

THE BRETON BOOSTER

MISS JOANNE'S PRODUCTION OF OLIVER TWIST MUSICAL THEATRE

Interview by Russell Hickman

Miss Joanne's accent gives her away. She's from England. It's there her love of musical theatre began at age 12. One or two musicals a year, traveling theatre in Spain and a circus gig —“the best of times”— and her path was set. She's operated Miss Joanne's School of Dance in Drayton Valley and Breton and, not for the first time, is producing a community musical. It's Charles Dickens' story of the orphaned Oliver Twist set to music. Oliver runs away from Mr. Bumble's Victorian workhouse after asking for more, is pressed onto the street and into Fagin's gang of sordid thieves, then finds his true family. Miss Joanne broke away from rehearsal at EPAC to talk with me about “*Oliver Twist*”, the local cast and crew, and the many hats she wears as show runner. The interview has been edited for clarity and length.

Not your First Rodeo.

No, not my first. I choreographed and directed/produced The Sound of Music with River Valley Players at The EPAC in 2014. That was my first musical here. I grew up in England in theatre. I did my first musical when I was 12, also The Sound of Music. I was in musicals once or twice a year until I was 19. I did Oliver Twist when I was younger and I know the story. As a mature adult Dickens has been a big part of my life. I love to work with children. It opens up a whole world for them and gives them confidence. It just allows them to perform and makes them feel important up on that stage. I need to open up their minds to theatre.

What to expect of “Oliver Twist”.

Oh, My Goodness! “Oliver Twist” is a very entertaining musical set back in the early 19th century in England. It touches my heart because it comes from my home country. We have children as young as 6 to adults singing, dancing, acting, doing comedy. It's PG. Not suitable for young, young children as there are brief raised voices and stage violence. The Bill Sykes character, despite our actor's heart of gold, is a hard man.

Interview continued and more pictures inside this issue....

There are five performances of Oliver Twist at the Eleanor Pickup Arts Centre Pembina Stage in Drayton Valley: March 21, 22, 23 at 6:30 p.m. and matinee performances at 2 p.m. March 23 and 24. Tickets are available at Value Drug Mart and Miss Joanne's School of Dance in Drayton Valley. In Breton, tickets are available at Heads Up! Family Hair Care.

Left. Fagin (Andrew Farrow) and Bill Sykes (Steve Goodman) are entertained in the pub by Nancy (Kailey Hogan) Background Characters Left to Right: Jennifer Landers, Rebecca Elliot, Laura Free, Carolyn Meyer

It is with heavy hearts that we announce the passing of Stanley Larsen of Breton, Alberta. Stanley passed away on Sunday, March 3, 2024, at Bethany Riverview in Calgary, Alberta at the age of 80 years.

Stanley had a deep love for the outdoors, particularly for fishing, hunting, and drag races. His passion for these activities brought him immense happiness and fulfillment. He will be remembered for his adventurous spirit and his unwavering love for the great outdoors.

Stanley is survived by his children Rob (Pebbles) and Jodie; grandchildren Sheldon, Curtis, Rachel (Curtis), London, Ashley, Ryan, Alyssa and Brendan; great-grandchildren Addison and Emmalyn, as well as siblings, Connie Tryon and Barb (Ralph) Becker.

He was predeceased by his wife, Ella; sons, Rick and Lorne; parents, Louise and Henry, and brothers, Eddie and Reggie.

The family would like to extend their gratitude to Bethany Riverview for their incredible care during Stanley's time there. May he rest in peace.

BRAZEAU COUNTY COUNCIL HIGHLIGHTS

March 5, 2024 Regular Council Meeting

Western Economic Corridor (WEC) Incentive Bylaw 1173-24

Council adopted the Western Economic Corridor Investment Incentive Bylaw 1173-24. The purpose of this bylaw is to provide an incentive for new businesses to relocate or establish themselves in Brazeau County and provide an incentive to encourage existing business to expand.

The incentive provides three years of tax relief to construction projects that increase the existing assessed value of a property by \$1 million or more. The property must be a Small Business as defined in Brazeau County's Non-residential sub-Classes Bylaw 1148-23, or in one of the Western Economic Corridor Sectors, which includes Energy Value Chain Development, Cleantech, Geothermal, Forestry Processing, Biomass, Manufacturing, Critical Minerals, Hydrogen, and Agricultural Processing.

A tax incentive bylaw is helpful in the early years of a business as it establishes itself and begins to generate revenue. The intent of the bylaw is that if a company has a choice between Brazeau County and somewhere else, the absence of property taxes in the first three years will provide the incentive for them to choose to locate in Brazeau County. Once their business is established and three years have passed, the assessment value that they have created is available for taxation by the County in subsequent years.

Transition of Chief Administrative Officer

Council appointed Director of Corporate Services as Acting Chief Administrative Officer as of March 16th. Current CAO Kent Edney has accepted a new position in southern Alberta. Council will consider applicants for the new CAO in the coming weeks.

