

THE BRETON BOOSTER

SUPPORT LOCAL BUSINESS

**Small Business Week
October 15 - 21**

Running a business has never been simple, but ongoing worker shortages, interest rate hikes and inflation are making it even more difficult.

Small Business Week is an annual celebration of entrepreneurship and small business in Canada! This year, Small Business Week runs from October 15th to 21st, 2023.

5 REASONS TO SUPPORT LOCAL BUSINESS

www.draytonvalley.ca/small-business-week

Reason #1 – Impacts to the Local Economy

Shopping local keeps your money in your community and promotes local development. This is called the multiplier effect! Staying local helps the whole local business community prosper.

Reason #2 – Supports Local Job Creation

Local businesses provide many job opportunities to their communities and help people learn on-the-job business skills, as well as valuable marketable job experience.

Reason #3 – Sustainable Shopping Alternatives

Small businesses usually have shorter manufacturer-to-consumer journeys, and can often source local and ethical goods!

Reason #4 – Customer Experience Comes First

Local businesses can provide personalized shopping experiences, and thrive on offering good customer service.

Reason #5 – They Create a Sense of Community

Small businesses contribute to the heart of their local community, and provide character to their town or neighbourhood. This can also increase tourist traffic, further benefiting the community.

OPEN HOUSE

October 22nd
1:00pm - 4:00pm
Warburg Hall

All are welcome to come & help him celebrate

Greetings from Breton Elks Lodge #402

Hello everyone. Here is hoping that all is well and now autumn has officially arrived it is time to say good-bye to summer. The time has come to park the lawnmower and start the harvest of our tomatoes, potatoes, cucumbers and whatever else we might have planted last spring. In many cases our agriculture friends are hot after the combine action and the final cutting of Alfalfa. The hope is that a success story can be told on counts.

Along with the arrival of fall it's time to get back to business in the world of Elkdom and just to get serious Christmas is actually starting to take front stage.

Just a quick recap of the past season's July 1st pancake breakfast proved to be a big hit with 590 customers passing through the dining area.

The Breton RV Park had a little turbulence at the beginning of camping season due to our fire situation, but everything was able to stabilize and prove to be another enjoyable season.

In July all the Elks and Royal Purple Elks gathered at Breton Community Centre for an opportunity to enjoy the new audio equipment. We joined the discussions of the National Convention and to see the Official Installation of our Brother Don Gillis as he moves forward to the position of Grand Exalted Ruler for the Elks of Canada. The afternoon was rounded out with a BBQ of some very fine steaks.

Moving forward the Village of Breton is hosting a supper October 27 to honor the volunteers of the community. Plans are in progress for the next Elks National Curling Bonspiel which is to be hosted by Shaunavon, Saskatchewan December 6 to 9.

On December 2, Village of Breton in partnership with Brazeau County will be hosting a Christmas market.

Moving forward, Breton Elks are hoping to encourage the sisters of Breton Royal Purple Elks to assist with preparing a fabulous Christmas Community Supper.

Along with all these activities preparations are beginning to take shape for another season of ice skating. There are a number of projects for all to consider and of course there will be a spring district meeting that Breton lodge will be hosting.

So in conclusion, if anyone is interested in keeping our Community on the move we can easily arrange a membership.

Until next time, stay healthy and wise, hopefully a little wealthy.

Al

Remembrance Day

November 11, 2023

Poppy Campaign starts October 28/23

It is time again to think about sponsoring a wreath, buying a poppy and reflect on the freedom and peace of life.

We all enjoy these **Privileges Year Round** provided by the men and women who served, those that sacrificed their lives and those that are still serving.

Poppy funds help Military, RCMP Veterans and their families in numerous ways.

EXAMPLE: This year our Winfield Legion #236 helped a local veteran complete the forms to receive funding from the Alberta-NWT Provincial Command Poppy Fund for the drilling of a water well and piping it into his home.

In the past permission was received for use of poppy funds locally to help a veterans widow install a new furnace.

On November 11 at 11am we will observe 2 minutes of silence to Honor and Remember those past and Present that served or are serving to keep this country we call CANADAFREE.

