Tips for driving:

- Never use cruise control in winter conditions
- It is not recommended to travel in winter conditions if your vehicle is equipped with summer tires

Keep an emergency road kit in your vehicle, with the following supplies:

- blanket or sleeping bag
- extra clothing and footwear
- emergency non-perishable food
- candle in a deep tin
- waterproof matches
- first aid kit
- flashlight with extra batteries
- fire extinguisher
- booster cables
- ice scraper
- snow brush
- paper towels or rags
- road map

Robert Beno Freeson

November 21, 1933 – October 13, 2023

With heavy hearts, the family of Robert Freeson announce his passing on October 13, 2023, at his home in Breton, Alberta.

Robert will always be remembered by his sons, Wade and Clayton, his grandson Michael and great grandchildren, Scarlet, Skyler, Charlie, Henry and Jonathan. Robert will also be held in the hearts and memories of his sister Nancy and numerous extended family and friends.

Robert was predeceased by his wife of 29 years, Glada; his grandson Andrew and brother Donald.

Robert grew up in the Logging Industry, and through this upbringing, developed an incredible work ethic. Wade and Clayton will remember him for his sense of humor and for being one of the strongest men they ever knew, both in body and character. Perhaps Robert's greatest strength was displayed in his relationships with others, for he treated all people with fairness and equality. Robert's passion for fishing and hunting and love for baseball and hockey will always be a part of the memories and stories of Robert's life. Robert combined his passion for nature with his skills in photography, and he and Glada made many memories on the photography safaris they shared together.

The family would like to thank the Drayton Valley Hospital ER staff for their kind care and attention in looking after Robert with his ongoing medical needs. In lieu of flowers, they would ask that you consider a donation in Robert's name to the Kidney Foundation or any other charity of your choice.

As per Robert's wishes, no formal service will take place, but the family will hold a private time together at a later date. Robert will be greatly missed, but his light and life will live on in the hearts of his family and friends.

Condolences may be sent to:

The services these schools put on are each so authentic and wonderful. We are honored to be invited to them.

We will be in your community to drop off Poppy trays at schools, financial institutions, community services, and various businesses. All donations go directly to the Poppy Fund.

If you are interested in sponsoring a wreath or purchasing a wreath with the name of your business on it to be a part of our wreath laying at the Remembrance Day Service this is also another option for your business. All these donations go directly to the Poppy fund. We will be visiting on October 30-31st, 2023, we will visit Breton and area

October 31st-Nov 1st 2023, we will visit Warburg and Sunnybrook and area November 1- 5 is known as Veteran's week where we celebrate Veterans who have been in the service over many years. We will have a few ideas for you and family to partake in for fun of acknowledging these fine people.

During this week as well, we start our Poster and Literacy Contest where we send information on this contest to all the schools in this area. So, watch for this information, it goes for all grades. There are a whole lot of new ideas for students and teachers to look at. This closes on November 14, 2023, and judging will be Friday November 17, from noon till 3pm at the Warburg Legion. We will have a variety of judges from each community, business and legion members. If you're interested in helping, please call Deb 780 848 2923.

All during this time, we are underway to prepare to give a memorable Remembrance Day Service on November 11, 2023, Remembrance Day. The service will be held at the Pioneer Ag Society Hall in Warburg. DENTAL CLINIC OPENS FOR UNINSURED, LOW- INCOME ALBERTANS

Submitted by Christine Harrie, AHS Communications

AHS, GreenShield, Red Deer Street Connect partner to provide oral healthcare

RED DEER – Low-income Albertans living in the Central Zone of Alberta Health Services (AHS) now have improved access to dental services with the opening of a new public health dental clinic in the city.

AHS, GreenShield and Red Deer Street Connect have partnered to create the AHS Public Health Dental Clinic. The clinic is staffed by dentists and registered dental assistants with two fully equipped dental treatment rooms to serve the area's high demand for dental needs.

"This is a wonderful example of how partnerships can truly make a difference, ensuring that every Albertan gets the essential healthcare they deserve," says Adriana LaGrange, Minister of Health and MLA for Red Deer-North. "This clinic will enhance the quality and accessibility of healthcare in Red Deer and its neighbouring communities, while also helping to relieve the capacity pressures on our emergency departments."

