### **Counselling Subsidies – Breton and Area FCSS is pleased to offer Counselling Subsidies.**

A subsidy is available for individuals, couples and/or families who are struggling with common, everyday issues to access short-term preventative counselling services. The goal is to:

- Improve relationships with better communication and conflict resolution skills;
- Improve mood with anger management and emotional support;
- Enhance personal growth with creativity, spirituality, self-esteem, self-awareness, goal setting;
- Improve parenting skills by focusing on attachment;
- Reduce stress with life balance; and/or
- Learn new skills and behaviors.

The cost of counselling can be a barrier for many individuals and families. This subsidy is available to those who do not have access to coverage through health benefits or employee benefits, such as an Employee Assistance Plan (EAP), and whose family income is less than \$75,000 per year. Fees are determined according to a sliding scale based on income and family size. Fees range from \$15 per session to \$50 per session. The maximum number of sessions available is seven for individuals and nine for couples or families.

Counselling services are provided through a partnership with Karunia Counselling from Leduc.

We know that in this current environment many may have additional stress and anxiety. We also know that transportation may be an added barrier. These sessions can be arranged to be in person in the Karunia offices in Leduc, over the phone in your own safe environment or virtually on your computer.

To apply for the subsidy services, application forms are available through the Breton FCSS Office at 4916 50th Avenue or by contacting them at [fcss@breton.ca](mailto:fcss@breton.ca) or calling 780-696-3636. ALL APPLICATIONS ARE STRICTLY CONFIDENTIAL.

Breton and Area FCSS will be doing the intake of the applications. Counselling services are provided by Karunia Counselling by Registered Psychologists, Registered Provisional Psychologists, Canadian Certified Counsellors and Masters or PhD level student interns under the supervision of a qualified psychologist. All applications will be kept in strict confidence.

# SEPTEMBER 18 IS BERTIE BEAVER'S 65th BIRTHDAY

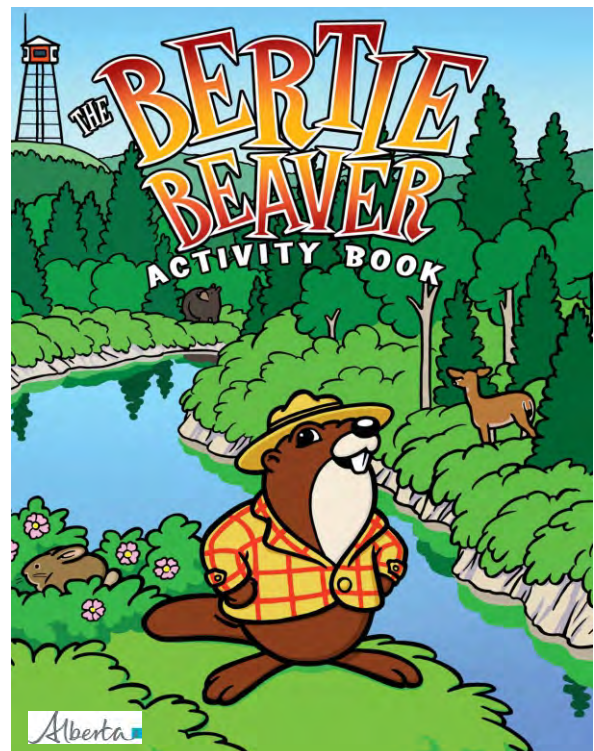

The Alberta government proudly celebrates the 65th birthday of Alberta's wildfire prevention mascot, Bertie Beaver this week.

Bertie was gifted to Alberta Wildfire 65 years ago by Walt Disney as a thank you for wildlife documentaries filmed in the Kananaskis region, and he has been a champion of Alberta's wildfire prevention efforts ever since.

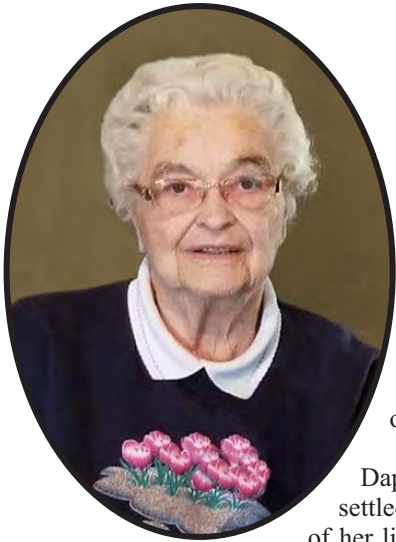

Throughout this time, Bertie has visited schools, educated the public and appeared on many Alberta Wildfire prevention posters, buttons and maps, and in student activity books.

This week also marks National Forest Week.

*"I would like to recognize and thank everyone at Alberta Wildfire for their incredible service and hard work throughout this particularly challenging wildfire season. Your dedication never goes unnoticed, and we appreciate everything you do to keep our communities safe and protect our province's forests" says Minister of Forestry and Parks Todd Loewen "Bertie, Alberta Wildfire and all who call this province home share the responsibility of maintaining and enhancing the health of our forests for the benefit of present and future generations of Albertans."*

## Daphne Ann Oulton

July 30, 1933 – September 1, 2023

With great sadness we said goodbye to our loving mother, grandmother, and great-grandmother **Daphne Ann Oulton** of Breton, Alberta. Daphne passed away at the Rimbey Hospital and Care Centre, Rimbey, Alberta on Friday, September 1, 2023 at the age of 90 years.

