously donated back to Village to be placed in the new Breton Library. The Ladder of Time also won the 1980 Alberta Culture's Regional History Award from a record 43 submissions that year.

While the Ladder of Time is now an out-of-print book, people who own a copy treasure it as a wonderful community resource. It has been said that it has solved many arguments about the community's history. At the Breton Museum we use it as a valuable research resource.

Today the legacy started by the Breton and District Historical Society lives on at the Breton Museum.

Join the museum on July 1 at 2 PM for cake and light refreshments. You will also be entertained with live music from the "No HitchHiker Band" during the afternoon. Hope to see you on July 1st.

COUNCIL

HIGHLIGHTS

State of Local Emergency Cancelled

Council cancelled the State of Local Emergency, as the Pembina Complex fires do not currently pose a threat to people or property.

Off Highway Vehicle Bylaw

Council adopted Bylaw 1153-23, which amends the current Off Highway Vehicle Bylaw to include a section that would allow for the CAO or designate by way of notice, to prohibit the operation of off-highway vehicles where a fire hazard or burning hazard warrants it. The section further provides for exemptions for farming or work-related activities. The modifications to the bylaw would allow for Community Peace Officers to enforce and to fine violators.

Education and Enforcement Policy

Council approved the updated PD-17 Education and Enforcement Policy, which provides additional clarification to staff and members of the public on the education and enforcement process for community standards complaints.

Assessment Update

Bob Daudelin and Ray Fortin of Accurate Assessment provided Council with the County's 2022 Assessment Highlights.

In general, assessment rose across the county by about nine per cent between 2021 and 2022. There were 75 new roll numbers added to the property list, and 92 development permits issued. Seventy-two new wells were drilled in 2022.

Canadian Heritage Rivers

Council directed administration to write a letter to the provincial and federal ministers of environment outlining concerns with the North Saskatchewan River being designated a Canadian Heritage River and the potential impacts on local decision-making and land use decisions.

RCMP Update

Ryan Hoetmer introduced new Drayton Valley detachment commander Staff Sergeant Troy Raddatz to council. He and Staff Sergeant Dwayne Moore of the Breton/Thorsby detachment provided crime statistics.

In Breton, total Criminal Code offences increased by 23% when comparing the January to March periods of 2023 and 2022, to 154 from 125.

In Drayton Valley, total Criminal Code offences decreased 34% when comparing January-May 2022 to the same period in 2023, with 88 fewer offences.

Thank You

The family of Viola Westling wishes to thank
Affinity Funeral Service, Breton Royal Purple
for a great lunch and the Breton Community
Hall crew setup and cleanup of the facility.
Thank you to all mom's friends, neighbors
and community members for all their care
and concern. Your attendance at the service
spoke volumes of how much Vi will be missed.

The family tried to speak to everyone but there
were just so many of you.

If we didn't speak, touch or acknowledge you,
thank you so much for your condolences and
your kind words and stories.

Mom would have been so proud of the service,
the grand kids, the attendance and the
celebration of her life. She would have spoken to
each and everyone of you.

Deepest gratitude,
Valerie, Neil and Laura's families

Soul Care Ministries

Though I would reintroduce myself...it's been a minute...

I am a Jesus follower who aspires to His teachings of love, compassion, generosity, and radical hospitality. I have been a licensed Pastor for *The Evangelical Covenant Church of Canada* for the past 24 years and presently have the privilege of walking alongside families at *The Breton Faith Covenant Church* as their lead Pastor.

My emphasis is Pastoral Care and through that, **Soul Care Ministries** was formed in which I facilitate workshops and offer Pastoral and Mental Health Care throughout the world. Alongside my Life Coaching skills, I am also a Trauma and Attachment Counselling Practitioner, Therapeutic Arts Practitioner and I am currently pursuing my degree in Therapeutic Art Therapy. I am affiliated with the Canadian Art Therapy Association and Canadian Association for Marriage and Family Therapy. Sharing your stories is important and I have come to understand how important it is to offer a welcoming and safe place for

everyone. If you are needing prayer or mental health care, please reach out. You do not need to do the hard things in life alone as we were created for community and relationships.

I celebrate almost 27 years of marriage to Mike who runs his own Engineering and Drafting company, *MyKasha Designs*, and we have two beautiful children Hana and Eli. Our family story is a unique story of waiting on God and traveling many miles across the ocean to bring home our babies. It is a story of pain and loss yet filled with God's redemptive love and finding hope. I have had the privilege of being a part of a writing project called '**The Mom Quilt**' by Mercy House where I have shared some of our adoption story. The proceeds of the book is designated to the ministry called *The Mercy House* which is created to aid pregnant girls living in extreme poverty in Kenya. Mercy houses exist to engage, empower, and disciple women around the globe in Jesus' name. The book can be purchased on Amazon. My passion for healthy families has led me to serve on the AMARIS Adoption and Family Support Services board.

I have a passion for standing up for social justice issues, being a voice for those that feel they do not have a voice and with this desire to serve I have the privilege of leading yearly missions' trips through *The Evangelical Covenant Church of Canada*, where I coordinate Family trips to Quito, Ecuador, working alongside The Santiago Partnership, where I also serve as a board member.

Life is full of adventure, and I do enjoy camping, hiking in the mountains, day trips off the beaten path, riding our Harley into the sunset and spending time with my family. I love painting, drawing, story writing and anything artsy, it is so therapeutic! I honestly believe that the key is to live life to the fullest, no matter what season God puts you in, never stop learning or growing and always try to meet people where they are at. My purpose in life is to live out an extraordinary life in the ordinary and to remind everyone I meet that "*we are all just walking each other home*". (R.Dass)

As you start to get busy for the summer, do not forget to take care of yourself. I invite you to start each day by investing in something healing for yourself, reach out to others, pause in your day, and think about all that is good and right. Give God thanks for all that He provides and be reminded that God is in the details. Do something 'fun' with your kiddos. Breathe. Be mindful of your surroundings and who God puts in front of you. Read a chapter of your favorite book. Sit down with/text/phone a friend to say hi. And when your head hits the pillow at night, let it all go, knowing that God's Got this and give Him all the glory and Praise of how God He is indeed.

Peace my friends.

WARBURG YOUNG AT HEART QUILTERS

Submitted by Nancy Gruninger

Pictured with the many finished quilts that were donated to Breton Victim Services on May 16, 2023 (2 members missing). Many hours went into making these charity quilts from fabric generously donated to us, which we really appreciate.

We also donate to Warburg FCSS, the Library for their Christmas draw, and to the Bags of Love for children who are going into foster care.

We meet Tuesday and Thursdays at the Warburg Seniors Centre, from October to May, and always have room for more quilters.

Any questions phone Nancy at 780-848-1156

Laurie's Laughs

One big difference
between men and women
is that if a woman
says "Smell this",
it usually smells nice.

One day you're young...
the next you're sitting
on the edge of the bed like this:

CANADIAN FOOTBALL FANS

CAUSING HAVOC

Did you hear about the guy
with a map of Canada
tattooed on his butt?

Every time he sits down,
Quebec separates.

**Folgers got it
wrong. The best
part of waking up
is going back to
bed after you pee.**
