

THE BRETON BOOSTER

WINFIELD TRUCK STOP GRAND RE-OPENING JULY 15

submitted by Joyce Brown

In the early 90's, Winston Curtis fenced off about 10 acres of his land beside Hwy 20. With Doug Goltz as a partner, they moved in a building and started the Modeste Truck Stop. They offered fuel and a snack bar for passing travelers, then expanded with a restaurant later on. Modeste was a thriving business but, over the years it has changed hands multiple times with varying degrees of success, depending on who operated it and the business plan implemented.

Seeing an opportunity, Curt Shrader of the Bar2 Trucking Company bought the property, and found a talented cook to run the restaurant for breakfast and lunch. With possibility of supper hours in the future.

For the last 2 months, work has been ongoing to open the convenience store. They offer pre-made sandwiches, ice cream treats, coffee, pop, juice, items on a roller grill, Plus many more items. They are open 7am to 8pm, 7 days/week.

Preparations are in the works to bring in fuel service in the near future. They even have a hitching rail for our local horseback riders!

The grand opening is planned for next Saturday July 15th, offering a free slushie or an ice cream sandwich.

JULY...DID YOU KNOW?

July 13, 1923 - The 50-foot-tall Hollywood Sign was officially constructed in the hills above Hollywood, Los Angeles. The sign originally read 'Hollywoodland', but the last four letters were dropped after it was renovated in 1949. The famous Hollywood sign has appeared in many films and producers seem to enjoy destroying it – for example, in Earthquake (1974), Superman (1978), Escape from L.A (1996), and The Day After Tomorrow (2004).

July 16, 1995 - Online shopping store Amazon went live to the general public. After noticing the commercial potential of the internet the year before, Jeff Bezos moved from New York to Washington, where he founded Amazon. Bezos had previously achieved an undergraduate degree in computer science and electrical engineering from Princeton University in 1986, and worked in the financial services industry. In 2017, Jeff Bezos was named the richest man in the world. On 5th July 2021, he stepped down as CEO of Amazon in order to focus on Blue Origin, his aerospace company.

BRETON WORD OF FAITH

Would like to say thank you to all who came out to support our Free Garage Sale. Together we raised \$300.00 in donations for the overseas mission Disciples of Mercy overseen by Jennie Roberts in Kenya. Disciples of Mercy has several outreaches, one of which is prison bible schools which run in 57 different Kenyan prisons where the prison administration has reported that they have found it to be the best way for rehabilitating prisoners and preparing them for life after incarceration.

THANK YOU!

*We look forward to next years free garage sale.
We hope to see you there.*

Randy Charles Webber

July 18, 1957 - June 30, 2023

Randy wasn't a man of many words. He was born in Edmonton and lived most of his life in Warburg, Alberta. If asked about his life, he would say he worked in the patch for 40 years, had two kids and four grandkids, and lived on the family farm outside Warburg. Those who knew him would add that no one worked harder, he thought the world of all those kids, and it was obvious he was happiest on the farm and in nature—hunting, fishing, camping, canoeing, and hiking. Mention any of his lifelong shenanigans, and he would just chuckle. Diagnosed this spring with esophagus cancer, he said goodbye too soon.

Randy is survived by his daughter Cassandra (Eric) Carr; grandchildren Crystal, Randi, Jazzmyn, & Micha; son Brian Webber; and brother Jim (Holly) Webber. He was predeceased by his brother Brian (1969), father William "Bill" (1988), and mother Margaret (2023).

All are welcome to join the family for the burial at Warburg Union Cemetery at 11:00 am on July 16, 2023, which will be followed by a community gathering at the Warburg Senior Center from 12:00pm to 2:00pm.

Donations may be made in Randy's name to the Canadian Cancer Society.

William "Bill" Edward Hinds

June 23, 1935 - March 6, 2023

Bill was born in Kerrobert, Saskatchewan, raised in Broadacres, but lived most of his life in Alberta. He worked as a mechanic and farmer first in Calgary area and then at Alsike since 1974. He was an avid horseshoe player (competing nationally) and floor curler in Breton in his later years. He was a fun, yet serious, independent man who enjoyed fishing at "the pond" and loved the challenge of fixing just about anything.

He is survived by his children Sonya, Kim, Kevin and Nelda; sister Ruth; and two grandchildren Chris and Meagan. predeceased by his wife Anne, and his sisters Myrtle and Joyce.

There will be a celebration of life August 19, 2023, at Breton Seniors Centre from 1pm to 4pm. All are welcome.

Donations to the heart and Stroke Foundation, or charity of your choice, are appreciated.