Fire Suppression Water Tanks

Council approved \$250,000 for the installation of a 210 m³ concrete water tank in Lindale, and \$310,000 for the installation of a 210m³ concrete water tank and water well in Buck Creek.

Based on an investigation by staff, it was confirmed that the areas of Lindale and Buck Creek were deficient and required a water source within the proximity of each area. The Lindale tank, a replacement for the current holding tank, will provide year-round fire suppression for structure fires as well as assisting in supporting wildfire operation, if required. A larger holding tank will also benefit the agricultural users of this station. The current site is ideal as there is a supply water well on site and the location is regularly maintained and checked by the

Utilities department.

A water well and the below ground tank near the Buck Creek lift station will provide fire suppression for structure fires as well as assisting in wildfire requirements. Water will be available all year round with no risk of freezing. If drilled to a lower aquifer, the water well will not place residents' wells at risk.

For detailed information on Council meetings, including current minutes, please visit www.brazeau.ab.ca. Please direct inquiries to the office of the CAO at cscharfil@brazeau.ab.ca or 780-542-7777.

WARBURG SEED CLEANING CO-OP CELEBRATES 60 YEARS

submitted by Warburg Seed Cleaning Co-op

The Warburg Seed Cleaning Co-op started in 1964 when farmers in need of a better way of cleaning their seed and controlling the spread of weed seeds got together to raise 1/3 of the funds needed to build the Plant. The other 2/3 of the funds came from Leduc County and the Province of Alberta. In the early years, the main business was just seed

cleaning. Over the years, the business has grown to include forage seed sales, fertilizer sales and spreader rental, grass seeder rentals, Pedigreed seed sales and herbicide sales. The plant was also the canola gathering point for Canbra Foods which eventually was taken over by Richardson Pioneer. We obtained more land for our bin yard which meant we could offer more varieties of seed to sell. We currently have 38 seed bins and 3 fertilizer bins in the bin yard plus bins for our feed grain and a bin to store sunflowers for bagging. A ring road was built to accommodate the large trucks and trailers and a warehouse so we could better handle forage seed, tote bags, conduct repairs and have a place for storage. Part of the warehouse also serves as AWSA compliant herbicide Storage.

2010 saw the installation of an optical sorter and a new wind & screen. The color sorter was a major advancement to grain cleaning. In the past few years there has been some major updates such as a new gravity table, a 4000 bu. Bin for incoming seed storage, 6000 bushels of overhead clean seed storage, the addition of a 90 foot truck scale and a new color sorter with true color and infrared cameras for even more advanced cleaning capabilities. We added a roller mill and blender for feed sales so we can offer a variety of feed grains in small 50 pound bags, mini bulk bags or bulk and upgraded our bagging system. We moved into our new sales office in October of 2022.

In 60 years, Warburg Seed has had a lot of changes and we couldn't have done it without all of our customers! Thank you for your support!

Breton Fire Hall and Village Office

Breton Museum Facebook
January 23, 2024

Today's post is a photo, circa 1960, of the first Village Office and Fire Hall. An undated news clipping in the "Ladder of Time" describes the official opening of the Fire Hall and Village Office.

The opening ceremonies included a demonstration by the fire department.

The NEW facility includes: the secretary/treasures office, council room and a cell at the rear. On the other side is a water well and tank along with the fire hall. A banquet and dance followed in the evening at the old curling rink.

Notice the fire siren in the upper right hand corner of the photo.

MISS JOANNE'S PRODUCTION OF OLIVER TWIST MUSICAL THEATRE

interview by Russell Hickman

Continued from Front page

Recruiting a Cast and Crew.

It was me— begging! (laughing) I had a vision of who I wanted in the musical. I went to them first and said, "I would love you to do this with me. This is the part I want you to play."

The biggest surprise for me is Andrew Farrow. He is a music teacher in Breton and a personal friend. He did musical theatre with me years ago. He plays the part of Fagin. Even in a professional production he would steal the show! We have a company of adults and kids. Some from as far as Warburg, and many from Drayton Valley. Twenty five singers from the Aurora Elementary grade 3/4 School Choir taught by Heather Karlstrom perform in the first two opening scenes. Auditions were held and everyone in the cast can sing and move. We have 8 children in Fagin's gang and 16 adult performers.

It Takes a Versatile Village:

We are very, very versatile. All of us! Morgan Holden, our Dodger dances with me and joined my youth production company last year in Peter Pan. He's fourteen and been in quite a few things. My Oliver, Riley Neveu, is ten. She's in dance, but when she began to sing at her audition, she brought tears to my eyes. She's lovely. She is so talented and this is her first rodeo!

Most of Fagin's gang have danced with me but have never done a musical before. Most of my adult players have performed before with the River Valley Players and are used to performing on the stage. A few of them were in the Sound of Music.

