BRETON/THORSBY RCMP INVESTIGATE SUSPICIOUS FIRE

Submitted by Media Relations RCMP Alberta

Buck Lake, Alta. - On June 7, 2023, at approximately 12:00 p.m., Breton/Thorsby RCMP responded to numerous reports of a wildfire in a heavily treed grazing reserve located near Range Road 52 and Township Road 464.

Witnesses reported seeing a black Dodge Ram leaving the area at a high rate of speed shortly before the fire started, it is unknown if the Dodge Ram is related to the fire at this time.

While the investigation continues, police are seeking the public's assistance in identifying the owner of this Black Dodge Ram.

If you have any information about this please call the Breton or Thorsby RCMP detachment at 780-696-3502 or 780-789-3950, or your local Police. If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at www.P3Tips.com or by using the "P3 Tips" app available through the Apple App or Google Play Store.

Counselling Subsidies – Breton and Area FCSS is pleased to offer Counselling Subsidies

A subsidy is available for individuals, couples and/or families who are struggling with common, everyday issues to access short-term preventative counselling services. The goal is to:

- Improve relationships with better communication and conflict resolution skills;
- Improve mood with anger management and emotional support;
- Enhance personal growth with creativity, spirituality, self-esteem, self-awareness, goal setting;
- Improve parenting skills by focusing on attachment;
- Reduce stress with life balance; and/or
- Learn new skills and behaviors

The cost of counselling can be a barrier for many individuals and families. This subsidy is available to those who do not have access to coverage through health benefits or employee benefits, such as an Employee Assistance Plan (EAP), and whose family income is less than \$75,000 per year. Fees are determined according to a sliding scale based on income and family size. Fees range from \$15 per session to \$50 per session. The maximum number of sessions available is seven for individuals and nine for couples or families.

Counselling services are provided through a partnership with Karunia Counselling from Leduc. We know that in this current environment many may have additional stress and anxiety. We also know that transportation may be an added barrier. These sessions can be arranged to be in person in the Karunia offices in Leduc, over the phone in your own safe environment or virtually on your computer.

To apply for the subsidy services, application forms are available through the Breton FCSS Office at 4916 50th Avenue or by contacting them at fcss@breton.ca or calling 780-696-3636. **ALL APPLICATIONS ARE STRICTLY CONFIDENTIAL.**

Breton and Area FCSS will be doing the intake of the applications. Counselling services are provided by Karunia Counselling by Registered Psychologists, Registered Provisional Psychologists, Canadian Certified Counsellors and Masters or PhD level student interns under the supervision of a qualified psychologist. All applications will be kept in strict confidence

Greetings from Breton Elks Lodge #402

Well, hello everyone again, as everyone may have noticed we are certainly experiencing a true meaning of hazy days of summer. We can only hope better days are coming soon. In the meantime we need to enjoy our flowers, potatoes and tomatoes.

Meanwhile we need to do a follow up on July 1st parade float. Under the direction of Kathryn Muller and Alan Baines a beautiful float was put together. They were assisted by some future Elk members, Aayliath, Ciara, Mattea, Jack, Brandon, Tanner and Brayden. The theme of the float was serving our community year round. An attempt was made to pay tribute to the efforts of Breton Elks to operate the R.V. Park in summer and the Ice Rink in winter. A special thank you to Aayliath and Ciara in taking the devoted time to ride on the float. Thank you to all who were involved. A great job for sure. Al

SERVICE LINE WARRANTIES

Homeowners in Breton Offered Emergency Home Repair Plans through Service Line Warranties

Submitted by Adam Moede, Manager, Partnership Service Line Warranties (A Home Service Company)

BRETON, AB – July 11, 2023 – Homeowners in Breton now have access to optional service plans to assist with the cost and management of common plumbing repairs thanks to a new, voluntary program for residents, reviewed by local leaders. The service plans provide protection for the water and sewer service lines that connect a resident's home to Breton's system.

The 2022 SLWC "State of the Canadian Home" survey found that 40% of Canadian homeowners are unaware that they are financially responsible for needed repairs or replacement to the water and sewer lines on their property. These repairs are not covered under standard homeowner's insurance or by Breton.

"The worst call our employees can get is one from a resident who has had a water or sewer service line issue and doesn't know that it's their responsibility to maintain their service lines," said Natasha Morrissey, Chief Administrative Officer. "When a homeowner has a potentially expensive repair is not when we want them to learn this, so we've teamed up with Service Line Warranties to help educate them and offer them an optional repair plan to protect them from unanticipated repair costs."

The no-deductible, low-cost service plans, available through Service Line Warranties of Canada (SLWC), ensure homeowners do not have to pay hundreds or even thousands out-of-pocket for a repair. This is especially important since the "State of the Canadian Home" survey found that nearly one in five (19%) Canadian homeowners have nothing set aside for an emergency. The plans give Breton homeowners reliable access to licensed and insured contractors who can quickly and professionally complete needed repairs on service lines.

Homeowners will soon receive information in the mail about the program and available service plans. There is no obligation to sign up for a plan – participation in the program is voluntary. The mailings are administered by SLWC but include the

Breton logo to indicate that the mailing is legitimate and that there is a partnership in place between Breton and SLWC.

The program is provided at no cost to Breton and no public funds are used to promote or administer it.

"A SLWC service plan is a smart way for homeowners to prepare for a home emergency. These plans take the worry, inconvenience, and financial burden out of the repair," said Mike Van Horne, General Manager, Service Line Warranties of Canada. "Breton homeowners with a plan have easy access to a network of excellent contractors, and they get peace of mind that they won't be financially responsible for a covered home repair emergency."

Homeowners in more than 70 Canadian municipalities now have access to SLWC service repair plans. Since the SLWC program began in 2014, homeowners have saved more than \$8 million in repair expenses. Breton homeowners with questions or who wish to receive more information about SLWC or the plans available to residents can call 1-844-616-8444 or visit www.slwofc.ca.

About Service Line Warranties of Canada

Service Line Warranties of Canada (SLWC) is part of HomeServe, a leading provider of home repair solutions serving 4.7 million customers across North America since 2003. Launched in 2014, SLWC is a trusted source of utility line protection programs in Canada and is a corporate partner of the Federation of Canadian Municipalities.

Together with HomeServe, SLWC is dedicated to supplying best-in-class repair plans and delivering superior customer service to consumers through over 1,200 leading city, municipal and utility partners across North America.
