

THE WARBURG BUGLE

Federal-provincial Child Care Agreement

The Alberta Government has successfully negotiated an agreement with the federal government that will support the expansion of accessible, affordable and high-quality child care that gives families the choice they need. This made-in-Alberta plan also reduces fees for parents of 0 to kindergarten-aged children by an average of half next year, and provides an average of \$10 per day child care by 2026.

Through the agreement, \$3.8 billion will be invested in child care for children aged 0 to Kindergarten over the next 5 years:

\$2.865 billion to lower child care fees for Alberta parents

\$240.64 million to increase the number of child care spaces

\$202.6 million to develop and fund child care options to support vulnerable and diverse populations, as well as children with extra needs

\$306.16 million to support licensed programs and certified educators in offering high-quality support for families in their communities

What this means for parents.

Parents will see reduced fees starting in early 2022 and for the next 2 years. While additional information will be shared soon, families can expect to pay an average of:

\$10 per day if they earn up to \$119,999

\$11 to \$17 per day if they earn between \$120,000 and \$179,999

\$22.19 per day if they earn \$180,000 and above

For example, a family earning \$120,000 with an infant attending a licensed facility-based centre full-time currently pays on average \$1172 per month. By year 2022, this family can expect to pay an average of \$284 per month.

Getting into horticulture: commercial opportunities for Alberta growers

Join horticulturist Robert Spencer from Spencer Horticultural Solutions for two online introductory sessions exploring the commercial opportunities for growing field and protected horticulture crops in Alberta.

PART ONE: FIELD CROPS — VEGETABLES AND FRUIT

**Tuesday, Dec. 7 | 7 to 8:30 p.m. | \$20 plus GST
online via Zoom**

A look at the vegetable and fruit industry, giving an overview of its size and composition as well as trends and shifts over the past 20 years. Rob will review vegetable, potato, and fruit crops for their potential opportunities and pitfalls. By highlighting the key considerations for each of these crop types Rob gives growers insight for planning their production.

PART TWO: PROTECTED CROPS — GREENHOUSE

**Tuesday, Dec. 14 | 7 to 8:30 p.m. | \$20 plus GST
online via Zoom**

A review of the covered edible and ornamental crops industry, including greenhouse and vertical operations. Rob will outline the component parts of the industry, including size and scale. He will highlight considerations for getting into the various industry segments, such as capital and operational costs, competition, market demand, and skill requirements. The session includes a review of the pros, cons, and cautions of vertical operations.

These first two workshops are the start of a series of extension events, which will take interested growers from planning to production. These sessions will benefit new producers getting into farming and established farmers looking for new ventures.

Albertans aged 18 and older now have an additional COVID-19 vaccine option

Starting Nov. 12, Albertans 18 years and older can book appointments to receive the Janssen (Johnson & Johnson) COVID-19 vaccine by calling 811. Due to limited supply, the Janssen vaccine will only be administered at Alberta Health Services (AHS) clinics in select locations across the province.

"We have heard that some Albertans would consider getting protected if the Janssen vaccine was made available. We have made doses available and now we need these Albertans to follow through and get vaccinated. These doses are a start; we will continue advocating for more Janssen vaccine as we do everything we can to get more Albertans vaccinated." *Jason Kenney, Premier*

"Having the Janssen vaccine available in the province now gives Albertans more choice when it comes to getting protected against COVID-19. Every dose administered not only protects individuals but also our communities at large and the capacity of our health-care system." *Jason Copping, Minister of Health*

"Whichever COVID-19 vaccine you receive, it's important to get fully vaccinated as soon as possible and continue following the current public health measures to protect yourself and others." *Dr. Deena Hinshaw, chief medical officer of health*

The Janssen vaccine is currently a single-dose viral vector vaccine that works similarly to the AstraZeneca vaccine.

WARBURG CURLING CLUB Our House Rocks

Just an update of the curling rink. We replaced the furnaces and repositioned them.