Greetings from Breton Elks Lodge #402

Well, hello everyone, here is hoping your flowers and tomatoes are doing well. As you may already be aware, July 1st arrived with a smile. On that note the Breton Royal Purple Elks and Elk members gathered at the Community Centre to prepare a fabulous breakfast of pancakes, eggs, sausage topped off with strawberries and whipped cream.

A big thank you to all the members for a fantastic job. At this time we need to also recognise and

thank Sylvia Flesher, Rosemary Durrant, Debbie Olson for their assistance. Thank you to Josh, Chayse, Summer, Shelby and Jack for assisting in setting up tables and chairs on the evening of June 30th. A great job done by a young group of future Elk members. The morning activities of breakfast and visiting with friends and relatives saw 590 people pass through the doors of the Community Centre and make way for the fantastic July 1st parade.

HEAT EXHAUSTION AND HEATSTROKE

Submitted by Deanne Young, Breton FCSS

For so many months during the year we wish that it was warmer. Then summer arrives and some think it is just too hot! Make sure you take precautions not to have heat exhaustion or heat stroke. Heat exhaustion does not usually need emergency medical help if you can cool down within 30 minutes. If it turns into heatstroke, it needs to be treated as an emergency.

Check for signs of heat exhaustion.

The signs of heat exhaustion include:

- tiredness
- dizziness
- headache
- feeling sick or being sick
- excessive sweating and skin becoming pale and clammy or getting a heat rash, but a change in skin colour can be harder to see on brown and black skin
- cramps in the arms, legs and stomach
- fast breathing or heartbeat
- a high temperature
- being very thirsty
- weakness

The symptoms of heat exhaustion are often the same in adults and children, although children may become irritable too.

If someone is showing signs of heat exhaustion, they need to be cooled down and given fluids.

Things you can do to cool someone down

If someone has heat exhaustion, follow these 4 steps:

- Move them to a cool place.
- Remove all unnecessary clothing like a jacket or socks.
- Get them to drink a sports or re-hydration drink, or cool water.
- Cool their skin – spray or sponge them with cool water and fan them. Cold packs, wrapped in a cloth and put under the armpits or on the neck are good too.
- Stay with them until they're better.

They should start to cool down and feel better within 30 minutes.

Preventing heat exhaustion and heatstroke

To help prevent heat exhaustion or heatstroke:

- drink more cold drinks, especially if you're active or exercising.
- wear light-coloured, loose clothing.
- avoid the sun between 11am and 3pm
- avoid excess alcohol.
- avoid extreme exercise.

if you're inside on a very hot day, close curtains, close

windows if it's hotter outside than in your home and turn off electrical equipment and lights that get hot. This will also prevent dehydration and help your body keep itself cool.

Children, older people, and people with long-term health conditions (such as diabetes or heart problems) are more at risk of heat exhaustion or heatstroke.

JULY'S TRAFFIC SAFETY FOCUS IS IMPAIRED DRIVING

An Alberta Transportation and Economic Corridors Stakeholder Message

Submitted by Lynn Raines

Dear Traffic Safety Stakeholder:

Our traffic safety focus for the month of July is **Impaired Driving**.

Summer has arrived and many people are making the most of the warm weather to socialize with others. However, people should also think ahead to how they will get home safely. Collisions involving impaired drivers tend to happen more often during the summer months than the rest of the year. Impaired driving is preventable when drivers plan for a safe ride home.

Facts about impaired driving:

- In 2020, about one in eight drivers involved in a fatal collision was legally impaired at the time of the crash.
- Impaired driving collisions most commonly occur at night. Between 2016 and 2020, about half (48.4%) of impaired driving casualty collisions occurred between 7:00 pm and 3:00 am.
- On average over the last five fiscal years, almost 4,000 people were convicted of impaired driving in Alberta each year.
- Research shows cannabis use can reduce many cognitive and motor skills required to drive safely, such as tracking, reaction time, visual function, concentration, short-term memory, and divided attention. Combining cannabis with alcohol further intensifies the effects on driving skills, even if the doses of either substance are low.
- The effects of consuming cannabis edibles take longer to kick in and last much longer than inhaling the drug. It may take up to two hours to feel effects, which can last 12 hours or longer.
- According to Health Canada's 2021 Canadian Cannabis Survey, 21% of people who had used cannabis in the past 12 months reported they had driven within two hours of using cannabis, and 35% of those respondents did so within the past 30 days.

This month we are focusing our education efforts on impaired driving through tweets from [www.twitter.com/ABTransComm](https://twitter.com/ABTransComm)
