## READE, Glenn Sinclair 1930-2023

It is with deep sorrow that we announce Glenn's passing, on the 20th of November, in Wetaskiwin.

Glenn was raised in Medicine Hat by his parents, Marian and Frank Reade. Deciding that he'd be a "city boy going farming", he subsequently moved to Cassils, near Brooks, where he met the love of his life, Olga; the principal of the two-room schoolhouse. Together, Glenn and Olga first fostered five children, then later started their own family of four.

In 1973, Glenn and Olga moved their family to near Breton, where Glenn continued to farm until his retirement in 1991. They later moved to the town of Breton, then to the south Pigeon Lake area, and finally to Wetaskiwin.

Glenn liked to portray himself as a crusty farmer of simple tastes. Those of us who knew him could easily see past the facade, to his underlying humour, intelligence, compassion, and integrity.

His mother, Marian, inspired in him a lifelong love of music. He completed eight years' of Toronto Conservatory at an early age, but as an adult preferred playing Big Band and other popular music from his youth. Glenn subsequently passed his passion for music to his own family and graced them with his repertoire of piano playing and singing throughout the years. He loved dancing, especially with his wife and daughters.

As a boy, Glenn was a King's Scout, enjoyed camping in the Elkwater area, and later introduced his sons to Scouts. He was an avid card player and enjoyed the many summer Bridge tournaments through central Alberta. In retirement he continued to contribute to the community through his membership in the Lion's Club.

Glenn often expressed that despite the hardships of farming, he was very fortunate that his life's work was in the profession that he loved. He practised organic farming before the term was coined, was gentle with his animals, and considered himself as a steward of the land, with a responsibility to future generations greater than his immediate needs.

He was a proponent for good education, firm in his beliefs of the world, while maintaining an open mind that allowed him to change and admit when he was wrong. Glenn had strong opinions on personal responsibility and the importance of fulfilling obligations once taken. He always believed that the most important moral code lies in how each of us treat our fellow person.

He is survived by his wife of 65 years, Olga; his sister, Joanne; four wonderful children; and five cherished grandchildren.

**Glenn's ashes will be laid to rest in a private ceremony. In lieu of flowers, please consider a donation to either the Wetaskiwin Health Foundation, or the Stollery Children's Hospital Foundation.**

# BRAZEAU COUNTY PASSES 2024 INTERIM BUDGET

*submitted by Brazeau County*

BRAZEAU COUNTY, November 24, 2023 — On November 23, Brazeau County Council passed an interim budget for 2024, with a focus on core services and ratepayer relief.

The interim budget maintains the years-long freeze on municipal taxes. Fees, which were limited to zero or to minimal levels in previous years, are not set to increase.

The budget also includes \$14.8 million in capital investment in roads, equipment replacement, and other infrastructure, and accounts for a 20% incentive on residential taxes that are paid on time. It also maintains the 25% decrease in municipal taxes for properties for the small business sub-class.

*"As always, Council is spending where it makes sense and where it is needed to provide municipal services to residents, while keeping as much money as possible in their pockets," says Reeve Bart Guyon. "We are becoming well-known in the province, nationally, and globally for our economic development approach, which includes keeping taxes among the lowest in the country."*

Infrastructure investments and other initiatives include:

- 27.2 km of newly budgeted improvements to existing roads
- 16.8 km of improvements to roads carried over from the 2023 budget
- Investment in solar power installation at the Cynthia SAS water treatment plant
- Relocation of a portion of the walking path on the ring road near Drayton Valley
- A new Fire services Command Vehicle for Drayton Valley/Brazeau County Fire Services
- A new playground at Rocky Rapids Community Hall
- A modernized radio system to allow Fire Services to use the same communication system as the RCMP and other emergency responders (Year 2 of a 5 year commitment)

Council passes an interim budget in order to proceed on approved operational and capital projects in the period between now and when the County receives final property assessment information, and approval of a final budget in April.

For more information on the Interim Budget, please contact Chief Administrative Officer Kent Edney at 780-542-7777 or [kedney@brazeau.ab.ca](mailto:kedney@brazeau.ab.ca).

## Greetings from Breton Elks Lodge #402

Well hello everyone. I truly hope all of you are healthy and wise and somewhat wealthy. This fantastic weather is crowding old man winter into the back closet and I for one am enjoying the opportunity. I'm almost tempted to start planting tomatoes, Ha Ha. The rumor of the day is that the weather is going to make way for more winter-like conditions and that brings up the subject of skating rink business. It has been somewhat difficult to prepare any ice for the winter activities. However, an all out effort is going to be put into action and the intent is to start taking advantage of cooler temperatures.