Please support and honor them with a wreath sponsorship and wear a poppy to show your respect. Please remember POPPY FUNDS collected are sent to Alberta-NWT Command in Calgary and remain in Alberta for Alberta Veterans.

Please send your sponsorship and include your full name and return address to

Royal Canadian Legion Winfield BR #236

Box 183 Winfield AB T0C 2X0

or e-transfer to rclwindfield236@gmail.com

All Wreath Sponsors will be recognized in the Breton Booster.

HOME HEALTH

Home Health Monitoring Project improves quality of life for people across Central Alberta

September 12, 2023 (Edmonton, Alberta) – In 2012, Pearl O'Gorman received a diabetes diagnosis. This life-changing condition had a history within her family, so her parents' experience offered some familiarity, but the daily lifestyle adjustments were still overwhelming and a difficult adjustment.

"My parents had diabetes, but we never really talked about it," Pearl says. "When I was diagnosed, I was confused and overwhelmed."

In 2021, Pearl's primary care physician at the Red Deer Primary Care Network (PCN) recommended her for the Home Health Monitoring (HHM) Project. The HHM Project utilizes proven digital technologies that allow nurses and physicians to monitor their patients remotely. For Pearl, this meant she could maintain the same, if not higher, levels of support and care for her condition while in the comfort of her own home and minimizing the risk of exposure to the COVID-19 virus.

Pearl was enthusiastic about this innovative and empowering approach to managing her condition and looked forward to the added support the project would provide.

"I was excited to participate. Seeing the daily measurements was encouraging," Pearl shares. "After completing the project, my blood sugar levels and weight had improved. My lifestyle has changed. The extra support made a difference. I feel like a new me."

The HHM Project displayed groundbreaking results. Pearl's story is one of many inspiring examples of how the program has positively impacted the lives of Alberta Seniors living with chronic illness.

The HHM Project was a collaborative effort led by the Alberta Central Zone PCN Committee with Health Cities serving as a catalyst in the testing and scaling of the pilot. The Alberta Central Zone PCN stretches across the province between Edmonton and Calgary – they work with rural communities and alongside over 350 physicians to provide primary care for nearly 400,000 patients within the zone. The initial HHM Project involved the Wolf Creek, Drayton Valley and Kalyna County PCNs and has since been scaled to include more Central Zone PCNs.

- The Wolf Creek PCN provides service to the communities of Bashaw, Bowden, Eckville, Innisfail, Lacombe, Ponoka and more.
- The Drayton Valley PCN provides service to the communities of Alsike, Breton, Carnwood, Drayton Valley, Pembina, Winfield and more.
- The Kalyna County PCN provides service to the communities of Innisfree, Islay, Mannville, Vegreville, Vermilion, Viking and more.

WOMEN'S HISTORY MONTH

www.canada.ca

October is Women's History Month in Canada, a time to celebrate the women and girls from our past, and our present, who are contributing to a better, more inclusive Canada.

In 1992, the Government of Canada designated October as Women's History Month, marking the beginning of an annual celebration of the outstanding achievements of women and girls throughout Canada's history.

This year's theme, Through Her Lens: Celebrating the Diversity of Women, emphasizes the importance of recognizing the achievements and contributions of women from diverse backgrounds. It focuses on the unique perspectives, experiences, and challenges faced by women, including Indigenous women; women from 2SLGBTQI+ communities; women with disabilities; and newcomer, racialized, and migrant women.

Let's continue to honour women who don't accept the status quo and fight hard to improve the lives of all women in the country.

in honour of this, here are some ALBERTA FACTS ABOUT WOMEN

From www.mustdocanada.com

1. In 1914, Alberta women lead the fight in Canada for the right of women to vote.
2. Alberta, Manitoba, and Saskatchewan grant Women the right to vote in 1916.
3. Also in 1916, Alberta's Emily Murphy became the first female judge in the entire British Commonwealth.
4. Not long after, in 1917, Alberta's Louise McKinney and Roberta MacAdams became the first women elected to a legislature in the British Empire.