Daphne was born on July 30, 1933 in Haynes, Alberta. Later, her family settled on a farm outside of Breton on Funnell Road. Daphne met the love of her life, Lyle Oulton, and they were married on August 18, 1952. The newlyweds settled in the Carnwood, Alberta area, at the teacherage provided by the school that Lyle worked for. Eventually, they relocated to Breton to raise their family on the Oulton family farm south of Breton. Daphne worked as a waitress, a retail grocery store clerk, and was the playschool teacher for many years in Breton. Over the early years of the oil boom in the area, Daphne was host to many oilfield workers and their families who were boarders in her home. During his high school years, Richard Dominy also stayed with the family while he attended the Breton High School, and he became a close, lifelong friend to them all. Daphne also worked the federal census many times. She was a Royal Purple member for 25 years, and sat on numerous boards and committees; some of which included the Funnell School/Community Hall, as well as the Breton Museum. Daphne loved square dancing, playing cards, quilting, and scrapbooking. She also loved to socialize, attend live jam sessions, and was always willing to support her community. Additionally, Daphne enjoyed travelling as much as she could. Above all else, Daphne's greatest loves were her family, her grandchildren, and her great-grandchildren.

Daphne will be lovingly remembered and sadly missed by her sons Wesley (Susen) of Olds; and Eldon (Shelley) of Breton; her treasured grandchildren Teagan (Allen) Goodsell of Leduc; Amanda (Christopher) Rolston-Mahon of Breton; Lexya (Kurt) Hansen of Breton; Chelsea (Bryan) Kreil of Breton; Tyrel (Paige) Oulton of Rimbey; and Riordan Oulton, also of Breton; as well as her cherished great-grandchildren Brayden, Aspyr, Rylin, Alexander, Oakley, Patrick, Haylee, Coralena, Carter, Ava, and Sterling. She will also be sadly missed by numerous nieces and nephews, other relatives, and many close friends. Daphne was predeceased by her parents Arthur and Annie Westling; her loving husband Lyle; her son Milton; and her siblings Mabel Zackurak and Theo Westling.

**A Public Funeral Service in Celebration of Daphne's Life will be held at the Breton Community Centre, 4715 – 50 Avenue, Breton on Wednesday, September 20, 2023, at 1:00 p.m., with Pastor Jeff Gooderham officiating. Interment will follow in the Breton Cemetery, Breton. If desired, memorial donations may be made in Daphne's memory directly to the Stollery Children's Hospital Foundation, 800 College Plaza, 8215 – 112 Street, Edmonton, Alberta T6G 2C8 ([www.stollerykids.com](http://www.stollerykids.com)). Condolence messages may be forwarded to the family by visiting: [www.ofc-ltd.ca](http://www.ofc-ltd.ca)**

# MORE FUN, WEIRD, AND COOL ALBERTA FACTS

From [www.mustdocanada.com](http://www.mustdocanada.com)

1. Albertans must love their alcohol. With less than 24 hours' notice before the 2014 Olympics Hockey final Canada vs Sweden, Alberta changed the liquor law to allow bars to open at 5 am and serve liquor so people could watch the game at the bar. Maybe we just love hockey so much? Maybe both?
2. The British Army keeps a training field for large-scale military training in Suffield, Alberta. There's also a big Canadian base in Wainwright.
3. An Alberta judge wrote a 188-page ruling in order to explain and deconstruct the arguments used by the so-called "freemen" or "sovereign citizens" in their attempts to clog the legal system.
4. There is a financial institution in Alberta, which was created by the provincial government as a "Screw you" to federal legislation and privately owned banks. It's called ATB and has been voted as one of the best places to work in the province.
5. Trick or Treat! Although Halloween owes much of its existence to the Celts and medieval Europe, the actual phrase "trick or treat" can be traced back to Alberta. First mentioned in 1927 by the Blackie newspaper, it was used to describe the way pranksters were demanding "trick or treat" at various homes on Halloween.
6. Alberta has no rats. In fact, it is known as one of the few rat-free zones in the world. The government spends millions of dollars every year to monitor and trap any encroaching rats with sophisticated equipment. It's even illegal to have a pet rat. In all honesty, I highly doubt we have no rats in the province but whether we do or not, we certainly have less than anyone else.
7. Alberta is the only place in the world where you are legally allowed to throw coins at strippers.
8. In 2014, an aurora enthusiast in Alberta discovered a previously undocumented ribbon of light in the sky similar to the aurora borealis. He named it "Steve" in tribute to the animated film "Over the Hedge," where woodland creatures name an unknown object "Steve" to make it appear less frightening.
9. Last but not least, the Bar U Ranch, a famous historic ranch in southern Alberta, once employed The Sundance Kid as a ranch hand. This was before he teamed up with Butch Cassidy and began robbing banks.