In other Elk news, our Provincial Brother James Zimmers will be paying us a visit at our January meeting. It is always good to be able to welcome high profile people into our lodge.

On December 2 the Village of Breton will be sponsoring an Annual Christmas Parade in an effort to kick start the festive season.

Brother Bob Shave is actively cracking the marching orders in preparation for the Annual Christmas Dinner. This will be taking place December 16th in the Breton Community Centre. The doors are scheduled to open at 4:00pm to make room for our honored guest from the north. Once everyone has assured Santa that all is well, we will begin serving a top of the line speciality under Brother Bob's watchful eyes at 5:15p.m. A donation box will be available for those who are feeling in the festive mood of giving. These generous donations will be turned

over to Christmas Wishes and the Food Bank.

Moving forward to other business, it has been decided to install some shelving units in our sea can to accommodate our surplus inventory. In the latest update on raffle ticket sales all our books have been distributed and 50% have been sold and returned for processing. Good Luck to all who have purchased and thank you for supporting the cause.

Now for the main event of the evening Sister Bev Monet from Sherwood Park was on hand for an official visit. As our District Deputy, she brought sincere greetings and blessings from Alberta Elks. It is always great to welcome Sister Bev and husband Stan to our lodge as friends as well as representation from our senior organization. While Sister Bev was in our presence, she took the liberty of presenting Service Pins to the following members.

Brother Dave Walker	5 years
Sister Ann Gillis	20 years
Brother Don Gillis	25 years
Brother Darren Scott	30 years
Brother Neil Durrant	35 years
Brother Bob Shave	35 years
Brother Bill Flesher	35 Years
Brother Al Smith	40 Years
Brother Doug Jones	55 years

To round out the evening Brother Neil treated us all to a delicious lunch, that he claims responsibility for, and it was certainly enjoyed by all. Thank you Rosemary.

In closing I want to wish everyone Good Happiness and Health until next time.

Message from  
**MLA Andrew  
Boitchenko**

Drayton Valley-Devon Constituency

**Legislative Highlights: Prioritizing  
Progress for Albertans**

I would like to share that substantial progress has been achieved in the House this week for the benefit of Albertans. It's important to take this opportunity to update my riding on the significant positive changes underway and the impactful work that has been accomplished.

In the recent week, the United Conservative government in Alberta has prioritized key issues, including provincial rights, affordable housing, healthcare, and infrastructure. Municipal Affairs Minister Ric McIver criticized the Trudeau Liberals for bypassing the provincial government in dealings with municipalities, asserting Alberta's constitutional right to govern its municipalities. Leduc-Beaumont MLA Brandon Lundy introduced Bill 204, aiming to safeguard Albertans' interests in the creation and development of National Urban Parks.

Transportation Minister Devin Dreeshen responded to concerns from drivers by announcing a ban on photo radar on ring roads in Calgary and Edmonton from December 1. The government also plans to collaborate with municipalities and law enforcement to eliminate all "fishing hole" radar locations in the province.

Health Minister Adriana LaGrange announced the upcoming allowance for nurse practitioners to establish independent clinics, addressing the challenge of access to primary care. This initiative is part of ongoing efforts to enhance healthcare in the province, with a focus on immediate problem-solving rather than delaying solutions. Positive indicators include an increase of 348 doctors in the province, according to the College of Physicians and Surgeons of Alberta. Premier Danielle Smith and the United Conservative team remain dedicated to addressing the concerns of Albertans as the legislative session progresses into its fifth week. The government aims to enhance health outcomes and empower healthcare workers across the province. Soliciting input from healthcare workers, patients, and families is a priority, and Albertans are encouraged to share their perspectives through the survey to contribute valuable insights on the current healthcare system.

Alberta's government is investing in the provincial trail system and creating new recreation, tourism, and

economic development opportunities. The Rocky Mountain House to Nordegg Rail Trail, developed over 30 years along the historic Canadian Northern Western Railway, repurposes the Brazeau Branch rail line and Taunton Trestle bridge for multi-use recreation. Clearwater County's 2009 concept plan gained support from Alberta's government, securing a \$2.4 million investment for the initial two phases, resulting in 45 kilometers of trails. This Rail Trail is expected to boost regional tourism, providing a chance for Albertans and visitors to enjoy the province's top-notch trail system.