We sponsored Ethan Chung's U20 curling team for the sum of \$2000.00. He is now at the u of a taking engineering. We were going to sponsor Kelsie Cygan as well but her work load in olds college is to heavy to curl at a competitive level this year. She is taking an accelerated program for vet assistant.

We thank all the juniors that have come thru the program and wish them luck in their next step of life. The sponsorship money comes from the casino account because 50% of those funds need to go towards our junior program.

After 10 years running the club I'm stepping down. It is time someone else stepped up and took over. If no one comes forward by Dec 3, I will drop the keys at the Warburg Village office. At that time I will not be updating the website or Facebook. I will not be picking up mail or answering emails. I will show whoever steps up the ropes. I checked into what it would cost for a manager/lcemaker and this club cannot afford to hire one. With the ALBERTA curling association new rules Im unable to coach and with my knees I'm unable to curl so it is time for new blood.

Our treasurer has been taking care of the expenses longer than I have looked after the ice. I believe she is looking to take a break as well.

I thank all that have supported the club as players and volunteers and all those that have helped in whatever way they could to keep this club going. I would also like to thank the sponsors that have supported the club for many years. This year there will not be any fees charged for the signage on the walls.

Thank you
Kevin Maine

Who are the true Christians?

Have you ever been intentionally hurt or swindled by a person who claimed to be a Christian? Well, if you have, they were not a Christian at all!!! If they said they are Christian, they lied!! According to Webster's Dictionary a Christian is: "one who professes belief in the teachings of Jesus Christ". Well, if one professes belief in the teachings of Jesus Christ that one will be **doing** and **living** what Jesus taught. Jesus Himself said "Not everyone that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that **doeth** the will of my Father which is in heaven" Matthew 7:21. In verse 24 of the same chapter Jesus said, "Therefore whosoever heareth these sayings of mine, and **doeth** them, I will liken him unto a wise man, which built his house upon a rock". Notice in these two verses Jesus specified "doeth the will of my father" and doing his own sayings. The Word of God also says in James 2:26 "For as the body without the spirit is dead, so faith without works is dead also". Works means doing. That means if you believe in Jesus but don't **do** what he said your faith is dead. In John 8:31 the Bible says, "Then said Jesus to those Jews which believed on him, If ye continue in my word then are ye my disciples indeed". According to this verse, if a believer continues in His Word, the believer is His disciple, and so the opposite is also true, if the so called believer doesn't continue in his word, the so called believer is not his disciple and therefore does not actually believe. Here is what Jesus said in John 14:21, "He that hath my commandments, and keepeth them, he it is that loveth me: and he that loveth me shall be loved of my Father, and I will love him, and will manifest myself to him". Keeping his commandments means doing them.

So how do we know if a Christian really is a true Christian and not a fake? The obvious answer is, the true Christian will be doing and living the commandments of Jesus. Here are some examples of what Jesus commanded his followers and disciples to do:

- John 13:34-35 A new commandment I give unto you, That ye love one another; as I have loved you, that ye also love one another. By this shall all men know that ye are my disciples, if ye have love one to another
- Matthew 22:39 Thou shalt love thy neighbor as thyself.
- Luke 6:27-28 But I say unto you which hear, Love your enemies, do good to them which hate you, bless them that curse you, and pray for them which despitefully use you.
- Matthew 7:12 Therefore all things whatsoever ye would that men should do to you, do ye even so to them: for this is the law and the prophets.
- Mark 12:29-31 And Jesus answered him, The first of all the commandments is, Hear, O Israel; The Lord our God is one Lord: and thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the first commandment. And the second is like, namely this, Thou shalt love thy neighbour as thyself. There is none other commandment greater than these.

If a so called Christian has intentionally hurt or swindled you in any way that person was not obeying any of the commandments of Jesus listed above, and therefore are not a true Christian. Period.