The clinic is for Alberta residents without dental insurance of any kind, individuals with income under low-income cutoff limits, and/or with a direct referral from the hospital emergency department for a specific dental emergency.

"The Public Health Dental Clinic in Red Deer is helping to bring oral healthcare to Albertans who have difficulty accessing health and medical support," says AHS President and CEO Mauro Chies. "We are grateful to the generous support of GreenShield for helping to bring this vital service to those vulnerable to poor oral health outcomes in central Alberta."

The clinic is supported by a \$1.5-million grant from GreenShield, a not-for-profit health and benefits company, and represents an opportunity to mitigate oral health inequities in Alberta.

"The disparities in access to oral healthcare that persist, particularly among vulnerable populations, are concerning. As a not-for-profit health and

benefits company, GreenShield is committed to improving health outcomes for Canadians as part of our social mission of 'better health for all,'" says Zahid Salman, President and CEO of GreenShield. "We aim to make vital healthcare services more accessible for underserved and marginalized communities and have committed over \$20 million to help ensure all Canadians have access to oral healthcare services."

The clinic has supported more than 300 appointments since it began operating in June.

"This clinic will have a big impact on central Alberta," says Dr. Michael Mulholland, AHS Associate Zone Medical Director for Red Deer and Area.

"It is co-located with other services that support low-income individuals in Red Deer, such as AHS Street Connect and the Red Deer PCN Street Clinic, which rounds out the suite of services offered at that location."

Individuals without dental insurance, or who are low income, can often be more vulnerable to poor oral health outcomes. This can often lead to individuals visiting hospital emergency departments instead of dental clinics for their oral health issues and emergencies.

Clients will be referred to the clinic through services like Street Connect, the Primary Care Network Street Clinic, Red Deer Regional Hospital Centre and other services, such as the opioid dependency program. The clinic will provide basic care to patients, responding to common dental concerns such as cavities, toothaches and the need for extractions.

In 2015, the public health dental clinics in Calgary received a separate grant from Green Shield for supplemental support to enhance dental services for patients referred from emergency departments.

Remembrance Day

November 11, 2023

Poppy Campaign starts October 28/23

It is time again to think about sponsoring a wreath, buying a poppy and reflect on the freedom and peace in your life.

We all enjoy these **Privileges Year Round** provided by the men and women who served, those that sacrificed their lives and those that are still serving.

Poppy funds help Military, RCMP, Veterans, and their families in numerous ways.

EXAMPLE: This year our Winfield Legion #236 helped a local veteran complete the forms to receive funding from the Alberta-NWT Provincial Command Poppy Fund for the drilling of a water well and piping it into his home.

In the past permission was received for use of poppy funds locally to help a veterans widow install a new furnace.

On November 11 at 11am we will observe 2 minutes of silence to Honor and Remember those past and Present that served or are serving to keep this country we call CANADA FREE.

Please support and honor them with a wreath sponsorship and wear a poppy to show your respect. Please remember **POPPY FUNDS** collected are sent to Alberta-NWT Command in Calgary and remain in Alberta for Alberta Veterans.

Please send your sponsorship and include your full name and return address to:

Royal Canadian Legion Winfield BR #236
Box 183 Winfield AB T0C 2X0
or e-transfer to rclwinfield236@gmail.com

All Wreath Sponsors will be recognized in the Breton Booster.

**November 11th, 2023, Remembrance Day
Service will be held at the Winfield
Recreational Center.**

**Please be seated by 10:30am.

No one wants blackouts.

What Canadians want is affordable and reliable power.

Ottawa's proposed regulations will make electricity unaffordable and unreliable. The estimated costs of achieving a net zero grid by 2035 are as high as \$1.7 trillion and will leave our power grid dependent on intermittent and unreliable sources. And the federal government wants electricity demand to at least double by 2050.

Canada can't afford a hasty transition.

Drastic changes to our electricity grid would not only dismantle thriving industries that are vital to our provincial economy – current electricity rates could also double, triple or even quadruple.

Tell the Feds affordable and reliable electricity matters. And ask them why they are rushing to do something by 2035 when experts agree that it can't feasibly be done before 2050.

SHEET...