Alberta's government is launching a new program to provide shelter for seniors escaping elder abuse in rural and Indigenous communities. We are investing \$3.3 million over three years to create safe spaces for seniors, with a focus on collaboration with community partners. The Safe Spaces initiative, allocating over \$2 million, aims to provide secure shelters for seniors in rural Alberta and Indigenous communities.

Driven by a sincere commitment to serve and represent my riding, my ultimate goal is to bring about positive change and amplify awareness of the concerns within our community. As we transition into the colder weather and approach the holiday season, I extend my heartfelt wishes for the safety and well-being of each individual.

As always, I am fully committed to being accessible and supportive. Whether it's addressing concerns or meeting with you, I am here to provide assistance and dedicated to working together for the betterment of our community.

As always Thank you for your trust and God Bless!

## WINFIELD LEGION BRANCH #236

### WE WOULD LIKE TO THANK THE BUSINESSES AND THE COMMUNITY FOR THEIR GREAT SUPPORT OF THE VETERANS.

The Winfield Legion #236 was invited to the Winfield Elementary School November 3rd to participate in their Remembrance Day Service. The students marched in the colours then followed with an excellent service. Thank you students and staff. The posters and poem entries were picked up and will be judged by the public on December 1 at the Legion Christmas Tree Lighting. The firsts will be sent to District 4 for further judging.

In 2022 a grade 6 student from Winfield Elementary took first in Alberta for her poem.

On November 11 at the Winfield Recreation Centre the Remembrance Day Service was well attended and the potluck lunch was enjoyed by all.

The Legion Hall later opened for fellowship and refreshments.

All Legions are independent and responsible for their own poppy campaign. Winfield #236 started their campaign on October 27 – November 11. As usual a majority of the poppy fund will be transferred to ABNWT Command to provide the Alberta veterans with programs, some funds are retained to provide (approved) local programs.

# CHRISTMAS BUDGETING

submitted by Deanne Young, Breton FCSS

Here are six last-minute Christmas budgeting tips for you master procrastinators... err... busy people.

1. **Make a List - and check it twice** - Make a list of all your family and friends who have been good girls and boys. Once you decide who is deserving of a gift from you, determine how much money you can realistically afford to spend. Then, designate a set portion of the total amount for each person on your list. For example, let's say you have \$600 to spend, and you need to buy gifts for ten family members and five friends. You may decide that you'll spend \$40 on each person on the list. On the other hand, you may want to spend \$50 on each of your family members and \$20 on each of your friends. No matter what, stick to your initial budget, and don't spend money you don't have.
2. **Avoid Overspending** - Many holiday shoppers let their emotions get the best of them, and they end up overspending. Maybe you feel terrible that you don't visit your mother enough, so you decide to spend \$300 on a fancy bracelet for her. Don't fall prey to holiday guilt. Not only will overspending break your budget, but you'll also set unrealistic expectations. In other words, your friends and family will begin to expect lavish gifts from you every Christmas.
3. **Pay in Cold, Hard Cash** - One way to force yourself to stick to your holiday budget is to pay for all your gifts with cash. Simply withdraw the amount that you can afford to spend on your holiday gifts. When that money is gone, Christmas shopping time is over. When you pay with a credit card, it can be easy to lose track of exactly how much money you've spent. An extra \$5 here or \$12 there may not seem like a big deal when you're paying with plastic. However, when you have a set wad of dollars in your pocket designated for Christmas gifts, you have a visual, concrete reminder of how much money you have left to spend. Therefore, you'll be less tempted to go over budget on each individual gift.
4. **Become a Lone-Wolf Shopper** - People who shop alone generally spend less money than those who shop with friends and family members. Not only can a shopping partner cause distraction and break your fiscal focus, but they may also pressure you into buying items you really don't need.
5. **Don't Buy Presents for Yourself** - When you're out shopping for friends and relatives, you're bound to come across some glorious item that you absolutely must have. However, remind yourself that this is the season for giving, not receiving.
6. **Get Creative** - If you're really strapped for cash this Christmas, consider giving out non-monetary gifts. For example, you may offer to paint your grandmother's kitchen or babysit your best friend's

son. Create hand-made or computer print-out certificates that say things like, "Good for One House Cleaning," or "Dog-Sitting Gift Certificate," and enclose them in a card. You could also save bundle by baking cookies, brownies and other Christmas goodies to give to give out to neighbors and co-workers.

Even if you've waited until the last minute to save up for gifts, it is still possible to avoid bankruptcy this Christmas. Whether you're a procrastinator, ridiculously busy or just down-right forgetful, these six last-minute tips will help you stick to Christmas budget and stay out of the red.