My musical director is Carolyn Meyer from Warburg. She

was also on the Sound of Music and has helped with the acting and singing. We go back 40 years. I am wearing many hats: choreography, the scenes, (coaching) acting, designed the set with Darcy Mulroy, worked with set painter Karen Strong, props with backstage manager Lisa Bell. The only thing I haven't done is the vocals. I do not profess to be a singer! Not my genre! We have a wonderful pianist, Kalinda Kozac. Darcy and Karen Strong are a remarkable team. Carolyn Meyer and Heather Nickel assist. Layna and Ella Kozac are amazing! Thanks to ACR—All Choice Rentals. They've donated backstage equipment, change trailers, generators, a bathroom, fencing all for a small fee! A big thank you to them and the whole team. Everyone has been so supportive! We are going to have fun!

Making Musical Theatre:

It's not been easy. But we're here and it's going to happen. And everyone's excited. This process began in 2020 when I decided on a musical and then the whole world shut down. No, it's not been easy.

After (COVID) I waited until I had the hours to put in. I decided last summer on Oliver Twist and started looking for a cast in October through November. Adults always have a lot going on. I've had two rehearsals with every cast member present! Sickness, holidays, work, family, cold snowy weather, school closures; it's a big commitment! We have people driving from Breton, Warburg and there's a blizzard coming! Some changed their mind. It's been hard.

Please!

Come out and see the show! You need to see the talent this community has. We need to get people back into the theatre, back into live performing! It is such a great community. It is such a great thing for children, adults, for everybody! But, unless you come....

RCMP OFFICER CHARGED

March 8, 2024 Media Relations RCMP Alberta

**Officer of the RCMP Central Alberta Crime
Reduction Unit charged with assault during arrest**

Breton, Alta. – During the 2023 wildfire season members of the Central Alberta Crime Reduction Unit were assigned to investigate a small group of known offenders that were believed to be committing thefts in the Drayton Valley area during evacuations. During the operation, officers recovered stolen vehicles and items including a Ford F250 pick up, a Chev. Silverado Pickup, an ATV and a truck canopy. RCMP arrested 3 repeat offenders who were charged for various offences.

On May 9, 2023, Officers of the Central Alberta District Crime Reduction Unit recovered a stolen Silverado which had fled police and subsequently rolled in the ditch near Breton. The suspect was arrested and taken to hospital for treatment of an injury obtained during the roll over. After the arrest of the suspect, concerns were raised about the conduct of one of the arresting officers.

On May 17, 2023, RCMP contacted the Director of Law Enforcement who determined the incident to be out of scope of ASIRT and directed the RCMP to investigate. The RCMP initiated a statutory investigation to gather a full account of what took place during this incident.

On March 1, 2024, RCMP charged Cpl. Bruce Lussier (42) with assault causing bodily harm. Cpl. Lussier has his next court date set for April 10, 2024 at the Alberta Court of Justice in Breton.

In light of these charges, Cpl. Lussier has been placed on administrative duties.

The RCMP believes in accountability and transparency. Our officers recognize the trust placed in them to use force that is necessary, proportional and reasonable and in so doing remain fully accountable.

Rising Taxes, Falling Services: Time for Change in Canada

Press Release March 11, 2024

As tax season arrives, Canadians are bracing for more than just the usual paperwork. Thanks to the Liberal government, this April 1st marks significant tax increases: a 2% excise tax on alcohol (increasing to an annual 4.7% in 2026) and a 23% increase in the carbon tax. These hikes are not just numbers on a page; they are real burdens on every Canadian household.

I wish to extend my deepest thanks to the many individuals across Yellowhead who responded to my previous OP-ED by sharing their heating bills. Your contributions have highlighted the outrageous cost of the carbon tax, underscoring the real-life impact of government policies on the cost of living.

These tax increases are part of an escalator tax mechanism, a strategy deployed by the Liberals that ensures annual tax hikes without parliamentary debate or vote. This automatic increase mechanism strips away any semblance of accountability or transparency in how we are taxed, essentially bypassing democratic processes.

The irony of these tax hikes is not lost on me; as Canadians pay more, the quality of government services does not improve—in fact, in many cases, it worsens. Since Trudeau was elected, the government bureaucracy has increased by over 100,000 employees, with spending on public services up by more than \$151 billion in that same period. Yet, Canadians are left asking: where is the value for our hard-earned taxpayer dollars?

Furthermore, ample evidence points to wasteful spending and mismanagement of taxpayer dollars, from the failed safe supply drug experiment that has tragically failed to address addiction, to scandals and corruption like ArriveCAN, which has seen taxpayer money funneled into the pockets of corrupt individuals within the government. These examples are not just fiscal missteps; they are betrayals of the public trust.

As we navigate this tax season, it's crucial to reflect on the broader implications of the NDP Liberal government's financial policies. It's evident that Canadians deserve better. We deserve a government that respects taxpayer dollars, invests wisely in public services, and ensures accountability for every dollar

spent.

The Conservative vision is clear: a Canada where taxes are fair, government is accountable, and public services are efficient. I pledge to continue to fight for these ideals, ensuring that the voices of Yellowhead residents are heard loud and clear, and working towards a future where your hard-earned money is respected and well-utilized.
